PEER ORIENTATION PEOPLE

This year the Peer Orientation People led the new students through several exciting, fun-filled days during Orientation 1998. The class of 2002 and transfers were entertained by the POP Talent Show "Way Off Broadway", learned about the campus through Albright Bound, and met each other during Play Fair. Though those days were hectic, the POPs lived to tell about it. Thanks to a lot of cooperation and hard work, the POPs made the Steering Committee's goals and hard work come true.

AFRICAN AMERICAN SOCIETY

The African American Society was organized to consolidate mutual interest and a firm ethnic identity. This organization was further established to foster fellowship among African American students and a greater understanding of African America culture and people within the college community. Finally, the society is a service organization, formed to enhance campus wide programming, thereby promoting tolerance, understanding, and education within Albright, Reading and national communities.

GAMES GUILD

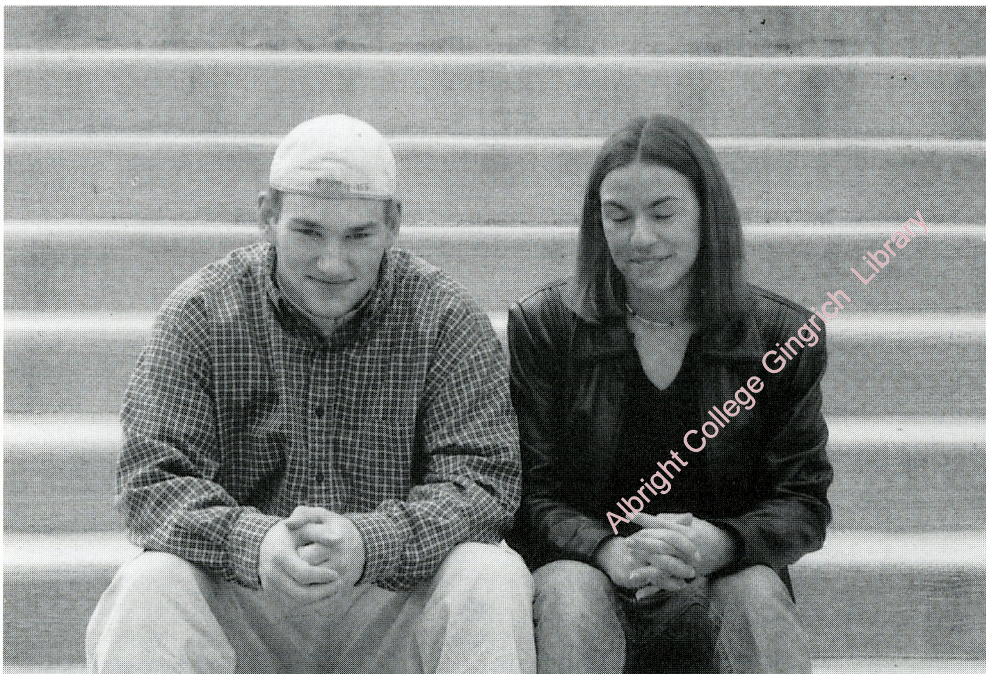

THE ALBRIGHTIAN

The Albrightian, is a bi-weekly newspaper for the students, faculty, administrators, trustees and alumni of the Albright College Community. We are the voice of Albright. We publish six times a semester(12 issues total). It is produced by the students except during vacations, holidays, and examination periods. All opinions expressed in The Albrightian reflect those of the author (columns and letters) of the editorial board (editorials) and are not necessarily those of Albright College, its faculty, staff or administration.

CLASS OF 2002

Jared Secrest(President), Robert E. Lee(Not pictured)(Vice President), Michelle Root(Treasurer), Michelle Lakatos(Secretary)

CLASS OF 2003

Todd Alscher(Secretary), Chris Roman(President), Shawn Calkins(Vice President), Kristin Houghtalling(Treasurer)

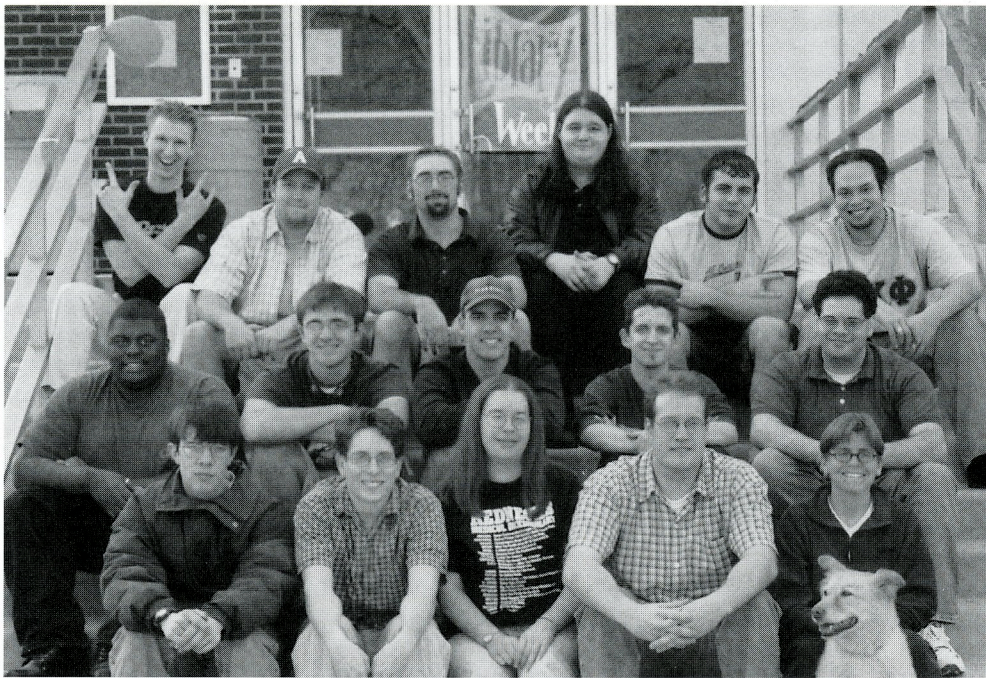

GOSPEL CHOIR

The Gospel Choir was formed for those students interested in this type of music. It is a group dedicated to singing of the glory of God, praising His works and incomparable compassion, and spreading His word to those in the darkness.

ALBRIGHTS ANGEL

This organization's purpose is to provide students an outlet for learning and performing a cappella and accompanied music of their choice. Teamwork is the main method for students to teach themselves and fully challenge their abilities.

WXAC

We Play Music! We provide an outlet for students to delve into the creative world of radio broadcasting. We provide alternative and educational programming to the Albright community and surround area. Listen! We Are Cool!

ALPHA PHI OMEGA

Alpha Phi Omega is a co-ed national service fraternity that was chartered on Albright's campus in 1956. We were rechartered in November of 1996. The three principles our fraternity is based upon are leadership, friendship and service. With these principles we serve the campus, community and nation as a whole. Such activities include Habitat for Humanity, Easter Seals Society, The Salvation Army, and many more.

PANHELLENIC COUNCIL

SIGMA KAPPA

As sisters of Sigma Kappa, we share a close bond of sincere friendship and unity. In turn these characteristics help us grow socially, intellectually, and spiritually. Through strong sisterhood, we continue to make essential contributions to the campus community by being active in such a wide variety of activities. Outside of Albright's campus, we enjoy visiting the Caum Home as part of our Gerontology philanthropy program, as well as selling lollipops to raise money to help in the fight against Alzheimer's disease. Socially, we had the opportunity to enjoy mixers, formals, airbands, and building a homecoming float.

INTER-FRATERNITY COUNCIL

IFC is the governing body which oversees the activities of all the social fraternities on Albright's campus. IFC works with the organizations to promote brotherhood on campus. The IFC often works with Panhel to coordinate some of the Greek activities.
