"Family Portrait" Next Production Of Domino Club

The Domino Club has chosen for its annual passion play, "Family Portrait," by Lenore Coffee and Joyce Cowen. The play, one of the most significant dramas of our century, ran on Broadway last year with Judith Anderson in the leading role. It will be presented here March 8, 1940, exactly one year after its opening in New York.

The play portrays the family of Christ. It was received enthusiastically in New York. Critics were unanimous in acclaiming it as one of the most powerful dramas of this century. Sidney Whipple, of the "New York World-Telegram," said, "It is beautiful and dignified. It breathes the spirit of humility and tolerance. It is reverent in its approach to those whose personal lives were so closely bound up with that of the Founder of Christianity. But it is also pitiless in its exposure of the blindness and faithlessness even of some of those who professed to follow Him."

The Domino Club plans to follow some of the production plans used in New York. The costumes will be timeless, so that the audience may see Jesus' family as their contemporaries.

Debaters In Action Twice Tuesday

Donald Blackmore and William Bottonari will meet a negative debating team of Ursinus College on Tuesday, February 13, at Ursinus.

The constructive speech will be delivered by Blackmore. Bottonari will do the cross-examining and give the rebuttal.

An Albright negative team will be host to Western Maryland College on Tuesday afternoon. The debate subject for both occasions will be: Resolved, That the basic blame for the European war rests with the Allied powers.

Rettinger Named Zeta President

Robert Rettinger was elected president of the Zeta Omega Epsilon fraternity at a meeting held this week. Other officers named were: vice-president, Charles Buynoski; secretary, Paul Petrucka; treasurer, Ray Shugard; chaplain, Vincent Rusbosni; and chairman of the house committee, Jack Robson.

A favorable response has come back to the fraternity from alumni who received the first issue of the fraternity's publication.

Plans for the alumni banquet and spring formal dance were discussed at the fraternity meeting Monday. Al Comstock was admitted as an active member.

TRUSTEES MEET

The annual meeting of the Albright College Board of Trustees was held Wednesday, February 7, in Selwyn Hall. The board reconvened Thursday morning.

More Women Hate Men Than Vice Versa, Tests Reveal

There are more man-haters than woman-haters among the seniors, according to a personality test given by Dr. Geil in the senior Bible course. To the question, "Are you usually considered to be indifferent to the opposite sex?" 12 per cent of the boys answered "yes" as did 20 per cent of the girls.

The test was part of the marriage course. There were 125 questions to be answered "yes", "no", or "??". After being graded by Dr. Geil and some student assistants, the papers were returned to the owners, with percentile scores indicating neurotic tendency, self-sufficiency, introversion — extroversion, dominant or submissive tendency, confidence in oneself, and sociability. Some seniors learned things about themselves that they never would have guessed otherwise.

No Cause for Alarm

Dr. Geil hastened to explain that seniors should not rely on these tests as final authority. He said psychologists would give several tests before making a final judgment in any case.

According to the percentile scores, half the women and almost half the men are very well-balanced emotionally. The group was pretty well distributed through the varying degrees of self-sufficiency. There was a greater difference in dominant-submissive tendency in the men than in the women. Of the former, 6% tend to dominate others in face to face situations and 38% to be submissive; while 54% of the women tend to be dominant as opposed to the 46% who tend to be submissive. The men were rather well distributed over the areas of confidence in themselves, while a large percentage of the women admitted to being hamperingly self-

conscious. In tendency toward sociability, the larger percentage of men tend to be non-social and independent, while a correspondingly large percentage of women tend to be social and gregarious.

Reaction to Questions

Interesting among the reaction to the questions was the fact that 30% of the boys admitted to blushing often, while only 20% of the girls admitted the same thing. The final proof that the Victorian age is dead! Also interesting was the fact that 16% of the boys as opposed to 12% of the girls find it hard to get rid of salesmen. Apparently the Fuller brush man could never make a living around Albright. More than three-fourths of the students said they work better when praised.

Sixty-one per cent of the boys and 54 per cent of the girls in the class answered "no" to the question, "Are you troubled with feelings of inferiority?" Seventy-three per cent of both sexes agreed they are thrifty and careful about making loans. To the question "Are you easily moved to tears?" 18% of the boys and 29% of the girls answered "yes." Some of the boys didn't believe this, but the figures stood.

Finally came the query, "Is marriage essential to your present or future happiness?" To this all-important question, 88% of the boys and 76% of the girls answered "yes," 9% of the boys and 13% of the girls answered "no," and 3% of the boys and 11% of the girls couldn't make up their minds. Unfortunately there are no statistics to show the correlation between answers to this question and answers to the question, "Are you usually considered to be indifferent to the opposite sex?"

Drama Guild Scores Hit With Barrie's 'Dear Brutus'

Barrie came into his own again last night when the Alumni Drama Guild presented Sir James' "Dear Brutus" to a delighted audience in the college chapel.

The Guild is composed of Albright alumni, all of whom were active in the Domino Club while in college. Organized last fall, the group has been growing by leaps and bounds and is already planning a second production for May.

The play, a three-act fantasy, deals with the strange things which happen to nine sophisticated Londoners who are celebrating the Elizabethan festival of Midsummer Week at the home of Lob, "a little man who is all that is left of Merry England." An air of mystery surrounds Midsummer Eve, and we are not at all surprised to learn that a mysterious wood, in which each person may have a second chance, has appeared outside the drawing-room window. During the second act, the characters, forgetful of their real lives, are given their second chance to live; but when they are finally restored to normalcy, they find they have failed completely to do a better job of living than they had before.

The cast included Mildred R. Ice as Alice Dearth; Seta Schmidt as Joanna Trout; Jeanette Henry as

Mrs. Coade; Boy Rosenthal as Mabel Purdie; Esther Fenili as Lady Caroline Lamb; Joseph Richter a Matey; Rudolf Shook as Lob; Lewis Briner as Mr. Coade; James Doyle as John Wardie; Ralph Levan as Will Deane; and Dorothy Butler as Margaret.

The production staff included Robert Work, director, Anna Benninger, prompter, Werner Rosacker, staging and lighting, Dorothy Butler, costumes and settings, James Doyle, publicity, and Ann Blessing, ticket sales.

DR. MASTERS TALKS TO MUSIC CLUB

President Dr. Harry V. Masters addressed members of the Berks-Lancaster Music Education Club meeting in the dining hall of the college last night. He spoke on "Music in General Education."

"Shall we admit jazz into our schools?" was the subject of the club's panel discussion. Dr. M. Claude Roseberry, director of music education in Harrisburg, acted as panel chairman.

The musical program of the meeting included selections by Jeanette Snyder, piano; Joyce Levensgood, contralto, and Florence Frazer, soprano.

Pennsylvania- German Course Is Experiment

The German department is pioneering in a comparatively new field. Dr. Memming is offering this year a course in Pennsylvania German culture. This probably is the first time a full college course in the culture of these early Pennsylvania settlers has been offered anywhere.

The class will trace the Germans back to their home in the Palatinate, and follow their immigration to this country. They will study the influence of the Pennsylvania Germans upon the material, industrial, educational, political, and cultural development of the United States.

No textbook will be used but the class will do outside reading and make oral reports on their pet subjects. Dr. Memming is planning several field trips to museums and other places of interest. The new course, an experiment in education, has attracted the attention of prominent Pennsylvania German schools.

Spatz To Lecture On Guatemala

The Y. M. C. A. and I. R. C. are jointly sponsoring a lecture-movie by Donald Spatz, Reading's Richard Halliburton, on Tuesday night at 8 o'clock. Upper classmen have bright memories of his former appearances in the college when he showed pictures of Puerto Rico and Yucatan. This year Mr. Spatz presents glorious Guatemala, Central America's hot little country with a population of Chicago.

Since Mr. Spatz is both a student and a good photographer in his travels, the evening promises to be worth any student's while.

Bible Class Resumes

The Bible Class will resume its Sunday morning services again at 9 o'clock. This Sunday Paul Ackert will be the speaker.

Ackert is a pre-ministerial junior, majors in psychology, and finds most of his outside interests in music.

Combined "Y's" Plan March, April Chapel Program

The Y. M. C. A. and Y. W. C. A. cabinets met jointly last Tuesday evening and advanced their plans for the next two months.

Most important was the announcement that Sherwood Eddy, famed American social worker, peace proponent, promoter of cooperative, and student of world affairs, would be the visitor on the campus Friday, April 19, as the guest of the "Y's."

On Monday and Tuesday the "Y's" will conduct the chapel services. The chapel periods on March 11 and 12, and April 8 and 9, will also be under their leadership.

It was proposed to ask Dr. Howard Thurman, Dean of Chapel at Howard University, to speak Tuesday, April 9. Howard University is one of the outstanding Negro schools in America; is located in Washington, D. C., and was founded as a coeducational school in 1867.

The Snooper

By ANNE ONYMOUS

Can you "tell" us what the big attraction is for little Joe Laucks "lurking" in the doorway of Selwyn Hall? We hate to discourage you, Joe, but her heart still belongs to Bucknell.

We never thought of Bessie as a shrew, but it seems that she'd be very glad to play the role opposite McKay!

Have you noticed the effective late entrances made by "The Duchess" and "The Princess" in the dining hall?

Freeland mustn't have the "comph" it used to for that freshman lad. Could it be because he's so fond of sticky buns? (No charge for the, ad, Myrtle!)

Thelma Shimp's theme son—"Oh, Johnny!"

It's a wonder Byrdie didn't get her dates mixed while she was in New York. She certainly "flew" around!

Why are Edith and Helen so glad for week-ends?

"I never saw a purple cow, I never hope to see one— But I have seen a purple hat, The never on a he-man!"

What a "racket" those women day students' rooms are!

From now on, the ideal Snooper should also be interested in "Gestalt psychology!" Why does Elmer come from W. P. I. to Albright during his lunch hour? Miriam knows the answer.

If you are thinking of getting married, ask Mrs. Smith about Brooklyn.

Why don't Buzzard and Falcone rent the parlor for their private use—then they wouldn't have to be disturbed.

We hear that a fifteen-year-old Pensider has been talking about her "cute boyfriend from Albright with the cute green car." Have you been trying to impress her, Julie?

Speaking of fifteen-year-olds, Sam's allergic to them too.

Questions of the week—

Was Burt embarrassed by those ten women?

Why won't Eleanor enter Woolworth's?

Was that a frosh-soph dance last Friday night?

Gerry Felter—Bialek?

This isn't our idea of romance—what happened to Harold?

Charles Miesse has turned huntsman—but who ever heard of hunting a wolf with Cupid's bow and arrow?

If there had been more light at the Dav Student's Dance . . . We would have been surprised to see:

Deity Gaul and Lubin.

Olga Bitler and Gus Cohen.

Mary Klein and Comstock.

We would have been glad to see:

Bob and Marie . . . very happy

Marty . . . in the "pink."

Wiggy . . . having as much fun as when he goes stag.

What do "Cocky" Robson and Harvey Greiss know about Laucks' missing cigars.

Dick Westgate, erstwhile Lion luminary, has been cautioned by "Doc" Quack to "simmer down" a bit.

Professors In The News

Dr. Milton W. Hamilton, professor of history at Albright College, is the author of an article entitled, "Anti-Masonic Newspapers, 1826-1834," in the recently published annual volume for 1938 of the Papers of the Bibliographical Society of America.

The paper was originally read at the Chicago meeting of the American Historical Association in December 1938. It is accompanied by a bibliography of Anti-Masonic newspapers for New York State, comprising some 80 titles, with complete bibliographical data and locations of files in libraries. Dr. Hamilton expects later to publish a list of Anti-Masonic newspapers for Pennsylvania, which will be as large as that for New York, with scattering listings for other states.

Appointed to Commission

Dr. Milton Geil, head of Albright's department of psychology, has accepted an appointment by the Student Christian Movement of the Middle Atlantic Region to membership in "a study commission." This commission will be concerned chiefly with student problems on college campuses. All meetings will be held in Harrisburg on Saturdays to prevent interference with class schedules.

Dr. Geil addressed the Berks County Federation of Women's Clubs on February 2 at Faith Lutheran Church, Mt. Penn. The subject was "The Juvenile Delinquent." The meeting included representatives from the southeastern section of Pennsylvania.

To Talk at Warren

Dr. Wilbur Gingrich will speak at the anniversary of St. Salem Evangelical Church in Warren, Pa. on Sunday.

Science Notes

Prof. Paul Speicher and Prof. Marcus Green visited the Leespore, Shoemakersville, Hamburg and Bernville high schools in the interest of the science department of Albright College.

The Alchemists meeting was held Tuesday night. Alka Duke spoke on Luminole or Fluorescence and Luminescence with colored slide demonstrations. William Kurlin spoke on Fluorescence and Adsorption. Emerson Hoppes proposed a constitution which was read. Martin Epstein read the names of committee for the student affiliate meeting. Carl Yodor talked about the New York trip.

Ernest Pastorello, '33, will give a prize in advanced biology this year.

Skull and Bones will meet in the science hall next Monday.

Home Ec Majors Visit New York

Last week nine students from the home economics department accompanied Mrs. Smith to New York. While there, they visited Good Housekeeping Institute; Washington and Erie street markets; fish markets; Sheffields Dairy; Taystie Bakery; McCall's; Sealtest test kitchens; Radio City; and the American Woman's Club.

The students who made the trip were Edna Bialek, Helen Markey, Evelyn Heller, Virginia Gaul, Thelma Shimp, Byrdie Kalish, Evelyn Belmont, Esther Sippel, and Miriam Hershey.

Down Melody Lane

by SEYMOUR MENDELSON

From the Song Hit Guild of New York City, I have received word that you students of swing who wish to try your luck (some call it skill) at writing a song hit can now do so. The deadline for entries is April 1, 1940. The date must have been chosen because of its deep significance. No doubt, a fool will win.

As an aid to those aspiring students, I will give a few hints on how to write a song hit. Not that I have ever written any. But, years of experience (?) in Tin Pan Alley have given me sort of general background—very general.

To begin, purchase a pencil. If you can, borrow your neighbor's. It's much cheaper. While you are at it, ask him or her for a piece of paper. You'll need it. Pick out a nice quiet spot—not the fraternity or sorority house or the peaceful bookstore. Best place is the library. Here, one can obtain the atmosphere for deep reflective study. Take a seat facing the entrance so you can see every one coming in. You never can tell how an idea will take hold of you.

With your elbows on the table and your head resting in your hands, begin to concentrate. This is the difficult part. It may take you three weeks, but don't despair. "Oh, Johnny" wasn't written in a few minutes.

If any working fellow comes bobbing around shrieking for silence, show him your union card. After all, a second Hoagy Carmichael ought to have a little freedom. To work yourself into the mood, singing, whistling, humming, and tapping of the feet all help. They aid in producing that state of mind wherein all is blank and void. Your brain is now ready to receive the 'idea'.

Remember, don't give up. Lawrence didn't. When the idea comes, as it surely must if you have any possibilities, quickly jot it down on paper. If you forget it before you can do so, start from scratch. The idea comes again. Jot it down. Make corrections. Spend a few minutes writing the words. Try to make the words rime. They sound so much better that way.

When your manuscript is all complete, get somebody to play it and sing it. Tell him the sheet of music belongs to a friend of yours. That's just in case the piece sounds good. After making the momentous decision that your gift to the musical world is of slightly inferior quality, go to the library and begin again.

You know the old maxim, "if you don't succeed at first, try, try again" and then, success will come your way—some day—far away.—(P. S. I hope).

I. R. C. Receives Five New Books

The International Relations Club recently received five additions to its library, from the Carnegie Endowment.

The new books are: "Democracy Today and Tomorrow," by Edward Benes; "Dictatorship in the Modern World," edited by Guy Stanton Ford; "Toward an Understanding of the U. S. S. R.," by Michael T. Florinsky; "Can America Stay Neutral?" by Allen W. D. Dulles and Hamilton Fish Armstrong, and "Economic Bases of Peace," by Ernest Minor Patterson.

SPORT SHOTS

By CARL MOGEL

Upsets marked the opening interfraternity basketball games Wednesday night as the favored Kappas were tumbled by the fast-traveling Day Student team, 30-22, and the Pi Tau's going down under the wilting Frosh Dorm attack, 30-12. The A. P. O.'s ran true to form as they ran wild against the Theology Dorm, 40-15.

The basketball squad faced another tough blow last week as Ray Thorpe left the team to devote more time to his studies. Coach Harris and members of the squad hated to see the tall blonde leave. Ray was invaluable to the team as he could play any position with equal ability. However, graduation is more important than a few basketball games which might have been won if his services were available. Coach Harris, although the move will no doubt weaken his team, not only sanctioned Ray's decision but won the administration over to his side.

Goose Oslislo, assistant basketball mentor, is on the sick list with intestinal influenza. He is expected back in two weeks.

Two freshmen basketballers, Killiany and Morris, were indefinitely suspended by Coach Harris because they went home after the exams without the coach's permission thus missing two games. Their suspension, in this case, means attending every single practice and staying away from every game. It looks very much like the two freshmen lads will have their work cut out for the remainder of the season.

At the meeting of the Athletic Council, Lone Star Dietz was again appointed to head the Lion track squad, which will engage in four dual meets and the Penn Relays. Russell Resch, of Reading, was given the head tennis post and will lead his racketeers into ten matches this spring. The abbreviated tennis schedule seems to indicate this is the last year for the sport on the campus.

Maybe you have been wondering about Bob Bennet, whose name has appeared in the last two frosh line-up. The Corning, N. Y. lad made the squad in the beginning of the season but asked to be dropped in order to give his time to studying. Now, with his marks up for the first semester, Bob has again reported and as soon as his shooting-eye returns he will be a great help to the squad.

Big Bill McKinney has been ejected four times for committing four personals in a game. Billy's big elbows have been directed in the wrong direction, according to the referees. But the fight and the spirit are there and that's what counts.

Lions Covert Third League Win After Knocking Bucknell and Gettysburg From Lead

22 Football Men To Receive Awards

The Athletic Council met Thursday afternoon and decided that twenty-two men should receive varsity awards for football for the 1939 season. Dick Westgate was given the regular varsity award as honorary captain of the team.

The lettermen are as follows:

Seniors: James Snyder, end; Raymond Thorpe, end; Gustav Cohen, tackle; Stephen Hydock, tackle; Albert Gustitus, guard; Raymond McCrann, guard; Jildo Zanot, guard; Chester Wielgolinski, center; Alan Duke, fullback; Theodore Soja, quarterback; Burton Aszman, left halfback; Henry Czaikoski, right halfback; John Robson, center; Thomas Warnagaris, right halfback; Richard Westgate, honorary captain.

Juniors: Edward Quinn, left halfback; Thomas Johnson, tackle; Marshal Popelka, fullback; Vincent Rusbosin, guard.

Sophomores: Robert Baum, end; James Breen, left halfback; Stanley Kuklis, right halfback.

Draw Up Rules For Frat Loop

Plans for the Interfraternity Basketball League were drawn up Tuesday afternoon by representatives of the groups participating this year.

Last year's rules, with a few variations, will be used again this year. Each team may have a squad of unlimited number but eight players must appear from each squad for each game. Smoking and abusive language will not be tolerated from either the players or spectators—Any team indulging in either will be dropped from the league.

One hour will be allowed for each game and games will begin at 6:45, 7:45, and 8:45 p. m. on Wednesday evening. All games will be played in the Thirteenth and Union gymnasium.

This year, any team that forfeits more than two games will be dropped from competition. This ruling was necessary because forfeitures disrupted the schedules too much.

There will be seven teams participating in the coming court campaign and the managers of the teams will select, by mutual agreement, two officials for each game.

THE SNOOPER

(Continued from Page 2)

Vince Rusbosin spent the past week-end with "the girl he left behind."

We understand that Denny Ertel and Bob Giomotti were disappointed last Saturday. These women! Tsk, tsk.

Don't tell anyone, but the Zetas have lately taken to informal gatherings at Chiarelli's Rendezvous.

Believe it or not, "Whitey" Quirin strums a guitar. The boys held a "round-up" the other afternoon. Request numbers will be accepted.

The Lions Den

By ALAN R. DUKE

It has been definitely decided that the Albright gridgers will have spring practice this year. This is wonderful news in view of the fact that so many of the players who will compose Albright's varsity this coming fall are inexperienced in some, if not all departments of the game.

Coach Dietz has been working hard to get this extra practice session and expects to be able to get a line on the freshmen and some of the sophomores who did not see much action in varsity games last fall. In addition, he plans to strengthen several of the veterans on pass-defense and on offensive tactics.

Spring practice will last four weeks. The exact dates when it will begin and end have not been decided as yet but it is certain that it will be held early enough as not to interfere with track.

Speaking of track, Albright will renew an old policy this spring by sending a relay team to the Penn Relays. If Boland, Brandenburg, Breen, Kent, Nicotera, and some of the other quarter-milers get in shape, we are almost assured of having a team that will place in the relays. Condition will spell the difference between a winning team and a mediocre one. Potentially, this year our chances of winning recognition at the relays are better than they have been for many years. It is up to the fellows to train with the thought of winning constantly. Anyone who has run a quarter-mile in competition realizes that "being in shape" is the big factor in a fast race. (If you don't believe this, see either Jim Snyder or Ray Thorpe).

It has been rumored that some of the fellows are training in secret for the Inter-fraternity track meet this spring. Several would-be trackmen claim they have the half-mile run "in the bag."

Frosh To Toy With Dutchmen J. V.'s In Prelim

After sensational victories over Gettysburg and Bucknell, mixed in with a loss to Muhlenberg, Coach Neil O. Harris' charges play host to the Flying Dutchmen from Lebanon Valley, Saturday night, at Northwest Junior High. Albright's classy frosh squad engage the Valient yearlings in the preliminary, seeking their tenth win of the season.

During the past ten days, the unpredictable Lions have thrown a bombshell into the Eastern Pennsylvania League by mowing down a then undefeated Gettysburg squad who was enjoying top rung in the league, 27-24, before more than 650 wild and excited spectators. Zeb Czaikoski paced the Harrismen in scoring with eight counters which Capt. Jake Hydock sparkled on the defense with his amazing recoveries of the rebounds and his guading of the high-scoring Hal Trimmer who failed to score a field goal.

There was a slight pause in the upset trail as the Albright basketballers lost to a strong Muhlenberg quintet, at Allentown, last Saturday, 46-28. Steve Hydock collected seven counters to lead the Red and White scoring machine, which failed to show its newly-found power.

But, on Wednesday night, Big Bill McKinney and Zeb Czaikoski collaborated to again gum up the works by literally blasting the Bucknell Eisons, and their ace, Bob Longacker, off the court and out of the league leadership with a 48-33 scoring. The two blonde forwards shared 26 points while Hydock scored nine and Petrucka eight.

The Lions, trying for their third league win tomorrow when they take the court to face Lebanon Valley, will not have to watch the keen-shooting Raymie Dry as they did in former years. Nor a new ace, Ralph Mease, who is currently leading the league scorers with 67 points in six games. The Dutchmen although they have won but one league tussle this season over Gettysburg, while losing five contests, are extremely dangerous especially if Ed Shillo, ex-Tri-County high scorer finds his shooting-eye along with the consistent Ralph Mease who is averaging 11 points a game. Ray Kubisen will line up at the center post with Hal Stahley and Eddie Youse in the back court for the Valients.

The Albright starting lineup will remain the same with Paul Petrucka and Hen Czaikoski at the forward stations, Bill McKinney at center, and Capt. Steve Hydock and Bill and Zeff are neck in neck for Lion individual scoring honors with 91 and 90 counters respectively.

Dick Shollenberger, who has rolled up an amazing total of 211 points in ten games, will again lead the yearlings into action with the
