COMMENCEMENT WEEK PROGRAM PROMISES MANY BIG EVENTS

Activities Include Baccalaureate Sermon, Class Day Exercises, Two Ball Games, and Oratorical Contests

DR. G. W. RICHARDS TO BE COMMENCEMENT SPEAKER

Commencement Week will be ushered in when Dr. L. C. Hunt, president of Albright College will deliver the Baccalaureate sermon in the College Chapel at 10:15 a. m. Sunday, June 10th.

At 8 p. m. of the same day the Rev. Norman C. Milliron of the First Evangelical Church of Pittsburg will address the Christian Organizations of the College.

June 11th, at 1:15 p. m. the Senior Class Day will be held in the Chapel. At 3 p. m. Muhlenburg and Albright will cross bats on the local diamond. This ought to prove an interesting game, for Muhlenburg will come here with a determination to avenge the 10-1 defeat by Albright earlier in the season. At 7:30 p. m. the Trustee Board will meet. At 8 p. m. the Oratorical Contests will be held in the Chapel. It is understood that many persons are entering the Temperance Contest, and the effort is being put forth to make this bigger and better than ever. The Impromptu Contest will be held immediately after the Temperance Contest.

June 12, at 10 a. m. the graduates of the School of Music will present their annual recital. 2:30 p. m. the Alumni-Varsity baseball game will be the attraction. An effort is being made to obtain the best possible (Continued on Page Two)

Y. W. C. A. SERVES TEA TO TWO GUESTS OF HONOR

With Mrs. Ida Douglas Stoudt and Miss Miriam Bowman as guests of honor, the Y. W. were hostesses at a very pretty tea on Saturday afternoon, from four to six. The Reception Room was cozily arrayed for the groups that came and sat to drink and listen to Mrs. Stoudt as she told of her recent experiences. She is lately returned from several years work at Beirut College, and in Relief Work in Germany among students. Mrs. Stoudt is a woman of rare personality and her interest in the college here has always been active and personal. Formerly of Myerstown, and always interested in her home town, she has kept in touch with friends and college by interesting letters.

Miss Bowman, the daughter of Dean Bowman, formerly of the Music Department, was spending a two-weeks vacation at home, from her duties as technician at a prominent Mt. Clemens Sanitarium. She (Continued on Page Two)

MALE GLEE HELPS SWELL NEAR EAST RELIEF FUND

The boys were full of the old-time pep on Friday night, the eighteenth, when they gave a concert in the local High School. The Near East Relief Fund was swelled by the proceeds of the performance, which was the object of the concert.

To start out, they rendered "Invictus", by Henley, and encored with "Angels of Jesus". Old favorites, "When Our Dreams Come True", "Swing Along", "Uncle Moon", "Who Did Swallow Jonah" and others were given with vim and excellence that made a success of the evening. Brown and Sechrist were the string-artists, and John Raffensperger and Yost furnished vocal and reading work. Miller's appearance with his organ-like marimba delighted the audience. (Continued on Page Two)

I. N. A. CONFERENCE HELD AT HAVERFORD

Swank And Ginter Represent Bulletin In Interesting Convention Sessions

The Intercollegiate Newspaper Association of the Middle Atlantic States held their annual spring Conference at Haverford College, May 18 and 19. Fourteen of the member papers were represented. The Conference was preceded by a banquet given at the College.

The Convention voted unanimously that the scope of College newspapers should broaden out so as to cover not only college news but world news as well.

Richard P. Dietz, of Ursinus was elected President; J. C. Swartley, of Lehigh, Vice Pres; W. H. Harrison, of Rutgers, Treas; and F. B. Smith, of Delaware, Sec.

An amendment was added to the I. N. A. Constitution that the fall general conference be eliminated and (Continued on Page Two)

JUNIOR PROM PROVES A HUGE SUCCESS

Over Eighty Couples Of Promenaders Enjoy Prom Program Of Unusual Variety

FIREWORKS A FEATURE

The semi-annual social event of the school year of Albright College was held on Saturday night, May 26th, when the Juniors held their annual "Prom". True to their promises the "Prom" was something different. The committees in charge went to all extremes to decorate differently and to entertain differently.

The decorations were in charge of Miss Anna Mengle. They were very artistically arranged, with the Maroon and Gold predominating over the Red and White. Arches were built over the entrances and covered with branches. From among the branches shone different colored lights. The May Pole was again decorated with the class colors and electric lights. Underneath the ribbons, which extended in all directions, were placed seats for the band. Mohn Hall was all fitted out with pennants, branches, ribbons and electric lights.

Instead of having the evening spent in promenading as on other occasions, Mr. Kachel, in charge of the entertainment committee, started each prom with a novel stunt which proved to be more than a success. At the beginning of the proms several minutes were used in putting on the following stunts: 1. Male Quartette. 2. Reading, John Raffensperger. 3. Vocal Duet by Misses Fray and Kleinfelder. 4. Cornet duet. 5. Girls' Quartette. 6. Boys' Quartette. 7. Xylophone and Cello (Continued on Page 2)

VARSITY QUARTET SINGS AT SHAFFERSTOWN, PA.

The Albright College Male Quartette, accompanied by Miss Ruth Thiele, gave four numbers at the Class Day Exercises of the Shafferstown High School. The programme was held in the Reformed Church, and a large and appreciative audience greeted the graduating class. Their numbers, together with those of the Male Quartette presented a very interesting entertainment. The Quartette sang "My Rose of Yester'een", "The Little Old Log Cabin", "The Shadow March", and "Honey Town".

Those who attended the exercises from the college were Miss Thiele, (Continued on Page 2)

ATTENTION TO ROLL CALL ALL YE LOYAL ALUMNI

Last call to the gala season! Alumni day, June 12th! Come back to your Alma Mater for the entire commencement season if possible, but be sure to be here on the great day of Alumni fellowship.

We are informed that the committee on luncheon has been busy making provision for the banquet table. They expect you to be there, and are reserving not less than 100 plates for Alumni. There ought to be many more. Whatever the number, there is a place for you! Come!

The business meeting and the annual baseball game will be of special interest.

An order has been placed for fine weather. We expect to have it, but anyhow we'll have you!

Come, June 12th.

FRESHMEN PRESENT FLAG TO COLLEGE

Class President Yost Makes Very Fitting Presentation Speech. The Flag Was Received By Dr. Gobble

NATIONAL ANTHEM SUNG AS THE FLAG IS RUN UP

On Friday, May 18th, immediately after dinner the students gathered outside Main Building to witness the presentation of a new American flag by the Freshman Class. Dr. Hunt, who officiated, requested all to join in singing "America". Following this Mr. Yost, president of the Class, (Continued on Page Three)

presented the flag, giving a very fitting and inspiring address. The flag was received by Dr. Gobble, who on behalf of the students and faculty, expressed the hearty thanks and appreciation felt by all on being the recipients of such a beautiful emblem. Both Dr. Hunt and Dr. Gobble made mention of the fact that this was a unique move made by the Freshmen, as never before in the history of Albright has the College been the recipient of an American flag presented by a Freshman Class. As the Stars and Stripes slowly ascended the flag-pole everyone joined in singing "The Star Spangled Banner". One could almost feel that something within himself which inspired Francis Scott Key when he wrote this song. After the singing (Continued on Page Three)

CALENDAR OF EVENTS

- June 4-8—Undergraduate Examinations.
- June 5, 6:45—Y. W. C. A.
- June 8, 6:15—Senior Reception.
- June 8, 6:45 Literary Societies.
- June 9, 3:00—Base ball. University Club of Reading vs. Albright.
- 8:00—Oratorio by the Glee Clubs.
- June 10, 10:15—Baccalaureate sermon.
- 8:00—Address to Christian Associations.
- June 11, 1:15—Senior Class Day exercises.
- 3:00—Baseball: Muhlenburg vs. Albright.
- 7:30—Meeting of Trustee Board.
- 8:00—Oratorical Contests.
- June 12, 10:00—Recital by the School of Music.
- 2:30—Base ball: Alumni vs. Varsity.
- 6:45—Business Meeting of the Alumni.
- 8:45—Alumni Banquet.
- June 13, 9:30—Commencement. Geo. W. Richards, speaker.

BALL TEAM GETS STARTED AND TAKES THREE STRAIGHT GAMES

JUNIORS TAKE SOPHS' SCALP IN FIVE INNINGS

Interesting, Humorous, Thrilling, Sensational, Bewildering, And Pathetic Game It Was

The Juniors proved themselves superior to the Sophs in a five-inning baseball game, or at least as far as the scoring end is concerned. Loose playing on both sides was the outstanding feature of the game. Errors, also, were numerous to both teams. Home runs by "Bus" Grumbler, the Sophs steady catcher; and by "Ken" Snyder, the Junior's right fielder, were the sensational plays of the game. Ken, taking time out at every base, was able to make the round before Davis found the ball in the tall grass, which grew along the right field fence. Nine of the Juniors and three of the Sophs had crossed home plate before the referee called the game on account of early dinner.

Home Runs: Snyder and Grumbler.

THE GIRLS DESERT MOHN HALL FOR A TIME

"Chapped" By Prof. And Mrs. Davenport, They Hold Doggie Roast By "Old Canal"

BRENNER'S CLASS GUESTS

On Friday afternoon May 10, Mohn Hall was temporarily deserted by the girls who, togged in middies and bloomers, and accompanied by Prof. and Mrs. Davenport, wended their way to the "Old Canal" for a doggie roast. Upon arriving at the Canal, the first problem that arose was to find a favorable site for the merry-making. This problem solved, the girls set out in search of firewood. Soon a cheery fire was blazing and "eats" became the prime factor. There was an abundance of "doggies", buns, potato chips, pickles, cakes and marshmallows. Everybody pronounced it the best "feed" ever. When the "eats" had almost disappeared, two stragglers arrived on the scene of festivity. They had left the Hall after the others had gone, and had lost their way. Their late arrival did not interfere with their enjoyment of the occasion; for the other girls did their best to show them a fine time and to see that they had plenty to eat.

After they had done justice to the "eats", they spent the rest of the time in the singing of familiar songs. Before starting for home the girls of Miss Brenner's class gave the Boom Yell for the girls of Mrs. Davenport's class, who gave the party in their honor. The girls plodded their way homeward feeling that they had one more happy day to record in their annals of Albright.

GIRLS' GLEE GAVE CONCERT IN SUNBURY ON THE 24TH

At the request of the members of the Zion Lutheran Church, of Sunbury, the Girls' Glee Club gave a concert there on Thursday evening, May 24th. A large audience greeted the girls and made their appreciation evident by their hearty applause.

Miss Katherine Shenk very artistically played a piano solo. This was the only deviation from the regular programme that has been presented by the Girls' Glee this season. Miss Shenk was the piano soloist in place of Miss Martha Shambaugh, who was unable to make the trip.

The Girls' Glee returned Friday (Continued on Page Three)

"Bill" Ziegenfus Easily Holds Mercersburg And Muhlenburg Submissive In 6-3 And 10-1 Victories

ALBRIGHT 6—DICKINSON 5

Albright made three straight when she handed her old rivals, Dickinson, a 6-5 beating on Albright Field, Saturday. When Dickinson scored twice it in the first inning it looked as if they would repeat their victory for the second time, but Yost tightened up and, backed by excellent support, kept the hits well scattered. It was a pitchers' battle between Yost and Books with the advantage slightly in Yost's favor. The husky Red and White hurler gave but one pass and struck out ten batters. The timely hitting of Raffensperger and Henninger was responsible for the Albright victory.

First Inning—Dickinson, after getting two and three, Hartzel doubled.

Hoffman fouled out to Hollenbaugh. Hartzel took third on a short passed ball and scored on Smith's single. Satterlee got life on Dech's error, Smith going to second. Pipa fouled to Henninger. Robinson was credited with a hit when Raffy badly misjudged his liner to right, Smith scoring. Heller walked, filling the bases. Sakin fanned for the third out. Albright: Miller hit to Books who tossed him out at first. Dech fouled to Sakin. Jones grounded to short who threw him out at first.

Second Inning—Dickinson: Books fouled to Henninger, Hartzel and (Continued on Page Three)

KING AND QUEEN TENNIS HOLD SWAY AT ALBRIGHT

Albright is to be congratulated upon having such a fine athletic director who is continually trying to do some work outside of his major athletics, to help the physical and also the social side of all students. The latest development to come from his mind was the "tennis tournament", which is now in progress. Great interest was displayed when it was announced that there was to be a tennis tournament. Immediately racquets were hauled out of their old hiding places and dusted off. Ray Lucky, Athletic Outfitter, reported a decided increase in the output of tennis balls. The waiting fore also knew that something was in the air, as each morning eight or ten new faces would appear at the breakfast tables. These were the new men, ambitious for the tennis honors, who got up at the unearthly hour of 4:30 A. M. to get in a practice before starting out on their day's work. Court No. 3, which has (Continued from Page Three)

ALBERT LEININGER WRITES FROM JAPAN

A very happy union was brought about nine years ago of the Evangelical and Methodist Theological Seminaries. This Seminary has been since then a part of Aogama Gakium, literally translated, Blue Mountain School, this because of the part of the city in which it is located. There are now between sixteen and seventeen hundred students in the entire school. There are about one thousand applicants for admission in the spring. Nearly half were admitted by examination. In the Seminary there are about seventy-five students. This work has been assigned to me as the representative of our church.

Last term in connection with language school work I taught four (Continued on Page Three)

EDITORIALS

In following out the suggestions offered at the recent convention of the Intercollegiate Newspaper Association, the Bulletin will attempt to broaden out in the field of editorials. Heretofore we have presented matters of immediate concern to the students and to the school at large, but hereafter we will not confine our editorials to these subjects alone, but will present our views on subjects of world interest. It was felt that there is a need for editorials of this kind, for there appears to be a lack of interest shown by the average student upon the events that are causing world history. These problems will have to be, in many instances, solved by the present college students when they get out into actual duty, therefore, more interest should be shown in the world's affairs. It is a well known fact that recent tests have shown that the average college student neglects somewhat the current events of the day, and it is only after such work is assigned him that he really takes an interest in them.

At present we feel that we are more fortunate in this matter than some of the other institutions. In many cases work in current events is assigned for class room reports in the English Department. Readings and reports are required in the field of Education. The History Department offers a course in Current History in which the Literary Digest is used as the text. The Literary Societies in making up programs always include a report of current events and the questions selected for debates are always problems of the day. The Political Science Club which meets each week deals exclusively with this field.

In working out our editorial policy for next year we are including the presentation of our views on some of the world events and problems, hoping that we may offer suggestions that will be beneficial.

OUR ADIEUX

By the time this edition comes from the press, those who have studied all year will be studying with renewed vigor, while those who haven't studied will be having a new experience. The reason—Examination week.

After that week of rush and excitement comes that always sad occasion—the time for leave-taking. Those who are graduating will be lessening the intimacy which presence affords, they will be giving up much that can be had only at college, and can be experienced only in the college life. In contrast, the leaves taking of the undergraduates will be easier by the thought of their presence here again next year.

The Bulletin wants to have an official part in this leave-taking. We do not want to say "Good bye". That carries with it too great an air of finality, of the end of all, so we will say "Farewell" and want each one of you to take it in its literal sense, "That you may fare well".

To you graduates who have done much to make Albright and the Bulletin bigger and better we say "Farewell and God Speed"!

To you undergraduates, who can do much by boost-

ing your Alma Mater during the summer months we say "Farewell"!

And now as we cease our work for a few months we thank all—Faculty members, Alumni, Patrons—who have contributed toward the betterment of Albright during the past year. And with our thanks we bid you all "Farewell"!

HONESTY IN EXAMINATION

The final examinations are upon us and every one is cramming to a more or less degree in order to drive home facts that were passed over too lightly during the semester. To some, the examination week is a period of indifference, while to others it is a period of apprehension, for they know that they have loafed on the job during the semester and that all the cramming that they do now will not get them very far in examinations. Cramming may help some, but the knowledge gained in this way isn't lasting and is therefore unprofitable. Many of us realize the futility of depending upon last minute cramming, and its degrading tendency, for it leaves us doubtful. This doubt breeds a supposed necessity for cribbing. This is the worst habit a student can acquire.

Both the Juniors and Sophomores have passed thru former examinations and know the actual value derived from an honest and a dishonest examination. It is a deplorable fact that some loaf during the semester, then depend upon cribbing to help them thru their exams, but they do it with their eyes open and realize full well that their diploma will mean little to them, for it will represent qualities that they do not possess. They think that they are getting away with it too, but nine times out of ten, the professor under whom they crib; knows that the work handed in does NOT represent their own knowledge. A professor must be very dull indeed if he does not have a pretty fair estimate of the kind of work you can do, even before you hand in your paper. Our daily recitations are indicators of our knowledge. So don't think you are pulling the wool over the professor's eyes when you hand in a ninety percent paper when you deserve only forty percent or less.

The Mid-years were but an example of what the Finals are. So Freshman, Buck up. They aren't so bad. You are just beginning as students at Albright, so for the sake of yourselves and of your Alma Mater, begin right. Don't acquire the loafing habit for it breeds cribbing. Can you look yourself in the face and call yourself a man when you have been a sneak and a poor sport? No. You Can't. So be a true sport. Play the game clean and at least have a clear conscience. Because someone else cribs, is no reason why you should crib. The Juniors and Sophomores can well set an example for the Freshmen, instead of encouraging them to follow the easy way. So this is a challenge to us all.

Campus Chatter

BY THE PARROT

Can a parrot hibernate? Of course,—but how about the summer time? Well, whatever it's called to go into seclusion during the summer, that's what is going to become of this parrot.

Mr. Bennett says he believes there's a fortune waiting for the person who will invent a radium covering for tennis balls. They are so hard to find.

The week-end of the Prom saw a busier time than for many a day. Visitors and alumni helped to fill up the campus and make the place lively.

The time that all students look forward to, that all enjoy and anticipate with an eager desire is upon. Commencement? Naw!! Exams!!

Eccentrix

Some think that the reason our language is called the Mother Tongue is because father never gets a chance to use it.

The Junior 'Prom' was described as indescribable, and what wonder! Even the moon was too sweet for words.

Due to the many Peace orations delivered in the advanced Public Speaking class, most of the members of the class are heart and soul in favor of the worst kind of war.

The discovery of King Tut's tomb in lower Egypt has been directly responsible for a marked movement toward Egyptian styles. Fortunately the exact location of the Garden of Eden is unknown.

An eminent scientist makes the remark that when success goes to the head, it is because of the abundance of room that is found there.

The Junior Prom convinced most of us that one should have more than a fifteen-minute acquaintance with a person before he or she shall be eligible for the first divorce.

The tennis tournament has surprised most of us with the evidence of many budding Tildens and Lengens.

Ty Cobb takes a back seat! He yields his place as champion base runner to Ken Snyder, who, in the Junior-Soph game, made the circuit on a ragged single, and found time to pause for a look around on each base besides.

Just married? Now you'll learn to know the name of that bird on whose tail we are enjoined to throw salt. It is the Dove of Peace.

JUNIOR PROM PROVES A HUGE SUCCESS

(Continued From Page One)

duet. 8. Fireworks.

Between the fourth and fifth proms the refreshment committee, in charge of Miss Scott, provided refreshments. These were served in cafeteria style which made it all the more unusual.

The music for the occasion was furnished by the Acme Band, of Myerstown. It was very satisfactory in every respect, and all who heard it have nothing but praise to offer. The crowning event of the evening came at 10:45 when Mr. Kachel and his aides set off the display of fireworks. This was a complete surprise to everyone and was appreciated by every promenader.

The Juniors had one of the largest "Proms" ever held at Albright. Over 80 couples were present. Besides the College students, many from the town and other parts of the State came in to participate in the merry making event.

COMMENCEMENT WEEK PROGRAM PROMISES MANY BIG EVENTS

(Continued From Page One)

Alumni team for this occasion. For the last few years the Varsity has had it easy, but the tables are predicted to change this year due to the strong Alumni team. At 6:45 the Business Meeting of the Alumni will be held. It is urged that every Alumni possible be here for this meeting. Questions of vital importance will be discussed and you are interested in every one of them, for they directly affect your Alma Mater. Immediately following the Alumni meeting will be held the Alumni banquet. Surely no loyal Alumni can afford to miss the treat that is being planned by the Committee in charge.

June 13th Commencement Day, George W. Richards will be the speaker of the occasion.

I. N. A. CONFERENCE HELD AT HAVERFORD

(Continued From Page One)

that no sectional conferences be substituted. It was further added that these sectional conferences should be held with the Colleges entertaining in rotation in alphabetical order, the Editor in Chief or Business Manager acting as Chairman in each case. Under the zoning system, Albright will hold the first of these conferences in the early fall.

The invitation tendered by Bucknell for the general conference was accepted.

ALBERT LEINNINGER WRITES FROM JAPAN

(Continued From Page 1)

hours in the college department in English Bible. During the reading of one hundred examination papers—especially the answers to the last question—a general one in which they were asked what the course had meant to them—a longing—a thirsting for the truth was evident on the part of many of the students such as I had never known before among the students. In the answers of others the opportunity was taken to tell what Christ and God's word means to them. Some who thus expressed themselves are members of Buddhist families and their christian life is lived under continual stress and strain. But they are living it grandly and greater joy is their surely because of the hardship. Together with this work I taught five periods two nights a week in our Tsukiji Night School, and have had two Bible classes in churches on Sunday, so that the Bible was studied seven hours a week with about two hundred young Japanese—some who are in business now, others who will engage in business and many who will enter the professions.

On this Friday night I have been considering the work for tomorrow. A new book shall begin the work in the Seminary. Some of the work in the college must be left, but the privilege here is even greater than that in the college—the privilege of having a part in the training of those who shall go out into various parts of the Empire to live and preach the unsearchable riches of Christ. What a responsibility! I don't know when I thought of the responsibility of the teacher as I do tonight, especially in this land where every bit of energy seems to count for so

much. When you pray, remember Aogama Gakium and our work here. (The End)

BALL TEAM GETS STARTED AND TAKES THREE STRAIGHT GAMES

(Continued From Page One)

Hoffman fanned. Albright: Yost fled to short. Leinbaugh was hit by a pitched ball. He promptly stole second. Leh singled, but Leinbaugh was held on second. Both runners advanced on a passed ball. Henninger fanned. Raffy singled, Leinbach and Leh scored. Raffy stole second. Hollenbaugh singled. Raffy was caught at the plate for the third out.

Third Inning: Dickinson: Smith tripled to left. Saterlee eliminated a ball from the game by hitting it over right field fence, ground rules prevented a home run, Smith scoring. Pipa walked, Robinson skied to Leh. Heller forced Pipa at second. Jones' throw pulled Henninger off first, thus missing a double play, Saterlee scored on the play. Sakin singled putting Heller on second. Books fled to Leh. Albright: Miller went out to Saterlee unassisted. Dech popped to Hoffman. Jones worked Books for a pass and stole second. Yost singled scoring Jones. Raffy running for Yost stole second. Leinbach fled to Pipa.

Fourth Inning—Hartzel fanned. (Continued On Page Four)

KING AND QUEEN TENNIS HOLD SWAY AT ALBRIGHT

(Continued From Page One)

been reserved for use of tournaments, is full at all hours of the day. The same thing is true of the other courts, on which, too, perhaps a tournament is not going on, a real,

lively practice is being indulged in. Referee Swank reports a steady call for his presence at tournaments, and is thinking of appointing an assistant to help out in the rush. Practically all the second round has been played off, and the games are commencing to take on a spirited and flashy appearance. Many names have been prophesied as winners, but since accidents happen in the best of circles we will refrain from making our guess. Thus the tennis tournament got under way at Albright, and we wish it the best of success and await the day when we may help to crown one of the tennis sharks, as winner of the contest.

(Editor's Note) It might also be stated that at the present time there is a decided lack in tennis courts at Albright. Last year there was a rumor that new courts would be built, but up to the present time none has been added. Next year we hope for a greater Albright. Why not start with three or four new tennis courts?

GIRLS' GLEE GAVE CONCERT IN SUNBURY ON 24th

Portrait of

SIR ISAAC NEWTON

James II is Dead—NEWTON Lives

It has always been known that free bodies fall. The earth has a strange attraction. How far does it extend? No one knew before Newton, sitting in his garden, one day in 1665, began to speculate.

"Why should not the attraction of gravitation reach as far as the moon?" he asked himself. "And if so, perhaps she is retained in her orbit thereby." He began the calculation, but overwhelmed by the stupendous result that he foresaw, he had to beg a friend to complete it.

In Newton's *Principia* were laid down his famous laws of motion—the basis of all modern engineering. The universe was proved to be a huge mechanism, the parts of which are held together in accordance with the great law of gravitation.

James II was reigning when

the *Principia* appeared in 1687. He is remembered for the Bloody Assizes of Jeffreys, for his complete disregard of constitutional liberties, for his secret compacts with Louis XIV and the huge bribes that he took from that monarch, and for the revolution that cost him his crown; Newton is remembered because he created a new world of thought, because he enabled scientists and engineers who came after him to grapple more effectively with the forces of nature.

When, for instance, the Research Laboratories of the General Electric Company determine the stresses set up in a steam turbine by the enormous centrifugal forces generated as the rotor spins, they practically apply Newton's laws in reaching conclusions that are of the utmost value to the designing engineer.

Struck Out: By Yost 10; By Books 6.

Base on Balls: Off Yost 1; Off Books 2.

ALBRIGHT 10—MUHLENBURG 1

Due to the good team work displayed at Allentown, Benfer's nine had affairs in their own hands throughout the entire game. Ziegenfus's wonderful pitching, backed up by every man on the team allowed but one lone runner of Muhlenburg's squad to leave his imprint on home base. It was Albright's day at bat, and she made the most of it, connecting eight times with the ball, and succeeding in bringing home ten runners.

Muhlenburg scored her lone run in the fifth inning when Crum, the man behind the bat, connected with one for a two base jaunt. He went to third when Holstrum hit a grounder and was brot home by Witt. Albright's big inning was in the third when Dech, Jones, Leinbach and Leh crossed home plate. Diddy Miller started the scoring in the sixth by hitting a three bagger and was followed home by Dech and Jones. Another in the first and two in the ninth concluded the Red and White's scoring. Muhlenburg lacked the organization and pep to come across at the right time, and consequently Albright had an easy time of it.

Strike Outs: By Ziegenfus 6; By Conway 8.

Base On Balls: Off Ziegenfus 0; Off Conway 4.

Two Base Hits: Leh, Crum.

Three Base Hits: Miller.

Stolen Bases: Dech, Henninger.

ALBRIGHT 6—MERCERSBURG 3

The Red and White journeyed to Mercersburg on the 19th and handed the Academy lads a 6-3 beating. After the initial inning Zeigenfus, our star hurler, was practically unhittable. During the seventh inning contest he set down ten of the opposing batters by the strike out route. Both teams had five hits, but Albright made her hits count for runs, while Mercersburg's were scatted.

tered. Miller and Casper carried off the honors with two hits apiece. The victory was rather costly for the Red and White, for Raffensperger, the right fielder twisted his ankle while sliding into third, and had to retire from the game.

"Diddy" Miller was the first of Benfer's squad to face Noyes, who has been winning consistently for the Academy. Miller landed on a pitch and sent it for a clean single. An error on Dech's attempted sacrifice and an overthrow on second permitted Miller to score the first run of the game. Dech also tallied on two infield outs. Mercersburg forged to the front in her half of the inning. Walsh was an easy out, but Swoope picked out one that suited his taste and when Miller returned the ball he had made the entire circuit of the bases. This unnerved Zeigenfus for the next man walked, French was safe when Zeigenfus momentarily fumbled his bunt. Dempsey was erased by Dech. Burk-sack advanced both runners when he hit to Dech. On the attempt to get two, Jones failed to cover second and the bases were loaded. Casper got his first hit which drove in Carroll. In the attempt to catch Casper at second and overthrow was made and French dasked across the plate. This ended the scoring for the Academy lads, for Zeigenfus tightened up and set them down in order the rest of the game. Albright tied the score in the second and took the lead for the rest of the game.
