# Dr. C. S. Smith Lectures On October 24-26

Carleton Sprague Smith, historian, librarian, musicologist and flutist, will visit the Albright campus and give lectures from Monday to Wednesday, October 24 to 26, as the first of six attractions in the 1949-50 Cultural Program series. He will appear in classes and

the 1949-50 Cultural Program series. He will appear in classes and departmental club meetings, in addition to giving a flute concert in the assembly at 11:10 a. m. on Tuesday, October 25.

Lecturer at the Institute of Public Affairs and Regional Studies of New York University and chief of the Music Division of the New York Public Library, Carleton Sprague Smith holds the A.B. and M.A. degrees from Harvard University and the Ph.D. degree from the University of Vienna. Upon returning from Europe in 1931, Doctor Smith became an instructor in history at Columbia University. Since entering the New York Public Library, Doctor Smith has been actively engaged in organizing musicological activities throughout the country. In 1940 he was appointed chairman of the Music Division under the Coordination of Commercial and Cultural Relations between the American Republics for the Department of State. He

vision under the Coordination of Commercial and Gultural Relations between the American Republics for the Department of State. He served as Cultural Relations Officer in Brazil for the State Department from 1944 to 1946. In the spring of 1947 he was sent to Czechoslovakia, Demmark, France and Germany on an assignment for the War Department. As a concert flutist Doctor Smith has played with many chamber music organizations in Europe, North America and South America.

Doctor Smith will be prepared to present formal and informal lectures at Albright on subjects ranging from "Europe Today" to "Development of Music in Latin America." If Gesired he will lecture in Spanish or in French for advanced students in those departments. Wednesday morning, October 26, Doctor Smith will meet with the members of the library committee and interested students for a conference on various library problems.

"As I came home from Heidelberg in the last days of August I was handed over your letter which had been waiting for my coming home for nearly a month. However, even then, due to the pending liquidation of our camp Sedan I could not response immediately. Again about three weeks must have elapsed until I finally, not without a feeling of shame, sat down to compose some reply.

"At first, I must inform you that we have been transferred from Ulm to a tiny spot Wasseralfingen of the district Aalen, to a camp of people destined to go to the States. Here, I must await my turn to be called up to the consul, and when having passed successfully all the fastidious formalities bound with emigration, I shall be able to embark. I wonder if it will be due still in September. Therefore I shall disappoint all of you who are expecting me in the United States in this month. Writing these lines I must sigh heavily and utter: it is a long way to Reading, Pa. However, I will not grumble, but look forward with confidence that at least some time in the future, if not in September then in November, we shall meet and tell each other about life and studies in Germany, respectively in the United States.

"Until then, closing my 'epistle' I wish you the best.

#### Three Worship Services Scheduled For Sunday

The religious worship program planned for Sunday, October 16, is three-fold. At 8:45 p. m., the "Y" Bible Club will hold a worship serv-

three-fold. At 8:49 p. m., the 'a' Bible Club will hold a worship service.

At 9:45 a. m., the same group will hold an organization meeting for all those interested in the "Going to Church Campaign."

The campaign, similar to that of last year, will organize into groups of those Albrightians interested in attending Reading churches of various denominations. These groups will visit churches of their choice on Sundays throughout the school year, thus familiarizing the members with various forms of worship. Mary Ellen Schuman is in charge of the program.

Concluding this Sunday's campus worship program will be the Vespers service, a hymn-sing led by Dave Bailey.

#### In Explanation

Being back at the old stand is a soothing and satisfying feeling to The Albrightian staff, and a relief no doubt to regular readers, after a two week siege of mimeographic artistry. As has been expressed before, the editors regret having to suspend the standard publication temporarily, and appreciate your consideration and patience during the period. It was not our voluntary choice, to be sure

At the beginning of this semester the editorial staff was put to unnecessary overtime work, cutting classes, and taking on responsibility which should fall directly on the shoulders of the other party to the contract. This was only a reoccurrence of what happened from time to time last year.

On Friday, September 30, the paper was scheduled to come out as usual at noon-but we had been held up 48 hours. At 11 o'clock, the staff had to make a decision-to go to press or not. The outcome was the mimeographed edition. Until another typesetter was contracted with, a second mimeo had to be run off. Now we're back to normal once again.

That's the story to you, the students, faculty, subscribers, and supporters.

#### For the Best Results

Several things should be kept in mind in regards to voicing opinions, criticizing, and taking action on our college activities by all students, in order to realize the greatest possible results.

First, do it in an organized, united manner through the channels and agencies present already on campus for such "political action." We have our fraternities, sororities, alumni association, Dorm and Day organizations, faculty committees, Letters to the Editor, Women's Student Senate, and, foremost of all, the Student Council, set up to represent us. If we do not use them properly, it

Secondly, don't run rampant and headlong into action. Check to see whether or not others agree with you; get the other side's reasons straight in your mind; be ready to back yourself up with

Thirdly, be sure that what you desire to have remedied is remediable, or is within your jurisdictional power to alter. Rules set by the administration over a period of experience, or by the board of trustees, or the church itself are usually outside any student's grasp to correct or change. In other words, it is not our province of action.

Fourthly, be not afraid, nevertheless, to speak up, gripe, and take action when something is clearly not what it ought to be. No progress comes from idleness. Sometimes toes, possibly yours, will be stepped on, but keep on trying for a goal. The College will affably admit it is not perfect, without error in judgment and beyond improve-

Lastly, any action taken should be for the good of the majority and the institution as a whole, not only for the time you are on campus, but also for after your graduation. Selfish group or individual benefits are out of the question.

"Mornin'," a cheery le voice from behind male voice from behind the cafeteria counter greets us. "What will it be, scrambled, poached, fried, or steamed?" That wakes us up all the way. And who might be this gentleman who jokes so casually at 7 o'clock in the morning? — Jack Snook! morning? — Jack Snook! He might even tell us in a He might even tell us in a convincing enough manner that we are having waf-fles, but when those dark brown eyes of his sparkle that way and his dimples start to dimple, Jack's to his tricks — and to his

to his tricks—and it's probably pancakes on the menu again.

Dandy Snook majors in philosophy and minors in history, and his list of extra-curricular activities is indeed of formidable length. If you don't find him presiding at the cafeteria line or tearing around the dining hall with dishladen trays, you might try the Y office, for one of his most important jobs is that

the Y office, for one of his of prexy of the Y.M.C.A., an office of work as well as honor. Jack's talents are well distributed, for many are the times he has appeared on the stage in a Domino Club production, and for your information, he has added glory to the record of our track team on numerous occasions. And he also belongs to the K.T.X., the Zeta fraternity, the Glee Club, and the Philosophy Club, not to mention the fact that he is the memorable vice-president of our memorable senior class.

able senior class.

Tennis and swimming are other interests, but as Jack says, what he likes best is just plain having fun. He has a subtle sense of humor, which he never fails to display when kidded about his famous "schnazola." Our sincere hope is that it—the nose—doesn't get stamped for Albright furniture before Jack leaves our fair campus.

Plans for the future are still percolating; Jack smiles and says, "We'll see." Quoting the classics, "Parting is such sweet sorrow .," but you have become so much a part of Albright that we shall always remember you as such. A roar of the best wishes to salute our Dandy Lion!

## The Little Fisherman

After having floated around in a mimeographed edition of The Albrightian for a while, the Little Fisherman is of course only too happy to be riding the waves on printer's ink. (Not being ungrateful, Mrs. Maracani, you did a fine job, but a mimeographed paper by any other name is still a mimeographed paper.)

Today's story is the story of a promising young man who decided to enter a progressive university. There could be no doubt that he was a promising young man, because his father was one of the biggest crooks (My E.U.B. friends will pardon the vulgar expression) in the East, and Junior promised to turn out the same way. It was a big day for Junior. He packed the little Cadillac coupe with the necessary school equipment—cards, argyles, a portable radio, blankets, a beaver coat and rubbers, and headed for P. U.—Progressive University.

Upon his arrival there, he parked in front of the Administration Building, and noticing the University's president emerge from the massive structure, with a few members of the board of directors, he walked towards him, handed him the car keys and a travelers' check, adding, "Say Jimmy, park the car for me or stay with it till I got out of Knucklehead's office!"

"Bright freshman," commented a member of the board of directors as the group walked the president toward Junior's parked car. "Already knows the dean's firm same."

"Say Jimmy, park the car for me or stay with it till I got out of Knucklehead's office!"

"Bright freshman," commented a member of the band of directors as the group walked the president toward Junior's parked car. "Already knows the dean's first ame."

Meanwhile, Junior reached the office of the can, after carefully following a map drawn by a renoward surrealist painter, who incidentally was an alumin of Y. U. The dean was about to leave for lunch, or some other necessary business, when Junior placed his full two handred pounds on the good man's foot, and urged him to act in the manner befitting a hospitable university dean. Flushed by his lack of graciousness and cordiality, the dean backed apologetically into his office. After inviting Junior in, still looking rather humiliated and sheepish, he pulled out a box of Havanna-Havanna cigars from his mahogany desiand passed the box towards Junior. "Let's make up, my boy. Forgive my rude attitude and have a cigar." Only when Junior calmly reached for a few of them, did a look of relief come over his mild, but up to now, worried face.

Once relaxed, the dean proceeded to acquaint Junior with the University's procedures and customs, handed him a directory with all the names, characteristics, and telephone numbers of the freshman girls, and personally escorted him to the next stop—The Pyschological Guidance Clinic. His response was tested by having him throw a brick at a series of different targets every time the word "Presto" was mentioned. Next, Junior had the bumps on his head analyzed, and the three head psychiatrists seemed rather puzzled at their analysis, until Junior informed them that he had recently slipped on a banana peel in the bathroom, placed there by his mother.

Adequately satisfied that Junior was college material, they sent him off to a waiting taxi, which carried Junior for the entire seventy yards to the dining hall. He patted the driver on the back, casually pocketed the meter, and emerged into the noon-time luncheon crowd. Once in the dining ha

For the benefit of most of you weaker sex and more of you Pre-mins, this humble sports scribe has, ahem, been requested by youh feahture editohr to make with the meanings of some of the more colorful palaver plastered across the less exacting columns of the sports page. Being strictly a rabid fan of that spine-chilling, thrill packed autumn sport of cross country, I was forced into making a field trip to one of the nearby emporiums of the more popular, column stealing pigskin sport. And it was there that I accosted a rather dubious looking character, nattly dressed though with various colored cards protruding from all pockets. He seemed like an all-knowing fan of this sport of sprains and he was my source of info'. Heah we go:

## A Short, Short Story

Glued to the head of each good little freshman, as if it were a part of his anatomy, is that honorable badge of something or other, namely, the frosh hat. Each hat, as the weeks of orientation progress, gains personality, thanks to the brains under it (or maybe it's just the damp weather). Just for the—well . . fun of it, let's trace the development of the personality of Little Joe's hat through his career as a frosh.

When Little Joe first put on his yed establish had a

development of the personality of Little Joe's may have his career as a frosh.

When Little Joe first put on his red and white badge of courage, it didn't fit him very well, and although fresh from behind the counter, had one small smudge on it—the memory of Little Joe's unsanitary, beloved, last cent. Still painfully new, the brim turned up all the way around, because Little Joe just didn't know what else to do with it. But then came those tests, and said hat got its first inklings of personality. As Little Joe wrote and wrote with his right hand, he pulled and pulled with the other hand on the left side of the round brim, little knowing what he was doing for this new thing which yielded pitifully to its first beating. Thus, Joe walked away from the tests weary and brokes, with one wing low.

And then, one morning Joe got out of bed, put on

beautiful first, soe walked away from the tests weary and broke, with one wing low.

And then, one morning Joe got out of bed, put on his greying hat and looked in the mirror. It was then that the decision was made that was to change the very life of his frosh hat. After careful deliberation of all the possibilities, Little Joe summoned all of that inherent talent found only in Albright freshmen and delicately shaped the brim into a distinctive point in the front, turned the sides down to give it that jaunty look, and swept up the back with an almost experienced sweep of the thumb.

Today, Little Joe is still young and eager, but his frosh hat has long since greyed at the temples and has taken on the wrinkles of toil and trouble. Its personality is developed to the full and it has become one of Little Joe's dearest possessions. At least that's what he tells the upperclassmen. Can it be that he doesn't mean it? Tribunal for you, Little Joe!

#### **Bob White Dashes 85** Yards For Last Score

Anyone seeing last Friday night's game said that it was Albright's "Founders Day" instead of Moravian's, as the Lion team "found" themselves and swept the Greyhounds in a 33-6 victory in the spa cious but almost empty Liberty High stadium. Coach Gulian's two platooners scored in every quarter except the first, while Moravian didn't get their one T.D. scored until ten minutes before the final gun

The first six points for the re juvenated Cats came in two minutes and forty-five seconds after the start of the second quarter when Floyd Rightmire heaved a twenty-one yard pass to Billy Krohto. The next scoring play was et up when Bill Locher, frosh back from Roselle Park, N. J., intercepted a Moravian pass and galloped twenty-nine yards into Greyhound territory before being brought to the ground. Al Harnley then took charge and pitched a twenty-two yard pass to Captain Bernie Koskulitz who hit pay dirt. Hooks Martone converted to make it 13-0. Albright was on the one yard line with five seconds to go when a penalty nullified the play and the half ended.

#### Krouse Scampers for T-D

Opening the third quarter, Al Harnly took the kick off and ran it ack forty-eight yards. things into his own hands again when he shot the ball out to small but mighty Johnny Krouse who scampered forty-eight yards for the Martone again split the uprights to make the score 20-0. Near the end of the third stanza, Krohto the end of the third stanza, Krohto hiked twenty-eight yards over his left guard to set up our forth scoring play. Rightmire attempted a pass but was roughed up in a play which resulted in a fifteen yard penalty against Moravian. This put the ball on the seven, and stocky Tom Savage pushed his way over left guard into the gold area. The "Glen Cove Flash" added another extra point to make it three for the evening.

In the fourth period, the sagging Greyhounds finally got together; and on a pass from Don Deibert to Carl Spadten in the end zone they Carl spacter in the end zone they picked up their only six points. Not to be outdone, one minute later our own Bob White spun off an eighty-five yard run to end the scoring for our night's adventure in Lehigh Countries.

Statistical Edge
Statistically, also, Albright had the edge in the arc light encounter as they had ten first downs to Moravian's eight, two hundred sixtywo net yards gained in scrimmage against one hundred twenty-nine for their opponents and ninety-one yards net gain in passing as opposed to the Blue and Greys' twenty-two yards. Bob White led in net yards gained by rushing with sixtynine, while Bill Krohto rushed for one less. Ray Snyder, whom we were told to watch, rolled up sixty-seven yards in the same fashion. Our smooth-passing Cats completed three passes out of five and all went for touchdowns.

The "steelers" completed two out

went for touchdowns.

The "steelers" completed two out of eleven passes and our rangy defensive team pulled in two with our boys recovering one of theirs, while they landed on both of our losses. We lost eighty-five yards on the penalty route with seven infractions while the Rosati men lost forty yards on four penalties. All this adds up to a win in the record and some material to use in our future Cat-sessions.

# Lions Cop Initial Pi Taus, Boarding Shirk's Harriers

This week's Intramural frays resulted in no changes at the head of the Fraternity and Independent Leagues, as the Pi Tau fraternity still leads its league with a two win, no loss record, and the Boarding Students stand on the top rung of their group with a similar card.

Pat Bieber starred for the Zeta squad in a battle which netted them a 13-6 win over a game KTX seven. A last quarter safety added to a second period touchdown gave the Hornets a close 8-6 victory over the Daymen, also on Monday.

#### **Battle Muhlenberg** Here This Afternoon

Although they were run rough shod 15-40 by the classy Rams of West Chester State Teachers College in their debut last Thursday. October 6, the surviving Albright cross country team are hopefully looking forward to this afternoon's hare-and-hound chase Muhlenberg Mules starting at 4 o'clock on the Albright Stadium track. The Mules are placed more in the Lions' collegiate class.

West Chester's Don Evans, Penn sylvania State Teachers' two-mile champ, led seven of his teammates to the final tape in 21:57.4 for the four mile effort, before the first Lion, "Lucky" Charlie Zellner finished with a time of 24.22.

#### Bousch Suffers Cramp

Captain Eddie Anlian, twelfth, Dave Roland, fourteenth, Bill Reddy, fifteenth, and Bruce Weeber, sixteenth, were the remainder of Albright's first five. Ailing Roy Bousch, veteran runner, suffered a severe cramp at the three-mile severe cramp at the three-r mark, and was forced to retire.

Coached by Ernie Fellows, the Mules' outlook for the year is fairly bright despite the loss of Bill Brown and Bill Summer, last year' leaders. Vacancies will be filled by omores, Floyd Schupp and Dick Acker, who starred on the freshmen championship team.

#### Albert Captain

The rest of the team, which lost The rest of the team, which lost five straight last season, include Captain Don Albert, Hank Folk-man, Ed Lembeck, Ralph Lichten-walner, Ed Edinger, Bill Straus, Don Markley, and Clarence Moore, Albright is Muhlenberg's first op-ponent on a five meet card.

#### Students, Faculty **Finish First Round** Tennis Matches

Albright's six tennis courts were the scene of a great deal of activity the past week as a field of eighteen students took advantage of the nice weather to begin their first-round matches in the annual Fall Tennis Tournament. A victory of two sets out of three is necessary to ad-vance the winner to the second

round.

In first-round matches, Darlington Hoopes triumphed over Harry Bell in straight sets by scores of 8-6 and 6-2. Hoopes' next opponent will be Willy Rancourt. Con Ermold was another first-round victor as he romped over Pace Moyer 6-1 and 6-2, but he was cominated in a second-round match with Jim Mengel. Mengel, a varsity player, was extended to three sets as he ousted Ermold by scores of 4-6, 6-2, and 6-1.

Roy Rentz was also hard.

6-1.

Roy Rentz was also hard-pressed in besting Forrest Strawbridge in three sets, 6-3, 1-6, and 6-4. The opponents still to decide their matches are Walt Fox-Don Miller, Pete Shanaman-Bruce Weeber, Tom Kane-Don Grigsby, and Stan Taub-Lewis Hallock.

#### Faculty Results

Faculty Results

The faculty, not to be outdone by the students, is holding a doubles tournament in which four teams have been paired. Professors J. Howard Widdowson and Luther F. Brossman squeaked past the hard-fighting team of Eugene L. Shirk and Eugene H. Barth as they wrapped up a three set victory by scores of 6-4, 4-6, and 6-3. The dynamic duo of Professors John W. Khouri and Donald S. Gates ran roughshod over Dean LeVan P. Smith and Ellery B. Haskell, 6-2, 6-1, and won the right to meet Widdowson and Brossman in the final round.

Albright's football eleven will face the Muhlenberg Mules tom evening on the Allentown High gridiron in a night classic beginning at 8 p. m., and will attempt to mete out the fourth straight defeat for the highly touted Mules under their new head coach, Howard Baughman.

Former Albright-Muhlenberg clashes have resulted in 16 wins for the Mules, but only nine for the Lions. The Cats haven't defeated Muhlenberg since Lone Star Dietz turned the "big city boys" back by the tune of 14-13 in 1941. In 1942

#### Library Adds Six Staff Assistants

During the summer two clerical

During the summer two clerical assistants, Mrs. Gertrude Rhein and Miss Ethyle Dautrieh, were added to the staff of the Alumni Memorial Library. In addition, four new student assistants have been appointed, making a total of 11 who are serving this year.

Miss Dautrich, a graduate of Reading High School, has been placed in charge of the circulation desk. All open and closed reserve books are under her management. Appointed a library typist, Mrs. Rhein saw 20 months of service in the WAAC's before coming to Albright. She was stationed in Kansas and Colorado.

New student assistants are William Glant, James Harring, William Ritchey and Lloyd Sturtz. Those remaining on the staff from last year are Wilson Dickert, Shirley Johnson, Janice Miller, Marion Miller, Phyllis Oberholtzer, Ralph Stoudt and Barbara Wrisley. These students assist in all phases of the library work and average between three and one-half to 11 hours of work per week.

Miss Dorothy Riddaugh, former assistant librarian, has left Albright College to accept a position as assistant librarian at Mars Hill College in North Carolina.

#### Library Seeks Digests
