## Scenes of Freshman Day

**PARENTS ON CAMPUS**—These scenes depict campus activities of Saturday, October tenth with one unique addition . . . parents. (Photos by Butler)

## Cultural Series Presentation Features Nathan Twining

Three new series will begin this month in the Chapel and Assembly programs. The new Cultural Series Presentation began this month with a piano concert given by Nathan Twining. Mr. Twining, the son of General Nathan Twining, former chairman of the Joint Chiefs of Staff, took his first piano lesson at the age of seventeen. Six months later he was accepted at the Oberlin Conservatory of Music where he was described as a "youthful marvel".

Shortly after graduation from Oberlin he made his debut with the Tulsa Philharmonic Orchestra. He has been compared with Van Cliburn and John Browning and he has advanced steadily in the competitive world of concertizing.

His appearance at Albright was under the sponsorship of the arts program of the Association of American Colleges.

On October 20, 22 and 27 the first three programs on Prospectives on Morality will be presented. This series, the idea of Chaplain Marlow, is being presented to the students to bring outstanding persons to the campus to discuss the ethical implications of many areas of our life and culture. The first lecture will be given by the Reverend Eugene H. Barth of the Albright faculty on the subject of "Confusion in Babel". Dr. Charles Le Clair, professor of Painting and Dean of the Tyler School of Art of Temple University. Dr. LeClair will give the lecture "The Ethical Basis Of Art". The third lecture of the series will be given by Dr. Anna Hedgeman a member of the National Council of Churches on "Morality and the Multitude".

October 29 will be the beginning of the Departmental Lecture Series. The program will be presented by the business department and Dr. Morris Hamburg of the University of Pennsylvania will lecture on the topic of "The Rationalization of Decisions Under Uncertainty".

## College Relations Topic of Second Follow-up Session

Distributing information on Albright to the public is the main responsibility of the College Relations Office, declared Tom Bamford, Secretary of the Alumni Association, at the second freshmen "follow up" session October 8 in Krause Hall.

Bamford, a 1962 Albright graduate, related to the freshmen the importance of publicity to any college. Albright has news releases in the "Reading Eagle", "Record Record" and the "Reading Times", and the four radio stations in Berks County also carry news about Albright's football games. He also stated that next September there will be a ten watt college radio station right here on campus.

The session was opened by the Director of College Relations, Mr. Robert Smethers, who spoke on the importance of scheduling events and the addition of the new bulletin board on the patio. Anyone interested in scheduling an event should inform Mr. Smethers before, or on the second Monday of the preceding month.

Mr. Smethers also extended an offer to students with problems to consider the Relations Office for counseling.

## FRAT SPONSORS OPEN HOUSE

The Pi Tau Beta social fraternity kicked off its annual program of events with an Open House on Friday night, October 9.

Over 350 Albright students flocked to the 1605 Hampden Boulevard house in what was termed the "most successful Open House in the organization's history."

Pi Tau Beta Bob Henning was on hand to greet all guests. After signing the guest book, students were taken on individual tours of the PTB headquarters. The newly rebuilt basement was a beehive of activity with hundreds of Albrightians dancing, or attempting to dance, to the sounds of the Night Caps a band composed entirely of Albright members.

Also on hand were 36 brothers including officers Dennis Petricoin (vice-president), William Gray (recording secretary), Charles Compton (corresponding secretary), Thomas Huntzinger (treasurer) and Donald L. Jones (chaplain).

In other Pi Tau news, the fraternity:

Inducted three pledges for the fall period on Tuesday night. Dick Yoder, Dennis Wagner and Al Leibowitz (all sophomores) are the three pledges. Petricoin and Compton will serve as pledge masters.

Won four consecutive touch-football games to take the early lead in the intramural league. Mike Scarcella, Dave Huey, Bill Wilhelm, Ron Heims, Compton and Henning have been the key men in the team's drive for the championship.

Made plans for a bowling party to be held at Paradise Lanes within the near future. Bill Gay is chairman for the project.

The Nuclei will sponsor a movie—THE TIME MACHINE, on Saturday, October 17, 1964 in Krause Hall.

## Record Crowd Attends Freshman Day Activities

By Virginia Ettinger

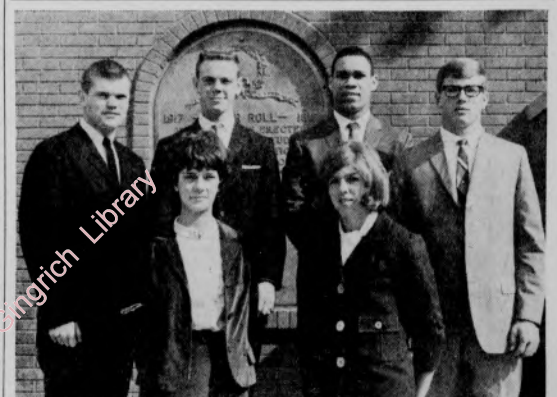

Four hundred eighty-six relatives of one hundred fifty freshmen students attended the sixth annual Freshman Parents' Day on Saturday, October 10. Sponsored by the Mu Eta Chapter of the Alpha Phi Omega fraternity, the day was planned to help the students' relatives become closer members of the Albright College family.

Registration began at 2:30 P.M. in the dining hall lounge. From 3:00 to 4:30 P.M. freshmen and their parents had the opportunity to talk informally with the professors in the dining hall lounge. At the same time parents were led on tours guided by the fraternity members. Open house was held in the new and renovated campus buildings as well as in the dormitories. At 5:00 P.M. parents were officially welcomed by Lowell Kobrin, chairman of the Freshmen Parents' Day Committee, in Krause Hall. This was followed by the presentation of "A Phoenix too Frequent" by the Domino Club. Dinner was served in the dining hall at 6:15 P.M. and was followed by a few words from President Harry V. Masters and Paul Douglass. The day was concluded with the Albright-Gettysburg football game at 8:00 P.M. in the Albright stadium where the Lions emerged victorious over G-burg by a score of 19-15.

This year, for the first time, films were taken of the Day's events. The fraternity brothers intend to show them at the Alpha Phi Omega national convention in Denver which will be held over the Christmas holidays.

Alpha Phi Omega is the largest national fraternity. Freshmen Parents' Day is only one of the many services sponsored by the thirty-three fraternity brothers. Although the Albright chapter is small, it is ranked as one of the top thirteen in the country.

In addition to Chairman Kobrin who is the immediate past president of the Mu Eta Chapter and now is the corresponding secretary, the Freshmen Parents' Day Committee members included: Paul Douglass, present A. Phi O. president; Bob Hoffman, recording secretary; Ron Biekhart; Don Emery; Joel Jaspin; and Ed Sobel.

**FRESHMAN OFFICERS**—The freshman class officers were inducted in a ceremony at the chapel last Tuesday. Left to right in the first row are Jeanne Suplee and Judith Seidler. Second row: Craig Seargent, John Snyder, Elwood Johnson and Herbert Naus. (Photo by Rothman)

## ACT OF ACCEPTING FLAG INDUCTS FRESHMAN CLASS

By Kathy Doak

The Freshman Class Induction, held in the Chapel on October 13th, was opened by the introduction of the 1968 class officers by Student Council President Barry Ache. These officers are: John Snyder, President; Beau Johnson, Vice President; Herb Naus, Treasurer; Jean Suplee, Secretary; and Judith Seidler and Craig Seargent as student representatives.

### Flag Presented

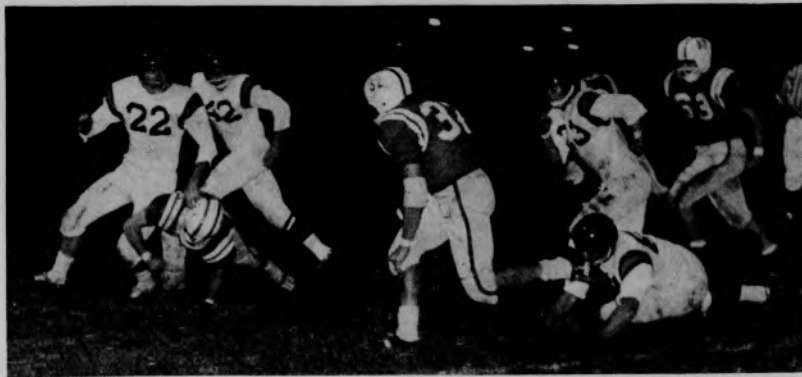

The presentation of the 1968 class flag was preceded by a short speech by Reverend Oscar Hyden who represented the class of 1918. The main theme of Reverend Hyden's speech concerned the significance of this school flag which is moral idealism, academic achievement, and responsibility. The actual presentation of the new red and white banner to President John Snyder was performed by Mr. Jonas H. Schrefler who is also a member of the class of 1918.

Upon receiving the flag, John Snyder spoke about its importance to the freshman class. He also said that the freshman must provide the initiative for accomplishment in order to have a successful freshman year. This acceptance of the flag by the freshman president was the formal recognition of the freshmen into the Albright College Family.

### Folk Singer

The induction ceremony which took no longer than twenty minutes was then followed by musical entertainment.

An unidentified Albright player blocks for Bill Bors (32) as he rushes for a gain in last Saturday's game. Bors led the Lion ground gainers with 102 yards as Albright defeated Gettysburg, 19-15. (Photo by Rehner).

## Lions Beat Gettysburg

Albright's 19-15 win over the Bullets of Gettysburg was the perfect ending to a perfect day. The game was power-packed with action, excitement, and enough suspense to keep everyone on the edge of his seat until the last second of the play. A Parents Day crowd of 8,000 braved the icy winds, and looked on as the Lions took a down-to-the-wire cliffhanger from the previously unbeaten Bullets. Gettysburg, who previously edged a mighty Delaware eleven, was heavily favored to take Saturday's contest.

### Decisive Plays

The game, consisting of solid defense and steady offense, was highlighted by two decisive plays. The first was the circus catch made by Sophomore Carmen Communale, while completely surrounded by defensive linebackers, to haul in a TD pass from Quarterback Lew Nevins. The second big play took place in the waning minutes of the game. Frank Herzog brought the spectators to their feet with an intercepted pass in the last two minutes of the game. The interception ended a Gettysburg threat.

Albright scored first as Don Manlove carried the ball into the end zone. His TD capped an 83 yard march with Bill Bors contributing a 34 yard run. The point after the touchdown was missed.

## Injuries Hamper Lion Harriers

Injuries hampered Albright's harriers as they dropped two meets last week. The Lions lost their fourth starter this week when Herman Dale was unable to run. A record of 0-4 shows that the harriers are hurting for their missing starters.

They lost two meets, one to Lafayette 16-45 and one to Gettysburg 21-39, but Coach Applegate is not ashamed of their performance. He feels that their individual performances have improved.

In the Lafayette meet on October 6, Albright was unable to get more than two boys in the first ten finishers. Garibay finished fifth with a time of 24:57 and Clark finished seventh.

A rebuilding Gettysburg squad trounced Albright 21-39 on October 10. Members of the Gettysburg freshman squad finished before most of the varsity boys for both teams. Albright managed to take only three of the first ten places. Garibay finished third with a time of 24:40; Clark and Sanchez finished fourth and ninth respectively.

Anyone wishing to run may still try out for the squad. Intramural meets are scheduled for Tuesday, Oct. 20; at 4:15, and Tuesday, Oct. 27; at 4:15.

### Bullets Retaliate

Gettysburg retaliated almost immediately. After returning the ball to the Gettysburg 34 quarterback Jim Ward used a fifteen yard pass to Joe Egresitz and four carries for 22 yards by Tony Presogna to move the Bullets to the Albright four yard line. On a fourth down and goal situation Ward hit Ken Snyder with a pass in the end zone. Bob Kinsey converted for the extra point.

In the second quarter it was Gettysburg on the march again. The Bullets took possession of the ball after a fumble by Frank Herzog. Six plays later it was Tony Presogna plunging into the end zone from the one yard line. A poor snap from center resulted as a missed extra point.

Late in the second quarter Carmen Communale pulled in Lew Nevins' pass for a TD on a fourth and eleven situation. The Lions tied the score with Jim Kearns' point after touchdown.

The winning margin came in the fourth quarter with 8:40 left to play. After Jon Paris recovered a Bullet fumble deep in Albright territory, Bill Bors plunged in from the five yard line for the Lion's third score. Albright will play an away game with Delaware Valley tomorrow.

## Albright To Meet Delaware Valley

By Dutch Mink

Albright will put their 4-0 record on the line tomorrow when they play the Aggies of Delaware Valley College at Doylestown. Delaware Valley, under a new coaching staff, has compiled a 1-2 record this season with a victory over Haverford, 14-8, and losses to Moravian and Millersville State College.

Senior Richard Baughn is co-captain and leading ground gainer of the Aggies. He holds all the individual rushing records for Delaware Valley. Junior quarterback Gary Ulrich likewise holds all the passing records. Delaware Valley has a comparatively young team with a powerful line.

Last year's game with the Aggies will be long remembered by Albright. The Lions walloped them, 63-0, in the Homecoming Game. Albright intercepted seven passes and turned six of them into touchdowns. It was the highest point production by an Albright team since the 70-13 win over Muhlenberg in 1937. Lew Nevins passed for three touchdowns in that game.

Delaware Valley was idle last week and have had plenty of time to prepare for the Albright game. The team is at full strength with no injuries. Although Albright has the statistical advantage, Coach Potskian says "We can't take the game too lightly."

Starting time for the game has been changed from 2:00 to 1:30.

## POEM

By Nancy Trainer

Friend,  
When I see you,  
All the confusion,  
It stings my heart.  
The lack of love  
They are not my brothers.  
Our thoughts all clash  
When will we learn  
To understand?

It is so hard,  
When we love ourselves,  
To love others,  
But we must grasp both  
We must listen,  
We must understand.

### STATISTICS

**LINEUPS**  
Gettysburg  
Ends — Masin, Egresitz, M. Snyder, Ironson.  
Tackles — Strohecker, Kinsey, Brooks, Miller.  
Guards — Brentzel, Tierney, Snowe.  
Center — Furney.  
Backs — K. Snyder, Ward, Enders, Boyd, Marzel, Hallam, Presogna, DiMeo, McCracken, Brewer, Cressatt.

Albright  
Ends — Communale, Leonard, Nauss, Kearns.  
Tackles — Limoli, Savage, Esposito, Gaito.  
Guards — Kubb, Paris, Cholet, Horst.  
Center — Gamber, Hartman, Pasculli.  
Backs — Nevins, Shellhammer, Herzog, Bors, Manlove, Griffo, Reid, D'Apollito, Haggerty, George, Huntington.

## A-LINES FASHIONABLE FOR IVY BALL

By Karen Cuper

The fall season is now well on its way, and plans for the annual Albright "Ivy Ball" are being made. The date set for this special event to take place is the evening of November 6. Have you been wondering about what to wear? Perhaps some of you new additions to the campus are not quite decided as to what kind of dress would be most appropriate for this affair. The talk around campus has it that many girls will be wearing street length cocktail dresses. Popular fabrics are velvet, brocades, and of course a variety of new evening wear fashion fabrics.

A favorite among many, which looks becoming on all, is the basic A-line dress. It is sleeveless, collarless, simple, and elegant. Such a simple style as this can be found in most stores in brocades, velvets, and of course the basic black wool. It can be found in lovely printed brocades of gold, kelly green, bright blues, (bright colors are definitely "in"), and of course white with gold print.

Also to be found, as a variation of this dress, is the A-line with a U-scooped neckline accentuated with lace ruffling or the same fabric as the dress... very feminine. For those of you again who can sew and feel a little creative, Simplicity Printed Pattern #5508 or Simplicity #5567 is just for you.

Accentuate your femininity with a gold pin or perhaps a pin with colors matching the dress. They are very popular this year worn about three inches below the center front neckline. If a pin doesn't suit your taste, a strand of pearls are always attractive.

Be simple; be elegant; be feminine. Have a good time at the ball!

## Mu Girls Repaint Sorority House

One week before classes began, the sisters of Phi Beta Mu were on campus tackling Operation Paint Mu House.

The girls worked to cover every chip and scratch in the eight-room sorority house. The faded walls were imbued with warmer colors that help create within a more pleasant atmosphere.

The team of do-it-your-selves completed the task of scraping, sanding and painting but are now faced with the job of removing the multi-colored splatter on the floors. Once this is done the project will be considered a success.

The Mu's handiwork can be inspected December 11, when the sorority conducts open house.

## HEO CONDUCTS FIRST MEETING

The first meeting of the Home Economics Organization this year was held on October 12 in Master's Hall. Marge Landis, president, inducted 24 Freshmen girls and one transfer student into the membership of HEO.

Mrs. Nancy Alexander, graduate of Drexel Institute of Technology and President of the Pennsylvania Home Economics Association, spoke at HEO's first meeting. Mrs. Alexander explained the work of the American Home Economics Association and its state organizations. AHEA publishes the Journal of Home Economics nine times yearly.

Albright's chapter of HEO is a member of both the PHEA and AHEA. Its officers for 1964-65 are Marge Landis, president, Barbara Case, vice-president, Hope Schweitzer, recording secretary, Susan Gordon, corresponding secretary, and Hope "Pinky" Phillips, treasurer. HEO's faculty advisor is Mrs. Pearl O. Bright.

## THE ALBRIGHTIAN
