DEAN ANNOUNCES SCHOLASTIC LISTS, WOMEN LEAD

Women Students Superior to Men Scholastically During Second Semester, 1932-33; Class Honors Go to Seniors

Women students gain superiority over men in scholarship during second semester, 1932-33.

30% of the women students of the college and 12% of the men students gain a position on the Honor List for the last semester by maintaining an average above B+ (2.0) in all work.

The present Senior class (Juniors of last year), by placing 22% of their members on the honor list, lead the college for class honors. Last year's Senior class followed closely with 21% of their members maintaining honor recognition.

The general college average of 2.75 (B-) is considerably higher than the record for the same semester of the year 1931-32. A study of the relative standing of the various class groups indicates that much of the honor for this high rating must go to the women students of the college. The record shows that in each class the women rated considerably higher than the men.

The Pi Alpha Tau sorority retained its lead among all fraternity-sorority groups with a rating of 2.18 while the Pi Tau Betas with an average of 2.42 hold first place among the fraternities. The highest rating of any campus group was earned by the women of the Senior class (class of 1933) who maintained an average of 2.09 (B+).

The relative standing of the various college groups is given in the following list:

Senior women	2.09
Pi Alpha Tau	2.18
Phi Delta Beta	2.20
Phi Beta Mu	2.27
Junior Women	2.38
Pi Tau Beta	2.42
Sophomore women	2.48
Senior class	2.51
Junior class	2.55
Junior men	2.62
Freshmen women	2.73
Senior men	2.740
Alpha Pi Omega	2.746
College average	2.75
Zeta Omega Epsilon	2.867
Sophomore class	2.8679
Kappa Upsilon Phi	2.93
Sophomore men	2.95
Beta Delta Sigma	3.048
Lions Club	3.09
Freshman class	3.10
Freshmen men	3.25

Among the fifty-five students of the college (16 2/3% of the enrollment) who won a place on the honor list are 19 members of the present senior class. As a reward for this achievement, they have been granted the privilege of voluntary class attendance for the first semester of this current year.

INT. RELATIONS CLUB HOLDS FIRST MEETING

The International Relations Club will hold its first meeting of the year Thursday evening, Oct. 12, at 8.00 o'clock, in the lower social room of Selwyn Hall. All members and their friends are cordially urged to attend.

The Albrightian Staff is pleased to announce the occupancy of a new office. The headquarters of the weekly school paper will now be in the room formerly occupied by the Athletic Council. The Staff will hold its regular meetings here and all papers will be distributed from this office.

A new day of publication has also been agreed upon by the Board of Control, and the "Albrightian" will now make its appearance on Friday instead of Wednesday.

FACULTY RECEPTION IS SOCIAL SUCCESS

The annual Faculty Reception was held in Selwyn hall on Friday evening, Sept. 22nd. About 250 people were present. The receiving line formed at 8.00 o'clock in the parlors. Entertainment followed in the dining hall.

The ones who received the guests were: Dr. and Mrs. J. Warren Klein, J. Bennett Nolan, Esq., Miss Ruth C. Shaffer, Mr. and Mrs. George W. Walton, Mr. Wilson I. Miller and Miss Elizabeth Miller, Dr. and Mrs. Eugene R. Page, Dr. Graham Cook, Mr. and Mrs. Clarence A. Horn, Mr. and Mrs. Joseph S. Knapper, Mr. and Mrs. H. Wm. Voigt, Dr. and Mrs. Raphael Fenili, Mr. and Mrs. Paul I. Speicher, Daniel G. Lubold, Dr. and Mrs. F. Wilbur Gingrich, Mr. and Mrs. Alexander G. F. Gode-von-Aesch, Henry G. Buckwalter, Dr. and Mrs. Morris S. Greth, Virgil C. Zener, Mr. and Mrs. John C. Evans, Miss Elsie A. Garlach, Mrs. Anna Herre Smith, Miss Florence V. Innis, Mrs. Nettie B. Currier, and Mr. and Mrs. Milton W. Hamilton.

After the guests had gathered in the dining hall, Dr. Klein extended a welcome to all. He expressed his delight in seeing so many new freshmen in the assembled group. J. Bennett Nolan addressed the students and faculty for a few minutes. Following this, the guests were entertained with vocal selections by Miss Margaret Whelan and by William Maier, an alumnus of Albright.

The grand march of the evening was composed of numbered couples. After eliminating all the numbers but one, the remaining couple were awarded prizes. The winners were Miss Jean Boner and Gene Barth of the freshman class.

Refreshments consisting of ice cream, cake, coffee, and nuts were served by Jan, the chef. Concealed in two plates of cream were numbers. Betty Ketner, '36, and Amy Leitner, '37, the lucky holders, were awarded prizes.

The program, interspersed with group singing, ended with the Alma Mater. This was finished one of the most delightful receptions held in years.

The committee in charge was made up of Miss Shaffer, Dorcas Haines, John Wyle, and Marshall Brenneman.

PROF. C. M. HORN RECEIVES DISTINGUISHED AWARD

Dr. Clarence A. Horn, head of the greater Albright biological department, has added a new honor to his long list of attainments.

He has been elected a fellow into the American Association for the Advancement of Science by nomination of the council.

NEW FACULTY MEMBER

Dr. Eugene R. Page

Mr. Eugene R. Page comes to Albright College as Professor of English and Director of Debating to succeed Dr. Raymond A. Houk, who is planning to spend the year in study of Sixteenth Century English. He is exceptionally well qualified for this important position.

He is a graduate of West High School, Des Moines, Iowa, and received his A. B. degree from Drake University, where he won distinction by being elected to membership in the Phi Beta Rappa honorary fraternity. He completed his graduate work for the Master's and Doctor's degrees at Columbia University, New York.

Professor Page has had experience in teaching English in Polytechnic Institute, Brooklyn, N. Y., and in St. Lawrence University, Canton, N. Y., and as a lecturer in English at Columbia University, New York. He has also had one year's experience in newspaper work.

After four years of marked success in teaching English and coaching the debating teams at St. Lawrence University, Professor Page obtained a leave of absence to complete his graduate work at Columbia University. Here he soon won the esteem of those associated with him.

SENIOR DRAMATIC CLUB HOLDS INITIAL MEETING

The Domino Club held the first meeting of the year Thursday night. The purpose of the meeting was to discuss plans for the year's activities on the Albright campus relative to dramatics.

Plans were made also for trying out those individuals who would like to become members of this organization.

The Dramatic Club has always held a prominent place among the active organizations of our campus.

We are sure this year will be no exception to the rule.

The faculty and students of Albright College turned out for the N. R. A. parade on Tuesday afternoon in characteristic Albright spirit. The red and white banners of Albright were displayed in support of the blue eagle by a large and loyal delegation.

The Albright group, a principal part of the School Division, was headed by the Albright College band, in their colorful uniforms, led by the drum major. The American flag and a large Albright banner were featured next. A life replica of the figures on the three-cent postage stamp, the business man, the laborer, the farmer, and the business woman, bearing the standard, "In a Common Determination," was next in line. The faculty members, carrying canes, lent the proper dignity to the Albright division.

Classes Designated

Immediately after the faculty girls in ushers' uniforms marched in the form of an "A" with the two cheer leaders as a base. The classes were in separate groups, each bearing a standard designating the class, as well as numerous Albright banners, and American and Colonial flags. Several freshmen were allowed to march in front of an equal number of sophomores who carried paddles. The freshmen showed fine spirit by march in their costumes.

Jan Entertains

After the parade the participants were entertained by Jan Van Driel in the college dining room.

The entertainment consisted of a buffet supper and a varied program. Al Kuder, a member of the freshmen class who has worked with Houdini and Thurston, displayed his skill to the interested students. Music was furnished

RALPH KRESGE IS BIBLE CLASS SPEAKER

Sunday morning, Oct. 1, marked the second meeting of the College Bible Class for the year 1933-34. The organ music was furnished by Harriet Venus, after which Dorcas Haines, vice-president of the class, conducted a most beautiful worship service. Jean Rosenkrantz was in charge of the song service. Following the morning prayer by Martha Felmlee, the Scripture Lesson, taken from Psalms 119:9-16, was read by Ruth Hicks. A male quartet composed of Messers Wyle, Hollinger, Messersmith, and Brenneman, then sang "The Long Day Closes," by A. S. Sullivan.

The morning's lesson, which was the first in the series of lessons about Paul, was taught by Ralph Kresge of the Evangelical School of Theology, who visualized it by making use of a map, and pointing out the country round about Paul's home city of Tarsus. He also explained how that after Paul received the conversion to his appointed task, he was able to launch into the depths of the soul of man, and stir him up for Christ and the church.

TO THE CLASS OF '37

Although we are aware of the fact that you have been welcomed into the Albright fold two or three times and in as many different ways, yet would we hail the fine crop of 1933 "greenies" via the printed page and seek their proper entrance to the innermost circle of our beloved Alma Mater. What advice we might extend would be of little or no avail, for doubtless you have been saturated with paternal gesture and friendly criticism from all sides. We suggest you be skeptical in accepting this advice, and listen to only that from which you may profit.

Adjustment to college life will be easy for some, very difficult for others. Let us make clear for you one fact: As in all other undertakings, you will discover that "work" is the principle factor involving your success as a college student. Endeavor to make it the keynote of your college career.

You of '37 have received the challenge of our school, for not only are you to become an integral part of this life, but as well you are the men who must carry on, and support the traditions and honor of the school. To you will be given the power to make Albright a greater Albright; but, on the other hand, you have it within your power to lessen the prestige and name of your school. This challenge applies to you as individuals. Will you accept in the same confidence it is presented to you?

The ALBRIGHTIAN takes this opportunity to welcome the class of 1937 and to wish them a full measure of success throughout their four years at Albright.

SHALL WE CONTINUE?

It is encouraging to note the splendid enthusiasm and co-operation in which our college social program is being supported this year. Whether it is a hangover of that fine exhibition of school fellowship and social intermingling brought out as a result of the quarantine placed upon our school last spring, or whether it is something altogether new we are not certain.

We are aware, however, of a new atmosphere dominating the student body. Our program was launched this year in an excellent manner via

Literary Column

PRE-VUES

Stella M. Hetrich

If you will recall, the Editor of this column last year vehemently advised us to read *The Provincial Lady in London*, by E. M. Delafield. Personally I see nothing in this story of the average English gentleman and his author-wife to excite the imagination of anyone. It seems shallow and colorless. Miss Delafield's heroine portrays in diary form the adventures of a novelist, but in a very insignificant and prosaic manner compared to, for instance, *Gertrude Atherton's* excellent work on a kindred subject. This is exceptionally light reading, if you prefer that sort of thing.

Have you ever had a desire to actually live geography, that is, to explore the world with something akin to the wonder that was Marco Polo's? Then straightway haunt the non-fiction shelves until you have secured a copy of *Van Loon's Geography*. This book is not new; it has been published more than six months ago, but due to its continuous popularity, is somewhat difficult to obtain. It was the selection of both the Book-of-the-month Club and the Scientific Book Club.

Hendrik Willem Van Loon, one of the world's finest living pedagogues, has written the geography we longed for as a child—not a text book with boundaries and statistics, but a living story of our planet; its habits and manners. In his hands geography becomes literature. It is indeed an epic of Mother Earth, deciphering for us the riddle of the world's behavior. Here we have history, a lot of good geology, a bit of conjecture and prejudice, the astronomy of navigation, fact and fancy. It is vast reading, well boiled down.

Van Loon knows his Europe. His terse analysis of the physiography, history, commerce and origin of the populations of various countries is a masterpiece.

This historian and artist from the shores of Holland has vividly illustrated statements in the text with 163 drawings—22 of them in full color.

This book has been written in answer to a friend's letter, requesting Van Loon to write a "new geography—a practical, human interest story applied to geography." Altho that was ten years ago, his reply was well worth waiting for.

Highly recommended for every reader, old and young.

It is not included in the circulating library of the Berkshire News Agency, but can be procured at the Public Library, if reserved. (Simon C Schuster, \$3.75.)

a most successful faculty reception. Last Tuesday we were privileged to witness one of the finest demonstrations of school spirit and co-operation that the college has sponsored in the past few years. Our participation in the N. R. A. parade was a marked success. Unlimited and willing support was forthcoming from every organization, class and individual faculty and student.

Shall we continue to foster such enthusiasm in our social and athletic program at Albright? There can only be one answer. Perhaps the most conducive atmosphere for such spirit at this time of year is on the football field. The major portion of our schedule is yet to be played. Let's support our team 100 per cent this season.

The "Y" Column

A student's life today is one of challenge and opportunity. He looks upon a challenging world socially, economically and politically and observes that a man's job lies ahead. One realizes that education to be real must be vitally concerned with all phases of life. Religion cannot be put into one compartment, education into another and social problems another, but there must be an integration of all fields of endeavor. With this concept in mind, the Albright College Y. M. C. A. desires to give all its members a well rounded program of Christian life, concerning itself with special interest groups, devotional groups and a Freshmen Commission. As in the past, we will carry on a stated program of Vespers, "Y" meetings and social events.

The Y. M. C. A. now has a room on the Albright campus. It is for your use, and it is our hope that the entire student body will support this pioneer step.

O. S. HOOFFNAGLE,
 Pres. of the Y. M. C. A.

The Y. M. C. A. cabinet is pleased at the response of the students and also at the enthusiasm shown by the freshman class. This, no doubt, has been prompted by the opening activities conducted by the "Y" and the stimulating Bible classes in the Theological Chapel. Other helpful factors which have made the initial activities of the "Y" successful have been the thrilling challenge presented to college men by Dr. Albright at one of the regular Y. M. C. A. meetings and the inspiring visit of Rev. Raymond M. Veh over the week-end.

After the blare of trumpets and drums last Tuesday, Professor Buckwalter, who is to speak at the "Y" meeting on Wednesday night, October 11, will tell us what the N. R. A. and education means to the students. Other plans for the immediate future are being made in preparation for a Halloween party.

by an orchestra composed of Louis Drucker, guitar; Olaf Holman, piano; John Lanz; clarinet; Paul Ottey, mouthorgan; and Joseph Vargas, violin. Miss Grace Ketner, accompanied by Harriet Venus, sang "The Desert Song." The program was closed with the singing of the Alma Mater.

Prof. Horn Heads Committee

Prof. Clarence Horn, who was in charge of the Albright division, had as his committee the following: Prof. Paul I. Speicher, Prof. Henry Buckwalter, Prof. Lewis Smith, Jan Van Driel, John Wyle, Newton Danford, James Schwenk, Marshall Brenneman, Sarah Hoffman, Dorcas Haines, Melvin Lustig, and Otho Hooffnagle. Prof. Horn and members of his committee gave pep talks during chapel exercises and organized the Albright division in an excellent manner.

Take It From Me . .

Jay Fay

Last Friday night, during the evening meal, many of us were surprised to see and hear something that has never happened at Albright in the past three years. A burst of spirit that many of us thought was buried and never to be revived. Let's hope that this will continue and have a return of that loyal Albright spirit and tradition that once existed at Myerstown before the merger.

When one starts something new it is always best to state a policy and purpose. This column will always try to give an unbiased opinion of the Albright teams and their activities. I will always try to call things fair and square, but one must always remember that it is the opinion of but one person and as that person sees them. When glory is called for I will praise to the skies, but when criticism is necessary I shall be critical.

The Fordham game is now history, and that score means nothing. We were all interested in but one thing—that there would not be any serious injuries.

"Fog" Smith played his team with "heads up" football, and if he had wanted, the score would have been considerably less. The real explanation lies in this tale—Albright used but 21 men, while Fordham used 39—this accounts for the 52 points.

The first string eleven played but two quarters and Fordham scored but two touchdowns. I think that that tells the story.

The freshmen team is coming along fairly well, but more men are needed to make this year's yearlings team a successful one. What we want is more freshmen out for the team. Come on, "frosh," and show some of that spirit.

I have an interesting letter that has been passed on to me by Johnny Smith. It is a fan letter, but one that should be given to the entire student body. This letter is from one of the youngest and most successful of the Broadway playwrights, Eugene Conrad:

Coach John Smith,
Albright College,

Dear Sir:

This is the first football fan letter that has ever left my typewriter . . . so it certainly must be merited.

Saw the game with Fordham yesterday . . . and as an old football man myself I am impelled to write and say that never have I had the pleasure of seeing a gamier, cleaner, more sportsmanlike football team than that bunch of "Die-Hards" you brought down with you from Reading.

They were utterly GLORIOUS in defeat. The score is unimportant. They gave an exhibition of football that was in itself a victory . . . and that reflected credit not only on Albright but on the coaching staff and the calibre of men you are turning out up there.

Congratulations!

Sincerely,

EUGENE CONRAD.

Without any comments from me, I think you can realize what kind of a team we have this year.

LIONS STRUGGLE WITH HEAVY ODDS AT FORDHAM U.

Smith's Pony Backs Perform Creditably; Score 52-0 is Not True Indication of Type of Game

Albright College's light but plucky eleven battled against too great odds Saturday afternoon, and had to bow before the mighty onslaught of a Fordham team conceded by pre-season dopesters as one of the two probable best bets of 1933 intercollegiate football.

The final score, 52-0, only served to indicate the far flung difference between the amounts of varsity material available in large universities and in small colleges. It is worth noting that Fordham piled up six of her eight touchdowns in the latter part of each half, when Albright's gallant line, battered by constant armies of Ram substitutes, could no longer withstand the steady pommeling of Sleepy Jim Crowley's proteges.

The Lions put up their best opposition in the first quarter when Coach Johnny Smith's light but speedy backfield, composed of Co-Captain Stan Hino, Radio DeFranco, Jake Orr, and Tommy Iatesta, got three first downs, only to be forced to punt before any scoring damage could be done.

Fordham, on the other hand, was able to send her three All-America timbre backs,—Captain Danowski, McDermott, and Pavlicovic, for long gains good for touchdowns, when Albright's forward wall had tired of the fast pace.

The score:

Albright	Fordham
Haldeman LT Nitka	Gass LT Nzdavinis
Lease LG McArdie	Karlovich RG Delisola
Bottiglier RG Wolfendale	Hepler RT Fenton
Sutcliffe RE Kennan	Hino QB McDermott
DeFranco RH Danowski	Iatesta FB Manlaci
	Gallivan

Score by Periods

Albright	0	0	0	0-0
Fordham	0	20	6	20-52

Touchdowns—Danowski, 2; Manlaci, 1; Pavlicovic, Plawlock, Pepper, Borden, Murphy. Point after touchdown—Danowski (place kick), Pavlicovic (drop kick); Harlow (drop kick), 2. Substitutions: Albright—Danford for Karlovich, Oslislo for Sutcliffe, Karlovich for Bottiglier, Slack for Orr, Conway for Iatesta, Woods for Hino, Yech for Lease, Reis for Haldeman, Slack for Iatesta, Lund for McDermott, Ludnowicz for Nzdavinis, McDermott for Harlow, Howell for Wolfendale, Waldron for McArdie, Sarno for Fenton, Pavlicovic for Danowski, Curran for Manlaci, Plawlock for Gallivan, Borden for Nitka, Brennan for Ludnowicz, Miskis for Delisola, Ladruga for Keenan, Pepper for Manlaci, Murphy for Curran. Officials—Referee, E. H. Hastings, Cornell; umpire, Tom Thorpe, Columbia; head linesman, H. Von Kereburg, Harvard; field judge, S. Scott, Michigan. Time of periods—12 minutes.

INTER-FRAT COUNCIL PLAN FOOTBALL LEAGUE

Since the opening of the school last September, the Inter-Fraternity Council has been busy in organizing another year of Inter-Fraternity athletics. Hoping to make this year an interesting one, the Council has taken a cue from many other colleges and has formed an Inter-Fraternity Touch-Football League. This game, though lacking the roughness and chance of injury found in regular football, nevertheless, provides plenty of activity for all players.

The rules for this game are the same as used at many of the large universities. Seven men constitute a team, and these men may be placed anywhere that they might choose behind the ball. Instead of being tackled, the ball-carrier is touched below the belt. The team in possession of the ball is given four downs to advance the ball twenty yards; failure to do so means loss of ball.

If the plans of the Council are realized, a league will be formed of six teams: A. P. O., Z. O. E., K. U. P., Lions Club and B. D. S., P. T. B., and the Day Students Club. Play will commence as soon as final arrangements are made.

Profitable and interesting summers were spent by members of the Pi Alpha Tau sorority. Miss Innis, advisor, and Katherine Winter visited the Fair at Chicago. Mary Yost taught riflery at a camp in the Poconos. Peg Wittmann was a counselor at a camp in the Bear Mountains. Helen Yohn was at Asbury Park, N. J., Martha Felmlee at Eagles Mere, and Betty Rimelspacher visited in Boston.

Maurice Male, A. P. O., '33, was a visitor at the fraternity over the weekend. "Pup" is now attending Dickinson Law School.

Myrtle Siegfried, a member of the Phi Delta Beta Sorority, is attending George Washington Medical school this year.

Mark Matz, '33 Kappa, is at the University of Pennsylvania Medical School. He has been pledged to the Phi Beta Pi, a national medical fraternity.

Lillian Slater and Jean Goodling, both of Phi Delta Beta, visited the Century of Progress this summer. They also visited various other points of interest en route.

A Hallowe'en party is being planned by the Alpha Pi Omega fraternity. It will be a semi-formal affair and the freshmen in their dorm will be the guests.

The Home Economic Club is planning a supper-hike, which will take place in the near future.

Albert Holland, Z. O. E., is entered in the freshman class at Temple Dental School.

Alfred Cooper, Zeta, spent the weekend at Glen Ridge, N. J., as the guest of Otho Hoofnagle.

Paul Albright is matriculating at Western Reserve Medical School, while Gene Allen and Adam Barnabes, members of P. T. Beta, are attending Jefferson and Temple Medical School. All three were graduated with last year's class.

Lloyd Helt, A. P. O., was the Rally Day speaker at the St. Johns' Reformed Church, Sinking Spring, last Sunday.

Lee Keller, '33, visited Lewis Jones for several days. Lee is now connected with a Pittsburgh insurance company.

Prof. Clarence A. Horn, head of the Department of Zoology, has been honored by being chosen a Fellow of the American Association of the Advancement of Science. Prof. Horn is the first member of Albright to attain this honor.

Irene Fray, past president of Pi Alpha Tau, is teaching at Stewartstown, while Katherine Humma, also of Pi Alpha Tau, is teaching at West Reading.

Adolph Cwicklinski, Zeta, and Harold Yoh, Kappa, have entered their freshman year at Hahnemann Medical School.

James Shambaugh, Kappa, has entered the junior class at the University of Illinois, where he is pursuing the chemical engineering course. He is out for the cross-country team and is pledged to Alpha Gamma Rho, a national fraternity.

"Franny" Hatton, K. U. P., visited the fraternity over the weekend. Franny is assistant coach at Sunbury High School and plays pro. football with the Reading Keys. "Larry" Hatton, also a member of the Reading Keys, visited the fraternity on Sunday.

NOW... GET SET To Telephone Home!

You've dragged your furniture around . . . and your room is fixed . . . and you're all straight on your schedule and text-books. One more detail and you'll be set for the college year.

It's the telephone. Here are some simple matters to attend to for your own and the Family's advantage:

- First** ▶ Locate the nearest telephone. The Family will want to know its number to call you if necessary.
- Second** ▶ Look in the Directory or ask the Operator for the Station to Station Night Rate to your home town.
- Third** ▶ Make a "date" with the folks to telephone home each week. (At the same time, ask them if you may reverse the charges.)
- Fourth** ▶ Make a list of the telephone numbers of your home-town friends. Ask "Information" for those you don't know. You never know when you may want to call them.

And the rest is easy. Just give the Operator the name of the town and the number you want. If you telephone after 8:30 P. M. you can take advantage of the low Night Rates on Station to Station calls. These mean a saving of about 40 per cent!
