AN APPROPRIATE FAREWELL

May 10, 1976

Be it resolved we the members of the Student Union, the duly elected representatives of the Student Body of Albright College--on the 10th of May, Year of Our Lord 1976, do hereby abolish the positions of Student Representatives to the Albright College Senate.

Be it further resolved that this action is taken in portest of the ineffectual manner in which the Senate has dealt with the concerns of 'Campus Community.'

Be it further resolved that as the sole representative of the Student Union will continue to function as liason between the Student Body and the Albright College Trustees until such time as a more viable mechanism for dealing with the concerns of the College is developed.
