## 30Students Teach

 In Church SchoolThirty Albright students are participating in a clty-wide Christian plees of the Greater Reading Council of Churches. This Council sponsors a religious training school for children in the fourth, fifth and sixth grades of the public school ystem.
These children are released from school an hour early, once a week, to go to church near their school for Christian training. The curriculum consists of a study in the Old and New Testaments in the first and second semesters respectively.
Because of the time the schools are held and the lack of teachers, Albright students have made a valuable contribution to the Released Time Church School program. Any student interested in teaching such classes can obtain full information by calling the Rev. Mervin Heller at the Council of Churches offlice in downtown Reading.

## Senior Personality Dave Serfass

## By Dorothy Engler

This week's man about campus arrived at the home of Mr. and Mrs. Serfass in Saylorsburg, Pa., via the traditional stork express. He had a normal and happy childhood, and even learned to swim in the normal way. This traumatic experience occurred when he was thrown out of a boat in the middle of the lake.
A busy four years will soon be a part of Dave's memories. Three years have been spent with the band, and he has been in 200 concerts during his four years with the
Glee Club, Octet and Quartet. He has been a part of seven Glee Club tours, with the eighth one coming up this spring. And we may add that Dave does some mighty fin

## Member Of KTX

Being a pre-ministerial student Dave has been a member of KTX for four years. He has served in the capacity of chaplain for the Pi Tau Beta fraternity during his junior and sentor years.
Dave enjoys sports although he claims only amateur participation. We have seen him in intramural softball and doing a bit of high jumping for the Pi Taus in Sports Night. Dave is also an outdoorsman and is proud of the notch on his gun which represents his first buck -killed last season. A memorable
fishing trip at Dave's place found Ray Horan with the most fishDave makes a good host.

The big event in his life happened at the Pi Tau Beta May dance last year when he became pinned to Marilyn. Rice and old shoes will be brought out Aug. 18.

## Future Plans

Dave's future is fairly well plan-ned-two children, girl first; seminary in Dayton, Ohio; graduate school in youth work.
We wish Dave the best of luck in whatever he undertakes and we know that he'll always carry his exuberance with him.

ule were chosen to compete in the two major post-season basketbal tournaments. Three other opponents of the Red and White failed to be picked for a tournament berth by narrow margins.

Temple University of Philadelphia was chosen for the National Collegiate Athletic Association tournament, which began in New York
City during the past week. Seton Hall, St. Joseph's, and Lafayette all City during the past week. Seton Naional Invitational Tournament this
received, and accepted, bids to the Nation year. NIT competition begins this weekend, also in New York City.

## Close Scores

While Albright did lose to all of the above teams, it is interesting to note that the Red and White lost to Temple and Seton Hall by eleve points, to St. Joseph's by two points, and to Lafayette by four points. All of the teams had to come from behind to overtake and defeat the Renkenmen.

Hofstra, Wagner, and Muhlenberg were also considered for bids to the tournaments, but did not receive invitations. The Lions droppe close games
spectively.

## Ten Records

In complling the final statistics for the 1955-56 court season, it has been found that many new court standards have been set. As far as the team as a unit is concerned, it set three new records. The Lions, set records for the most number or porst
most field goals tallied in a single season, and the most foul goals made in one campaign. The Renkenmen tallied 1999 points for the season, amassed 744 field goals and 511 charity tosses.

Seven individual records belong to Captain George Conrad. They are: the most points any player has ever scored while at Albright, 1719; the most points in a single season, 614 ; most field goals in one season, 214; most foul goals in one season, 186; the most foul goals in four
seasons, 477; the most points in a single game, 47; and the most foul goals in one game, 19.

It is significant to note that these records were made, not by a person playing with a team that reached great heights, but with a team that, for the most part, could not
