NOTED SCIENTIST WILL SPEAK HERE FRIDAY, MAR. 30

**Mr. T. Zorykin, Famous Scientist,
to Speak at Annual Meeting
of Science Academy**

At the annual spring meeting of the Pennsylvania Academy of Science, which will convene this year on our campus March 30 and 31, the noted scientist, Dr. T. Zorykin, director of the electronic research laboratory of the R. C. A. Victor Corporation, will be the principal speaker. Mr. Zorykin will speak on the subject of television, a field in which he is considered to be one of the world's outstanding authorities. Having made but two addresses pertaining to this subject in the past, there will be wide-spread interest in hearing the famous scientist speak on such an interesting topic and one which is still in its infancy.

The Junior Division, consisting of high school and junior college science clubs, will meet at the same time and will unite with the Senior Division of the Academy in sponsoring a banquet, Friday evening, March 30, in the college dining hall.

The Academy will offer as a specialty this year two added civic attractions. One to be conducted in co-operation with the Berkshire Knitting Mills, of Wyomissing; the other to be in connection with the City Museum, also of Wyomissing. Further details and a complete program of the spring meeting will be published at a late date.

CHESS CLUB LOSES TO SHILLINGTON H. S.

The Albright College Chess Club staged its first battle of the current season last evening at 8 o'clock in Room 204, Administration Building, with Shillington High School furnishing the opposition. Shillington won four out of the six matches played, with Willard Burger and William Harris winning their matches for the Albright team.

DRAMA LEAGUE GIVES IMPORTANT RELEASE

The Drama League Travel Bureau, a non-commercial organization, has at its disposal scholarships covering full tuition for the six weeks summer session at the Central School of Speech and Drama, affiliated with the University of London. These scholarships are primarily intended for students interested in literary and drama study, but are also given for the more important purpose of promoting international understanding. We are very eager that the donors of these scholarships shall not be disappointed in the response to the unusual opportunity offered American students.

Students of the theatre and teachers of drama and its allied arts are eligible to come before the committee on awards, and application blanks may be obtained from the League's headquarters in the Hotel Barbizon-Plaza, New York. We welcome all letters of inquiry concerning the granting of scholarships.

PROF. T. A. HUNT PRESENTS RECITAL IN OTTERBEIN U. B. CHURCH IN LANCASTER

An organ recital was recently given by Professor Theodore A. Hunt, head of the Department of Music, on the Heisey Memorial organ of the Otterbein U. B. Church, Lancaster.

The recital was sponsored by the Lancaster Chapter of the National Association of Organists for the purpose of advancing the best music and to develop higher standards of appreciation among the people.

Professor Hunt presented selections from J. S. Bach, Stebbins, Vienne, Handel-Lux, Callaerts, Delamarter, Bonnet and Karg-Elert. The selections from these masters composed a very well rounded program.

JUNIORS WILL ORGANIZE DRIVE TO FINANCE CUE

Encouraged by the unusual success of their Cue dance, the Junior Class, in a few weeks, will start a drive for subscriptions to their three-dollar publication, which will appear on May 20th. A greater sale than last year is expected. The goal is to sell one Cue to every member of the Junior Class at least, and to as many more students as possible. The Cue will include faculty, class, athletic, and other group pictures, all of which will be taken outside in the next two weeks.

John Deininger, Cue editor, stated that, at present, all indications point to the success of the project.

SIGMA TAU DELTA TO HOLD ANNUAL BANQUET, PLEDGE SERVICE, THURSDAY, MAR. 8

The Sigma Tau Delta, national honorary English fraternity, held its regular monthly meeting in the front parlor of Selwyn Hall on Thursday evening, February 22, at 8 P. M. Plans for reception of new members were discussed, and it was decided that Thursday evening, March 8, would be the time for the pledge service to be followed by a banquet and formal initiation on the next Thursday evening, March 15. Dr. Eugene R. Page, head of the English department of the college, and Miss Ruth C. Shaffer, also of the English department, are the newly elected faculty members of the fraternity and will be taken into membership at the time of the banquet. Various experiments in the field of English are used by the fraternity as the basis of discussion. A unique literary experiment is being planned for the month of April.

LUTHERANS CONDUCT LENTEN MEETINGS FRIDAY AFTERNOONS

Lutheran Club Lenten meetings are being held each Friday afternoon at 1 o'clock in the Lower Social Room of Selwyn Hall. The book used as the basis of discussion in the club is "Facts and Forces in the Social Order," a book especially written for Lutheran student organizations by Dr. Greever, of the United Lutheran Church in America. On Friday, March 2, Prof. Gode Von Aesch will conduct the discussion on the theatre in relation to the social order.

President J. W. Klein Discusses Future Policy of the Albright College Athletic Program

Dr. J. W. Klein stated the future athletic program to the student body yesterday afternoon in the chapel. He was very outspoken to the student body and outlined the plan that will be pursued in the future so that everyone could understand the policy that Albright will adopt.

Dr. Klein said in part: "Athletics are primary in college life and must be recognized." He also remarked that he was willing and anxious to cope with any problems that may arise in the individual's mind and that his office door was always open to the students who wished to discuss these problems.

He reviewed the past policy of Albright and declared: "Our reputation among colleges of over-emphasizing athletics had possibly done us harm. We had teams that were rated strong for the size of the school." He told of our teams in the past, splendid teams they were that had defeated schools that were out of our class and stated that it was to be the future policy to have teams that could compete with colleges of our size on an equal basis.

The president further stated: "The athletic problem has been solved and we are now starting again with a new foundation." He also reminded the students that we had merely retrenched before we were forced to do so by the Middle Atlantic Conference and that other colleges that had not done so would be forced to do this. The point was brought out that we were out of the reorganization period and we could now devote our full time to carrying out this program. Dr. Klein sounded the keynote of this new policy by remarking: "Athletically we want to do as

well as we do academically." He reported that Albright had been given one of the best recommendations by the Middle Atlantic Conference as a result of the yearly inspection of that organization which was recently conducted here. He remarked "he was very proud of this and the students."

Dr. Klein told of the hard work that Coach John Smith was forced to do this year and said "Coach Smith has performed a great job against adverse conditions." He stated that Head Football Coach Jay Kelchner would be here within a few days to take over spring training and that he would have charge of football with John Smith as his assistant. Jay Kelchner will assist Smith in the other sports.

Dr. Klein pointed out that this new program has already started to work as one can see from our football program for next fall. He stated that "Last year we wired and telegraphed all over the country trying to get football games. This year we were forced to turn down many colleges that we would have liked to have played."

After the president concluded his speech, he told the student body that he had a questionnaire that he would like to have filled out. He explained the questions to the students and they proceeded to act accordingly. The questionnaire states the following questions: What is your favorite college sport? Are you eager to engage in spring football practice? Should intercollegiate football be emphasized or de-emphasized at Albright? Should intramural sports be developed? Will you give whole-hearted support to a fully developed athletic program?

DEBATERS MEET JUNIATA COLLEGE THURS. MARCH 8th

**Home Team Wins First Debate
With Western Maryland; Lose
Twice to Millersville S. T. C.**

The Albright College debaters opened the debating season on Saturday afternoon, February 24, at 2 o'clock, in the College Chapel, when Albright opposed Western Maryland. The affirmative side of the question, "Resolved, That the Essential Features of the N. R. A. Should be Made the Permanent Policy of the United States Government," was upheld by Western Maryland, while the team from Albright opposed the issue.

Prof. Milton W. Hamilton presided in the capacity of chairman. There was a single judge, Mr. Yeich, debate coach of West Reading High School, who rendered a decision in favor of Albright. This is the first home victory for a number of years and the only defeat which Western Maryland suffered on its tour, including five debates. Mr. Holder and Mr. Flemming were the contestants from Western Maryland, while Paul Fye and Leroy Brininger ably represented Albright.

Both the affirmative and negative teams debated on Wednesday evening, February 28, against Millersville State Teachers' College, at home and at Millersville. The N. R. A. question was debated at home with Millersville taking a negative stand and Albright the affirmative, conditions being reversed at Millersville. President J. Warren Klein presided at the debate held in the College Chapel at 7.30 o'clock. The debate consisted of three ten-minute speeches and three five-minute rebuttals. The judges for the debate were: Mr. Robert Dulaney, Mr. Robert Arnold, teacher of English at Reading Senior High School, and Mr. Frederick Lantz, West Reading High School.

The speakers from Millersville in order of speaking were Clarence Renault, Anthony Hess, and Catherine Kuhns. Mary Ellen Becker assisted in the rebuttal. The Albright team was composed of Elliot Goldstan, Captain Leroy Garrigan, and Hunter McKain.

Prof. Eugene R. Page, coach of the Albright teams, accompanied the negative team to Millersville, where Albright was represented by James Doyle, Newton Danford, Howard Maier, and Leroy Brininger, alternate. In both cases the decision of the judges was given in favor of Millersville.

The big debate of the season will take place Thursday evening, March 8, at 8 o'clock, in the auditorium of the Northeast Junior High School, when Albright's affirmative team meets the negative contestants from Juniata College. This is an annual affair, and the debate will be conducted according to the Oregon plan, which was employed last year. Judges, in the persons of five college presidents, will give a decision in favor of the team presenting the better argument. Elliot Goldstan and Leroy Brininger have been chosen as the debaters to represent Albright.

VETERAN'S RESERVE TO USE STADIUM IN JUNE

The Sons of Veteran's Reserve will encamp in the stadium of Albright College during the week of June 17, 1934. At that time the State Convention of the Grand Army of the Republic will be held in Reading.

Editorials

From time to time this column endeavors to stimulate interest in the work of the college newspaper. We believe that only through the medium of such can a better understanding of the problems and interests of each group by every other group be fostered. We received the following letter from the Intercollegiate Newspaper Association recently, in which Walter R. Hough, President of the Baltimore Press Club, gives the college paper definite ranking as an educational influence and an essential factor in the development of college life.

Young Man, Go To It!

Twenty-five years in active daily newspaper work, from reporter to managing editor; ten years experience, not without its financial discouragements, as the owner and editor of an insurance journal, a farm newspaper, and a shipping journal, has led me to believe that my views on college journalism are probably of little moment. A graduate only of a high school, with a post graduate course in a school of life that included a wee bit of an education in politics, I feel that anything I might say about college publications must necessarily be largely based on the rather scant perusal of the columns of such as reached my desk. These for the most part gave me the feeling that most of the humor columns run from fairly good to very poor. Possibly the limitations upon my higher educational opportunities prevented my fully understanding the drift of college jokes, and added to this is the fact that I came from strictly English blood parentage.

Seriously, however, I know of no better way for any man, in school, college or university, to broaden his viewpoint than to engage in college journalism. I have been president of the Baltimore Press Club for a number of years, and in that time I have had contact with a number of men associated with collegiate papers, and have found that one of the most hopeful signs in relation to these young men is that they take work entirely seriously.

When I went into daily newspaper work I kept a scrap book of my writings. Every six months I would read over what I had written, and the laughs that this gave me were such that I undoubtedly improved a bit over the next six-month period. If every fellow who writes for a college paper, whether his subject be a scientific treatise, or a less pretentious effort, such as outlining just how he would run the college if he had the job, would later take the cold print to his fellow students and professors and ask them to give him frank criticisms, he would undoubtedly do a better piece of work the next time. I would not advocate knee-action wheels on the college publicity chariot, for it is through the

The "Y" Column

THE MEANING OF LENT

Hardly a day passes that I do not receive some form of literature pertaining to youth movements in every conceivable sphere of activity. The word "challenge" is hurled recklessly about from anti-repeal movements to the place of a Christian college in the present social order. The student naturally is stimulated by such thought provoking challenges, but ultimately finds little more than confusion as he links himself to the various causes which change with the seasons. Amid the glamour of it all youth yearns for an answer to many inward longings yet to be found in the nature of society. He desires a sense of stability, a bit more understanding between mankind, perhaps an atmosphere of calm rather than that of intense efficiency. The student desires a companion that would understand his musings. But no, a new day, a new cause, the seeker buries the self that needs companionship and rushes off to become a member of a committee of a new movement. The inner yearnings retreat.

The man of Galilee understands. Try to know Him during this Lenten period, which is really, in essence, a concentration upon the refreshing of the spiritual nature which becomes clouded as we place our allegiance in the many conflicting causes. Talk with Him about your innermost desires, re-evaluate with His counsel your loyalties and gain "The peace of God which passeth all understanding."

Last Sunday a new spirit prevailed at the regular Vesper Service, which was held in the Social Hall of Selwyn Hall. There was no planned program as then we plan for Vespers was outlived by Lloyd Helt. After singing several appropriate hymns, Gene Barth brought a few remarks of meditation to the unusually fine group present.

Vespers from now on will be held in the Social Hall of Selwyn Hall, and it is hoped that during the spring we may be able to hold outdoor meetings in the open court. Philosophies of life by professors of various departments and laymen will be presented to the students of Albright so that they in turn might form their own philosophy of life. Most of the meetings hereafter will be in the nature of open forums and discussions on topics which interest college students. We can help you solve some perplexing problems along the lines of religion and life if you will let us know what they are and then come out to find out a possible solution.

We'll be seeing you on Sunday afternoon at 5 o'clock in the Social Hall of Selwyn Hall for an hour of fine fellowship. Let's make this Sunday a record for attendance!

On Wednesday night the Junior girls presented the program for the Y. W. meeting. In keeping with the Lenten season, the theme centered upon Jesus' life. Poetical versions were read about his birth, youth, ministry, crucifixion and resurrection.

bumps which the operator receives that his efforts will improve.

I believe that the college newspaper has a real place in the development of college life, and it undoubtedly creates an educational influence for those men engaged in its work that brings untold benefits in after contacts of life.

To paraphrase Horace Greeley, I would end by saying—"Young man, go to it!"

In order to properly entertain the Pennsylvania Academy of Science at their spring meeting, which will be held on our campus this year on March 30 and 31, the Easter recess will be postponed one week.

Recess will begin after the last class on **Thursday, March 29.**

Work will be resumed at 8:00 A. M. on **Monday, April 9.**

Section 3. The President shall be compelled to call a meeting of the As-

PROMINENT PEOPLE . . .

KENNETH BERGSTRESSER
(Pi Tau Beta)

Kenneth may be classed as one of our more serious minded Seniors. We know him as a student and a friend. "Bergy" finds his greatest pleasure in the sequestered regions of the Science Hall and is a loyal protege of Professor Horn.

Because of his reclusive nature, the leadership qualities peculiar to "Bergy" have not been exercised extensively before this year. The Pi Tau Beta fraternity recognized these qualities and elected him president of that organization during the first semester. The Skull and Bones Club selected Kenneth to fill the chief executive office of their club. He has filled both positions efficiently and capably.

A consistent honest student, "Ken" finds time for participation in the work of the Y. M. C. A. and the other religious organizations of the campus. Having chosen the teaching profession for a career, we predict success for this affable fellow student.

sembly upon presentation of a petition signed by fifty (50) members of the Student body. At least forty-eight (48) hours notice must be given.

Section 4. The Executive Committee of the Council shall meet with the Senate following the Council meeting. (Time to be arranged).

ARTICLE XV

New Legislation

Before any new rule may become effective, it must be approved by a majority vote of the Council, be approved by the Senate, be posted on a bulletin board for a period of one week, and then be ratified by a majority vote of the Assembly. It must also be published in THE ALBRIGHTIAN before the Assembly votes.

ARTICLE XVI

Amendments

Section 1. An amendment to this Constitution may be initiated by a majority vote of the Council after one week's notice of the proposed amendment has been given to the members. It must then be approved by the Senate and ratified by the majority vote of the Assembly to become effective.

Amendments

Amendment No. 1. New legislation to become effective need not be ratified by the Student body.

Gridmen to Report for Spring Training, Monday, March 12

New Grid Mentor Will be Here Next Week to Assume Complete Charge

In accordance with the announcement made by President J. W. Klein at the annual football banquet this year, Albright Lions will undergo spring football practice, beginning Monday, March 12. Revival of the spring practice custom will be the first appearance of such since Coach "Doggie" Julian was head mentor at Albright in 1930. Our new football boss is here on our campus and will be ready to assume charge of what he promises to be a vigorous pre-season work-out. J. Martin Kelchner, brother of Albright's beloved old man of athletics, Charles "Pop" Kelchner, will replace "Johnny" Smith in this capacity, and we are looking forward to one of our most successful seasons under his capable tutelage.

The new grid head will also take charge of swimming and track, and will serve as associate director of physical education. Smith, who was leader of all college athletics besides being instructor of physical education, will resume his duties in the capacities of head coach of basketball, baseball, and assistant football boss.

Kelchner, who is at present in charge of recreational activities at Mt. Gretna, is well qualified for his new job. Until this year he had been for nine years director of intramural sports at the University of Pennsylvania. There he had charge of 2,000 students, for whom he laid out a program of 12 sports, besides conducting a coaching course at the U. of P. summer school.

Albright's lately elected mentor has an extensive athletic experience, both as a player and as a coach. He played three years of football at Albright (Myers-town), four years of basketball, and four seasons of baseball. His proficiency in the national game won him a position with the Brockton team, of the New England League.

Kelchner coached at least two athletic teams in each of six institutions before entering his career at Penn. Clearfield High, Susquehanna, Friends' Central, Lower Merion, Girard, Swarthmore—all received the benefit of his experience, and Kelchner turned in a nifty job wherever he went.

Now he will leave his present job to take up his new post at Albright, with the football spring training session soon to get under way. Albright and all loyal Albrightians will welcome J. Martin Kelchner, and offer whole-hearted assistance and cordial welcome to the new leader. With Kelchner at the helm and John Smith as his good right arm, the Red and White cannot, will not lose. So hail J. M. Kelchner and a return of haleyon athletic days for Albright College.

The Lions came through with flying colors last Saturday evening when they defeated the Villanova "Wild Cats," 39-37. The game was spectacular in every phase and resulted in one of the fastest frays played on the home court this year. The game was a complete upset, with Red Woods turning in a stellar performance both defensively and offensively. He was high scorer of the evening with a total of 13 points. Both O'Mera and Robinson were outstanding for the Wildcats, garnering a total of 16 points.

On Wednesday evening last the Smith Quint travelled to Lancaster where F. and M. defeated them by the score 52-43. This practically eliminates the Red and White five from any chance of garnering a high place in the Conference standing. It was the second defeat suffered at the hands of the Nevonians, the other being on our own "Y" court when we were defeated 43-42. Ed Haller ran rampant on the home court and totaled 17 points to become high score man, while Iatesta kept the Lions in the running with a sum of 11 points.

GIRLS BASKETBALL TEAM DEFEATS POMEROY CLERKS

On Tuesday night the Albright girls' basketball team brought home a well-earned victory. Their opponents were the youthful clerks from Pomeroy's. A lively game ensued, but, with the Clerks fouling heavily, the Albright girls won 29-18. Jeanette Henry collected 16 points to become high scorer for the college team. Peg Wittmann also performed well by scoring 12 points. Lillian Slater was acting captain.

Inter-class games for the girls have begun. The Freshmen got off to a good start by defeating the Sophomores 34-23.

The Alpha Pi Omega fraternity is pleased to announce the formal pledging of the following men: Paul Ottey of Norristown, John Bostwick of Sayre, Ainslie Wyle of Plymouth and Gordon Rheinhart of Palmerton.

Was the editor of this column incensed when he discovered his little "parasol" to be the object of some "nasty man's" prank. Such language—Tsk! Tsk!

The Phi Beta Mu Sorority will hold formal initiation and pledge service on Tuesday night. Margaret Maurer, and Mary Waldman will be taken into active membership and the following girls will be pledged: Kitty Knerr, Leona Reed, Mary Bentzel, Mildred Newkirk, Ethel Schaffer, Marjorie Eastwood, Edith Marquet, Grace Mengel and Helen Fox.

Two of our practice teachers tried to rook the transit company by gyping a ride from the high school down to the college. It didn't work—they were caught getting off the car.

Charles Gabriel has left for his home in Red Lion, where he will have his tonsils removed.

I practically collapsed when I learned this—a certain Junior forgot his ticket for the Ursinus game and had to walk back to school to get it. He positively fumed.

The Pi Alpha Tau Sorority takes the greatest pleasure in announcing that the following girls have accepted bids to membership: Mae Caramanna, Rachel Snyder, Dorothy Brillhart, Jeanette Henry, Amy Leitner, Helen Gordon, Dorothy Butler, Caroline Miller, and Ethel Goforth. Pledge service will take place Tuesday night after which a social will follow.

A certain blonde Senior is credited with the remarks that the only mental exercise some people get is jumping at conclusions. Where have I heard that before?

The annual Alpha Pi Omega alumni basketball game and smoker will take place Friday, March 9th.

I wonder if that airdrome Sophomore is really all wrapped up in that classmate of his (she's a science student) or is he giving her the well-known run-around? This column announced his engagement earlier in the year and we have yet to hear of its being broken off.

Rachel Snyder and Catharine Winter will spend the week-end at their respective homes.

The object of the affection of the Senior day student, whose middle name should be Cuthbert if it isn't, almost fainted the other night when she heard someone say he had been hurt.

Professor Buckwalter attended the Wilson College prom last week-end.

The petite coed whose nickname is justified by her action received a phone call this week from Stevens Tech. We wonder—?

Mark Fiester preached in Mohnton on Sunday in place of Reverend Hyden.

Jean Goodling has been elected vice-president of the Phi Beta Mu Sorority in place of Anita Comfort, who recently moved to Binghamton, N. Y.

A hectic struggle occurred in Selwyn Hall Sunday night as the result of an innocently thrown snowball. Tsk! Tsk!

Mrs. Nettie Currier entertained wives of the faculty members and friends at a card party in Selwyn Hall last Friday evening.

The debating team suffered more from a certain female judge at Millersville than they did in losing the debate. She spent half the evening expounding her theories of debating. What got me down was her referring to me as "this lad." Imagine the blow to my pseudo-sophistication!

Lou Fittipaldi is out of the infirmary, and we are glad to see him about again.

Incidentally, the captain of the Millersville team devastated our representatives with her soulful eyes. Personally I'm still in a daze. Wotta gal! Wotta gal!

Marie Kleppinger and Ethel Schaffer are on the sick list and we all wish them speedy recovery.

Hollinger, Brennehan, Hummel and Basom spent the week-end at their respective homes. All are Pi Tau Betas.

The annual spring dance of the Zeta fraternity will be held at South Mountain Manor on May 12th.

Harold Yoh, now a student at Hahnemann Medical School and a former Kappa, visited the frat last Sunday.

The following men have been pledged to the Zetas: John Haldeman, Harold Enders and Edward Fatzinger.

Carl Buechle, Kappa, attended the Alpha Kappa Sigma fraternity dance at Irvington, N. J. last week-end.
