## Class of '42 to Become Alumni Tomorrow

### Dean Ethel Norton Resigns Job To Leave End of Semester

#### To Accept Position With U. S. O. In Eastern Center

The resignation of the Dean of Women, Ethel Norton, was announced yesterday by President Harry V. Masters and approved by the Committee on Faculty and the Board of Trustees.

Miss Norton is leaving Albright to take a position in a branch of the U.S.O. that is supervised by the Y.W.C.A. Her position is to be that of Assistant Director in charge of program in a U.S.O. center in the East.

Her resignation is to go into effect at the end of the school year, which also marks the end of three years of service to Dean of Women and teacher in the English department.

Miss Norton was a graduate of Antioch College and got her degree, Master of Arts, at Columbia. She came to us from Amityville, Long Island, where she taught in the public schools. She has also held teaching positions in the Orchard School, a private, progressive school in the Middle West, and in a Settlement Program in Kentucky.

While she was in Reading she was active in quite a number of the clubs in the city. She belonged to the College Club, the Woman's Club, the Business and Professional Women's Club, and the Altruist Club of which she was at one time co-director.

She was a member of the National Association of the Deans of Women and was active in the Pennsylvania Association of the same organization. She also worked on the Industrial Committee for the Central Y.W.C.A.

Steps will be taken to fill her place by the beginning of the September session of school.

### HEO Elects Polly Brossman

#### Alumna of '40 Speaks to Club

The monthly meeting of the HEO Club was held May 7, 1942, in Sherman Cottage.

Janet Kitzmiller, president ex-officio, conducted the election, the results of which were: president, Polly Brossman; vice-president, Jean Seidel; secretary, Alda Matz; treasurer, Ruth Ritzman.

Miss June Yocum, '40, was the guest speaker of the evening. She is working for the Consumers Gas Co. and is located in the Home Service Department. Miss Yocum told the club of the duties of her work and recommended special courses which she found helpful in her occupation.

Several senior girls who are practicing teaching conducted discussions on the problems they met while in the various schools. Those attending the meeting were Helen Rothermel, Ella Propst, Jeune Shretone, Henrietta Dize, Catherine Hill, Ruth Ritzman, Marion Nichols, Marjorie Boyer, Janet Kitzmiller, Betty Rex, Olga Bitler, Dorothy Gaul, Marjorie Sherman, Christine Calpin, Janet Luckenbaugh, Betty Frasso, Eleanor Schubert, Mildred Reubamen, Adele Bast, Natalie Brant, Kathryn Taylor, Miss June Yocum, '40, Miss Elder, Miss Innis and Polly Brossman.

### Council Selects New Defense Heads For Next Year

#### Kane To Be Chairman Morfogen, Air Raid Warden Tentative Plans Made

In the recent meeting of the executive committee of Albright College Defense Council, James Kane and George Morfogen were appointed chairman and chief air raid warden respectively. All other committees will remain the same until next year with the exception of the conservation committee, which, due to its inefficiency, will have to be reappointed.

The tentative program for next year will include permanent air raid direction notices for each room, arrangements for the distribution and operation of stirrup pumps, and a system whereby students will be trained to replace the seniors. Another thing under consideration is the possibility of using a siren as an air raid alarm instead of the present bell system in use. It was also recommended that a basic Red Cross first aid training program should be included in the regular physical education program. If it possibly can be arranged freshmen and sophomores will be required to take the course which would be optional for juniors and seniors.

It was suggested that the display cases in the science hall be removed so that the vestibule may be used as a shelter instead of the lecture hall; and to avert the possibility of flying glass. In addition, plans were made to continue the program during the summer. After a checkup has been made of those persons attending summer classes, several students will be appointed to fulfill the various positions.

### Naval Air Unit Visits Albright

#### Fifteen Applicants Pass Preliminaries

On Wednesday, May 6, a traveling unit of the Naval Aviation Cadet Selection Board spent the day on the Albright campus. In addition to the six men who have already applied for enlistment, over twelve more are planning to. More than fifteen new applicants were interviewed by the unit. All but three passed their preliminary examinations and the Fine Screen Tests for mechanical comprehension. These tests were given by Lieutenant Harry S. Weaver of the Medical Department.

Motion pictures of Naval Aviation were shown in the chapel. Lieutenant Robert Truitt spoke on the requirements and opportunities of the V-5 program.

Warren Engle is flight leader of the Albright Flying Lions Unit, which will go through their entire training together.

### Etiquette Committee Met Last Saturday

At a meeting designed to discuss etiquette for Albright women, Miss Ethel Norton entertained six girls and Mrs. Smith at the Thomas Jefferson Tea Room, Saturday at 12:30 a. m. The girls who were invited with the purpose of planning a possible section in the fresh handbook for Women's Government rules include Kathy Taylor, Gerry Bowker, Sally Weaver, Ruth Hand, and Janet Kitzmiller.

### Dr. Daniel Poling To Address Grads At Baccalaureate

#### Speaker Received Degree From Albright At 1916 Commencement

Dr. Daniel A. Poling, minister of the Baptist Temple, Philadelphia, will be the guest speaker delivering the address tonight at the baccalaureate services for the senior class at the Emmanuel Evangelical Church, Reading.

Dr. Poling is by no means a stranger on campus, for in 1916 he delivered the Commencement address and, at that time, received a Doctor of Laws degree. He was also the Religious Emphasis Week speaker here when our present senior class were freshmen.

For more than a quarter of a century Dr. Poling has been an outstanding leader of young people in America. He is also noted as being an editor, novelist, and a radio speaker.

He was born in a pioneer minister's home in the Pacific Northwest. Both at school and college, he was an honor student, excelling in scholastic as well as athletic work. He had his college degree before he became of age and excelled in football, track and basketball. For extra money, he worked in the lumber industry.

Dr. Poling began his ministerial career in Ohio. His work centered around the Christian Endeavor and later he filled successfully the position of Associate President of the International Society.

In 1925, Dr. Poling was elected President of the International Society of the Christian Endeavor and in 1927 became President of the World's Christian Endeavor Union.

Since 1938 he has been pastor of the Grace Baptist Church of Philadelphia, where he administers to one of the largest congregations in the United States.

In his office as President of the American and of the World's Christian Endeavor organizations, Dr. Poling has been in charge of all the International and World's Conventions, and has travelled to Europe a number of times and around the world.

### Committees Named By Student Council

#### Faculty Member To Advise Each Group

At the last Student Council meeting on Monday afternoon, the members approved the new committees appointed by the executives. These groups, each under the supervision of one faculty member, will plan and carry out the activities of the Council next year.

The following committees have been chosen: Freshman Orientation, Nick Schneider, chairman; Lucille Griswold, Bruce Knisley, Marie Kauffman and Mrs. Smith; Social, Polly Brossman, chairman; Tony Cagiano, John Cargill and Prof. George; Student Activities, Ethel Mae Yeakel, chairman; Herb Derr, Louise Auchenbach, Donald Spang and Dr. Cook; Publication, Polly Walls, chairman; Mervin Runner, Willard Grubb and Coach Harris; Campus, Richard Weber, chairman; Saul Pokrass, Paul Leimbach and Prof. Smith; Dining Hall, Bob Mattson, chairman; Dorothy Leiby, Vester Peters and Prof. Smith; Constitution, Bruce Gehret, chairman; Dorothy Reber, Betty Miller, Gerry Heilmann and Miss Norton; Financial, George Morfogen, chairman, and Rev. Brininger.

### Annual Graduation Exercises To Be Highlighted By von Paassen

Albright's 83rd annual graduation exercises will be opened Saturday morning at 10 with the Academic Procession marching from the Administration Building to the tune of Verdi's Triumphal March. The Commencement Exercises, as is the custom, will be held outdoors on the campus.

The invocation will be given by The Reverend Harry M. Buck, Sr., of the First Evangelical Church, Williamsport.

The student orator, Charles Miesse, will speak on "Rational Defense."

### Alumni Day Program To Be Observed Following Ceremony

Banquet at 1:30  
Sorority Dinner, 4:30  
Class Reunions, 4:30 to 9:00

As tradition has it, the Annual Alumni Day will be held in conjunction with graduation tomorrow on Albright's campus.

After the graduation exercises in the morning, which will feature Pierre van Paassen, noted author, there will be registration in the Alumni Library.

At 1:30 the banquet will be held in the college Dining Hall, after which there will be entertainment, featuring Colta and Colta, famous magic, marionette, and comedy artists. Music by Albright's octet and Seymour Mendelsohn, '42, marimbaphone soloist, will round out the program. Following this there will be the annual business meeting.

The Phi Delta Sigma Sorority will hold its dinner meeting at 4 p. m. at the Old Mill Tearoom in Wyomissing.

The period of class reunions is 4 to 9 p. m., at which time the classes of '87, '92, '97, '02, '07, '12, '17, '22, '27, '32, '37, '40, '41 will meet.

### Who's Been Who

As we say good-bye to Albright's seniors, let's look back over the years and consider what positions of honor and responsibility the members of the graduating class have held during their stay here.

First, the fraternities, sororities, and day student organizations:

Mu—Marjorie Frundt  
Pat's—Jane Louise Haupt  
A.P.O.'s—Woody Witmer, Art McKay  
Kappas—John Boardman, Richard Reinsel  
Zeta's—Don Buxton, Frank Bertino  
Pi Tau's—Wayne Allen, Leon Steckley  
Daymen—Harry Bittig  
Daywomen—Janet Kitzmiller.

#### And the Clubs:

HEO—Janet Kitzmiller  
French Club—Christos Bratiotis  
Philosophy Club—Harry Buck  
Domino Club—Marjorie Frundt  
Skull and Bones—Richard Reinsel  
German Club—Charles Miesse  
Alchemists—Willis Heisey  
Business Club—Daniel Spatz  
Debate Squad—Charles Miesse  
I.R.C.—Christos Bratiotis  
Kappa Tau Chi—Harry Buck  
Next are the honorary fraternities:  
Sigma Tau Delta—Jerome Denner  
Delta Phi Alpha—Charles Miesse  
Pi Gamma Mu—Bill Bottonari

The topic of the commencement address, to be delivered by Pierre von Paassen, will be "In the Shadow of Tomorrow."

Following Mr. von Paassen's address will be the conferring of the honorary degrees. The recipients of these will be: Norman S. Hummel, Doctor of Divinity; Wayne T. Killian, Doctor of Science; Clarence D. Becker, Doctor of Law; and Pierre von Paassen, Doctor of Law.

Dr. Masters will then make the award of prizes to the students.

The Benediction by The Reverend A. C. Whitehead, District Superintendent, will be followed by the singing of the Alma Mater and the organ recessional. Immediately following this, the Alumni Memorial Library is to be the scene of the Alumni Induction Ceremony led by Alan O. Deck, '19, in which the graduating class will participate, and immediately become members of the Association.

Speaker von Paassen, soldier, lecturer, author and world traveler has crossed and recrossed Germany several times since the Hitler regime came into power, and was with the Ethiopian forces in the resistance against Italy, and in Spain after the outbreak of the war there. He has recently published "That Day Alone" and "The Time Is Now." Since his return from his last European trip, Mr. von Paassen has lectured on the European situation in every major city in the Union and has contributed many articles to leading national magazines, largely on the subject of international affairs.

Tau Kappa Alpha—Charles Miesse  
Here are the people who have guided the destinies of the seniors as a class since they entered Albright:

Freshman Class—Clem Boland  
Sophomore Class—Clem Boland  
Junior Class—John Nugent  
Senior Class—Burdall Miller, Harold Werner.

On to student government:  
Student Council—Ray Hain  
Women's Dorm Council—Katherine Taylor

Albright's leaders in musical, journalistic, athletic, religious and unclassifiable activities are:

Glee Club—Esther Gingrich  
Band and Orchestra—Charles Miesse  
Cue—Seymour Mendelsohn  
Albrightian—Harold Werner

W.A.A.—Mary Levan  
I.F. Athletic Council—Raymond Swett

Y.W.C.A.—Esther Gingrich  
Y.M.C.A.—Art McKay  
Bible Class—Woody Witmer, Art McKay

Freshman Orientation—Woody Witmer

May Queen—Ella Propst  
May Day Chairman—Katherine Taylor  
Defense Chairman—Michael Dutzer

And so the seniors leave Albright with this heritage of extra-curricular activities to be carried on by other hands.

## "Tomorrow and Tomorrow and Tomorrow"

Four years ago, the class of '42 stood in self-conscious, blushing groups in the hallway of the Ad building and on the chapel steps. They were as green as any gang of freshmen who ever wore dinks or nervously took English entrance exams.

Tomorrow they will mount the platform, shake hands with the Dean and the President, and return to their seats, graduates of Albright and possessors of degrees.

While they were here, they lived a full life-time in miniature. They came, they made themselves known, and they achieved. They won honors, held offices, earned grades and received the fruits of their labors in recognition and experience.

And now they leave, not with the rewards of their labor, for they must stay, but with something that cannot be measured with any kind of yardstick; a maturity and depth that has been cultivated into a strength that must withstand a lifetime of use.

We underclassmen have watched them. As Sophomores they were feared and even disliked by the new Frosh. As Juniors they were dignified and more responsible, and as Seniors, they led and taught us.

Now that they have reached the point where Albright is no longer large enough for them, we are proud to see them graduate. We shall miss them, but not nearly so much as we shall appreciate what they have accomplished. We want sincerely to wish them a life time of striving and thriving.

Margaret Henry.

## Prof. Duddy Receives Temple Music Prize

Dr. Thaddeus Rich, dean of the School of Music at Temple University, has recently announced that Professor John H. Duddy of

Albright has been awarded the Elizabeth Frescoln Prize for a composition which he submitted as a thesis for the degree of Master of Music. His work is a suite for orchestra and piano.

## Your Greatest Graduation Will Be To Your Nation's Armed Forces

### High Prices Checked Students To Benefit

WASHINGTON (ACP)—College students—because their "income" is relatively "fixed"—should benefit more than the average person from the Office of Price Administration's over-all ceiling order on prices.

The inflationary spiral has sent retail prices up 19 per cent the last year. Were the spiral to continue, students would find it tougher and tougher to compete for goods and services in a market glutted with eager buyers.

The ceiling on retail goods goes into effect May 18, while that on services becomes effective July 1. Retailers then must charge no more than their highest March price. Here is what will happen to some important items of the student budget:

**Room and board**—If you live in a war-rental area, room and board will be controlled. Some two-thirds of the Nation's population is included in these areas.

**Restaurant meals**—No price control.

**Clothing**—Both men's and women's controlled.

**Movies and entertainment**—No ceilings.

**Carfare**—No ceilings.

**Cigarettes, cosmetics, toothpaste, aspirin**—Just a few of the thousands of "processed commodities" on the controlled list.

**Laundry, dry cleaning, shoe repairing, etc.**—Controlled.

**Beauty and barber shop services**—No control. The government does not recognize beauty as a "commodity," and only services involving commodities are controlled.

You might remember, when the ceilings go into effect, that the order does not wipe out price differences between stores. If a merchant under-sold his competitors last March, he may still do so. On about 100 important cost-of-living items retailers must post signs informing purchasers of the maximum legal price. Also, merchants must give you a sales slip if you request one.

### College Octette Plans Final Programs

The octette of Albright College composed of Jane Redcay, Betty Muller, Lillie Lee Wright, Doris Schlosser, Paul Kimmel, Robert Mattson, Gene Pierce, and Bruce Knisley will sing Sunday morning at the Steelton Evangelical Church. On the morning of May 23, they will sing in Washington, D. C. In the evening, the program will be broadcast from the Albright Memorial Church. The octette manager, Gene Pierce, announced that the programs are entirely musical—consisting of male quartette, octette, and solo numbers.

## THE CORNY EXCHANGE

By Turnip Seeds

The reason no woman has ever married the man in the moon, is because he only makes a quarter a week, gets full once a month and stays out all night.

"THE STUTE"

Quote for the "Dickinsonian":

I'm just a pansy in the garden of love and all the boys are kicking on me!

Says one moron to another: "What's a neckerchief?" Replies the other moron, "The president of a sorority." "THE VILLANOVIAN"

Then the teacher saw stars! Miss Ella Phant: "What's a comet?"

I. Knowall: "A star with a tail." Miss Ella Phant: "Name one." I. Knowall: "Mickey Mouse." "THE GLEAM"

This one is a stinker! "Is your girl spoiled?" "No, that's the perfume she's wearing."

Class of 1945: "Do you know who the first electrician was?"

Class of 1944: "No, who?" Class of 1945: "Adam, he furnished spare parts for the first loud speaker!" "THE GLEAM"

"A broken heart does hurt a bit, but oh! the fun of acquiring it!"

Quote—From My Own Diary!

Here's the Theme Song the "Belfry" sang during finals. (Courtesy of the students at Gettysburg.)

"Do I worry, 'cause I'm flunking out, Do I worry, 'cause I'm always in doubt, Though my quizzies aren't right, Do I give a bag of oats, Do I stay home every night and read my lecture notes, Am I frantic, 'cause my average sank? Is there panic, 'cause my mind's a blank? And when evening shadows creep, Do I lose any sleep just to cram, Am I kidding? You know dog-gone well I am."

### Lost, Strayed or Stolen

The library appreciates the fact that the students are especially anxious to hear van Passen, Saturday morning, and also realized there would be a rush on his latest books BUT will the conscientious reader who borrowed THAT DAY ALONE without signing it out, please return it.

**Chem Notes:**

The rest of the new hoods being put in the chem labs will make the science hall a less smelly place to work in.

Dr. Cook, as chairman of the Lehigh Valley section of the American Chemical Society, will preside over his last meeting this week. He has attained a greater honor as councillor for the Lehigh sector to the national meetings of the American Chemical Society.

Dr. Cook and Prof. Danford addressed air raid warden instructors on Wednesday and Thursday evenings. Dr. Cook spoke on rare goods and Prof. Danford, on incendiary bombs.

After graduation, the following chem students will start working for the following companies: Dutzer, DuPont; Kline, Atlas Powder; Kalkis, Beryllium; Miller, Hercules Powder; Plaskonco, Carpenter Steel; Steckley, Hercules Powder.

Nick Schneider has obtained a summer position at DuPont.

Marshall Popelka, a graduate of last year's class, is now in charge of 400 people at the Atlas plant in Ohio.

**Many in Class of '46 Already Signed Up**

Music and Valedictories Predominate Thus Far

Among the registered students for next year, are at least four brothers and sisters of present students, and six or more are valedictorians or salutatorians of their high school classes.

There may be some big things happening next year, with Paul Mattson, brother of Bob, expected. Paul, besides being an accomplished magician, is expected by Hans Nix as a flutist. Paul halls from Hagerstown, Md., and is one of their best students.

Speaking of music, there is Everett Wilson, a pre-med from Port Washington, N. Y. He has had eight years of trumpet experience with quartets, octets, and nationally contestant groups. He was first trumpeter with the North Shore Symphony Orchestra under Cesare Sodoro, former music director of N. B. C.

Hans Nix is really faring very well with the new crop of freshmen, because there are two more outstanding prospective music students among them. Kenneth Ness, son of Rev. C. R. Ness, of Burwick, Pa., has had four years of experience with the noted Burwick High School Band. The daughter of Norman L. Hummel, one of Albright's trustees and district superintendent of the Central Pennsylvania Conference, is planning to join us. Elizabeth has been studying music on a scholarship for the past year.

Other students high in their respective graduating classes include June Plowfield, sister of Ruth and valedictorian of West Lawn High School; Mary Briner, salutatorian of West Lawn High School; David Johnson, brother of Paul, who will probably be valedictorian.

**Sophs Nose Frosh In Coed Softball**

Bieber, Leinbach Slug Homers

The mighty Sophs won a 12-11 victory over the humble Frosh on May 7. Gretchen Bieber was the big gun for the Sophs with a homer and two singles while Aida

Matz and Irma Peoples helped the cause with a double and a triple for the former and three singles for the latter. Jean Seidel's single drove across the winning tally.

For the Frosh, Erma Leinbach shone with a homer and three singles. Ramona Hiltbrick's three singles took the runner-up spot.

On May 8, the cabinet of the W. A. A. picked the following sports leaders for the 1942-43 season:

Fall sports: field hockey, Lucille Griswold; tennis, Mary Pottelger; archery, Jean Seidel and Betty Rex; hiking, Aida Seltzer; table

tennis, Betty Miller and Louise Reubenbach; swimming, Mildred Reubensamen; bicycling, Polly Walls.

Winter sports: basketball, Eleanor Platt, Doris Kinsey and Eleanor Shubert; badminton, Jane Teitsworth; bowling, Joanna Wentz.

Spring sports: baseball, Aida Matz; speedball, Erma Leinbach; and volleyball, Margaret Hopkins.

**"We Shall Pay Them Back With Compound Interest"—F.D.R.**

**We Need Every College Man In Officers' Training**

★ To Man the Mightiest Air Army in the World ★

**Make Your Choice This Week For Present or Future Officers' Training**

If your blood boils at the very thought of an enslaved world...

If Jap treachery and Nazi savagery make you see red and itch for a gun—calm yourself with the promise that *we shall pay them back with compound interest!*

We shall—and you as a college man now have the opportunity of serving as a Flying Officer—a Bombardier, Navigator or Pilot—with that branch of service which will do that paying back in person—the U. S. Army Air Forces!

Under the new Army Air Force Reserve Plan—if you are a Senior or wish to leave school—apply now for your Aviation Cadet training.

You and your friends can share together the work and fun of flight training, and after approximately 8 months—earn the right to be flying officers in the U. S. Army Air Forces!

On the other hand, if you are a Freshman, Sophomore or Junior—you can, if you like, continue your studies under the Deferred Service Plan of the Army Air Forces—and become better prepared for Officers' Training later.

**New Simplified Requirements**

To qualify you must be 18 to 26 (inclusive), physically fit—and pass a new, simplified mental test which college men find easy.

When you are ready—and facilities are ready—you begin as an

**THREE ENLISTMENT PLANS FOR COLLEGE MEN**

**Juniors—Sophomores—Freshmen May Continue Their Education**

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.

**All College Men May Enlist for Immediate Service**

2. All college students may enlist as privates in the Army Air Forces (unassigned) and continue until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)

Aviation Cadet at \$75 a month, with expenses paid.

If you have majored in science or engineering you can try for a commission in the ground crew—in Armament, Communications, Engineering, Meteorology, Photography.

As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

**80% Have Won Commissions**

Due to thorough training—about four out of every five Aviation Cadets this past year received Second Lieutenants' commissions—of which 67% are now flying officers.

The tremendous expansion of the Air Forces should assure rapid advancement in all branches. And after the war—you'll be ready for the ever-growing opportunities in aviation.

**Settle Your Service Now**

The years ahead are war years—and every college man should make his plans accordingly.

To make America supreme in the air we need every college man who can qualify for active or deferred service.

So take advantage now of this option. You may never again have such opportunities.

Daymen	3	8	.273	5 1/2
Pi Taus	1	11	.083	8

The final results of the softball league acclaim the Kappa team masters of the league. The week began with a four-way tie for first place, which was soon changed to a tie between the Kappas and Zetas. The deciding game of the league standings was between the Zeta boys and the A.P.O.'s, with the chapel boys pulling a surprise upset, snatching victory from the Zetas, and handing the crown to the jubilant Kappas. Outstanding in the game was the excellent pitching of Reed Teitsworth, who held the Zeta team to three scattered hits, one a homer by Dick Weber. Manderbach pitched good ball for the losers, allowing only four hits, but the determined A.P.O.'s cashed in on these hits to take the game, 3-1.

Previous to the A.P.O.-Zeta game, the Zeta gang played the mighty Kappa men in a game that was nip and tuck from beginning to end. Hits were at a premium as both Stish and Boland pitched "heads-up" ball. The Zetas proved the more aggressive and took the game, 2-1.

The Theologs made their presence known by beating the Daymen 8-3, and then taking the Frosh into camp the same day, 7-4. The Theologs collected nine hits in both games to outwit and outscore their opponents in both frays, Harry Dewire and Big John Durko pitched for the winners, allowing three and four hits in the respective games.

The Kappas might be shown when the pennant winners took the Theologs into camp in an exhibition of timely hitting and fielding. The Kappas nipped this game, 16-6.

Aside from the surprise win of the A.P.O., the Pi Taus and Daymen both came through in their final appearances. The Pi Taus won their first game of the season when they beat the Daymen, 16-8. The Daymen, smarting under the effects of their defeat at the hands of the Pi Taus, turned the tables and pulled an upset at the expense of the Frosh. Final score of this game was 5-3.

Honorable Mention: Infield: Hom, Kappas; Weber, Giannotti, Zetas; Frymoyer, Theologs; Bennett, A.P.O.; Stark, Frosh. Outfield: S. Plas-konas, Witmer, A.P.O.; Bittling, Daymen; Harpster, Kappas; Pearce, Pi Taus. Pitcher: Durko, Theologs; Klein, Kappas; Teitsworth, A.P.O.; Catcher: Michaels, Kappas; Heisey, A.P.O.

The managers of the seven clubs represented gave George Morfogen, agile A.P.O. shortstop, fourteen points for the only unanimous selection on the all-star team. George sparked a mediocre ten to a sweeping victory over the Zetas to give his club fifth place and the Kappas the title. Second in the voting with eleven markers was Clem Boland, speed-ball artist for the Zeta softball machine.

Jay Williams, nimble footed, glue fingered Theolog fly chaser, ran third in the voting with ten points to snag the left field post. The other custodians of the outer garden are Phil Mertz, slugging Kappa center-fielder; Wally Duncavage, Frosh mainstay, in right field, and Kenny Hopkins, of the champion Kappas, at short-field.

Guarding the base paths are Marty Greenberg, first base; Harry Dewire, of the Theologs, holding the keystone sack; George Morfogen, shortstop; and Chin Rhoads staking the hot corner. Pitching to burly Ted Szela, Frosh, is Clem Boland.

By DICK MAJOR We've just completed a very successful year as far as intra-mural sports go. For the Kappas, it was exceedingly successful, for they copped all four titles. After tying the Zetas in the first game, the Kappas won nine in a row to walk away with the title. The final standings saw the six clubs lined up like this:

	W.	L.	T.	Pts.
Kappas	9	0	1	19
Frosh	5	4	1	11
Zetas	4	3	3	11
Daymen	4	4	2	10
A.P.O.'s	2	7	1	5
Pi Taus	1	7	2	4

Football was no more than over when we launched a basketball program of 60 games. To make things a little different, the Zetas beat the Kappas in the first game and went on to win the first half. In the second half, the Kappas nosed out the A.P.O.'s by one game. In the playoff which followed, the boys of the Phi trounced their next-door neighbors, 37-18, to tuck away their second crown.

When the track meet came around, only four clubs sent representatives, and—you guessed it—the Kappas won again. The results were Kappas, 31; Zetas, 29; Daymen, 27; Pi Taus, 3.

Then came softball. First the Zetas took the lead, and everyone said, "There goes the Kappa supremacy." But they did it again. They came from behind to tie the Zetas in their first meeting, then beat them in the replay. Even though the Zetas beat them to make a four way tie, the A.P.O.'s win over their big rivals gave the Kappas their fourth crown.

Well, next year is coming along. Maybe the Kappas will give the rest of us a chance then.

IT PICKS 'EM UP AND DROPS 'EM DOWN

How MANY TIMES can a given telephone be lifted and dropped back in its "cradle" before it will wear out or break?

This machine—lifting and dropping hour after hour—gives Bell scientists the answer, helps them design sturdy and dependable instruments.

Many such tests are made on all parts of your telephone in the Bell Laboratories. These tests help to keep your telephone "on the job."

Just make sure that you replace your receiver gently after every call. Then your telephone will be ready to ring on the next call that comes your way. If you fail to "hang up" the line shows "busy" and an important call may be delayed.
