

The Albrightian

To Head '52 Cue

Dorothy Deam

Richard Witmoyer

Dorothy Deam, R. Witmoyer Elected for Cue Positions

Dorothy Deam and Richard Witmoyer were elected this week as editor-in-chief and business manager respectively of the 1952 Cue. Their election by the junior class was confirmed on Tuesday by Student Council.

Eighty-two juniors, or approximately 65 per-cent of the class, participated in the voting conducted in the Administration Building on Monday and Tuesday. Three candidates had been nominated for each position. Marie Kaputo, Oscar Mogel and Miss Deam were candidates for editor-in-chief and Barbara Wisley, Elliot Sauersteg and Witmoyer for business manager.

Miss Deam was editor of the *Birdseye*, student newspaper at Birdsboro High School, from which she graduated in 1948. At Albright she is a member of the Phi Beta Mu sorority and of Sigma Tau Delta, honorary English fraternity. She is a history major and English minor and is planning to enter the teaching profession.

A social science major and sociology minor from Reading, Witmoyer is preparing to enter the ministry. He is a member of the Marching Band, Concert Orchestra and Kappa Tau Chi, honorary pre-ministerial fraternity. Last year he belonged to *Der Deutsche Verein*.

Miss Deam and Witmoyer will appoint the other members of the yearbook staff within the next few weeks.

The junior class has voted to assume the responsibility of publishing its own yearbook next year, without including the Class of 1953, unless unforeseen circumstances intervene.

Mu's Gain Highest Academic Average

Maintaining an academic average of 2.57, the Phi Beta Mu Sorority led all campus groups during the first semester. The Zeta Omega Epsilon Fraternity ranked second with 2.63. The Mus also led in the number on the Dean's List, with seven, followed by the Zetas, with five. The all-college average was 2.98, or C+.

Academic averages for the other groups, released Tuesday by Dean George W. Walton, are as follows: Senior class, 2.67; Pi Alpha Tau Sorority, 2.73; Pi Tau Beta Fraternity, 2.79; all fraternity-sorority average, 2.80; junior class, 2.805; Kappa Upsilon Phi Fraternity, 2.96; Alpha Pi Omega, 3.06; sophomore class, 3.13; and freshman class, 3.26.

This is the first time in recent years that averages have been compiled for the fraternity and sorority groups as well as the class organizations. Dean Walton indicated that this procedure will be continued indefinitely.

All-Campus Ballot Set for April 9-11

The annual all-campus election will be held on April 9, 10 and 11, William A. Heck, chairman of the Student Activities Committee of Student Council, disclosed this week. In addition to the candidates for campus officers for next year, several questions will also appear on the ballot.

Unless Council hits an unexpected snag in approving the proposed constitution which will completely reorganize student government at Albright, the question of the final adoption of the document will appear on the ballot in April. Raymond C. Schlegel, Council president, announced that he will call special meetings of Council if the constitution is not approved by Tuesday, March 27. It must be ratified by Council no later than April 3.

A second question on the ballot will deal with the advisability of abolishing Saturday classes next year. Several months ago Mr. Newton S. Danford, registrar, told Council that these classes can probably be eliminated if the students would prefer to have them for an hour and a half on Tuesday and Thursday afternoons.

Student Council will nominate its candidates for the 1951-52 presidency next week. Other groups who will likely elect officers through the all-campus ballot are the Y.M.C.A., Y.W.C.A., Daymen, Daywomen, the Women's Student Senate and the freshmen, sophomore and junior classes.

April Dance to Feature C. Thornhill's Orchestra

Claude Thornhill, his piano and orchestra have been engaged for the combined annual Frosh-Soph Ball and the Junior Spring Formal which is to be held Saturday, April 7, at the Rajah Ballroom. It is the first time in Albright's history that a famous name band has been brought to the campus. The affair will be semi-formal and absolutely a no-corsage dance. Students are urged to make plans now for this all-college social.

Tickets will go on sale in the Ad Building on Wednesday, March 21.

Sports Carnival Roster Listed By Co-chairmen

The annual Sports Carnival will be held tonight in Union Hall at 7:30 P. M. Trophies will be awarded to the winning men's and women's teams according to decisions made by the judges: Prof. Edwin Dunkle, Mr. Eugene Shirk, Prof. John Khouri, Prof. Donald Gates and Mrs. Catherine Woyanowski. Referees for the girls' sports are Carol Krecker, Marie Kaputo, Judy Leinbach and Patricia Kennedy.

Mary Swartz and William Heidebaugh, co-chairmen, have announced the participants.

In the ping pong contests, the following students will be pitted against each other: Patricia Miller and Dorothy Deam, Mu's, vs. Virginia Marick and Lee Hagner, Dormwomen; Delores Bedding and Ruth Schaeffer, PAT's, vs. Kay and Ann Girvin, Daywomen; Lee Siebert, Kappa, vs. Don Farr, Dorm; Paul Muller, A.P.O., vs. Lou Brenner, Pi Tau; and John Bash, K.T.X., vs. Pete Roethermel, Zeta.

The second contest will be women's badminton doubles which will feature Dorothy Deam and Barbara Wisley, Mu's, vs. Lois Hiltz and Nancy Lou Walker, Dormwomen; Betty Symons and Dolores Genetti, PAT's, vs. Jane Titlow and Bernadette Kaluzny, Daywomen.

Girls to Compete
The Hop-Skip-Jump event will follow with Judy Leinbach, Daywomen, competing against Nan Heckman, Mu, and Joan Boyle, PAT, against Jane Dreyer, Dorm.

In the Snatch the Bacon, the following will compete for the Dormwomen: Ann Doughten, Jane Katz, Carol Mickle, Lois Stockinger and Michelina Cacciola against Jean Hook, Jane Lausch, Bernadette Kaluzny, Cynthia Reinhart and Judy Leinbach, Daywomen. In the same event Joan Boyle, Doris Hill, Marilyn Miller, Eleanor Spring, PATS, will be pitted against Marion Miller, Patricia Miller, Patricia Kennedy, Eleanor Williams and Ramona Latorre for the Mus.

The last contest for the women will feature Jean Magee, Charlotte Winner, Marion Miller and Carol Krecker, Mu, against Kay Girvin, Ann Girvin, Mary Jane Titlow and Nancy Loose, Daywomen in the ring toss. In the same contest Dorothy Deck, Margaret Israel, Shirley Slivka and Priscilla Cooper, Dormwomen, will compete against Dolores Bedding, Nancy Stump, Ruth Schaeffer and Helen Hasselgren, PAT's.

The following men will take part in boxing: Jerry Cochiarella, Dorm, vs. Richard Steely, Zeta; Charles Klingler, K.T.X., vs. Bruce Teal, A.P.O.; Walter Drzek, Kappa, vs. Oscar Mogel, Pi Tau. Jerry Cochiarella (Continued on Page 4)

J. E. Dirks Named Speaker For Religion in Life Week To Be Held March 12-15

Dr. J. Edward Dirks, professor of philosophy at Lake Forrest College, Illinois, will be the speaker for the annual Religion in Life Week to be held on campus next week, Rev. Eugene Barth announced. Dr. Dirks will speak at the morning chapel services each day and will meet with both faculty and student cell groups. During the week he will appear in informal discussion groups and will meet with students desiring interviews.

Albrightians Hear Walden Quartet

The Walden String Quartet was presented in the March 6 chapel as the sixth in a series of cultural programs. Composed of two violins, a viola and a cello, the group rendered three selections during the hour and a half program. The first was Joseph Haydn's Opus 77 No. 1 in G major for string ensembles and consisted of four movements. The second, The Third String Quartet, by Norman Lockwood, was also in four movements, and was very modernistic. The final presentation was Beethoven's Quartet Opus 59, number 3, in C minor. All three renditions were very fine and displayed the unusual artistry and coordination of the ensemble. Reading High School students were invited as special guests to hear the well-received program.

The Walden String Quartet is world famous, having been selected in 1949 by a committee of the National String Quartet Association to represent American music in Germany and Austria. They have also presented concerts at the Cleveland Museum of Art, Columbia University's American Music Festival, Saratoga Springs and Town Hall. Formerly affiliated with Cornell University, the group is now established at the University of Illinois. One of its members, John Garvey, is a former resident of Reading. D.D.

W.S.S.F. Drive Led by Juniors

As of March 6, the junior class led in the World Student Service Fund drive with \$56.75 contributed by 64 students. The sophomores showed \$23.50 from 43 students; the freshmen, \$14.30 from 27; the seniors, \$12.00 from six. This represents a total of \$109.55 from 140 students, with 457 still to be contacted.

An average of 78 cents per contribution has been recorded. If the 24 who reported but contributed nothing are disregarded, the average for 116 students is 94 cents.

Albrightians Hear Walden Quartet

Previously professor of religion and philosophy at Columbia University, Dr. Dirks attended the University of Dubuque, McCormick Theological School, Yale Divinity School and received his Ph.D. from Columbia. He is an ordained Presbyterian minister; and, following his doctorate course work, he became a counselor to Protestant students at Columbia and assisted the teaching faculty. He was a staff member of the University Seminar on Religion and Psychotherapy and a member of the Men's Faculty club.

Dr. Dirks has helped broadcast in a variety of capacities several series of radio programs entitled "Gems for Thought" which are produced under the auspices of the Federal Council of Churches. His major publication to date is "The Critical Theology of Theodore Parker." With this well-rounded background and close association with students, Dr. Dirks is well-fitted to speak on getting more out of life

Dr. J. Edward Dirks

and how to make life meaningful.

A special schedule of classes will be followed during Religion in Life Week. On Monday and Wednesday, March 12 and 14 classes will be arranged as follows: 8 o'clock classes will meet from 8:10 to 8:45; nine o'clock from 8:55 to 9:30; ten o'clock from 9:40 to 10:15 and eleven o'clock from 10:25 to 11:00. Then at 11:00, on both Monday and Wednesday, there will be Chapel for all freshmen and juniors. On Tuesday, Thursday, and Friday the classes will follow their usual schedule with sophomores and seniors attending Chapel at 11:10 Tuesday and Thursday. Students will be required to attend at the time indicated and attendance will be taken on the regular seating chart. The regular schedule will be followed each day at 12:10.

In addition to the scheduled Chapel programs Monday and Wednesday for freshmen and juniors, Tuesday and Thursday for sophomores and seniors, there will be meetings with the speaker at scheduled times. On Monday, March 12, and throughout the week at 12:45 there will be personal Meditation in Sylvan Chapel. At 4:15 Monday Dr. Dirks will meet with the faculty. And at 7:45 P. M. there will be an evening devotional service in the College chapel. On Tuesday at 3:30 P. M. Dr. Dirks will meet with cell groups and Kappa Tau Chi Fraternity members in Selwyn

(Continued on Page 4)

Council Refuses John McKenna's Song A Place on April All-Campus Ballot

Following lengthy debate in Student Council Tuesday afternoon, a motion to place the question of adopting John McKenna's song, "At the Foot of Old Mt. Penn," as an official college song or alma mater on the all-campus ballot was defeated.

McKenna wrote his composition last spring at the request of Council. The intent was that it would arouse school spirit and perhaps eventually replace the present alma mater.

The opinion was expressed in Council that an alma mater song cannot be adopted just by legislation. Furthermore, such a song is as much a part of the alumni as it is of the present student body. It was recommended that "At the Foot of Old Mt. Penn" be sung on various occasions so that it may become familiar.

Vincent Gentile made a motion that a committee be appointed to

look into the history and meaning of the present alma mater song. This action was approved.

In other business, Council accepted the resignation of John Hoffert and James Hevalow as Daymen representatives. These men have secured jobs which prohibit their attending Council meetings. The Daymen were authorized to select two new representatives.

Work on the proposed constitution continued under the direction of Russell F. Weigley, chairman of the constitution committee. Various sections of the by-laws were approved.

The question of where the World Student Service Fund money shall be sent was brought up by Jay Shenk, chairman of Albright's W.S.S.F. drive. Action was postponed until next week.

The treasurer noted a balance of \$570.01. There were no communications.

Religion In Life Week

The approach of the annual Religion in Life Week raises several questions in our minds which must be answered if the week is to be truly meaningful.

First we may ask why we should designate four days out of the year for specific emphasis on religion. Obviously it is not the intent that we should be "holy" during this period and then do as we please for the rest of the year. Primarily religion is a way of life—the way of man's response to the highest which he knows and of his constant striving to move ever onward and upward. Religion in Life Week simply calls this anew to our attention. It is a kind of "mountain top experience" through which we may gain direction and a new perspective.

We must question furthermore whether Religion in Life Week can really have a message for times like this. The emphasis comes at a time when the world is on the brink of a devastating war. On all sides there seems to be a sense of futility and uncertainty. We may well ask what the message of religion can be for a time like this. The answer is that religion at its best is one of the most dynamic forces we know. It can transform a broken life into a creative one; it can transform a seemingly hopeless situation into one of challenge and expectation—even in a time like this. Religion in Life Week can help to drive this truth home.

Finally we must consider what the effect of this week is to be on our lives. Certainly the topic for the week—life adjustments and personality development—is one to which we must all give serious thought. But while thought alone is worthwhile, it must be supplemented by the action and attitude which can lead to a changed personality. Religion in Life Week can help us to glimpse new vistas; whether or not we'll so live that we may reach them depends upon us.

As we consider these questions and the suggested answers for ourselves, we may prepare ourselves to benefit from Religion in Life Week. And as we benefit from the week itself we may find meaning in our lives and in our world.

Watch Council!

Keep your eyes on Student Council!

Within the next month, Council will consider several questions which will have a far-reaching effect upon the way of life at Albright College. Following Council discussion these issues will appear on the April all-campus ballot so that in the final analysis the students will decide what is to happen.

One of the most important of these questions is the proposed sweeping revision of the student government set-up, which is outlined in the constitution now under consideration. This constitution is printed in its entirety on page four of this issue.

Other matters include the abolishment of Saturday classes and the election of a new Council president.

Be sure to watch Council this month!

Dianetics?

On our campus we have a very progressive group examining the new theory of mental health, dianetics. We should feel proud that the students of Albright are progressive and interested enough to examine a new theory on their own. Just what is dianetics? How does it differ from the approved methods of psychology, for it certainly does. I think the rest of the student body would like to know more about dianetics and the pro and con of the subject.

Due to the lack of space, I will not be able to tell you the theory of dianetics. About the most that I can do is to relate the claims of L. Ron Hubbard, the founder of dianetics, and then give you my own conclusions which are based not only upon the reading of the book dianetics, *The Modern Science of Mental Health* and not a few other articles on the subject, but also upon what I have learned from different individuals who have undergone dianetic therapy, from others who have practiced it, and finally upon my own experimentation, both on the couch and in the auditors chair—with it.

Dianetic therapy, which can be done by any intelligent individual, so claims Hubbard, will restore to anyone who has not had a part of his brain physically destroyed all of his innate abilities and make him an optimum individual. It will give a person complete recall, eliminate any psychosomatic ills (an ill caused by the body itself, i.e., rheumatism) an aberration (any psychosis, neurosis, etc.) and make the individual happier, healthier, and more intelligent. Fantastic? Maybe, and maybe not.

So far I have not been able to make my real decision on the merits of dianetics. I have, however, reached several minor conclusions.

First, I believe that Hubbard is sincere in his claims, though at times a bit flamboyant. I feel that he is convinced that he has what he believes to be conclusive evidence in his possession, and is constantly gathering more authenticated material from sources other than his own research.

Second, that he will present this evidence to the public and psychiatric world in due time—documented case histories were due to be published in February.

Thirdly, that most of his vigorous opponents are ignorant of the subject. The phrase, "Know thy enemy if you would be victorious," is almost a cliché; it has been largely ignored. In none of the antidianetic statements has there been any claim of a test of either theory or therapy, and there has not even been an attempt at scientific refutation. In addition the attackers have pulled some remarkable boners.

Finally, Hubbard does have the scientific attitude. He has based a theory on experimental evidence that he has and does not make the claim that his theory is unfalsifiable or cannot be improved upon. In fact his attitude and mine also, is that his techniques work. His theory based on those techniques offers an explanation for the manifestations and, even though his theory may be wrong, psychiatrists are duty-bound to investigate his techniques.

In conclusion, then, what is needed is both experimental and clinical proof. Frankly, I hope dianetics is proved in value, for the daily news is not very promising. We need something like dianetics very badly.

A Reverie

We'd make a million if we could invent . . .

- A substitute for money for the boys at the Frosh House South (and their daily visitor, George).
- A questionnaire from "Uncle Sam" that asks instead of the usual questions, "You have your choice! Would you like to join us or not?" (Oh, brother.)
- A ping-pong paddle for the S.U.B. that isn't broken, bent, cracked, or chipped. (I don't mean it, Mrs. V.)
- A motor for a car that runs on old test papers (strictly for college students with cars and without enough money for gas.)
- A system whereby the students know all the answers for a test before it's given. (without studying, of course.)
- A teacher who believes in the right of the student to have an "off day" when a test is given (whereby said student receives an "A" without making up the test. That'd really be sumpin'!)
- A system whereby the dorm girls could have 8 12's a week. (It'd be hard but I'm sure the girls would manage.)
- A substitute for the long walk from the Ad. Building to Pierrer's (suggestion—a pulley car from pillar of learning to post to be on).
- (Just to get serious for a moment) a substitute for all the wars and violence in our world for today and tomorrow so that we and our posterity might live in everlasting peace.

Letter to the Ed.

Whoa, there—let's go back over that "Hollywood Again" piece you had in this week's Albrightian. Because some of the pictures released by Hollywood do not come up to what you consider a decent level does not mean that all Hollywood is bad. Of course some of the pictures put on the market are tripe and not good from any angle—but life itself isn't all sweetness and light. Murder, lynchings, and all down through the gamut of crime happens daily—even if it isn't pretty to think about. But let's not condemn all who work for or in pictures, any more than we condemn all authors and all books because a comparatively few like "Forever Amber" and "Rock Candy Mountain" make the best-seller list. Before you write so scathingly it would help to take a trip to that "source of evil," meet some of the film folks, visit in their homes, and see how fine most of them are. (I did just that—stayed with Joel McCrea and his wife, and worked for Republic Studios.) Certainly there are "heels"—but even Albright has a few of them. Don't overlook all the good for the sake of a little bad, that's not "mature democracy" in any sense.

Ann Billups
 P.R. Office

Bernie Janis, this week's Dandy Lion, hails from Wilkes-Barre, up in the heart of the coal regions. Blonde and rugged looking, most of Bernie's spare time is spent in bull-sessions at Pops' and in the S.U.B. Remember the olden days when the gang used to congregate in the second-floor room of the Freshman House North that overlooks the campus, Bernie? Those were the times.

During his four years as guard on the varsity football team, Bernie was a familiar figure to us all, sporting the unlucky number 13 on his back. Oddly enough, Bernie transformed that into an almost magical number, and last year received honorable mention in the all-state team for his fine playing. An ardent fraternity member, Kappa Upsilon Phi has claimed him ever since his freshman year and he is vice-archon of the organization this year. He still remembers his days as a pledge. Not content to confine his athletic prowess to one particular sport, he has also taken a hand in intra-mural softball, serving as captain of the Kappa team last year.

Bernie surprised us all when he and Dorothy, his steady girl, got married a few years back and surprised us even more with the birth of their son Gary eleven months ago. Just ask Bernie how the family is, and his eyes light up and he produces snapshots quicker than you can think. We can't help but wonder if Gary, too, will grow up to be another football player.

With a degree in business administration, Bernie hopes to work in Washington, D. C. after he graduates this June. We wish you the best, Bernie. We'll really miss your familiar figure on campus and your friendly whistle.

Science Slants

All's quiet on the Science Hall front, that's right, the first deluge of tests for this semester has not yet broken through its dike. I always did maintain that some profs were strong-headed. (That was a joke. Laugh! Don't fight me.) Science students dream of the times when tests aren't hovering over their heads, but, as Aristotle would have it, the suspense in the absence of tests is driving us slightly to the left of sanity (Nuts to you).

Let's take a leisurely trip through our scenic Science Hall. How can a place be so attractive on the outside and so ugly! (derivation Early Siamese verb, ughar—to enjoy blood) on the inside. As one enters the east door, he is immediately faced with the problem of ascending or descending a staircase—a situation which is unique for he may descend or ascend and still reach a place heretofore always considered to be down. For the sake of posing a synthetic situation let us assume, in the true scientific spirit, one descends into the basement corridor. To the right is the vivarium or rat-room. The number of rats varies especially on Tuesdays when their ranks are swelled by the senior pre-meds who hold their physiology lab there. No, it is not snowing to the left. That's the bacteriology lab where the microbes (synonym for bacteriology students) are stuffing cotton into test tubes. On second thought the choice of "snow" for describing bacteriology isn't without value. Further down the corridor one sees to the left the electronics lab filled with strange gadgets and gadgetometers. The casual observer might discern amid their electronic matrix forms which he would call human beings. No, naive one, those are physics majors.

Let us move westward along the corridor past Prof. Dunkle's den (see Prof., we haven't forgotten you) and climb the steps to the first floor. We are now facing eastward and to the left is Dale's art class in abstract abstractions. My error. That's Prof. Green's embryology class. Let us move on to the lobby where we can hear the junior pre-meds singing in lusty tones, "I Thought I Taw a Putty Tat." They have been eagerly awaiting the arrival of their cats which were delayed by the rail strike. Rumors have it that Ed Loder and Jack Greenspan spent last weekend in New York trying to incite a new strike. Well, let's move on. To the right one sees the general bio students enthralled with their earthworms. No, those big ones couldn't be worms because they're not segmented. They must be the lab assistants. To the left lies the vitamin therapy clinic where all the workers possess an excellent supply of Vitamin B. The clinic is actually the physiology lecture room. As to the vitamin B excess—well, ask any senior pre-med.

Let us now ascend into the upper realm of Handorf's Happy Hunting Grounds. We now face westward, and to the left is the P. Chem lab, in which a certain Mr. Krouse has managed to keep his colleagues on edge with his slight, shall we say, miscalculations in physical and chemical phenomena. Further down the hall to the left one might think he were peering into a glass-blower's paradise. This is actually the organic lab where Dick Taylor donates a pint of blood every time he runs a piece of glass-tubing through a stopper. Anything for science, you know.

Now as the sun sinks silently into the west, we descend the stairs and bid—woops! hold that sun a sec. Forgot to say that Chuck Wolfe was accepted at Temple med. Al Peysers, at Temple dental, and Jimmy Mann at Penn dental. Nice going, guys.

A further increase in women smokers, warns a professor at Northeastern University, will drive the American male, who is sensitive about his masculinity, to cutplug and marijuana.

Another survey, this one at Idaho State College, showed that almost half the coeds there sleep with teddy bears, pandas or other stuffed toy animals.

One of the most thought provoking headlines we've seen in a long time was printed in the Statesman, University of Minnesota, Duluth Branch—"You Can't Draft God."

CATS WHIP NEW YORKERS IN FINAL TILT

1950-51 MAS Champs

Winners of the 1950-51 Western Division, Middle Atlantic States Conference title and holders of the first Lebanon Valley invitational tournament crown are these members of the Albright College varsity basketball squad. They are, bottom row, left to right: Pat Bieber, Robert Ruoff, Lee Cappel and Danny Bieber. In the second row, left to right are: Gerald Potts, Rod Shippe, Dick Witman, Lefty Leitham and Oscar Mogel. Top row, left to right are: James Buch, Mgr.; Dave Nicholas, Edward Gulian, Coach; Alvin Pollack, Connie Dettling and William Beyerle, Trainer.

Lionesses' Improve Record with Three Wins, Two Losses

Remain Undefeated in Playday Battles

Albright's varsity basketball Lionesses brought their season's record to the commendable total of seven victories and five losses with three wins and two defeats within the last ten days. On Wednesday, February 28, the varsity femmes dropped their contest with Immaculata, 36-8, on the foreign floor, and their jayvee companions followed suit with a 39-13 loss. Three wins at the Playday at Cedar Crest on March 3 improved the Lady Lions' record, but they suffered their fifth defeat at the hands of Beaver College, 34-30, on the Lionesses' home floor.

High scorer for the Albright femmes in the Immaculata contest was Judy Leinbach with seven of the losers' total of eight points. Miss Buckley was top for the winners with 14 tallies. In the jayvees' 39-13 loss, Pat Miller was high with a total of six tallies.

Lionesses Duplicate Feet

In their second Playday meeting with Cedar Crest, Kutztown, and Moravian, Coach Eva Mosser's charges duplicated the perfect record of their first encounter. This time at Cedar Crest on Saturday, March 3, the femmes opened their barrage with a decisive 25-7 victory over the Kutztown sextet. The second contest offered the Lionesses more competition as they only nudged Cedar Crest by a 31-20 score. The third fracas proved to be the lowest scoring game of the day when Mosser's charges edged the Moravian Greyhounds with an 11-8 margin.

High scorers for Albright in the Playday as a whole were Nancy Stump with 27 tallies, Leinbach with 19, and Delores Bedding with 17 markers for the day.

Last Tuesday, March 6, the Lionesses suffered their third loss at the hands of the Beaver femmes, 34-30, in a contest played in the 13th and Union gymnasium. The visitors held the lead throughout all four quarters but had their widest margin at halftime with a 22-8 lead. The hosts narrowed the margin to four points by the third stanza but couldn't rustle up enough additional points to cop the contest. High scorer for the Cat femmes was Leinbach with ten tallies, while Stump and Bedding each had nine.

Baby Lions Boast 11-8 Hoop Record After Last Battle

Coach Bobby Hick's Baby Lions ended their 1950-51 hoop season last Saturday night with a 42-36 loss to the Shillington Red Sox of the Berks Rec League in the preliminary game on the Northwest floor. The Albright JV's posted eleven victories against eight defeats for the season.

Bernie Green led the Albright Kittens with thirteen tallies on five two-pointers and three charity tosses. He was followed by John Frymoyer who had twelve for the Red Sox. The Albright junior quintet held a one point advantage at the half but lost on many missed opportunities to score in the last two frames.

George Amole led the Baby Lions to a close 62-60 victory over the Dickinson Junior varsity on Thursday, March 2 at Carlisle with eighteen points. He was followed by his teammate Jim Baker with sixteen.

The Franklin and Marshall Freshmen team beat Coach Hick's charges by a 76-51 margin on Wednesday, March 1 on the winner's court at Lancaster. Again Amole contributed eleven tallies to lead the JV's in their losing effort.

Defeat Dickinson, 68-62; Lose to Diplomats, 78-73

Danny Bieber Continues Hoop Surge Of 106 Points; Cappel Hits 300 Mark

The Albright College hoopsters wound up their 1950-51 basketball campaign last Saturday night by turning the tables on the New York A. C. club at Northwest. It was the same New York team that turned back the Lions by a 88-74 count the week before.

Pat Bieber and Lee Cappel led the Lions with thirteen counters each in the final battle that saw all five starters score in the double digits. Bob Ruoff, who won the Ron Regar trophy, and Danny Bieber had twelve counters each while Potts canned ten.

The Cats held a 27-6 margin at the end of the initial rest period and a 44-23 edge at the intermission. They doubled the count in the third frame which ended with the Lions on the long end of a 63-33 score. It was not until the final chapter that the New Yorkers showed the form that put them on top at New York. They scored twenty-one points in the final ten minutes of play.

The Lions got off to a poor start on Wednesday, February 28 by dropping both ends of their contests with Franklin and Marshall College at Lancaster. The varsity took it on the chin by a 78-73 count while Coach Bobby Hick's JV's lost the preliminary tilt, 76-51.

Potts Leads Lions

Norm Plitt and Walter Lenz paced the victors with twenty-seven and twenty points respectively to hand the Gulianmen their tenth defeat. Gerry Potts scored eighteen tallies to cop top scoring honors for the Lions. He was followed by his teammates Danny Bieber and Lee Cappel with seventeen each.

Although the Diplomats led throughout the entire contest, the Gulianmen bounced back several times to come within a two point striking distance. Bob Ruoff, Potts and Danny Bieber put on a scoring surge, after the Lions trailed by a 46-42 margin at the intermission, to tighten the score at 53-50. In the waning minutes the Albright quintet made a vain effort on Connie Dettling's free toss and Cappel's deuce to overtake the Dips, but could come within only two points of the victors. Plitt and Lenz divided four insurance points between them to insure the F & M upset.

Lions Rally

Coach Eddie Gulian's charges continued their road trip the following night by trouncing Dickinson, 68-62, on the losers' court at Carlisle. The Lions had to come from behind in the last frame to overtake the Red Devils after trailing by eight points as the period opened.

Danny Bieber, Al Pollack and Lee Cappel sparked the final drive which turned an apparent eleventh defeat into a surprising sixteenth triumph. Danny Bieber again took cop honors for Albright with nineteen tallies to bring his five game total to 106 points for a 20.2 point per game average.

He opened the thrilling final chapter with three field goals and Cappel followed with a two-pointer to give the Cats a one point advantage, 56-55. Elwood Long knotted the fray again with an ace and Pollack and Bill Stark exchanged twin-pointers to keep the contest deadlocked at 58-58. It was Pollack that broke the ice with a deuce and an ace to give the Lions a three point advantage that was increased to eight before the final gun.

The Gulianmen, who ended the season with a 17-10 record, won the Lebanon Valley Invitational Tournament and took the Western Division, Middle Atlantic States Conference championship for the third successive year.

As the basketballs are being stored and the suits put away, let's glance at the 1950-51 Albright basketball record book and see what this amazing team accomplished during the season just completed.

Four members of the team scored over three hundred points, a feat accomplished by only four other schools in the nation last year. Bob Ruoff led the Cat hoopsters with a total of 334 points. He was followed by Danny Bieber with 326, Gerry Potts with 324 and Lee Cappel with 302. The fifth member of the starting quintet, Pat Bieber, just missed the two century mark with 199.

Lions Win 17

The Lions won seventeen games and dropped ten while ruing up a total of 1862 points for an average of 68.9 per game and a new Albright record. Their opponents tallied 1727 points for a 63 points per game average. They tied the 100 point record, which was set last season against Dickinson, in one game against Moravian.

The Gulianmen won all six of their league frays to take the Western Division, Middle Atlantic Conference crown for the third straight time. They were "tired mailmen" when they went to Annville to compete in the first annual Lebanon Valley College tournament, but not too tired to bring the title to Albright after winning three consecutive contests.

Four seniors played their last game at Albright last Saturday night. They are Ruoff, who was given the Ron Regar trophy, Cappel, Danny Bieber, and Pat Bieber; all of whom have played four years of ball and this season divided 1161 points between them.

Intramural Teams Ready for Final Circuit Battles

"A" LEAGUE			
Pi Taus	9	0	1,000
Kappas	8	1	889
APO's	5	4	556
Joy Boys	3	6	333
Zetas	2	7	222
KTX	0	9	000

"B" LEAGUE			
Racketeers	8	1	889
Kappas	7	2	778
Frosh House	4	5	444
Pi Taus	2	7	222
Spades	2	7	222
Stars	1	8	111

The Pi Taus and Racketeers hold one game leads in their respective intramural basketball leagues as one game remains for all teams before the playoff to decide the champion. Next week's action will be wild and furious as the second place teams can tie for the lead with a win provided the leaders lose.

In last Monday night's first game, Lew Hallock canned twenty-four markers to lead the Pi Taus' "A" team to their ninth consecutive triumph, as they defeated KTX, 84-22, for the latter's ninth consecutive loss. Bill Heffner contributed twenty counters and Howard Brenner eighteen to the winning cause. Charley Klinger led the parson quintet with ten digits.

Joy Boys Forfeit
 The second scheduled contest of the evening in the "A" league was to be between the Kappas and the Joy Boys, but the Joy Boys could only produce four men and had to forfeit.

The APO's downed the Zetas, 45-31, as Paul Muller tallied seventeen goals for the winners. Bruce Tenley added eleven for the APO's while Bill Cohrs nabbed ten and Norm Dettra nine for the defeated five.

Murphy Tabs 29
 In the "B" league's first game, Rod Murphy went wild, scoring twenty-nine points as the Kappas overpowered the Pi Taus, 71-22. Every Kappa had at least three digits to his credit; Charley Rist netted seventeen and Andy Hock bucketed ten. John Wise pocketed nine points for the losers.

Bruce Eichkoff was missing from the Racketeers' lineup, but that didn't deter them, as they rolled to a 37-27 triumph over the Stars, who have but one victory to their credit this season. Ernie Zelenak was high man for the winners, hitting the cords for twelve tallies, followed by Mitch Warner and Jim Rutter, who each collected ten. Tom Masters led the losers, totaling eight markers.

Neither the Spades nor the Frosh could field five men, so both teams had to forfeit and were credited with a loss.

Varsity Elects Potts As 1951-52 Captain

Coach Eddie Gulian has announced that Gerry Potts was elected as captain of next year's Albright hoop quintet at a squad meeting held last Saturday after the climaxing NYAC contest. Potts was elected on a preference ballot by the members of the 1950-51 team. This year the senior members of the squad alternated in the capacity of team captain.

Top Court Award Presented to Ruoff For Feature P

Albright's top hoop scorer for 1950-51, Bob Ruoff, was awarded the Ron Regar trophy as the Lions' most valuable court player last Saturday evening at Northwest between the third and fourth stanzas of the contest with the New York Athletic Club. A veteran forward on the Cat quintet, Ruoff tallied 12 markers in the final contest to rack up the year's top total of 334, in addition to receiving the award from Regar as Albright's outstanding hoop player for the season.

Ruoff was a varsity player on the Reading High School basketball squad before attending Albright. While in the Lions' den he participated in basketball all four years and is, in addition, a mainstay on Coach Leo Bloom's tennis contingent. On the scholastic side of the ledger Bob is a history major who later plans to enter teaching, while on the social side he is a member of the Zeta Omega Epsilon social fraternity.

Committee Decided

The recipient of the Regar award as most valuable player was decided by a committee comprising Bill Reedy, sports editor of the Reading Eagle, chairman; Gordon Williams, sports editor of the Reading Times; Ed Cammarota, WEEU sportscaster; Jack Flowers, president of the Pennsylvania Basketball Officials Association; and Francis A. Schwenk, Reading sportsman. Flowers introduced Regar to the fans between the last two stanzas, and the actual presentation of the award to Ruoff was made by Regar.

Winners of the coveted trophy in previous years were the following: 1949-50, Eddie Anlian; 1948-49, Hops Guldin; 1947-48, Eddie Anlian; 1946-47, Russ Guensch; 1945-46, Lee Cappel; 1944-45, Tiny Landis; and 1943-44, John Durko. The award is made every year by Regar, local Reading sports luminary, to Albright's most valuable basketball player.

Four to Attend Debating Confab

Four members of the Albright debating squad will go to State College, Pa. for the annual Penn State Debating Convention on Thursday, Friday and Saturday, March 15, 16 and 17. Michael Laferty, Raymond Weitzel, Cynthia Reinhart, and Virginia Seems will be the representatives. The convention will be in the form of a model legislature in which each college will make up a bill and try to get it passed. Albright's bill will be on the national question: Resolved: That the non-Communist nations form a new world government. Two of the delegates will be bill-backers and the other two may go to any committee they might wish to attend. This convention is for colleges all over the state.

Stunt Night Postponed Until Sat., April 14

Stunt Night has been postponed until Saturday, April 14 announced Chairman Terry Connor. The postponement is due to the fact that next week is Religion in Life Week. This will be the first year that Stunt Night has been held on a Saturday night.

Student Group Plans To Visit Mormon Church

The Go-to-Church group will meet in Selwyn Hall Parlor at 10:30 Sunday morning, March 11. The group will go to the Mormon Church at 8th and Franklin Streets.

Zither Trio Performs At German Club Meeting

Last night at the monthly meeting of Der Deutsche Verein, members enjoyed several selections played by a zither trio composed of Mr. Joseph Holzappel, Mrs. Eleanor Findeisen, and Miss Lydia Hoerl. Several songs were sung by Mrs. Marie Wendler.

Sports Carnival Roster Listed By Co-chairmen

(Continued from Page 1)
 rella will be the referee for the last two touses.

In the wrestling contests the spectators will see William Britton, Dorm, against Norman Dettra, Zeta; Lou Hallock, Pi Tau, vs. Russell Miller, Kappa; and Harry Nelson, A.P.O., vs. Charles Benner, K.T.X. The referee will be Collin Linkletter.

In the Indian Leg Wrestle George Rankin, K.T.X., will be pitted against Robert Bieler, Dorm; Earl Gernert, Pi Taus, against Norman Snook, Zeta; and Richard Lee, A.P.O., against Charles Martone, Kappa.

The last contests will be Horse and Rider: Robert Bernhardt and Robert Miller, Zetas, vs. Peter Young and Charles Klingler, K.T.X.; Paul Muller and Harris Nissenon, A.P.O., vs. Tom Savage and Don Ermold, Kappa; Jerry Cocchiarella and Robert Skinner, Dorm, vs. Lou Brenner and Earl Gernert, Pi Taus.

Tug of War: Earl Gernert, John Wise, Lee Frankfort, Oscar Mogel, Jack Epp, Pi Taus, vs. Dwight Ong, Nusher Benner, Peter Young, Max Muller, Bruce Tenley and Richard Lee, A.P.O., vs. Robert Bernhardt, Norman Dettra, Conrad Dettling Mackler, William Himmelman, Edward Hanbicki and Jerry Cocchiarella, Dorm, vs. Albert Weidman, Robert Zapora, Walter Drazek and Andrew Hydock, Kappas.

Greek Row FRATERNITIES

Kappa Upsilon Phi

At the regular meeting of the Kappa Upsilon Phi fraternity on March 5 the annual Spring Dance was discussed.

Bernard Janis was appointed chairman of the dance committee by president Ralph Wagner. He will be assisted by Walter Fox, Ed Fleming, Donald Ermold and James Soules.

Pi Tau Beta

The Pi Tau Beta participation in the sports carnival will be handled by Oscar Mogel and Elliott Sauer- teig. Oscar Mogel will be the chairman of the Pi Tau spring dinner-dance on May 19.

Alpha Pi Omega

Bruce Tenley will be in charge of the Alpha Pi Omega participation in the Sports Carnival tonight. Vincent Gentile will head the spring dinner-dance for the fraternity.

Zeta Omega Epsilon

The Zetas held an Alumni Party on March 5 at the West Reading Hotel. It was well attended and a success. Prospective pledges were considered and bids were sent out March 7. The Stunt Night committee, composed of Norman Dettra, Norman Snook, Owen Davis, George Simons, Charlie Ziegler, Bill Coors, and Pete Bohren, headed by Hank Miller are busily preparing a skit for the big night. Regular meeting was held Monday night, March 5 in Daymen's Room.

Dr. Dirks Chosen Week's Speaker

(Continued from Page 1)

Parlor. At 7:45 there will be a devotional service followed by an informal discussion period, open to all students and faculty, at 8:45 in the Lower Social Room. The same schedule will be followed on Wednesday and Thursday.

A faculty-student committee has been named to make plans for Religion in Life Week. This committee includes Jay Shenk, Jean Magee, Raymond Schlegel and Kathleen Guenther. The faculty committee includes Professors Eugene Barth, Harry Mengel, Annadora Shirk, Consuelo Rodriguez, L. E. Smith and Dean Ruth Williams. Leonard Buxton is in charge of the Y Choir and Peter Young in charge of the devotional program. Four faculty members will take responsibility for the morning chapel: Professor Mengel on Monday, Professor Clyde Harding on Tuesday, Professor Annadora Shirk on Wednesday and Professor Ellery Hasskell on Thursday.

Dr. Nels Ferre, noted author, lecturer and traveler spoke during Religion in Life Week last year. From Sweden, Dr. Ferre is now Professor of Philosophical Theology at Vanderbilt University. He is noted for his books "Pillar of Faith" and "Christianity and Society."

A special vesper service will be held Sunday evening from 10:10-45 o'clock in the Seminary Chapel. It will take the form of a communion service in preparation for Religion in Life Week.

Proposed Council Constitution To Be Considered by Students in April

Following is the complete draft of the proposed Student Council constitution which if adopted by the student body will inaugurate a new government set-up at Albright.

This constitution has been approved section by section by the Council. Following its approval in entirety it will be voted upon by all students in the all-campus election in April.

Students are urged to preserve this copy for reference.

CONSTITUTION

of the STUDENT COUNCIL OF ALBRIGHT COLLEGE

PREAMBLE:

The Student Council shall be the legislative and executive organization of the student body of Albright College, subject only to the statutory regulation of the Board of Trustees and the Faculty. The purpose of the Student Council is to promote the interests of the student body of Albright College; to insure smooth-working coordination between students and campus governing bodies; to promote student-faculty relationships; and to perpetuate those ideals for which Albright College now stands and will stand in years to come.

Article I. Name
 The name of this organization shall be the Albright College Student Council.

Article II. Legislative Jurisdiction
 Section I. The Student Council shall have the right to request a report from any campus organization when it is deemed advisable.
 Section II. The Student Council, contingent upon faculty approval, shall have the power to receive and grant requests from campus groups for the privilege of being organized.

Section III. The Student Council shall recognize a campus body by approving the constitution of that organization.
Section IV. Should there be substantial evidence against any campus organization as functioning against the higher interests of Albright College, the Council may request that the faculty refuse such an organization the privilege of continuing in operation.
Section V. The Student Council shall have the right to fix rules governing dress and conduct within the Dining Hall in cooperation with the person in charge.
Section VI. The Student Council shall have the responsibility for seeing that a reasonable number of all-college social events be held throughout the year.
Section VII. The Student Council shall have the responsibility of

conducting class and all-college elections.

Section VIII. The Student Council shall have joint responsibility with the faculty and administration for the Freshman Orientation Program.

Section IX. The Student Council shall have the power to approve or disapprove the selection of the editor-in-chief and business manager of The Albrightian, contingent upon the approval of the Faculty Committee on Student Publications, and, if these officers be negligent of their duties, to recommend their removal to the said committee.

Section X. The Student Council shall have the power to approve or disapprove the selection of the editor-in-chief and business manager of the Cue, contingent upon the approval of the Faculty Committee on Student Publications, and, if these officers be negligent of their duties, to recommend their removal to the said committee.

Article III. Membership governing bodies.
Section I. Subordinate governing bodies.

1. The Boarding Men's Council shall be responsible for student matters pertaining exclusively to the boarding men.

2. The Day Men's Council shall be responsible for student matters pertaining exclusively to the day men.

3. The Boarding Women's Council shall be responsible for student matters pertaining exclusively to the boarding women.

4. The Day Women's Council shall be responsible for student matters pertaining exclusively to the day women.

5. The terms boarding men, day men, boarding women, and day women shall be interpreted to include all students.

6. The Men's Senate shall be composed of the combined membership of the Men's Boarding and Day Councils and shall be responsible for student matters pertaining to all the college men.

7. The Women's Senate shall be composed of the combined membership of the Women's Boarding and Day Councils and shall be responsible for student matters pertaining to all the college women.

Section II. The Student Council.
 1. The Albright College Student Council shall be composed of representatives from the Men's and Women's Senates and shall be responsible for major all-college issues.
 2. The President of the Student Council shall be counted a member of Student Council for the purpose of securing a quorum, but he shall have no vote in the Student Council

except in case of a tie.

3. The Faculty shall send advisory members to the Student Council who shall have neither the power to vote nor the power to originate motions.

4. The Presidents of the Men's and Women's Senates shall be members of the Student Council.

Section III. Eligibility.
 Each representative must receive academic approval from the Office of the Dean before assuming membership in the Student Council.

Section IV. Term of Office.
 Each member shall be elected for one year and should, if worthy, be re-elected.

Article IV. Duties

Section I. The officers of the Student Council shall be the President, the Vice-President, the Corresponding Secretary, the Recording Secretary, and the Treasurer.

Section II. The President is the official representative of the student body.

1. He shall preside at the meetings and shall enforce the constitution of the Student Council.
 2. He shall call special meetings when necessary.

3. He shall appoint Student Council members as committee chairmen with the approval of the Student Council.

4. He shall preside over the meetings of the executive committee of the Student Council.

5. He shall have the power to vote in case of a tie.

6. He shall write his approval, with that of the Treasurer, for any money that shall be withdrawn.

7. He shall remain in the Student Council as a voting member during the semester following his term of office.

8. He shall submit an informational report of the activities of the Student Council to the President of the college for annual presentation to the Board of Trustees.

9. He shall have the responsibility of inducting the new president of the Student Council.

Section III. The Vice-President shall carry out all the duties of the President in his absence.

1. He shall succeed to the office of the President if it is vacated prior to the beginning of the second semester.

Section IV. The Corresponding Secretary shall read communications and handle the correspondence of the Student Council.

Section V. The Recording Secretary shall keep a record of the minutes of the Student Council meetings and a record of attendance.

Section VI. The Treasurer shall collect the money allocated to the Student Council.

1. He shall pay any bills incurred by the Student Council.

2. He shall write his approval, with that of the president, for any money which is to be withdrawn.

3. He shall submit books to the College Treasurer to be audited at the close of each Student Council year.

4. All Student Council funds shall be kept in the Office of the College Treasurer.

Section VII. The Executive Committee shall be composed of the President, the Vice-President, the Corresponding Secretary, and the Treasurer.

1. It shall make decisions for the Student Council provided that a meeting of the entire council cannot be held within the time that the decision must be made.

2. It shall keep a calendar of all responsibilities of the Student Council as outlined in the constitution and by-laws and in accord with the college calendar.

Section VIII. Members.

1. They shall attend all regular and special meetings of the Student Council and shall not be permitted to send a substitute.

2. They shall keep their class and other campus organizations informed of the actions of the Student Council.

3. They shall, when possible, express the opinions of the classes they represent.

4. Committee chairmen shall select from the student body the members of their respective committees.

Article V. Meetings

Section I. The Student Council shall meet at least once each month.

1. These meetings shall be open to any person who wishes to attend, without voting privileges.

2. The Student Council may vote to close a meeting to visitors.

Section II. A quorum shall consist of a two-thirds majority of the members of the Student Council, provided that two faculty advisory members are present.

Section III. Parliamentary procedure shall follow Robert's Rules of Order, Revised Edition, 1915, except where this constitution differs.

Article VI. Amendments

Section I. An amendment to this constitution may be proposed at a meeting of the Student Council by any member of the Student Council.

1. Provided that no action is taken in less than two weeks after the proposal is made, the proposed amendment shall be passed by a two-thirds vote of the membership of the Student Council and submitted to the Faculty for approval.

2. It shall then be passed by a

majority vote of the whole student body in order to become valid, provided that public notice of the proposed amendment was made in The Albrightian at least one week before the student vote.

Section II. An amendment to a by-law may be proposed at a meeting of the Student Council by any member of the Student Council.

1. Provided that public notice of the amendment was made in The Albrightian previous to the second vote, the proposed amendment must be voted on favorably by a majority of the members present at two consecutive meetings in order to become valid.

Article VII. Election Procedure
Section I. There shall be an annual all-college election on campus.

Section II. Presidential Election.

1. Two nominees shall be selected at a joint meeting of the Student Council and the Men's and Women's Senates. Nominations may be made by any voting members of these three groups. The candidates must be members of the Junior Class who have attended a majority of the meetings called during any year in which they were members of the Student Council or of the Men's or Women's Senate.

2. The President shall be elected by a majority of votes cast by the student body. No votes shall be cast for any person other than the two nominees listed on the ballot.

3. The new President shall be inducted subsequently and shall take office immediately.

Section III. Other Officers.

The Vice-President, Corresponding Secretary, Recording Secretary, and Treasurer shall be elected by the new Student Council at its first meeting. These officers shall be elected in the order stated above, with the election of one completed before going on to the next election.

Section IV. Members.

1. Election of Student Council members shall be held by the Men's and Women's Senates after the presidential election and before the induction of the new president and members. Organizations shall present a written report of their elections to the Student Council Recording Secretary.

2. A class may withdraw a Student Council member if it is deemed necessary. Likewise, the Student Council may submit a request for withdrawal of a member.

Section V. Special Elections.

A special election shall be conducted if necessary by the Student Council in order to elect a new president or other campus officers. The same procedure shall apply as in the case of the annual all-college election.
