No. 12

## St. Joe Registers 67-64 Decision Over Basketeers

Superior backboard control and ball handling spelled the difference Wednesday night as the Albright Lions suffered their fifth defeat of the season, bowing 67-64, to the Hawks of St. Joseph's College. A last quarter surge by the Red and White fell just short and as a result the long-awaited first victory in the new gymnasium was not realized. Both of Albright's 1952-53 victories have been on the road.

### Papaneri Tallies 21

The visitors left the floor at half-time with a 36-30 lead, thanks mainly to deadly outside shooting by Tony Papaneri, who led the evening's scorers with 21 points. He counted on four set shots during the nip and tuck half as the Lions attempted to bottle up the Hawks' fast game with a zone defense. Mike DePaul, who led Albright scorers with 20 points, and Bill Spaide, freshman pivotman, kept the Lions in the game. The former tallied several long one- and two-hand shots while the latter tapped in three rebounds.

### Hawks Take Lead

Albright had a 17-15 lead after the first quarter, but the Hawks overtook their hosts when a field goal by John Doogan made the score read 27-25 in their favor. They increased this margin to 32-25 before Bill Spaide and Bernie Krick made it 32-30. With a minute left in the half, Doogan and Mike Swanick each tallied for the visitors to give them their half-time edge.

In the third quarter the Hawks, with Papaneri and Swanick hitting regularly, moved into a commanding 49-38 lead. But a field and two fouls by DePaul helped narrow this deficit to 50-43 at the quarter.

### Last Period Proves Exciting

In the exciting last period the home team drew to within one point of the leaders on three occasions, the last with 28 seconds to go, but an intercepted pass and a lay-up by Papaneri iced the decision for the visitors.

In the preliminary the Lion JVs staved off a last-quarter rush by the VVVs of the City League to salvage a 52-47 win. It was their fourth victory against one loss.

## Executive Committee Of Alumni To Meet

The Executive Committee meeting of the Alumni Association will be held tomorrow afternoon. Vice President Andrew Conway, '34, will take charge of the meeting in the absence of the president, James Koller.

The nominating committee will submit names for next year's regular officers and recommendations will be made for the executive secretaryship of the Alumni Association.

## Council Airs Representation Plans

Clyde Underhoffer, dayman representative to Student Council, suggested an addition to Ray Weitzel's representation plan which had been presented in last week's council meeting. The new idea is to include a representative from each class giving each of these members elected to council one-half a vote.

Weitzel's suggestion, which called for one representative from each fraternity and each sorority, two daymen, and daywomen, two dorm men, two dorm women and four representatives to be selected at large, had excluded any class representation. Feeling that the classes should have some representation, although not as much power as they have now under the present system, Underhoffer introduced the above plan to be incorporated with Weitzel's original proposal.

Since none of the various groups represented in council held meetings at which time the representatives could have told them about Weitzel's or Underhoffer's proposals, no immediate action could be taken by council. However, William Schmidt, senior class representative, suggested that during semester vacation Pres. James Buch form a committee of local Reading council members to go over the rest of the present constitution, excluding the representation. Then the first meeting of council after vacation, the committee could bring before council the changes they recommend. This was proposed to save time and bring about quicker action since all of the council would not have to consider every individual item that requires change in the present constitution.

## Bus. Ad. Program To Be Revised

Business administration students at Albright College will have the choice of specializing in accounting as direct preparation for the CPA examination, beginning September 1953, according to an announcement by Dean George W. Walton.

Revisions in the business administration and economics department also include the opportunity for majoring in economics leading to the bachelor of arts degree and the addition of one new course, business cycles, to complete the requirements in economics.

### New Opportunities Listed

Incoming freshmen or present students will be able to concentrate in accounting by electing business law, money and banking, cost accounting, auditing, income tax and statistics, in addition to the three general courses in accounting. These courses in accounting, leading to the bachelor of science in economic degree, and the specialization in economics provide greater flexibility in the business administration offerings, according to Prof. Donald S. Gates, head of the department.

## Classes To Register At Separate Periods

Registration for second semester will be held Thursday, January 22. In order to avoid crowding either in Krause Hall or at the treasurer's office in the administration building, registration has been scheduled by classes. Seniors and Juniors will come at 8:30; Sophomores at 9:30; and Freshmen at 10:30. Registration will close at 2:30. Students who fail to register on this day will be charged the regular late registration fee.

### Students To Consult Advisors

Students who have schedule difficulty or need curriculum advice should consult their advisers some time before registration day. A schedule of faculty office hours is listed on the bulletin board in the administration building.

Appointments may be made with Dean Walton or Miss Benninger at the office. Class schedules are available at the Registrar's office.

## Freshmen To Sponsor Special Dance Tonight

Tonight the freshman class will sponsor a dance held in Krause Hall from 8:30 to 11:30. During most of the evening the music will be furnished by a local band, however at intermission records will be played. Krause Hall will be specially decorated for this dance, and refreshments will be served throughout the evening.

This dance will not be a hoe down as was previously scheduled, reported Jerry Gervasy, chairman of the social committee.

## Stunt Night Date Changed

Friday, March 6 has been set as the date for the annual Stunt Night program. Originally the event was scheduled to be held on Friday, February 27, but a change had to be made due to the fact that Sport Night was listed on the school calendar only one week prior to the later date.

Sponsoring the affair, Student Council felt that it would be better to separate the two programs rather than have them only one week apart. The new date was revealed to council at their meeting Tuesday by Robert Bieler, social committee chairman.

The program will consist of short skits which will be given by each fraternity, sorority and any other organized group who wishes to enter. The winner and runner-up each receive a trophy from the judges.

Last year the women held the spotlight in the festivities with Alpha Tau and Phi Beta Mu taking top honors.

## Positions Offered By Civil Service

The Civil Service Commission has announced an examination for Student Aid Trainee paying \$2,950 and \$3,175 a year. Most of the positions are located in various federal agencies in Washington, D. C., and vicinity.

The examination is open to col- (Continued on Page 2)

## Religious Events Listed For Week

The combined "Y's" will sponsor a hoedown on Tuesday evening, January 20 in Krause Hall. Merle Thorpe will be the caller. Refreshments will be served during the evening.

Last Tuesday workshops were held in which plans for the coming semester were discussed and planned.

### Updgrove To Speak

Rev. Lester C. Updgrove, pastor of the Park Evangelical United Brethren Church of Reading, will address students in chapel on Tuesday, January 20.

The regional director of the National Council of Christians and Jews, Dr. A. W. Gottschall was guest speaker in this week's Tuesday chapel. He discussed the proof of religious convictions by the practice of brotherhood.

### Bible Class Cancelled

Sunday morning Bible class has been cancelled for the remainder of the semester. It will reconvene on February 15, with individual students in charge of the class instead of the guest professors.

David Serfass, freshman pre-ministerial student, will speak at Vespers on January 18 at 7:00 p. m. in Sylvan Chapel.

## Robert Hohl Appointed To Faculty

Robert R. Hohl, 548 South Court Street, Glenside, has been appointed graduate assistant in physics and mathematics at Albright College, President Harry V. Masters announced today. He will begin his part-time teaching the second semester of this year.

### An Albright Graduate

A native of Reading and a graduate of both Reading High School, 1945, and Albright College, 1952, Hohl served with the United States Air Corps and has completed one semester's graduate work and instruction at Lehigh University.

While at Albright he won the Glenn K. Morris Award in mathematics and graduated magna cum laude.

ROBERT R. HOHL

## Campus To Elect Annual May Queen On February 9

May Queen and Maid of Honor for the annual May Day celebration to be held on May 9 will be selected in an all-campus election on February 9. The following week, six senior girls will be chosen for the Queen's Court of Honor, Patricia Kennedy, '53, Mistress of Ceremonies and Phoebe Hunter, '53, Custodian of the Crown have announced.

The thirty-four seniors who are eligible include: Annetta Deussen, Kathryn Fisher, Catherine Girvin, Anne Girvin, Mary Ellen Greth, Joann Hassler, Nancy Lou Hawman, Dolores High, Evelyn Hinkle, Bernadette Kaluzny, Nancy Klein, Theana Koutroules, Evelyn Kressler, Dorothy Kuettel, Ann Lanz, Jane Lausch, Julia Leinbach, Nancy Loose, Rhoda Marks, Betty Martin, Marilyn Miller and Patricia Miller.

Also Carolyn Moyer, Nancy Neatock, Sandra Pelus, Sonia Phipps, Cynthia Reinhart, Irene Saylor, Patricia Schearer, Virginia Seems, Camille Thorpe, Mary Jane Titlow, Arlene Yeager and Anne Yoder.

These senior girls are urged to give either Miss Kennedy or Miss Hunter a photograph of themselves before January 23.

## Courtmen To Face Dickinson Quintet

Attempting to improve their present two win-four loss record, Coach Eddie Gulian's Albright Basketeers will entertain Dickinson College tomorrow night at the new gym. The Lions were scheduled to have played St. Joseph's on Wednesday.

Dickinson will be seeking revenge for a 72-68 loss at the hands of the Red and White at Carlisle on January 8. In both games last year the Red Devils were soundly trounced. In the season's opener, the Lions took them by 60-45 and then again in the season's final, 102-60.

Gulian will, in all probability, start the same five as before in the last few games. Co-captains Connie Detting and George Amole will team with sophomore speedster Kenny Nase and two freshmen, Mike DePaul and Bill Spaide.

DePaul is leading the individual scoring at the present with 78 tallies, while Detting and Spaide trail closely with 68 and 56 respectively.

Gulian will probably not use a two-platoon system as before, but will undoubtedly let his reserves see a lot of action.

Jim Croke, who has been switched to the backcourt, will see action as well as John Schivo, George Conrad, Bernie Krick, Jake Munch and Jan Nikolaisen, all freshmen. The other freshman on the varsity, Coatesville's Don Pryor, is recovering from a cold and will probably not see action. Dickinson's biggest threats will be Lee Huber, who tallied 26 points against Albright in their first encounter this year, and Dick Jobe, who dropped in 19. The rest of the Red Devils starting five will be Steger, Dridas and Richards.

The Albright Jayvees will meet the Baby Red Devils in the preliminary at 7:00 p. m.

## Kerper Gains Post In ACES

Pres. Harry Masters, chairman of the Berks County chapter of Americans for the competitive enterprise system, announced the appointment of Robert E. Kerper Jr., as executive director of the local chapter. Mr. Kerper will assume his new position February 1, 1953.

This non-profit, non-political citizens movement operates an educational program to demonstrate the superiority of our American competitive system over any form of collectivism. The temporary office of the Berks County chapter of ACES will be in the president's office of Albright College. It is planned to open an office in central Reading on March 1 when ACES begin their program.

There are five main parts to the program: First, a speakers' bureau supported by ACES; second, radio program; third, educational program for employees of various businesses and industries; fourth, a school program to take students and teachers on tours of industry and business; fifth, economic seminars for religious leaders.

## Editor Explains W.S.S.F. Purpose

Last week an article appeared in this paper concerning the World Student Service Fund Week, which is to be held on our campus from February 16 to the 20. Since then several freshmen, in particular, have been asking questions concerning this drive. We would like to try to answer some of these questions, especially concerning the exact purpose of W.S.S.F.

According to the W.S.S.F. "Programme of Action," the organization seeks to establish through personal encounter that basis of international understanding from which a spirit of international solidarity can emerge and a concern for mutual assistance and service. They hope to achieve this end through the extension of material aid by members of the World University community to their fellow members who are in immediate need; through assistance to self-help enterprises designed to meet long-term needs; through the mutual sharing of knowledge and experience gained in attempts to resolve basic university problems; and through the bringing together of students and teaching staffs without prejudice to race, nationality, political and religious conviction.

The program states also that mutual service is the basis of all its activities. By mutual service they mean a common effort toward the completion of a common work rather than a one-way relationship from donor to receiver. It means an effort towards education for responsibility, and it means a program supported by a common understanding.

### Appointments Made

Sponsoring Sport's Night, the W.S.S.F. committee has appointed several persons to work on the Sport's Night programs. This group consists of Charles Moyer, '56, chairman, David Lubba, '56, Mary Bysher, '56, and Jeanette Mayer, '56.

## Shirk To Attend Confab

Dr. S. B. Shirk, head of public relations, is planning to attend the American College Public Relations Association District No. 2 convention, which will begin Wednesday, January 21 at 8:00 p. m. and will commence at 10:00 p. m. on Friday, January 23. The convention will hold their meetings in the Hotel Ten Eyck, Albany, N. Y.

## 'A' League Honors In Intramurals Copped By Zeta's

The intramural basketball season completed its third week of competition, and when all the fog cleared there was a sole leader in the "A" league—the Zeta's—and three leaders in the "B" league—the Kappa's, F.B.I.'s, and Keglers.

The Zeta's surged into first place by defeating their co-leaders of last week, the Pi Tau's, by a 34-25 margin with Guenter and Kierstead leading the scoring with 13 and 14 points respectively. It also took a surprise win by the Frosh over the APO's by a 37-32 margin to place the Zeta's on top, and as a result there is a four way tie for second place between APO's, Pi Tau's, Kappa's and the Frosh. The Kappa's defeated KTX and the Rebels defeated the Aces.

In the "B" league there remained a three way tie on the strength of a win picked up by the Kappa's over the Hot Shots by a 22-14 score despite Kretzing's 13 points for the Hot Shots, another win by the F.B.I.'s over the Rockets 54-36 with Jones scoring 15 points, and two wins by the Keglers 31-30 over APO's "B" squad and another over the Hot Shots 50-27 with Mishko and Clark being the top scorers. The Zeta "B" five picked up two wins and zoomed into second place. They defeated the Rockets 39-34 and the Pi Tau's 58-18. Kierstead was high scorer in both games with 17 and 14 points.

### Results:

Jan. 8, "B" league: Keglers 50, Hot Shots 27 and Zeta "B" 39, Rockets 34.

Jan. 12, "A" league: Zeta 34, Pi Tau 25; Frosh 37, APO 32; Kappa 52, KTX 12; and Rebels 63, Aces 25.

Jan. 12, "B" league: Zeta 58, Pi Tau 18; Keglers 31, APO 30; Kappa 22, Hot Shots 14; and FBI 54, Rockets 36.

### STANDINGS

"A" League	
Zetas	3 0
A. P. O.	2 1
Pi Tau	2 1
Kappa	2 1
Frosh	2 1
Rebels	1 2
KTX	0 3
Aces	0 3
"B" League	
Kappas	3 0
F. B. I.	3 0
Keglers	3 0
Zetas	2 1
A. P. O.	1 2
Hot Shots	0 3
Rockets	0 3
Pi Tau	0 3

## French Club Holds Recreation Night

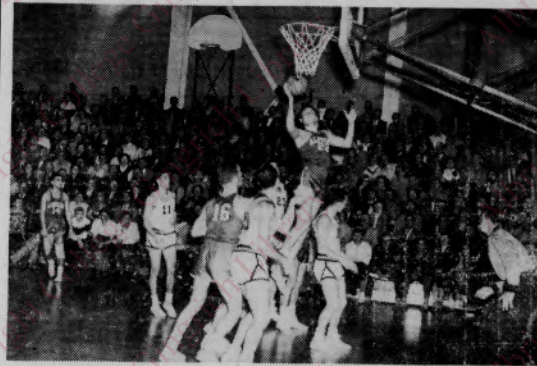

Members of Le Cercle Francais, the French Club, met in the alumni room of the library for their monthly meeting on Monday evening at 7:30, Dr. Edith B. Douds, advisor, announced. Following a short business discussion conducted by Marilyn Yatron, president, the group participated in playing games and singing.

In charge of games were Harriet Brown, Elaine Mayer and Cynthia Reinhart. Virginia Mangin led the members in singing.

## Albright Donates Books

Dr. Raymond Albright, former professor of church history at the Evangelical School of Theology, gave approximately 2000 books to the library recently. Many of the books are fiction, and fill in wide gaps that previously existed in library stocks. Dr. Albright now teaches at the Episcopal Theological School of Cambridge, Mass.

# Basketeers Lose To Dutchmen, 74-49

Connie Dettling, Albright co-captain, gets ready to uncork an overhead shot against Lebanon Valley in the game last Saturday. Mike DePaul and Bill Spaide, both freshmen, are the other two Albright basketeers pictured. Albright was beaten by a 74-49 score, losing their first game in the MASCAC conference.

—(Albrightian Staff Photo)

## L.V. Captures Seventh Straight Victory

Leon Miller's fast break and accurate under-the-basket shooting gave the unbeaten Dutchmen from Lebanon Valley their seventh straight victory of the campaign last Saturday night as they subdued the Lions 74-49. This was Albright's first loss in the MASCAC conference competition, while the opponents chalked up their first loop triumph.

After Herb Finklestein opened scoring with a foul, the hosts quickly zoomed into a comfortable 23-12 first quarter lead. They widened this 11 point margin to 14 at the half as they boasted a 40-26 edge. Albright's best answer to this scoring was Mike DePaul, who tallied 13 of his total of 14 markers in the first half.

The hosts kept up their high-scoring ways after intermission, opening a 69-40 bulge at the three-quarter mark. The fourth quarter opened with Lou Sorrentino tallying a field goal for the winners, whereupon the Lions used stalling tactics to halt the avalanche of points. DePaul held the ball in the back court area for a full 6½ minutes without attempting to move it.

Finally, Albright's Ken Nase was fouled, so that the Dutchmen got the ball after the point was converted.

Coach Bobby Hicks' Lion Cubs won the preliminary game, 75-45. Bernie Seaman led the winners with 14 points.

### Albright Triumphs, 72-68

The Lions came storming from behind in the final period to defeat Dickinson, 72-68, in the game last Thursday night at Carlisle. This last minute steal was due primarily to the ball-handling of Mike DePaul. This was Dickinson's third reverse against two decisions, while it proved to be Albright's second win.

## Jordon, Rodriguez Nuptials Enacted

On behalf of the students, faculty and administration The Albrightian wishes to congratulate Mrs. Harold C. Jordon, the former Miss Consuelo Rodriguez, on her recent marriage to Harold C. Jordon.

The wedding took place on Wednesday, December 31 at 2:00 p. m. in the Grace Methodist Church in Takoma Park, Maryland. The reception was held in the home of the bride's brother and sister-in-law in Takoma Park, Maryland. The brother, Dr. Samuel Rodriguez, who is presently working in the Walter Reed Hospital, and Mrs. Rodriguez served as the couple's attendants. Mrs. Jordon's oldest brother flew from Puerto Rico to attend the wedding.

The couple is now residing at 1603 North 11th Street, Reading, and Mr. Jordon is employed with Theodore Schwalm, Inc. in Lancaster.

### Engagement Announced

Miss Betty Smith, daughter of Prof. Lewis E. Smith and clerical assistant in the library in charge of book orders, has announced her engagement to Donald Mensch of Catawissa, Pa. Miss Smith, who resides at 1127 N. 12th St., is a graduate of Reading High and attended a business school in this area.

After two American soldiers committed suicide by jumping from the sixth floor of the Tokyo finance building barracks, the American Army issued a directive stating it was against Army regulations for personnel to jump from building tops.—From CDN dispatch from Tokyo.

## DANDY LION

Hailing from Harrisburg, this week's Dandy Pat Miller is one of the sparks of the Class of '53. Active on both the hockey and basketball teams, she's co-captain of the latter and serves as president of the Women's Athletic Association.

President of Phi Beta Mu Sorority, Pat has recently been pledged to Phi Delta Sigma, honorary alumnae sorority. This F.T.A. member is also "Informalities" editor of the Cue, serves on the Y cabinet, and is publicity chairman of Student Council.

Graduating in June with a social science major and a history minor, Pat will add much to the field of either teaching or juvenile delinquency work.

## The Bad Head!

The last rays of the sun were being cast over the football field as I struggled out of the huddle for the last quarter. This was a good game, I thought, even if I did forget that lead weight I usually carry in my shoulder pad for added protection against the opposing monster's heads—a nasty little trick I picked up in my days in the east. The odds had been against us at the beginning, but our undaunted ball club marched determinedly on the field. After all, I quibbled, "What's a 50 pound difference between all our players and our opponents? We're not superstitious! "Die for the old red and white" was our battle cry. We knew it would be a slight struggle but we were loaded with character and a pound or two would never matter.

The crowd was tense and expectant, well, at least our parents were, and as the whistle blew for the last quarter to begin our little center staggered in his position. He wasn't drunk, although his spirits were high, but was only a bit punchy. After all, it was a tough game, so let's give the little fellow a break.

Hup, 2, 3, bellowed the quarterback. The ball was handled from player to player and then a long pass to me as I raced down the right side. A successful pass, and not only that, but I caught it, too! I looked feverishly around! Not a man in sight! Here was my chance to be a hero... I streaked madly down the field with the crowds cheering wildly. I could just imagine everyone heaping honors on me for my courageous run and touchdown that would tie the score.

On and on I ran, and suddenly I could see the goal line looming larger as I finally dived for that precious paydirt.

Picking myself up off the floor, I became determined to build a guard rail around my bed and never more to roam to Pierre's! P.M.

## Positions Offered

(Continued from Page 1)

lege sophomores and juniors majoring in the fields of chemistry, physics, mathematics, metallurgy, Meteorology, and various branches of engineering. Appointments will be for employment during school vacation periods or for periods of employment of students in cooperative courses. Applicants must have completed appropriate college study; a written test will be given. Students who expect to complete the required study by June 30, 1953 may apply. Applications will be accepted until further notice.
