Staff To Meet Today At 1 P. M. In Room 103

There will be a meeting of the staff at 1 p. m. today in room 103. All juniors, sophomores, and freshmen interested in working on the staff next year are urged to attend.—Editor.

College Y Delegates Attend Conference

Groups Discuss
"Rock and Sand"

Last Friday afternoon seven delegates from the Y. M. and the Y. W. journeyed to the Inn at Buckhill Falls to represent Albright at the annual winter Student Christian Movement Conference.

The theme of the conference was "Rock and Sand" developed in discussion groups and by the speakers, Dr. Stanley Romaine Hopper, Dr. Irvin W. Underhill, Jr., and Dean Frank Wilson. Hilda Schweiker, Temple '42 and John Zeller, Bucknell '42, were the student chairmen in charge of the conference.

Albright's representatives were Miss Ethel Norton, Ruth Hand, Margaret Sheppard, June Hausman, Dorothy Reber, Cecil Potteiger, Lamar Derk, and Jacob Wagner.

Council And "Y's" To Beat Luck Tonite

"Friday 13th"
Is Festival Theme

Today's Friday the thirteenth... Student Council and the "Y's" are going to prove there's nothing to the old superstitions of black cats, open umbrellas and walking under ladders. [Ed. note—oh, yeah?]

A combined committee is planning some mysterious doings for tonight in the dining hall with refreshments to top it off.

Everybody is invited to come out and to wear old clothes. No one is responsible for what happens because... well, you know... Friday, the thirteenth. Admission is 13 cents and the party's at 8:13.

Symphony Orchestra Plays For Uniforms

Prof. Hans Nix
Directs Musicians

The Albright Little Symphony Orchestra played to a fine gathering in the college dining hall at 8:15 p. m. on Wednesday evening to raise funds for the new band uniforms.

Prof. Hans Nix directed the musicians in the following numbers: "Triumphal March," Grieg; overture, "The Bridal Rose," Lavalle; "Minuet," Haydn; "Dream Pantomime," Humperdinck; "March Militaire," Schubert; "Finlandia," Sibelius.

"Old Comrades," Teike; waltz, "Southern Roses," Strauss; "None But the Lonely Heart," Tschalkowsky; "Russian Fantasy," Lange; "Songs From the Old Folks," Lake; "Stars and Stripes Forever," Sousa.

Men in White—Keep 'Em Serving

Gene Shirk, Birdsboro High Coach Appointed Faculty Manager

Will Direct Sports
And Teach Math

Eugene L. Shirk, former principal and athletic director at Birdsboro High School, was appointed by Albright's athletic council Wednesday night to the newly created post of faculty manager of athletics.

Although Shirk has been a successful coach at Birdsboro for 18 years, his duties at Albright will be the supervision of the college's sports program.

Shirk will have charge of arranging the sports schedules formerly handled by Lone Star Dietz and Neal O. Harris. The Franklin and Marshall graduate and Phi Beta Kappa winner will also supervise ticket sales, advertising and equipment, and the editing of the football program. He will also serve on the faculty as a mathematics instructor.

The purpose of adding Shirk is to increase the efficiency of the athletic setup and at the same time alleviate the heavy duties of the math department. He will assume his new duties on or about July 1, 1942.

Shirk was a standout performer at Franklin and Marshall on the varsity track and cross country teams. He was a star in the broad jump, high jump, and hurdles. The new faculty manager is also well known in Berks County sports circles for his success as a coach, consistently turning out winning teams in all sports at Birdsboro.

Albright Business Club To Visit Museum

The Albright Business Club will journey to the Reading Museum next Wednesday evening, 8.15 o'clock, to hear a lecture on "The Application of Commercial Geography as Related to War Times." Miss Josephine Moyer, instructor of geography, will be the speaker.

Annual Elections To Take Place April 6, 7 In Chapel

Induction Of Officers
Will Be Held
With Mantle Ceremony

Elections are the next big item on the college calendar. The actual elections will take place Monday and Tuesday, April 6 and 7, in the chapel. Nominations for office are to be approved by Student Council before being placed on the ballot. The program for nominations is: Juniors—room 103—10 a. m. Monday, March 23; Sophomores—room 103—10 a. m. Tuesday, March 24; Freshmen—room 103—10 a. m. Wednesday, March 25. Council has arranged for the meetings, but the present class officers will preside.

The Y's, Student Council, and Women Day Students also will nominate officers to be included on the April ballot, but will arrange their own meetings for the purpose. Groups, such as fraternities, which have private elections of officers will, however, nominate Student Council representatives who are to be approved by Council. All nominations will be submitted to Student Council for approval before March 27th.

Following the elections (the usual checking of a ballot and signing of a name), an induction ceremony will be held on Friday, April 17. New class and Student Council officers will be inducted at that time, and new Council members will take the oath of membership. This induction of officers will be held in conjunction with the annual mantle ceremony.

Council Says:

Students, please do not play ball on or use any portion of the campus for any sport except the ball field north of Selwyn Hall.

Things We Never Knew Until Now... And Still Don't

By GUY QUIZZICAL

Let's begin with some easy brain-teasers. Keep your own score. Cribbing will not be tolerated. It's a cheap—cheap way to get a good grade.

Why are the covers of the exam books colored blue instead of a dull grey? Dull grey would be more appropriate and be in harmony with our mind set. Where did Selwyn Hall get its name and who the devil cares? If you know, don't tell. It isn't nice. Why does Professor Hamilton wear those snazzy plaid ties? (Hint—Maybe the Scottish complex can't be resisted.) Who is the son-of... naughty, naughty... who wakes Jan up so early in the morning? Any information to his whereabouts will be rewarded with ten free tickets to the next Domino production. Call at the treasurer's office, please. Why doesn't someone make Selwyn Parlor into a dormitory? It would help some of the romantically-inclined men (we never heard of any other kind) and also aid the leather conservation program.

Has Miss Norton ever read Freud? This question is open only to majors in psychology. Could the

law of diminishing returns have anything to do with the scarcity of A's in Prof. Evans' classes? What does the middle initial of Professor Green's name stand for? Winner will receive 64 free cuts to chapel and a stuffed frog in the bargain. What would that station wagon say if it could talk? Because of factors involved the answer should be more than 2,000 words. Why does Miss Shaffer love the fresh air and yet wear a coat in class? The Eskimos must have a word for it. We do too, but that's our business.

Does Yehudi guard Coach Dietz's desk while he's "out"? Maybe it's Hiawatha's ghost. Why is Dr. Horn prejudiced in favor of pretty coeds? Your guess can't be as good as ours. Has Professor George ever plotted a plant? Students of CPT cannot compete. Why is "Current Problems" invariably called "Senior Bible"? It's just a matter of discipline. Do you know who chose the Lion as the college symbol? Winners will get a set of encyclopedias. This next query is directed to the men only. Why do some students wear high school emblems and symbols (Continued on page 2, col. 1)

A TRIPLE PLAY

Let Us In On It

"Where, oh where, has the defense council gone? Oh where, oh where can it be?" might be an appropriate song title for the current hits of the month. What are they doing and where are they doing it? These are some of the questions that are being asked on the campus today. Or is there a defense council at all?

We feel that we are in no position to state whether or not this body is doing anything toward campus defense. We do feel, however, that we are justified in mentioning the fact that if something is being done it is not publicized widely enough.

This utter silence seems to indicate, perhaps wrongly so, that the council is utterly inactive. The ALBRIGHTIAN has attempted to inform the student body as to any work in which the defense group has been engaged, but it seems that whenever a reporter is sent "to get a story on the defense council" (which has been every week for the past month or so) the answer is invariably . . . "there is no news", or "they haven't done anything". So you can see what material we have from which to draw our conclusions and what the ultimate answer must be.

Even if the ALBRIGHTIAN had not sent a reporter to get a defense story, the council should have come to us and informed us of their work. Civilian defense is not the defense OF the civilian, it is the defense BY the civilian. How can a small group such as the defense council defend the civilian population? It cannot be done! Each civilian must be informed of the essentials of home defense through whatever medium is at hand. What is handier than their own student publication?

The defense council has been in organization for four months now and the students still don't even know which are the safest parts of the buildings. It is true that we have been shown how to deal with incendiary bombs, that we have been shown films sponsored by the committee on American unity, that fire-fighting equipment has been bought. All well and good, but how about those practice air raids and other practical things like them?

We realize that there are many well-meaning people working on the council and meetings are being held, but for our sake will you please let us in on the dope?

Things We Never

(Continued from page 1)

on their jackets? There's only one symbol that should be worn by any loyal Albrightian and that's the Lion or the letter A. How does Mrs. Smith gain the confidence of men students so quickly? The cookies and helpings in the Home Ec lab may explain a lot of things. Why can't students in the infirmary have visitors? They need

sympathy and cheering-up like any other sick person.

Now, tabulate your score. There are 13 questions. Subtract the number right from the number wrong. Deduct 5 for the hints we gave you. Also, take off the ones you copied. Don't worry about passing. The highest grade ever made was by Oscar, the Kappa skeleton. He got a minus four.

LITTLE THINGS

Prof Green's Saturday hikes . . . Miesse's enthusiasm . . . The friendliness of the library . . . Wash Maholick's Indian jacket . . . customs . . . The aromas of the home ec lab . . . Shorty and Steck in lab coats bulging with files, scissors, and spatulas . . . Gretchen's bangs . . . Turning the corner at Selwyn Hall on a windy day . . . "Mean to Me" . . . mystery balls . . . Polly and Bob . . . Dewey's set shots . . . signing out in the girls' dorm . . . Pat Nappi as Mussolini . . . The placidness of stretching out on the lawn in the spring . . . The station wagon . . . The thrill of getting an "unknown" . . . The "bats in the belfry" . . . Johnny Durko as Wee Bonnie Baker on stunt night . . . Jerry marching with the band . . . Kathy Muhs' originality . . . the achievement of distilling our first gasoline in freshman Chem lab . . . "The Return of the Native" . . . Dr. Doubs' playing football at the frosh breakfast . . . By ANNE ONYMOUS

The age of chivalry is fading away. At the Muhlenberg game, Mike sat on the seat. But maybe Betty likes to sit on the floor!

Did you see Les Wolf "Kurtzy"-ing at the game?

Mike Dutzer must be in a fog. Imagine not knowing F. and M. won the title (as usual).

Art McKay, entering the Albrightian office: "Is this the hotbed of sedition?" (As if he didn't know!)

What percentage is there in your necking together, Melick and Pokrass, especially at this coed institution?

No, those pledges haven't been out on benders to get those beer noses; they've been pushing pennies, no less.

The daymen smoked a little rat out of their closet but just a little "bit" of one, nothing to worry about.

Leinbach and Derr are planning to open a grill in the near future. They are inspired by the addition of a Pepsi Cola machine to the "Daymen's Luncheonette."

I wonder if those Lafayette boys knew June Hausman was a "home town" girl.

Don't consult Lamar Derk or "Diets" Fotteiger about Pennsylvania transportation facilities—they're prejudiced after that trip to the Poconos.

In the Groove and Out Again
Deep in the Heart of Texas
—Dr. Cook.

Dear Mom—make a bigger cake next time.

Moonlight Cocktail—a coke with a lemon.

I Don't Want to Walk Without You—what every pledge sings to his pledge pin.

Humpty Dumpty Heart—mine after that Muhlenberg game.

Blues in the Night—a mid-semester exam in the morning.

I Said No—I'd rather study.

When I See Elephants Fly—I know I've done too much calculus.

We Did It Before—got deficiencies.

This Is No Laughing Matter—the speeded-up schedule.

A String of Pearls—Irma People's teeth.

Breathes there a man with hide so tuff who says two sexes aren't enuff?

No Truer Words Spoken

They find fault with the editor

The stuff we print is rot;

The paper is as peppy as a cemetery lot;

The rag shows rotten management,

The jokes, they say, are stale;

The upperclassmen holler,

The lowerclassmen rail.

But when the paper is issued,

(We say it with a smile)

If someone doesn't get one

You can hear him yella mile.

—St. Mary "Fagots."

There will be special musical selections sung by Paul Kimmel. Geraldine Bowker will be in charge of devotions.

Faculty

The Albrightian presents Miss Esther Fenil, Assistant Spanish professor. This graduate of Albright received her M.A. degree recently from Columbia. This lovely personality is particularly distinguished by her skill at repartee.

Dean George W. Walton was the guest of honor and the speaker at the annual College Day Assembly at Northeast Junior High School Friday, March 6, 1942.

The Faculty cooks, otherwise known as the Faculty Dames, will entertain the hungry faculty men at their annual Smorgasbord in the College Dining Hall Saturday evening. In a patriotically decorated setting, the men and women will devour a variety of foods including shrimp, herring, baked beans, raspberry sherbet, frozen salads, cheese crackers, and olives. Stuffed with these delicacies, they will attempt to participate in some mysterious surprising diversion.

Dr. Raphael Fenil will teach two additional courses next semester, Intermediate and Elementary Portuguese.

Wetzel To Speak

The Reverend Daniel J. Wetzel, pastor of the First Reformed Church, will speak on the subject, "How Temptation Works," at "V" Lenten services next Tuesday evening, March 17, at 1:15 p. m.

Michaels Leads Frat Scorers

Orchids to a fighting and cleverly coached Franklin and Marshall basketball team for copping the Eastern Penn Collegiate League Conference the second straight year. No one dreamed that the Diplomats had a chance this year after losing four men from their starting five by graduation. But the Dips came from behind in the closing weeks to vanquish Albright and Muhlenberg twice and take the crown.

Albright rooters have to be content with repeating the old sports slogan, "Wait until next year." It shouldn't have been, for practically every expert felt and still feels that Albright was better than their record of eight wins and four losses leaving them to finish in a third place tie with Gettysburg. There are a lot of reasons for the downfall—so take your pick.

It was nice to see conscientious Sam Sehl elected honorary captain of the cage team for the past season. The only senior on the squad, Sammy proved a valuable relief performer at center and guard.

Hail Dick Shollenberger again! The smooth junior finished the basketball campaign with a total of 274 points in 20 games. With Bucknell's sensational George Haines ousting Dick as the E. P. C. L.'s leading scorer, Dick had to be content with third place behind Ralph Mease of Lebanon Valley.

Kenny Hopkins had the highest single scoring mark of the season with a 27 point effort against Ursinus. The individual scoring records for the team are as follows: Shollenberger, 274; Dewey Boltz, 194; Ken Hopkins, 170; Bill Spangler, 147; Bob Rhoads, 143; Sam Sehl, 29; Jim Kane, 22; George Horn, 20; George Manderbach, 19; George Urosevich, 15,

Gridders To Play Ten Games; Freshmen Eligible For Varsity

Lions Will Play Service Elevens

The War finally has caught up with the Albright football team. With the announcement Wednesday that the Lions will play ten grid contests in 1942, two with service teams, also came the ruling that freshmen will be allowed to participate in varsity contests. Another feature is the record number of eight home games. The Roaring Lions will face P.M.C. and Moravian in their only starts on foreign soil.

Albright's athletic council decision to allow the freshmen to play is in step with the lead taken by many major college elevens. The ruling will stand only for the 1942 season.

New opponents for the Lions will be Shippensburg and Mansfield, both state teacher elevens. Bucknell, Carnegie Tech, and Millersville were dropped from the new schedule. The Red and White will meet their traditional rivals, Muhlenberg, on Thanksgiving Day.

Who the service teams will be is still a question for it is impossible for army or navy officials to schedule games in advance. However, Coach Lone Star Dietz has been in contact with the service officials and expects to land two topnotch teams.

- *Sept. 18—Service team, here.
- *Sept. 25—Shippensburg, here.
- *Oct. 2—Mansfield, here.
- *Oct. 9—F. & M., here.
- *Oct. 16—Service team, here.
- *Oct. 24—Moravian, away.
- Oct. 31—West Chester, here.
- (Home-Coming Day.)
- Nov. 7—P. M. C., away.
- Nov. 14—Lebanon Valley, here.
- Nov. 20—Muhlenberg, here.
- (* Night games.)

and Paul Leinbach, 7. Team total was 1,040 against 906 for the opposition, giving the Lions the fourth best scoring record among the state's collegiate quintets.

Did you know that Billy Cox, sensational young shortstop for the Pittsburgh Pirates, was a teammate of Leon Steckley's at Newport High School? Cox, the leading hitter in the Inter-State League last season, was purchased by the Pirates from Harrisburg for \$20,000. Steckley was the No. 1 pitcher on that high school nine.

Another didya know. Ann DeFarge, the freshman lassie, is the daughter of Stephen Brant DeFarge, one-time star pitcher of the New York Yankees.

Albrightian Poll Picks All-Star Team

Steve Plaskonas Unanimous Choice

FIRST TEAM

Steve Plaskonas, A.P.O. F.
Tony Stish, Kappas F.
Paul Michaels, Kappas C.
Ray Hain, Pi Taus G.
Herb Vogt, Zetas G.

SECOND TEAM

Nick Schneider, Kappas ... F.
Clem Boland, Zetas F.
Mike Plaskonas, Frosh ... C.
Dick Weber, Zetas G.
Bob Bull, Frosh G.

HONORABLE MENTION

Ralph Frymoyer, Herb Derr, Tom Stoudt, Daymen; John Killany and Vic Gighl, Kappas; Willis Helsey and George Morfogon, A. P. O.; Gene Teter, Frosh; and Art Deutsch, Pi Taus.

Steve Plaskonas, husky A. P. O. athlete, was the unanimous choice of the intra-mural league coaches for a berth on the all-star team. The poll conducted by the sports department of the Albrightian, saw Steve amass 12 points in the voting. Two points were given for mention on the first squad, and one for a second team selection.

Ray Hain, Pi Tau mainstay, gathered nine votes to run second to Steve. Paul Michaels, Tony Stish, and Herb Vogt each garnered eight ballots to complete the team.

In the second team selections, Nick Schneider, Clem Boland, and Dick Weber each earned seven points. Bob Bull and Mike Plaskonas received five and four votes, respectively.

Every team in the league placed at least one man on the first five except the last-place Daymen. No first team berths were landed by the Kappas, the Pi Taus, Zetas, and A. P. O. one each.

Platt Leads Girls In Scoring Honors

W. A. Elects Strawbridge Prexy

The girls' varsity basketball team enjoyed a very successful season in defeating five out of six teams played. This was the most ambitious schedule ever attempted by any group of Albright girls. The lone team which defeated the Red and White varsity was Elizabethtown in the first game of the season. Eleanor Platt led the way in the scoring column by registering 72 points in six games. Next year Coach Mosser will be minus the services of five seniors: Esther Whitehead, the captain and backbone of the defense; Elaine Shade, Mary Levan, Jean Bomgardner,

Kappa Basketeer Amasses 269 Points In Eighteen Games

Steve Plaskonas, Schneider Follow In "200" Group

Paul Michaels, the big blond lad who plays a very nice game at center for the Kappa basketball five, again stole the role of highest scorer. Paul ran up a total of 269 points in 18 games for an average of 14 markers per game. The tall pivot man, who has one more game to play, bettered his first half total by five points to lead Steve Plaskonas by the same amount.

Close behind the league leader is the unanimous all-star choice, Steve Plaskonas, who sank 82 field goals and 8 fouls for a total 172 points scored in the second canto. This mark, the highest for the last half of action, gives Steve a season's total of 264. The husky A. P. O. center has one more game to play.

Also figuring in the coveted "200" group is Nick Schneider. The aggressive Kappa forward compiled a total of 220 markers to warrant third place in the league's scoring.

In team scoring the Kappas head the column with 921 points. The A. P. O. follow with 891 markers. Behind the two leaders come the Zetas, 746; Frosh, 686; Pi Taus, 637; and the Daymen, 602 points.

Name	G.P.	G.	F.	Pts.
Michaels	18	127	15	269
S. Plaskonas	17	121	22	264
Schneider	19	99	22	220
Bull	18	90	7	187
Weber	14	76	25	177
T. Stoudt	13	69	8	146
M. Plaskonas	15	65	12	142
Hain	10	65	7	137
C. Boland	16	58	13	129
Sash	9	58	9	125

and Kitty Gelb.

Individual scoring:

Name	G.P.	G.	F.	P.
Platt	6	31	10	72
Shade	5	12	9	33
Bomgardner	5	9	7	25
Potteiger	5	1	4	6
Laverty	1	1	0	2

Thus far three games have been played in the intramural league. The sophomores defeated the Frosh 32-15, the Mu's defeated the Pats, and the non-sorority day girls overcame the non-sorority dorm team.

The schedule for the remaining games is as follows:

- Friday, March 13—Mu's vs. Non-Sorority Day.
- Monday, March 16—Non-Sorority Dorm vs. Pats.
- Tuesday, March 17—Juniors vs. Seniors.

The W.A.A. recently elected the following officers—President, June Strawbridge; vice president, Betty Laverty; secretary, Lucille Griswold; treasurer, Joanna Wentz. They will take over their duties at once. Class representatives have been elected this week.

JOURNAL OF SCIENCE

BY DENNIS STRAWBRIDGE

Dr. Dillon—Entomologist

Last Monday evening the Skull and Bones Society of the college held their regular monthly meeting in the chapel. The meeting was high-lighted by the presence of Mr. Dillon of the Reading Public Museum and Art Gallery.

Mr. Dillon spoke to the group on the topic of "Taxonomy of the Insecta." Mr. Dillon said that all insects are divided into 26 orders, each order bearing specific characteristics for the grouping of different species. Of the 10,000,000 species of insects thought to exist, only about 600,000 have been classified by the entomologist.

It is interesting to note that many of the insects are classified according to their wing structures and metamorphosis throughout their life history.

Few people realize that the larvae of many insects live in stream beds, breathe by means of gills, and often spin webs under water. These underwater webs act as a filter by which the larvae is able to obtain minute particles of organic matter as food. Mr. Dillon stated that few animals show as much variation and adaptation for carrying on life processes as the insects.

This meeting was a real treat for all who attended as Mr Dillon illustrated his lecture by numerous slides of the insects.

Marion Myers—Lab Tech

Marion Myers, a senior student of laboratory technology, announces her acceptance at the Abington Memorial Hospital to the position of laboratory technician. Four years of toiling in biology labs, dissecting many specimens, and learning intricate biological procedures have finally been rewarded. We wish Marion much success.

Science Alumni

This past week Mr. and Mrs. Theodore Purnell visited on campus. Mr. Purnell, an alumni of the class of '32, is now teaching biology at the Quakertown High School. Mrs. Purnell was formerly Betty Wolfgang, a home economics major of the class of '32.

Social Calendar

Friday, March 13
10:00 a.m.—Chapel for American Unity Committee Program. Motion Picture-Lecture by Prof. Buckwalter on "Mexico."

You CAN HELP SPEED THIS VITAL WAR-TIME SERVICE!

Every telephone user can help to keep lines open and speed the service by following a few simple rules:

- 1 Be sure you have the right number before you make a call.
- 2 Don't ask "Information" for numbers that are listed in the directory.
- 3 Answer all calls as quickly as possible.
- 4 Be sure to "hang up" after each call. Don't let a book or anything else hold the telephone "off the hook."
- 5 If you can conveniently call at other times, try to avoid making Long Distance calls during the peak periods of telephone traffic—9:30 to 11:30 A. M., 2 to 4 P. M., 7 to 8 P. M.

Thank You!
