## **NEOS CELEBRATE 70TH ANNIVERSARY IN ROYAL FASHION**

Program Last Friday Night One o Exceptional Merit-Consisted of Lit-erary And Musical Numbers

Last Friday the Neocosmian Lit-erary Society celebrated their 70th birthday, by presenting a well-bal-anced, interesting, and instructive anniversary program in the college chapel, beautifully decorated for the

The anniversary, as is usual be-cause of the peculiar time of its celebration is one which was attend-ed by the dignitaries of Albright. Old grads, old faculty members, as eed by the dignitaries of Albright. Old grads, old faculty members, as well as recent grads, present faculty members and students turned out in force to hear the program. The fact that the anniversary celebrated was the seventieth, filled the hearts of a number of alumni with a strange thrill of pride, they stated later, as they considered the lore and the tra-dition connected with the literary so-cieties of the college. The fact that both of the enen's societies have now passed their seventieth milestone adds prestige and honor which can be credited only to time tested institu-tions of proved value, was one of special note to them at the present time when there is talk of a change of location in the air. But the anniversary speaks for it-self. Despite the fact that it got away 'o a late start, because of the watts' basketball game played imme-diately preceding, the evening did not seem long or drawn out in the least, for the program had both of these saving features—it was short, i.e. relatively so, and it was "snapp." After Dr. Weber offered invocation, Edison O. Bates, vice-president of the society gave the audience a hearty welcome to the alumni, mem-bers of the other societies and friends of the society who had assembled to

#### "PEPPY" PEP MEETINGS **DISPLAY GREAT SPIRIT**

Pep Meetings On Saturday In Chape And Dining Room Show That Old Albright Spirit Is Still Alive

Saturday morning a few students and Alumni gathered for the pep meeting of students and alumni which had been announced. As there were so few there it was decided to change it into a informal confer-ence and to hold over the pep meet-ing until the dinner hour, in order to secure as large an attendance as possible. Dr. Heck, president of the Alumni

Dr. Heck, president of the Alumni

possible. Dr. Heck, president of the Alumni Association opened up the meeting by saying he was disappointed by there being so few alumni back, but was glad they had as many as were present. He wished that all the stu-dents could have been at this meet-ing, as two old grads, members of the Trustee Board, and the Commis-sion from Albright and Schuylkill trustee boards would speak concern-ing the present status of both schools. He then called on Dr. Winters '99. Me stated that the time was come when everything thus far known by those in authority should be no long-re kept secret, but should be put be-fore the students and faculty. He students would be done in the near future. He then stated that the name of the school would be Al-night, and that the traditions and institutions of Albright would go to the merged school if the students themselves keep up the spirit and in-situtions, and bring them along **(Goused On Prev True)** the merged school if the students year will be no exception. themselves keep up the spirit and in-stitutions, and bring them along have been busy for quite some time, (Continued on Fage Two.)

Grads Answer Call of President of Alumni Association By Returning In Force For Annual Meeting ENJOY UNDERGRADU-

ATE HOSPITALITY

ATE HOSPITALITY Returning in greater numbers than ever before, the Alumni Association of Albright celebrated their biggest and best mid-year assembly in his-tory. It is true that the old grads did not treck back as had been hoped by the president of the association and others who were planning for a meeting, the like of which had never been experienced in Albright for years. But on the other hand it is true that the success and glory of the assembly rose far above that of the level of former years, which portend-ed a very great hope for the future. The officers of the society realized one thing—that the rut of former years no longer existed—and that the alumni meetings could be made in-teresting and attractive.

teresting and attractive. The gala occasion began Friday afternoon when the assembly met for the first official meeting in Excelsion Hall when the ballots were counted for the alumni member of the trustee board which is annually elected at this meeting. Clarence D. Becker, of Lebanon was re-elected for a two year term. Almost one-hundred and fity ballots were returned by the alumni—almost fity more than the minimum legal number for an elec-tion. Other important business was transacted, among which was a de-cision to consider a purchase of an transacted, among which was a de-cision to consider a purchase of an intercollegistic debating trophy to stimulate interest in the forensic ac-tivity at Albright. After this meet-ing adjourned, the alumni treked down to the dining hall where a spec-let the state of the state of the state. down to the dining hall where a spec-ial table was reserved for them, and where they celebrated and ate as they had done in years past—within the friendly confines of Albright which gave them a rousing welcome as they streamed in the large dining

room. At seven o'clock that evening the alumni helped fill the college gym to overflow in witnessing the impressive victory which the grits court team scored over their old enemies and last year's victors—Millersville Nor-mal. After that, they were treated to one of the finest entertainments of the active covering the Neueron to one of the finest entertainments of the entire occasion—the Neocos-mian anniversary, in which the young-er men's literary society of the col-lege celebrated their seventieth birth-day. That night witnesed a great get-together for the "old grads," and as Paul Price put it, "the recent grads", who were seen talking with each other in all corridors of the building. This evening was also the occasion for the "frat" reunions (Continued On Page Four)

S. Berengaria, largest steam-er of the Cunard lines, and sister-ship of the Aquatania. At the beginning of the week, Dr. Bowman had not completed his plans for the trip, but he intends to tour France, Germany and Switszeland. He president does not know the exact date of his return, although he ex-pects it to be about the first of April or a little later. At that time he was busy making preparations for this is the first time Dr. Bowman has visited Europe since 1922 when he made a cruise of Mediterrenean. This is the first time Dr. Bowman has visited Europe since 1922 when he made a cruise of Mediterrenean. This inte, however, his tour, as he will traverse Northern Europe rather than the southern portion. The Bulletin will try to keep in touch with Dr. Bowman in his tour, and will keep the Bulletin readers to formed of his progress in the old world.

## ALUMNI-STUDENT SOCIAL HELD IN MOHN HALL

Grads And Undergrads Enjoy Great Time Saturday Afternoon—In-teresting Program

On Saturday afternoon, as was scheduled, the alumni and under-graduates of Albright met in the new reception Room of Mohn Hall to en-joy a social time together. This was the first event of its kind held during the Alumni Mid-Year Assembly. De-spite the fact that both the chess team and the mens' basketball team were away, the meeting was well at-tended, and was the occasion for a very lively time. It helped greatly in making the week-end program more attractive for the alumni. Glyn Morris, president of the Y. M. (Gontaued On Fago Two) DFADINC CHESS CILID

#### **READING CHESS CLUB DEFEATS ALBRIGHT IN** WEEK-END CONTEST

Put on their guard by their unex-pected defeat at the hands of the Al-bright College chess players two weeks ago, the Reading chess club defeated the college men by an 8-3

defeated the college men by an 8-3 score. Miss Garlach, John Youse and Mar-vin Yiengst were the only Albright players to win. The next match on Albright schedule will be with Ur-sinus next Saturday afternoon at Myerstown. A week later the two teams will meet at Collegeville. To help whip the college team in-to shape the Reading players will play them informally several times during the next month. Scores: Albright: Towsen, 0; Able, 0; White, 0; McCracken, 0; Youse, 1; Yiengst, 1; Loucks, 0; Miss Garlach, 1; Martin, 0; Kneller, 0; Scinhart, 0; Reading: Houck, 1; Moyer, 1; Schleicher, 1; Levan, 1; Hernan, 0; Neyer, 0; Heizman, 1; Bowen, 0; Meyer, 0; Heizman, 1; Bowen, 0; Hugett, 1; Levan, 1; Moyer, 1.

Trustee-Pres. Bowman Speaks About Merger With Schuylkill

These ballots which were returned

where visiting alumni were served a delicious meal at a table reserved for them by special arrangement of the program committee.

After the supper hour the Asso-ciation again met in Excelsior Hall for the transaction of any further business to be brought before the Mid-Year Assembly.

# Mid-Year Assembly. cause of insanity." It is rumored that Judge Newcomer tampered with the jury in order to cover up his episode with "Mopsy" which was milar to the charge made against Davis

Davis. Part two opened with three red-hot jazz numbers by Servey, trumpet, Gunther, banjo, and Miles, piano. Their lively strains of music provok-ed round after round of applause, and it was not until the third pre-mutation that the device of the ar entation that the desire of the audience was appe ased.

dience was appeased. Leon C. Hood was the next per-former. In his own inimitable style Hood presented the situation out in Chicago as is being created by Mayor "Bill" Thompson in his anti-British history crusade. As eighty percent of the Albright grads are teachers, he asked what should be the history's teacher in regard to the questions which Thompson is stirring. Should we teach that Washington was a trai-tor? That Patrick Heary, Samuel Adams and Thomas Paine were soap box orators? That Alexander Ham-ilton was a demagogue? That the heroolution was illegul? That its heroes were simply rebels? Hood suggested that school pupils be taught the truth, but then asked, "what is truth?" Whose truth should be taught? The American or British? The colonists' or the King's? Frank-plenty of food for thought, thrown out to the audience, many of whom suina numhers by Russell Gottshall Leon C. Hood was the next per-

were teachers or near-teachers. After a rendition of several Ha-wian numbers by Russell Gottshall and Alfred Patrick, playing guitars, and Warren Wadsworth a ukelele, which proved very popular, Glyn Mor-ris sang a tenor solo, "Macushla," and by demand a short encore. These two attractive musical numbers set the stage for the society oration which was delivered by Russell Loucks, president of the society. Loucks chose for his subject "The Quest of Truth." Loucks claimed that both science and religion which are often considged at logger-heads with each other spee endeavoring to find out the ultimate truth, each in its own way. Each choosing different methods, but are headed in the same general direction-toward the truth-which they must reach together. The orator stated that it was inconceivable to him how there could be any con-flict between science and religion. He advanced some very fine pull-tel-cological views of the cosmos, which he maintained, is being constantly re-velled by science as being the crea-tion of God, who works through a system of cosmic and organic evolu-tion to achieve the present state of perfection which is characteristic not colly of the earth, the Copernican solar system, but the entire cosmos. Such perfect cooperation and action which is being observed by scientists could not possibly have been acci-dental; it mus the teleogical or pur-posive, the great force behind s-we controlling all being God. He weld that the universe is temporal rather than static, that it is chan\_teg, and evolving. But in this ~nge there is order. God is ~notion this whole change or voluton, and thus derives perfect. This handiwork of God which is manifested every-where is simply explained and inter-preted by science. At the conclusion of the oration the chords of Alma Mater were struck and sung with a spirit by the audi-coc, the exits were opened and the aventieth. Neo anniversary became

seventie history.

- (Continued From Page One) if they no longer were to be what they were intended to be, and prom-ised that if it was a failure there would be a streak of dust from My-erstown to Mexico. It is tireless efforts were not with-out their rewards. Despite the fact that it was not what he had hoped it might be, it was without doubt the most successful in history—which is something worth while. During the entire two days that the assembly was in progress, Dr. Heck was here, there, and every-where, lending assistance, giving sup-port, and helping the work along. He was a guiding hand to the entire af-fair which prospered well under his efficient leadership. His inspiring speeches made from time to time, es-pecially on Saturday noon filed the entire student body with cheer and hope.

AN IDEAL VACATION JOB

SHOULD BE PROFITABLE, ENJOYABLE, AND EDUCATIONAL

Students are earning exceptionally good wages selling Donald Brushes. In many instances students have earned more than a year's expense at College, during the three months of Summer Vacation.

Students find selling Donald Brushes a pleasant occupation. Salesmanship as learned by actual experience in the selling will be of great value later in your professional life.

The Donald salesman is able to offer real service to house wives as the highest quality material and workmanship go into the manufacture of all Donald Products. Every Donald Brush bears our trade-mark of Quality, is fully guaranteed and endorsed by the Good House Keeping Institute.

THE DONALD BRUSH CO., Inc.

A letter of inquiry will bring details of proposition to students.

My Dear Fellow-Alumni:— My confidence in you and the stu-dent body was not misplaced. We really had a fine time over the week-end of Feb. 3rd and 4th, and those of you who failed to return missed

finds many of the present students

May I confess rather keen dis

May I confess rather keen disap-pointment over the fact that so few elumni found it convenient to re-turn for a day or two. At the same time I want to express a feeling of great pleasure and satisfaction in the knowledge that this has been the best attended and most interesting and enthusiastic mid-year assembly that the association has ever had. For myself, I enjoyed the happiest two days at Albright College since I left a few years ago. We certainly were "on our toes" every minute. The students cooperated most effec-tively in every way and I feel that much creait is due them, especially the student leaders for the success of our Assembly.

the student leaders for the success of our Assembly. The business meeting proved to be of unusual interest. The girls basket ball game was thrilling. The "Neo" anniversary was observed in a worthy manner and provided an enjoyable hour. Our "pep" meeting on Sat-urday morning showed lack of inter-est and a small attendance, but this

## ALUMNI ASSOCIATION TRANS-ACTS IMPORTANT BUSINESS AT MEETING

#### (Continued From Page One)

(Continues From Fage One) which was a matter in which all present were deeply interested. Dr. C. A. Bowman, who was oblig-ed to leave us at this time, upon invitation of the president, also addressed those present. He express-ed his appreciation of the presence of all those alumni who had been able to return for the Mid-Year As-sembly, spoke briefly on the merg-ing of the two institutions and added a plea for the loyalty and support of the alumni looking toward a Greater Albright, a bigger and a bet-ter school than either of the merg-ing entities.

Ibmitted. There being no further business, he meeting adjourned on motion. Martha M. Wray, '18, Secretary. the

My friend Niagara Ned claims lots men is like narrer-necked bottles; e narrer they be, the more noise ey make pourin' out their con-nts. the n they tents.

(Continued From Page One) team might be proud the Red and White girls played a game which brot excited cheers from the crowd and kept the Millersville girls on their toes every minute of play. Although the Millersville team was often out-played and outpassed by the Albright sextette, they showed a fighting spirit and stick-to-it-iveness that was not to be subdued. They played hard and went down fighting. The new combination that began the game for the Red and White show-ed fine passing and helped to double the score against Millersville. "Rae J." Painter, and "Po" Wilkes at cen-ter and side center kept the ball in the forward section and were out-standing factors in the victory. Capt.

the forward section and were out-standing factors in the victory. Capt. Dech and "Dity" Stauffer rolled up the score in fine fashion while Dechie got back into her old stride by cag-ing 10 out of 14 free shots. "Clara Ray" Wilkes, and "Three Foot" Han-gen, a new find in varsity basketball took care of the Millersville forwards and played the bask decards.

Ray" Wilkes, and "Three Foot" Han-gen, a new find in varsity basketball took care of the Millersville forwards and played the best defensive game of the evening. The second half found a shift in the Red and White line-up. "Rae J." went back to her old position as guard, where she played her usual speedy aggressive game till she was eliminated via the foul route. Ditty Stauffer jumped center with Flo Wilkes as her plucky fighting part-ner, and showed her ability to play either position with ease and confi-dence. "Detty" who has been going good as offensive mate to Dechie, came in and aided in piling up the score. Throughout the game Clara Wilkes' guarding was conspicuous. Although the spectacular shooting of Capt. Dech caused much deserved comment the victory came as the result of the hard work and coopera-tion of every Albright girl on the foor. Each girl on the Van Duzer team held as important a position as every other and contributed her full share to the victory. The victory Friday night has brot with it added inspiration, and the Red and White girls are practising hard with the L. V. C. game in view. The girls have proven that Millers-ville is not unbeatable as many sup-posed and are eager to get into the fray with the Blue and White, Watch them go, gang. On to Lebancn Val-ley! Line-up: A. C.
