Special to Music Lovers

All who heard "The Seven Last Words" sung last week seem to concur in the feeling that the mixed chorus accomplished well its purpose of bringing its audience an intense realization of Christ in their lives. To the chorus, the fine soloitst, and Professor Duddy go our heartiest congratulation and "Well done."

It speaks well for Albright's love of music that the chorus which has brought us some of the best music on campus this year should be a heterogeneous grouping of trained and un-trained voices held together only by their love of good music and their love of singing. That a group which is completely vol-unteer and not even officially organized can unite to produce such beautiful harmony certainly signifies that those people love music.

Music. We know there are many more people on campus who have the same appreciation for music. They do not sing or play, but rather are those who would compose an appreciative audience for those who perform. It is regrettable that more of these music lovers were not at the performance of "The Seven Last Words," they have missed a great experience. Their chairs were much more obviously vacant on the night of the Student Council Music Night when a fine program was presented.

We do not know why these people missed these programs; we are sure it was not because they do not love music. They will have another chance to prove that appreciation at the an-nual spring musicale on May 16. We hope they will not miss their cues then.

Special to Herb

Yes, the Library has heard of the marvelous inventions of Edison, but unfortunately, the lights in the Library are somewhat in the same class with the dirty chimney flues and leady plumb-ing-there just aren't enough skilled workmen to fix them. Li-brarian Josephine Raeppel sent us a special bulletin after last week's issue to inform us that the Albright College Library has been on the electrician's list for several months, and is expected to get around to us very soon. Then, there shall be light!

Special to Politicians

Among the many active organizations on campus which have been coming into the news limelight frequently is one which has done especially interesting and significant things this year. This is the International Relations Club, that small group on campus that takes its world politics seriously. By now you must have read the account of the Saudi Arabia delegates from Albright who attended the model UNO conference at Lafayette College in March.

That these students take their world citizenship seriously, there can be no doubt: we commend them for their studied open-mindedness, their sincere attempts to understand the problems of today, and their determination to find the answers for tomorow.

Special to all Albrightians

Lest some of you forget because of the lack of electioneering that there is an election—a major election—this Thursday, let this serve to remind you. We could editorialize at great length upon the importance of elections. But let us merely say that in the student body of Albright, there is a democratic government functioning. The degree to which it will function well will be determined by the thought you give before you put down those x's. You are electing your own leaders. So don't lose that ballot in the back of your math book. Mark it carefully, and get it into the ballot box.

THE ALBRIGHTIAN

BY ANNE ONYMOUS

This new Spanish play that everyone is talking about has brought some of Albright's hidden talent to light. Paul Siegfried has proven to be a Sinatra, and not to be outdone, Waid Rowland has de-cided he'll be Bing.

Everybody wants to know how Betty Fielitz and Carolyn Powers can get along since they are both soprano stars. But then Carolyn has a husband and Betty has Art High, so why shouldn't they share their "High Art."

Fred Allen says, "You write these things on Wednesday, and by Sun-day they are history." Well, just day igine what they would be on esday and you have my dilemma. imagine By the time the paper came out last week Latta had taken second place in Red Lamberson's heart. whole period. Have you kids noticed Lynn Parr today? She is one of Albright's feature attractions, and that chic, contrasting brown and cream suit ahe has on is one of her favorites. The alligator bag that ahe is carry-ing is "just something" she picked up in Paris. We vote her best dress-ed co-ed for the day.

Reporter Who Interviews Dr. Whit D. Ghuy Finds World Humor Situation Depressing

Yesterday word came to me that a owned personage was stopping at owntown hotel, one Professor it D. Ghuy, a Fellow of the Whit D. Academic Comique, world-famed ex-pert on whimsey, and author of a seven-volume compendium entitled "Applied Anthroscopy." Prof. Ghuy is universally familiar as the man is universally familiar as the man who_traced, after seven years of ex-tensive research, the origin of the "Who-was-it-that-I-saw · you · with last-night" gag. His findings reveal that the joke in its present form is simply a variant of the original dis-covered in hieroglyphics of the anci-ent Drollery Civilization.

Our sensibility for the bon being on a par with the best of the local punsters, it would have ill behooved us to neglect this opportun-ity to interview an acknowledged authority in the field.

Except for the somewhat suspici-Except for the somewhat suspici-ous eye of the trolley conductor re-sulting, perhaps, from our tendering an obsolete transfer coupon, the ride was otherwise unhampered by the conventional world, and pad and pendl in hand we were knocking at the door of our interviewee. The response was immediate, and after a cursory (?) identification of self and purpose, the professor unhered and purpose, the professor ushered us into the room and onto a seat, muttering something that ended with "awfully busy."

with "awfully busy." The melancholy mien and sombre garb of our host did not coincide with our ideal of the sage of the jokesniths, but as discretion is oc-casionally the better part of inter-viewing, we stifted our rising curi-osity. The professor, apparently not over zealous about the whole thing, began immediately aborting our pre-pared list of topical queries. It is regretted that our record of Prof. Ghuy's remarks is not verba-

It is regretted that our record of Prof. Ghuy's remarks is not verba-tim and that the reader must be offered the abridged account that follows. Speaking in a solemn man-ner the professor said that he had just completed a "Master Peace Through Laughs Plan." Continuing with the details of his brainchild with ardor, the flow from the profes-sor became accelerated. We were

This week, Dandy gives an extra mellow roar for the senior with the extra mellow voice. This voice ooze extra mellow voice. This voice oozes out of the loudspeaker during those "behind the closed curtains" chapel programs, blends beautifully in the mixed chorus, and adds its volume to the male quartet. The man be-hind the voice is Robert H. Schnei-der—Bob to most Albrightians. Bob is a philosophy major and a dorm student, hailing from Pottstown, and can be seen flitting hither and yon

⁷ is a philosophy major and a dorm student, hailing from Pottstown, and can be seen flitting hither and yon on campus most any time of day. ⁷ Some of the varied activities that keep him flitting are PI Gamma Mu honorary social science fraternity, Kappa Tau Chi, ministerial fratern-ity, of which he is president, his duties as chaplain of Zeta Omega Epsilon and his vital interest in the r Y. M. C. A. and the choir. Bob was also responsible for much of the success of the W. S. S. F. drive, of which he was chairman. The upperclassmen on **The Al-brightian** staff will remember Bob's distinct interest in that campus pub-lication last year, with emphasis on the editor-in-chief, M. J. Weber. With his smooth voice and equally smooth manner, Bob is a Dandy Lion and will surely make a mark for himself in his ministerial career.

overwhelmed but have salvaged the following. "The international situation is

very grave ... the world isn't laugh-ing often or loudly enough ... a renaissance of humor must take Place in the comic strip . . . dis-patched a recommendation to the UNO that the formal opening of each session should be preceeded by something of a humorous nature . . . each session should be preceden by something of a humorous nature ... colleges, too long, have neglected in-troducing Humor as a required sub-ject ... Harvard is at present con-sidering my proposal for installing a chair in Humor: its evolution and application ... and I speak advisedly when I propose that our only hope for future prosperity, international peace, and free enterprise lies in the electing into office a comedian-presi-dent, and a waggish congress. It is appalling that but one member of Congress-Senator Claghorn — has picked up the challenge and entered the field of comedy ... status quo of comedy is nothing to laugh at." At this point we politely inter-

of comedy is nothing to laugh at." At this point we politely inter-posed an inquiry as to the profes-sor's great work: "An autobiog-raphy of the most quoted man in literary history, the pattorn of the wits of the world, the Father of the Modern Gag-Joseph Miller."

Modern Gag—Joseph Miller." The professor was evidently de-pressed over the state of the world, so with a murmur of appreciation we departed, leaving him to his study in blue. Saddened by Prof. Ghuy's lament, we wandered from the hotel low in spirit.

And had it not so happened that an old Marx Bros, picture was play-ing in town, we might still be like Prof. Ghuy, most unhappy about the business of laughter.

By FRED PERFECT

Few, if any, will take the follow ing with any amount of seriousness, nevertheless one out of every ten readers of this article may expect to contract cancer at some time in his life. The authority for this statement was given in the paper pre-sented to the Skull and Bones So-ciety by Rita Duncavage last Wedciety by Rita Duncavage last Wed-nesday evening. The paper dealt with "Cancer and Heredity" and opened with an introduction on the actual phenomena, pointing out that cancer is not a disease but a condi-tion wherein the cells involved grow very rapidly and interrupt the func-tions of adjacent tissues. Any one of the nine systems of the body may be afflicted and tumors have some-times reached the size of forty pounds.

Following the introductory state given to point out that the tendency to contract cancer is definitely in-herited. Furthermore some organs can become more and more suscepti-ble after prolonged breeding of in-dividuals who have cancer of the arran in question.

organ in question. Finally Rita discussed the case, a classic where hereditary is to be in-vestigated, of identical twins and illustrated that not only do identical

twins tend to get cancer at the same time, but the same region or organ is involved in both cases

is involved in both cases. Meg Hendricks favored us with a fine piece on "Cancer and Hor-mones," and after laying a solid foundation through a historical re-view of the subject, ahe took the listener into the field of research. It was thought that cancer in the fe-male might possibly be associated with one or both of the female gonadic hormones, estrong or prosegonadic hormones, estrone or prose-terone. Both of these hormones are secreted by the ovaries and it was (Continued on Page 3)

Council Says:

Student Council decided at the Isst meeting April 4 to change the election of the May Queen so that there will be a separate ballot for the queen and the maid of honor and a separate ballot for the queen's court. The election, which was orig-inally scheduled for last week, will be conducted this week by the Worn. he conducted this week by the Wom-en's Athletic Association, under Student Council's jurisdiction over all college electio

Student Council received the folowing letter from the faculty of Albright:

Moright: "At a meeting April 1, the faculty of Albright College approved the proposal to add to the Student Council two voting members for the Veterana' Club of the College. The action was by unanimous vote." Since this amendment to Council's consti-tution has been approved by the faculty, the next step will be to present the amendment to the general student body for ap-proval, after which it will offi-cially become a part of Coun-cil's constitution.

Student Council voted to drop the suggestion presented by Profes-sor Lewis E. Smith to adopt a "Press Bureau," which would be responsible for student publications. It was felt by Council members that there was no need for such a bureau.

Council voted to give the sum of twenty-five dollars to the World Student Service Fund drive.

The following representatives were absent from the April 4 meet-ing: Marie Bonner, senior class; Margaret Hendricks, secretary; Ruth Rehr, Mus; Fred Perfect, daynen; ber Gutter and State and Stat Ira Custman, daymen; and Irene Fisher, dorm women. The advisors missing were Dean Helen L. Cunliffe, Lester L. Stabler, Professor Consuelo Rodriguez, and Professor Lewis E. Smith.

Cargill, Former Student, Mentioned in Magazine

Mention of John Cargill, an Al-bright student during 1941-43, re-cently appeared in a national publi-cation of the Los Angeles College of BIBLE CLASS Sunday, April 14, Professor Lewis E. Smith will teach the Palm Sun-day lesson, "How Jesus' Friends Re-sponded." Robert Buxton will lead the devotional service. Professor Consuelo Rodriguez spoke last Sun-day on the subject "Friends of Jesus." She pointed out the quali-ties that made him a good friend to all. Marjorie Christ led the devo-tional service. Osteopathic Physicians and Sur geons. Cargill is a student there.

Cargill participated in forum meeting on minority groups, stating that a solution to racial misunder-standing would entail an under-standing of peoples' reactions to-wards each other and an adequate education to provide harmonious at-titudes. The former Albrightian is a native of Jamaica where the Negroes native of Jamaica where the Negroes comprise 92% of the population and yet where the people live in great harmony

REPORTER (Continued from Page 1)

(Continued from Page 1) After all the represented nations thrashed over the problems, resolu-tions and amendments were pro-posed, and a final plenary session was held at which each delegation had one vote on these proposals. The conference was concluded by re-marks from Dr. John Lindberg, con-ference advisor, who also gave the initial address. Another feature of the conference was a panel discusthe conference was a panel discussion on "Full Employment," engag-ed in by one delegate each from In-dia, Chile, China, U.S.S.R., United Kingdom, and the United States of America

America. After dinner addresses were de-livered by Dr. Alastair M. Taylor, executive assistant to the director of Public Information of the United Public Information of the United Nations Relief and Rehabilitation Administration, and Dr. Eugene P. Chase, division of the Dependent Area Affairs, Department of State, Washington, D. C.

Students left the Model UNO con ference with the feeling that nati-should put more emphasis on poi-they have in common, rather th they have in common, rather than on national demands, and that the United Nations Organization could be more effective if it had more jurisdiction in international affairs.

Inquiring Reporter

PAGE THREE

Something new and unusual was introduced to the college co-eds last Wednesday when co-eds last Wednesday when they not only got free cuts but also received much info con-cerning various types of work. To show you outsiders just how successful it was, the Inquiring Reporter has the following proof via these questions:

1. What did you think of the Career Conference?

2. How often do you think it should be held?

Marie Bonner, '46, Science: I nought it was most interesting. For any person not sure of her plans for the future, it offered many good ideas and suggestions. We should definitely have it next year.

definitely have it next year. **Rita Duncavage, '46, Science: I** liked it very much and will be able to use much of the advice for my own benefit. My responsibility with the representatives of Elizabeth Ar-den was one of much enjoyment and satisfaction to me. A conference of this kind should be held every two verse. year

Ruth Leickel, '48, Science: Fine! Wonderful! Very good! Make it an Albright tradition!

Aborgat tradition: Dorace Hornberger, '49, Liberal Arts: I feel that the Conference was good for everyone who attended; it was very educational, and gave us many things to think about. I be lieve it should be a yearly event.

Shirley Sperans, '48, Psych.: The only thing lacking was a forum about positions for those gals work-ing for their MRS degree. A less formal conference every two years would be w orthwhile

Arlene Schell, '49, Math: I think Arlene Schell, '49, Math: I think all the girls enjoyed it and thought it very beneficial. A similar one should be held every year. Elaine Kyle, '47, Home Ec.: Unique! Especially the dash of French... A slick-chick who elick-ed! Have it every year.

Dorothy Bennett, '47, Home Ec.: 'etait grande. (They say that C'etait rench covers everything!)

Elizabeth H. Pottieger, '46, Social Science: The Career Conference was a huge success; it gave quite as much a huge success; it gave quite as much valuable experience to those who planned it as good advice to those who attended it. I would say-have it every other year.

Mu's Spank Pats In Sorority Tilt Pledge Leads Winners As Walker, Schell Star

A slick Phi Beta Mu Sorority bas-ketball team snatched a 11-9 deci-sion from the Pi Alpha Tau sorority on Friday, March 29, to sew up the top rung of the sorority basketball league for the 1945-46 season

In the first half the outlook ap-eared grim for the Mu's as the peared grim for the Mu's as the Pat blue and gold set the pace with a 7-4 score. Peggy Walker sparked the Pats in the first stanza. The second half was quite different with the purple and gold making a gal-lant comeback. The Mu lassies al-lowed their rivals only two foun goals and collected four markers to froshman squad. If this is the case the preliminary games will become and White rooters. With the return froshman Long, Mu pledge, sparked her ball club with 6 points.

Trackmen Work Out; 2 Lettermen Report

Albright's track candidates for the Albright's track candidates for the team this year, the first since the war, are getting in shape down on the field each evening after school. The team will have only two letter-men in track from pervious aggre-gations. They are George Mander-bach, discus thrower, and Sam La-Rue, broad immer. Rue, broad jumper.

Other candidates are Dick Beyerle ving the javelin and John Patrician, ace Hamburg high jumper, who holds a Kutztown record of six feet. Distance runners seeking berths on the squad are Jim Delp from Reading High, John Marquet, a Birdsboro High cross country and mile runner, and Bob Binder, a one and two miler.

Joe Kubisen specializes in sprint-Joe Rubisen specializes in sprint-ing and quarter mile running. Lee Cappel does most anything but shines in the quarter, half mile and pole vault events. Emmett Glass runs the quarter mile and the menter the Guy Widdemark Deal hurdles

Other speedsters are Umberto Tucci, Nevin Follweiler, Kenny Good, Warren Pfost, Bill Beal, and ing that "Pasquale" is connected Newell Wert.

By BILL EBBERT

By BILL EBBERT Albrightians next year will really get a chance to use their sports activity books, for from all appearances Albright will have a full sports program. First of all Albrightians will not have to go to high school games in the stadium to see the gridiron sport, they will have their own team to watch. The complete schedule as yet has not been released but from all indications the traditional opposition will provide quite a few interesting home games for the Albright fans.

will most likely be able to hold an interfraternity basketball league The league did operate during the last few years but on a much re-duced scale.

Track Outlook

By next spring track and baseball should be operating on a full time basis. Even this year Mr. Shirk is basis. Even this year Mr. Shirk is molding a track team that will com-pete in several meets. Another sport that will be operating by next spring will be tennis—perhaps even by this spring. In light of this Albrightians will have plenty of sports in foot-ball, baseball, and basketball. As in the past the girls will have their varsity and intra-mural sports, which were unaffected by the war.

were unaffected by the war. Coming back to the diamond

sport, if possible an interfrat softball league will be organized with four fraternities participating along with the day and dorm-men teams. The schedule and team rosters have as yet not been announced but from all indications the teams will be pretty evenly matched and should provide some pretty keen opposition. Your writer, being partial, refuse to make any public predictions upor the outcome of the league.

Grapevine Stuff

Concerning the new softball loop it is reported by "Larry McPhail' Siegfried that there is a certain in dividual by the name of "Pasquale" mentor that Guy Wildermuth, Dick Beyerle and a few others were

with the Mexican League.

The new W.A.A. cabinet was con pleted this week with the election of class representatives. Alice Albright was selected to represent the seinor class while Jean Borgstrom and Jos-ephine Stahler were picked by the future juniors and sophomores.

future juniors and sophomores. Varsity softball candidates have been exhibiting their potentialities at daily practice sessions. Fielding, hitting, and pitching fundamentals are being stressed as the lassies pre-pare for their first engagement at the end of this month. From all in-dications these provides to he the end of this month. From all in-dications there promises to be a strong infield with veteran Mary Eschwei at first, freshmen Je an Schwartz on second, Marie Bonner at shortstop, and powerful Fay Sheetz on third.

Pitching and catching berths are vide open with Phyllis Ibach, Joan Clark and Adele Boothroyd contest-ing for the catching spot and Phil Stock, Claire Porter, Joyce Hotten-stein, Jean Schwartz and Jeanne Flickinger vieing for pitching duties. Others trying for team slots are; Gloria McKittrick, Jean Borgstrom, Betty Berger, Virginia Woerle, Beth Sanger, Grace Miller, Fran Kachel, and Betty Deibert.

With April has con wers, and stray dogs

Our future gridiron men have started limbering up, our track stars are knocking themselves out and are knocking themselves out and four feminine DiMaggios want to get ready to face some keen com-petition after vacation. Wow-did you see that Babe (like in Babe Ruth) slug 'em? That's Joyce Hot-tenstein. C'mon, lassies-all out for softball! Some students have found that

slipping out of straight jackets is a good exercise to keep fit!! And to our basketball squad welcome to the banquet in your

Council Sets up 1946 Softball Loop In Effort to Revive Intramurals Five Team League to Start Play This Week; Dormitory Squad Faces Player Shortage

Dormitory Squad Paces Player Dhortage Intramural softball of the prewar variety is slated for a comeback this season according to plans laid down by the Interfraternity Athletic Council at their meeting on Thursday, April 4. At the confab it was de-cided that the rules and schedule arrangements of the softball league of three years ago shall be used as a guide for this year's loop. In recent years because of manpower problems the council was forced to abandon the traditional set-up and attempt to run the league on a Softball Schedule The following is the Intra-mural Softball schedule for the 1946 season: Dromotor and the season in the league of the most trouble when it comes to the most trouble when it comes to

low.

Probably the team which will face the most trouble when it comes to the most trouble when it comes to manpower is the men's dormitory outfit with a roster of 10 men. The Dorm team is composed of newcom-ers to Albright softball. Nevertheless Lee Cappel, manager, and Joe Kubi-sen, along with "Red" Glickmen should pack enough power to keep them in the running. Other mem-bers of Cappel's team are: D. Gross, B. Emerich, H. Delp, M. Getz, G. Hertzog, L. Hertzog, and W. Mar-low.

- April Games Date Time Teams Scheduled 8
- 4:30 Dorm vs. Daymen Impires-Major and Pfost 11.
- 9 6:45 Zeta vs. A.P.O. Major and Siegfried
- 10 4:30 K.U.P.-P.T. vs. Day Harting and Cappel
- 15 4:30 Dorm vs. A.P.O. Pfost and Siegfried
- 16
- 6:45 K.U.P.-P.T. vs. Zet Harting and Siegfried 23
- 6:45 K.U.P.-P.T. vs. D. Siegfried and Pfost 24
- 4:30 A.P.O. vs. Dayme Pfost and Major 1:30 Zeta vs. Dorm Harting and Major
- 6:45 A. P. O. vs. K. U. P.-P.T. Cappel and Pfost 30
- 31
- 4:30 Daymen vs. Zeta Major and Harting
- 4:30 Daymen vs. K.U.P.-6 P.T.
- 4:30 Daymen vs. Dorm Pfost and Major
- 4:30 Zeta vs. Daymer Major and Harting
- 14 6:45 A.P.O. vs. Dorm Pfost and Siegfried 15
- 4:30 Zeta vs. K.U.P.-P. Siegfried and Harting 4:30 Daymen vs. A. P. Pfost and Major
- 6:45 Do. t. vs. K.U.P.-P.T Pfost and Siegfried
- 4:30 Zeta vs. Dorm Major and Harting 22
- 27 9:30 K. U. P.-P. T. vs. P. O. Cappel and Pfost
- 0000000 000000 honor on Friday, April 12 ... come, eat, drink, (H2O) and be entertain-ed by Albright's bevy of—but that would be telling.

BAKERY

rucci, and A. High. The Zeta Omega Epsilon Fratern-ity with a host of former intramural softball stars returns to the field as the defending champion. The Zetas performing under the eye of Tom Price, manager, are: G. Manderbach, "Red" Lamberson, J. Brusch, W. Pfost, D. Ertel, B. Buxton, R. Holt-zapple, J. Spindler, J. Patrician, B. Schneider, S. McCleary, J. Laucks, H. Vogt and C. Russ. The Alpha Pi Omega Fraternity

Team Pros

Team Prospects The Daymen's Club under the leadership of Paul Siegfried will have plenty of punch with sluggers like Hops Guldin and Bud Fromuth in its lineup. Other men on the day-men roster are: M. Witman, A. Baro, B. Markowitz, E. Glass, J. Marquet, E. Snook, D. Sailer, U. Tucci, and A. High.

- The Alpha Pi Omega Fraternity under the managership of Butch Harting will have a former all-star, George Morfogen, on hand to bol-ster their efforts. Along with Mor-fogen the A.P.O.'s will have D. Gable, E. Bigler, J. Shafer, H. Hy-man, W. Rowland, I. Mull, J. Wer-ner, A. Markowitz, J. Sklover, L. Kochel, W. Heckler, and K. Good.
- Always a threat and in most cases the team to beat in softball comthe team to beat in softball com-petition, the Kappa Upsilon Phi Fra-ternity, will share their responsibil-ities this season with the Pi Taus. Under the co-directorship of John Lyons and Russ Guensch the follow-ing will take to the diamondi J. Kil-liany, R. White, G. Shollenberger, F. Seifert, G. Wildermuth, I. Smith, R. Beyerle, A. Fisher, D. Starr, R. Sokol, J. Delp, D. Lykens and R. Major. Major.
