## PREFACE

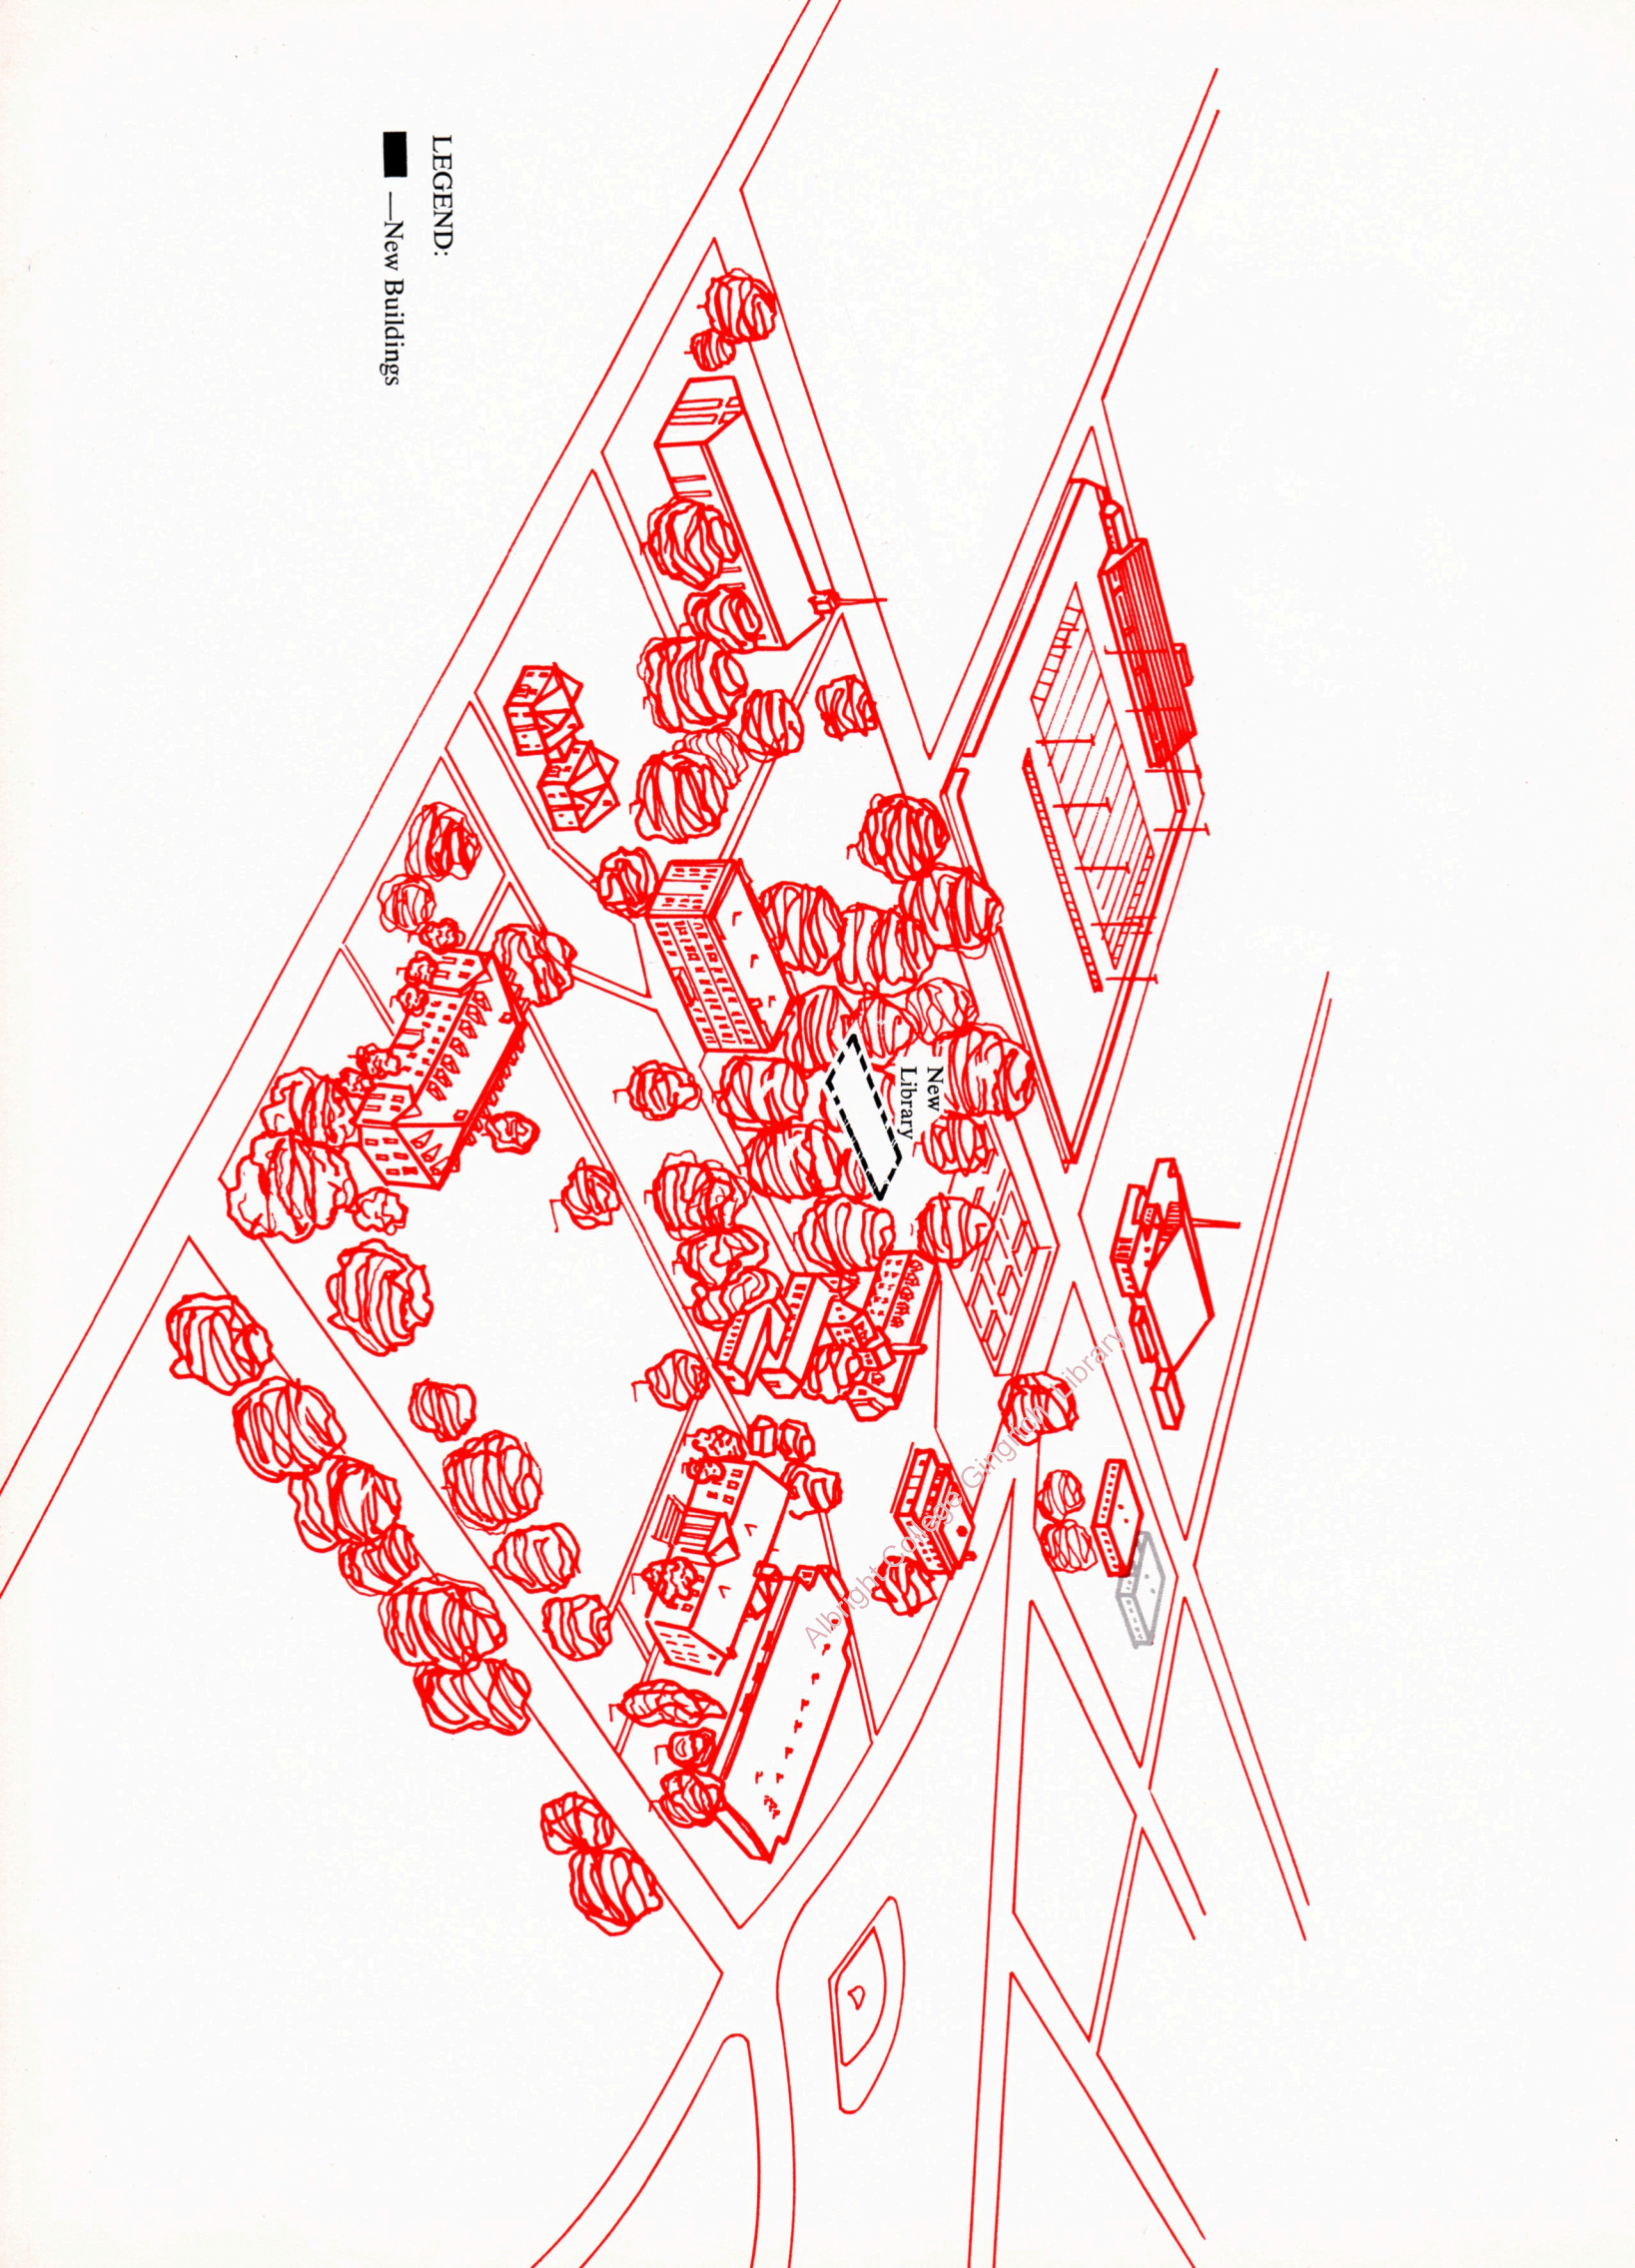

“Times have Changed.”

In today's world, many changes are taking place and so Albright College must keep pace or be forced out of existence. Many changes have taken place in the physical plant of the college and also in administrative policy. As these changes are looked upon with a mature outlook, then we can only come to realize that it is all for the best and for the betterment of the opportunities afforded us by a college education. It is the senior class that well realizes how we will all benefit by these changes.

Thus, with the publication of this year's annual, we have made changes in the format of our book in order to attempt to present our theme—Changing Times.

While the Albright College football team was constantly rolling up winning scores, the cross country team, under the able mentorship of Eugene Shirk, was not faring quite as well. The final record of the Lion Harriers was 1-9 with the one win ironically coming over Moravian. John Grove and Sandy Burkart were consistently the best performers for Albright. They were joined by Barry Goodhart, Walt Pierce, Bob Cotter and Dave Leber among the usual top ten finishers.

For the second straight year, the Lions were able to finish the football season undefeated and in the process, they continued to hold title to the longest unbeaten string in the Nation at 21 straight games. The only game which kept the Lions from a perfect record this year was an 8-8 tie with Moravian College midway through the '61 season.

Once again, it was Gary Chapman, senior quarterback, who sparked the Red and White to continuous victory. For his efforts, he was named to a First Team Little All-American berth. Along with teammate Gary Sheeler, he was also named to the All-State First team.

Much credit for the Lion's football success must be given to the coaching staff consisting of John Potsklan, Jim Doremus and Bob Ford. Potsklan returned to Albright after a brief stay at Tulane University where he had considered taking an assistant coaching job.

The 1961 season began at home against the Muhles of Muhlenberg College. Under the lights, the Lions showed a capacity crowd that they were still a team to be recognized as one of the best in the East. The final score was a smashing 50-20.

The Dragons of Drexel were next to test the Lions. Once again in a home game under the lights, the Lions continued to display a blistering offense by rolling up a 47-6 score for their 15th straight victory over a three year span.

In their first road game, the Red and White traveled to Gettysburg to take on the Bullets in a driving rain storm. The Bullets came back in the second half but the Lions proved to be too much as they came off the field on top of a 37-21 score. Highlight of the Gettysburg encounter was Doug Deicke's 85 yard punt return in the second quarter.

The men of Coach Potsklan got a taste of mid-western brand of football when a powerful Youngstown University team invaded the Lion's Den with the hopes of wrecking Albright's Homecoming. For the third straight year, rain marred the festivities but the score showed Albright winning their 17th straight, 20-6.

D-Day for the Lions came in the form of Disaster Day when the team traveled to Bethlehem to take on the under-dog Hounds of Morvian. The Hounds scored first in the third quarter to lead 8-0. In the final quarter Gary Chapman passed to Doug Deicke in the end zone and then ran a two point conversion to tie the score. Both teams made last ditch efforts to score again but the game ended in a tie, thus ending Albright's chances for a third consecutive championship in the MAC and at the same time snapping their 17 game winning streak.

Lebanon Valley was the next opponent and for the first time, the Albrightians found themselves the under-dogs. At Lebanon, they proved they did not like the role by smashing the previously undefeated Dutchmen 33-6.

The Juniata Indians came to town for the Annual Pretzel Bowl game. They too were looking for the big upset which would give them some revenge for the past two seasons when the Lions ended their undefeated streaks. It was not their's however as they left the field on the short end of a 21-0 tally.

The final game of the year saw the undermanned Diplomats of Franklin and Marshall crushed under a 46-0 score at home. Thus marked the end of the 1961 season and 21 straight unbeaten games which the Red and White will be out to extend next year.

## BASKETBALL

For the second straight year the Cagers of Will Renken captured the Northern College Division Championship of the Middle Atlantic Conference. Although they were dethroned as MAC Champs by Hofstra in the conference play-offs, the team received an at-large bid to the Eastern NCAA College play-offs which were held in the fieldhouse for the second consecutive year. In the opening night's action, Hofstra defeated C.W. Post 56-55 and in the nightcap, the Lions lost a heart-breaker to Mt. St. Mary's 67-64 in a game that was extended into four overtime periods. On the second night of competition, Albright won the consolation round by defeating the Pioneers from Post 65-59 while the Mounties of Mt. St. Mary's retained their Eastern crown by outclassing Hofstra 66-51.

## VARSAITY

Highlight of this year's campaign was the First Albright Holiday Invitational which saw teams from Rutgers, Boston U. and Williams College invade the Lion's Den. When the war clouds cleared, Williams College had overcome a 14 point half time deficit to beat Albright and win the tournament 67-62. Rutgers placed third with Boston fourth in the highly successful affair.

Once again it was Tommy Pearsall who led the team in scoring and who tied the mark as the second highest scorer in Albright history with 1,681 points by the

end of the season. Norm Bautsch was second in the scoring category while 6'7" Bob Holzinger led in the rebounding department. Rounding out the starting five were Norm Ruttenberg and Ray Sommerstad who played instrumental roles in leading the team to its 18-10 seasonal log.

Big victories of the season came over the highly rated Hawks of St. Josephs and the Crusaders of Susquehanna, while the team lost close decisions to LaSalle, Army, Williams, Delaware, Moravian and Bucknell.

## J. V. BASKETBALL

Although the Baby Lions of Coach George Conrad could not come up with as fine a record as their varsity counterparts, several promising players proved their future worth for big-league competition. The Junior Varsity cagers finished the season with a 7-12 record and were led by Tommy Davis who also saw limited action with the varsity during the season. Other members of the team were Grant Krow, John Bishop, Jackie Moyer, Rich Kauffman, Will Kratz, Lew Nevins, Will Leonard, Ed Sullivan, Rich Stitzel, Mike Gross, John McLaughlin and Bruce Ricketts.

# WRESTLING

For the first time in the history of Albright, the wrestling squad was able to compile a winning season with an over-all mark of 8 victories against only 3 defeats. The squad was led by Mike Marino, Bob Melnick and John Poulos who consistently turned in fine victories for Coach Ford. Newcomer John Kutzer also looked impressive after he joined the squad at mid-season. Other members of the squad who saw regular action were: Irv Godboldte, Bill Vogt, Jack Snyder, Mike Goldberg, Jim Morrison and LaRue Knorr.

## 1961 BASEBALL

The Albright baseball team made history for the college by giving Albright its third MAC championship team in one year. Following on the heels of the football and basketball teams, the 1961 version of Albright baseball compiled an 11-5 record and advanced into the play-offs where they were defeated by the University of Delaware, 5-2.

At the start of the 1962 season the team was hopeful of retaining the championship and perhaps bettering their record of last year.

## 1961 TRACK

The Albright College track and field team surprised everyone including their coach, Gene Shirk, as they compiled a better than average 9-5 record during the 1961 season. Consistent winners for the team were Bruce Birkholz and Walt Diehm, who were the co-captains, and Grant Krow. Highlights of the season were the Albright one mile relay team consisting of Birkholz, Bill Salaneck, John Derr and Grant Krow who captured the Pop Haddleton Mile Relay in the Penn Relays and Krow setting the MAC High Jump mark of 6 feet,  $3\frac{3}{4}$  inches. Albright placed second to West Chester in the College Division of the MAC.

With the show tune "Climb Every Mountain," Phi Beta Mu opened a new year by winning the Homecoming Song Fest for the second consecutive time. With this, the Mus began another round of enthusiastic participation in activities on the Albright Campus.

Clowns and circus performers greeted the freshmen women at the annual Rush Party. Later the Mus, working with the Pats, welcomed the freshmen girls to their Rush Night, enabling a closer look at the sorority women and their houses.

The Reading Country Club was the scene of the annual Rush Dance. Glistening snow-covered pines, carrying out the theme of "Alpine Rendezvous," greeted the guests as they entered the ballroom.

The Mus also "poured" at their Rush Tea, celebrating the Chinese New Year, for the freshmen women. A closer look revealed the sisters working diligently on their Stunt Night skit, "Human Monopoly" with which they won the trophy for second place.

Spring pledging, the long awaited time, was carried out with exuberance by both sisters and pledges. Purple and gold dinks were again seen on the Albright campus during these weeks.

Spring Week-End, high-lighted by a dinner-dance at Stokesay, proved to be the outstanding event of the sorority social calendar, brought the year to a close. The Mu girls ended the year determined to carry on in the Mu tradition—living, loving, learning!

# PI ALPHA TAU

In the PAT tradition of "purity, affection, and truth," the sisters of Pi Alpha Tau have enjoyed another year of success.

The inclement weather of Homecoming Weekend did little to dampen the Pat's enthusiasm for their float and their original contribution to songfest, "Saint Louis Blues." The highlight of the weekend was the crowning of the Homecoming Queen, again a PAT.

Keeping within the theme of "Hawaiian Luau," the sisters greeted the freshmen women with "Aloha" as the Pats made new friendships at their Annual Rush Party. With the breaking of the pinata at the Fall Rush Dance, sisters and guests traveled "Down Mexico Way," where all spent an enjoyable evening together.

On the intramural scene, the Pats brought home two trophies, hockey and volleyball, for their new trophy case.

To top off the season, the Pats again took first place in Stunt Night with their presentation of "Beyond the Sun."

The first scene from the APO Stunt Night production of "A Place Called Mira."

The brothers of Alpha Pi Omega fraternity have always been looked upon to fill a place of prominence in Albright's community. Again this year they have infused in campus life the traditional APO spirit of unity of purpose, active participation, and dynamic leadership.

At Homecoming, the brothers welcomed home alumni with a prize winning float for the second straight year. Meanwhile, on the football field, several of the brothers were helping to secure another Albright victory on the way to an undefeated season.

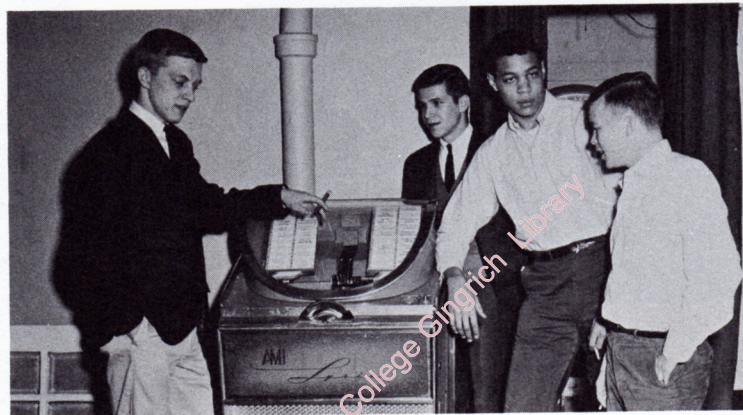

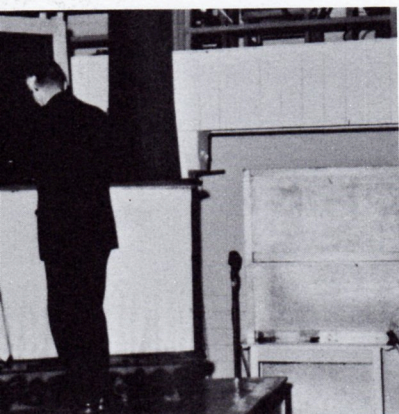

The open house and mid-winter rush dance provided two of the better attended, and most enjoyed activities this campus has witnessed in years. The red and white decorations were not meant to be Albright's colors, but an enviable facsimile of the Peppermint Lounge, as freshmen and dates twisted at the gayest party of the year.

"A Place Called Mira" supplied another high point of the year at Stunt Night. Ever strong in sports, the fraternity displayed its skill at Sports Night to good advantage.

There was the Spring Dinner-Dance, with its soft music, low lights, and farewell to seniors.

The house at 1616 Olive Street sported a new look, after the brothers worked together painting the house, laying new rugs, and even hanging some Picasso paintings (unfortunately not originals).

The brothers have aimed to maintain a well-balanced program, seeking to realize the full potentialities of each member. Outstanding in service to the college, community, and in their professional life in later years, these APO men possess proper self-respect and fitting pride in a fraternity which has truly afforded a beneficial and enriching experience to their college days.

SENIORS—Seated: D. Gay, T. Hill, D. Mock, B. Lewis. Standing: G. Seighman, L. Vandenburg, B. Yeo, M. Murray, J. Brubb.

A whole is only as good as its individual parts. With each member doing his duty, a fraternal unity emerges that overcomes any kind of individuality. This traditional spirit has abided with the "black and white" throughout its sixty-two years of service to the college community.

Although the elements caused the cancellation of the annual Winter Rush Dance, the Kappas improvised by turning the fraternity house into a "Peppermint Lounge" and the brothers, freshmen, and their dates twisted their sorrows away. Other Kappa functions for the year included pledging, songfest competition, a prize winning float, intramurals, open houses, an orphan's party, Sports Night competition, a Stunt Night production, and a Spring Dinner-Dance.

These accomplishments exemplify the Phi's motto, "Friendship towers above our own glory." Brotherhood is the prime reason for the Phi's success. It is the feeling of togetherness that aids in any endeavor.

To the departing seniors, the Kappas hope that the future will hold much opportunity for success. The remaining actives will always remember the standards and ideals that these men have contributed to Albright College and Kappa Upsilon Phi.

# PI TAU BETA

The men of Pi Tau Beta have worked hard and worked together to make this a banner year for the red and black.

The Pi Taus started off this year by presenting "Alley-Oop" to Homecoming fans and by receiving great acclaim for their interpretation of "There is Nothing Like a Dame" at the annual songfest competition. The fraternity's Open House and Winter Rush Dance were both huge successes.

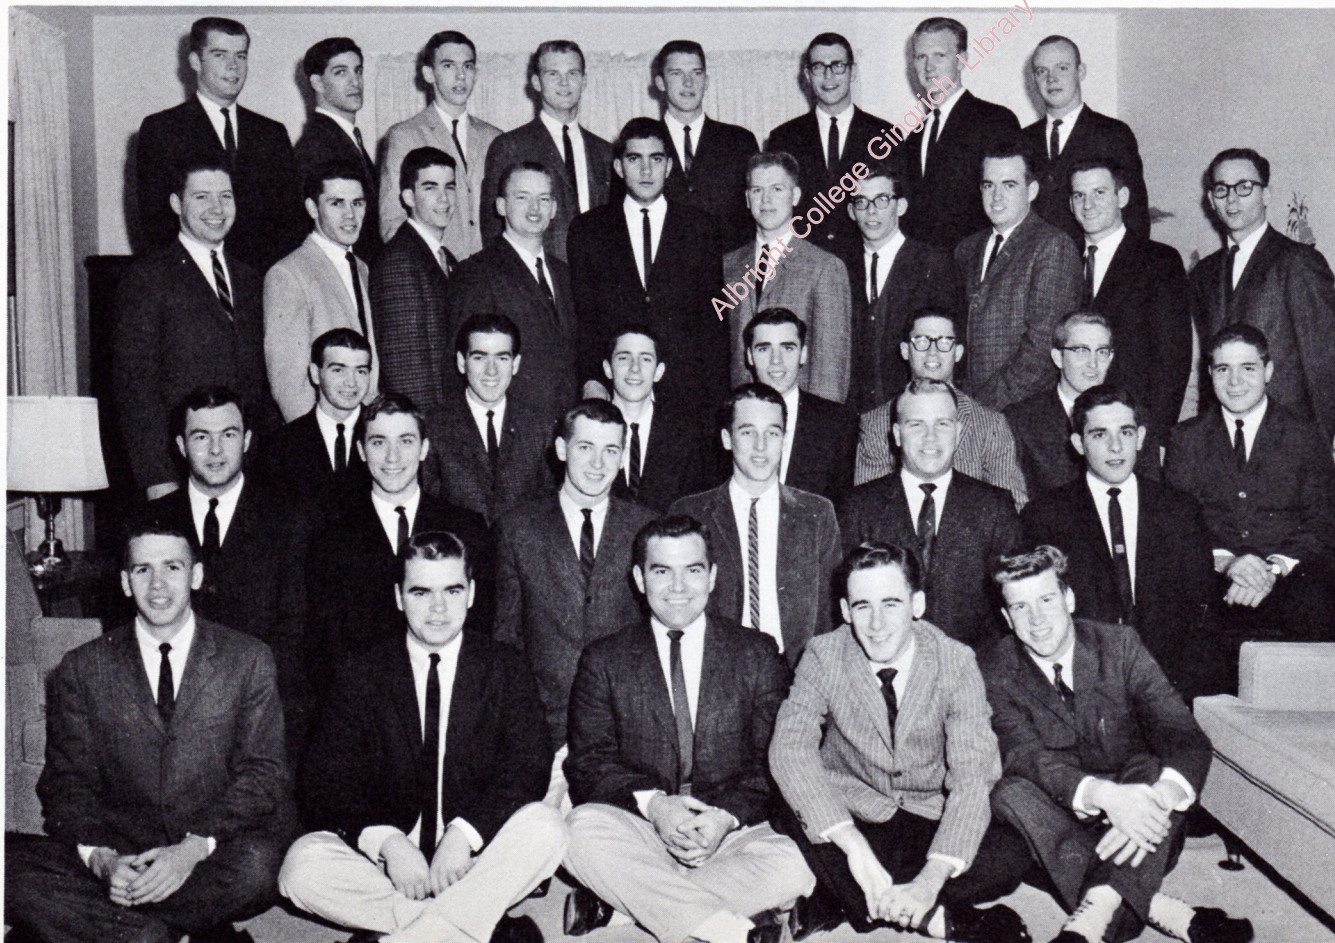

In intramurals, the brothers played hard in football and basketball, and repeated as volleyball champions. The Pi Taus were also well represented on varsity teams.

Improvement to the house, the initiating of new brothers and new officers, and the spirit of cooperation and friendship served to maintain the famous Pi Tau spirit. The brothers wish much luck to the graduating seniors and hope that these men will always cherish the name Pi Tau Beta.

One of the Zeta brothers, Gary Chapman, receives the award for the outstanding player of the Homecoming Game.

The Zeta brothers, leaders in athletics, social, and intellectual life at Albright College, reside at 1607 Alsace Road—the halfway point between their two major interests, the Albright campus and the famous Mt. Penn.

The great success of the social functions of the Zetas this year has mirrored the fraternalism of its members. The annual “Winter Wonderland” dance, as well as the annual Zeta Open House have been marked as major social events at Albright.

For the second year in a row the Zeta athletes have led the Albright College football team to an undefeated season. The Zeta brothers’ athlete activities are not, however, confined to the gridiron; they make major contributions to every other sport at Albright. The Zetas also field some of the finest intramural teams on campus. This is illustrated by the fact that the Zeta intramural basketball team, undefeated in 31 games, defeated the Albright Junior Varsity.

A survey conducted on the grades of the fall pledges at Albright found that the Zeta pledges were the only pledges whose marks did not drop. This points out the academic standards maintained by the Zetas. This year, as in the past, the Zetas have displayed great willingness to contribute to the organizations, goals, and values of Albright College.

# DEDICATION

MRS ROBERTS

In discussing the more informal aspects of college life we might talk at great length on the myriad things which are implied in such expressions as "school spirit" and "the old college try." Much could be said about attendance and cheering at athletic events, participation in college functions and selfless giving of time in the interest of a better college community. But after all these things have been said, we usually find that the terms have once again eluded us. At this point we must turn to some well-known campus personality and say that he or she best reflects the spirit of the college.

Albright College is most fortunate in having on its campus one person who reflects most fully "school spirit" at its best. Every Albright student knows that, with such a person as Mrs. Roberts, definitions of "school spirit" are superfluous. It is because she best reflects the informal spirit which is Albright that we dedicate this year's CUE to her.

HARRY V. MASTERS, President, A.B., A.M., Ph.D., LL.D., Ped.D.

To the Class of 1962:

The Cue, primarily through pictures and names, serves to bring back to memory during all the years to come many happy and significant occasions. The Class of '62 has been very fortunate in witnessing constant educational improvement of the College and a number of very significant material additions, including the food service building, chapel-auditorium, the new facilities for the Health Center and the erection of the two new dormitories which should be ready for occupancy next fall. Such material aspects are secondary to the educational function of the College but contribute much to making the educational program more effective.

Albright will continue to progress in all areas in the years to come. Your alma mater will be worthy of your increased pride and loyalty, as you join our alumni group. Through the many experiences which have been made available for you during your time on the Albright campus, you have had opportunity to grow, to mature, and to prepare yourselves for the steps which lie immediately ahead and for all of life. We hope you have made the best of these opportunities and we believe you have. We extend to you the best wishes from the faculty and administration for a life of service and satisfaction.

Learning how to handle personal finances wisely is an important part of any college education.

A ThriftiCheck Account helps you keep within your allowance — gives you and your parents a record of your expenses — eliminates the annoyance of lost receipts.

Now is the time for college-bound men and women to establish a banking connection of their own, with a ThriftiCheck Personal Checking Account. No minimum balance. Your name printed free on your checks. And the checks cost only a few cents each.

# AT PARISH PRESSED STEEL

...Company Progress Is the Sum of Individual Efforts

Even with the many new production techniques, high precision equipment and automatic controls at Parish Pressed Steel, *individual effort* still remains a most vital factor in any leadership Parish enjoys in several industrial fields.

People with imagination and ideas make Parish. People with many manual skills make Parish. People with knowledge of engineering, of research, of fabrication, of business and administration make Parish. Especially people who know *people* . . . who like to work with people . . . make Parish what it is.

This is why college graduates find Parish a progressive company where individual efforts, talents and knowledge are recognized and used to good advantage.

Albright College has . . . and is . . . developing people such as these and Parish offers a promising outlet for your talents.

idea man ...  
the Keller yearbook  
representative

CARL V. PETERSON

To the casual reader a yearbook is often simply an "album" of pictures with accompanying identifications and enough written text to fill up the remaining holes on the pages. Merely ink on paper . . . though nice to own and enjoy.

But to the staff and the adviser the yearbook means much more. For yearbook work comprises a multitude of details: Layout, Art, Photography, Copy, Typography, Covers and Binding (not to mention the small detail of money-raising). Highly technical and often confusing, these details are at the very least time-consuming and a source of anxiety to a staff unless the publisher's representative is company-trained to give needed help and suggestions.

All representatives for Wm. J. Keller Inc. are skilled in the many facets of yearbook work, having at their finger-tips the answers to yearbook problems as well as a multitude of ideas for new graphic arts special effects, to enable the staff to produce a yearbook that is different and attractive. Your Keller salesman is more than a technical adviser, he is a "clearing-house" of yearbook ideas.
