'Y' Campers To Hear Kreckler; McCorkle Will Speak on "Life"

Buses leaving Franklin station at 9:15, 10, and 11:15 a. m. and trains leaving at 10, 12:15, and 2:07 will carry 70 or more Albright students to Blue Mountain Camp this Saturday for the week-end "Y" Retreat. When Doris Hicks and Robert Buxton closed registrations last Friday, the quota was filled.

Co-chairmen Joy Cutler and Newell Wert have planned the retreat around the theme "Stones for a Foundation." The assembly will hear as guest speaker, Dr. Joseph Willard Kreckler of Red Lion, Pa., and will participate in seminars led by Agnes Snyder, Robert Ziegler, and Charles Kachel.

Dr. F. Wilbur Gingrich and Dean Helen Cunliffe will act as chaplains. Miss Anna R. Benninger will lead the fireside service. Professor Lewis E. Smith will assist Dr. Kreckler in administering Holy Communion. Warren Pfof and Mildred Kaufmann will manage recreation. Marjorie Christ will be pianist, and Mr. Wert, song leader.

The cost for the weekend is \$2.75; the amount includes the registration fee. Since dorm students will have box lunches supplied Saturday noon, day students attending should take lunches with them.

Election Notes

Heo

At a recent meeting, the Home Economics Club elected officers for the next year. Those chosen were Margaret Ball, president; Lucille Lott, vice president; Mildred Kaufmann, secretary; Anna Wartluft, treasurer. The class representatives are Grace Miller, freshman; Virginia Woerle, sophomore.

I. R. C.

Newly elected officers will have charge of the International Relations Club meeting on May 3, at the home of Dr. Milton W. Hamilton. The club will decide between Kenneth Good and Marian Fiedler for treasurership of the club. Pledges who have been recently chosen will be inducted.

German Club

Election of next year's officers was held by the German Club on Wednesday, April 25. Alyce Volt was elected president; Phyllis Carter, vice president; Mary Briner, secretary, and Mary Eschwe, treasurer.

Dr. Gerrit Memming then gave an illustrated lecture on the important cities of Germany. A community sing followed Professor Memming's lecture.

Glee Club

Marjorie Christ will be president of the Women's Glee Club for 1945-46 and Martha Fridericks will be business manager and secretary, as a result of the election held last Thursday.

The Glee Club will sing tomorrow at the meeting of the Ladies' Auxiliary of Albright. The program will include the following numbers: "Psalm of Praise" by Lindeman, "See What Love Hath the Father" by Mendelssohn, "Prayer" by Gulon, "Indian Mountain Song" by Cadman, and "The Romaika" by Park. Marjorie Huntsberged, soprano, will sing "Jerusalem" by Mendelssohn, and Betty Frieltz, soprano, will sing "The Song of the Open" by LaForge. A duet, "Gloria" by Buzza Peccia, will be given by Miss Frieltz and Elizabeth H. Pottinger.

Roy McCorkel, chairman of the Philadelphia Fellowship of Reconciliation and secretary of the American Friends' Service Committee, will address the combined "Y's" tonight in the college chapel at 7:30 p. m. His subject, "It Is For Us the Living," will concern the responsibilities that fall on Christians by virtue of the fact that they are alive in today's world. Ruth Ritzman and Fred Clewell are in charge of the worship.

A graduate of the College of Wooster (1933) and Yale Divinity School (1937), Mr. McCorkel also

Gals Get Guys For Sadie Hawkins Shindig; 'Sensational' Circus Storms College Green

Lights were low. Hay, ladders, and an "old barn" atmosphere pervaded at Student Council's "Sadie Hawkins Day Dance," which was held in the dining hall this past Friday night. Everywhere were murmurs of, "Who is that ravishing blonde?" Her dancing gave away "her" identity. Nobody but Herbie Hyman dances with quite that stately glide. The overwhelming Mexican sombrero came with Humbert Manzollino, but how it stayed on through the ups and downs of his jitterbugging was the mystery of the evening.

"Baby Boy" Shaffer looked especially pretty in his big pink bow—but since when is pink the color for little boys? The gentlemen's corsages were lovely, at least from the distance. Lloyd Schwartz's old-fashioned nosegay looked good enough to eat; it probably was, since the centerpiece consisted of red radishes. Ruthie and Fred were among those who played some "rugged" ping-pong at the party in the Lower Social Room. Various and sundry reproductions of Daisy Mae and Lil' Abner abounded, even to the barefoot variety.

Dr. Gell and Mr. Gordon were among the "belles of the ball," rating as many cut-ins—from the feminine stag-line, as did the dashing male contingent of the student body. Revenooers please note: refreshments were served, consisting of "mountain moonshine" (root beer—to you) and pretzels. Music that was strictly "cited" was provided by records, contributed by the new Student Council.

CHAPEL PROGRAMS

Thursday's chapel program will be a March of Time movie on England. This morning the combined "Y's" conducted a worship service.

May Day To Feature Fetes for Queen, Tea, Sorority Formal

Crowning of the May Queen, Parent's Day, and a combined sorority dance will be featured as a part of Albright's annual May Day festivities on Saturday, May 12, on the college campus. Madeline Gable will be May Queen with Erna Leinbach as maid of honor, Jeanne Miller, May Day chairman, announces that, in addition to the procession of the Queen and her court, there will be a May Pole dance by the junior women and modern dances, "Intermezzo" and "Waltz of the Flowers."

The theme of the ceremony will be flowers. All costumes will be symbolic of flowers, with members of the court in light orchid and green gowns and carrying white flowers. The senior women will wear pastel evening gowns and will carry garlands instead of forming the usual arch. Flowers will form the pathway for the court and will be placed on the Queen's throne.

Members of the court are: Ruth Ritzman, Ruth Plowfield, Ann deFarges, Charlotte Eck, and Christine Calpin. Janet Luckenbaugh will be custodian of the crown. Pages will be Margarite Jungblut and Mildred Abrams, while Marylouise Schappell and Margaret Walton will be trainbearers.

Parent's Day, sponsored by Student Council, will have as its main event a tea following the May Queen coronation. A special registration booth will be set up for visiting parents. Ann deFarges has charge of the arrangements. Because of the government curtailment of all gatherings, invitations will be sent only to parents living in Berks County. Announcements will be sent, however, to all other parents.

Seniors Will Hear Hershey As Commencement Speaker

Major General Lewis B. Hershey, U. S. A., Director of the Selective Service System since 1941, will address the class of 1945 at Albright's Commencement exercises on June 3. General Hershey's subject will be "The Nation and the Returning Veteran."

Born and raised on a farm near Angola, Indiana, General Hershey attended a one-room school house and graduated from Fremont High School at the age of 16. By taking a three-months course at Tri-State College in Angola, he fulfilled teaching requirements and that fall became a teacher of a one-room school near his home.

Maj. Gen. Lewis B. Hershey

Earning money by teaching, the General was able to complete his studies at Tri-State College where he took the degrees of Bachelor of Arts, Bachelor of Science, and Bachelor of Pedagogy.

General Hershey served with the Indiana National Guard when it was sent to the Mexican border in 1916. Upon his return he went to the University of Indiana to study for his degree of Doctor of Philosophy, but his studies were interrupted by the World War. At that time a lieutenant in his National Guard, he was sent to Fort Sill, Okla., for training and received his captaincy.

Shortly before the Armistice, General Hershey was sent to France where he remained a year after the end of the war helping to arrange transportation of American troops (Continued on page 3)

Pats Elect Hendericks

At its meeting on April 23, the Pi Alpha Tau sorority elected officers for the coming school year. These new officers are: President, Margaret Hendricks; vice president, Rita Duncavage; recording secretary, Marion Latta; corresponding secretary, Gayle Haupt; treasurer, Mary Eschwe; chaplain, Marie Bonner.

Induction of new members was held at this same meeting. The women taken into the sorority are June Ruth, Gloria Salfetty, Phyllis Carter, Joan House, Betty Flieltz, Marjorie Christ, Jean Jaglom, Gloria McKittrick, Dorothy Moyce, Judy Scheiner, Margaret Walker, and Phyllis Stock.

Plans are being made for the alumni party which will be held in connection with the regular meeting on May 21th. The annual tree planting ceremony will be held on Mother's Day, May 13th.

Ten Join Mus

Phi Beta Mu Sorority held its formal pledge induction service at Ruth Rehr's home on Monday evening, April 23. Corsages of yellow daisies on a green background, tied with orchid and gold ribbon, were given to all the new members. After the service refreshments were served.

The new members of the sorority are Jean Borgstrom, Betty Cusano, Beth Sanger, Helen Carl Wright, Jeanne Flickinger, Ruth Leikel and Vivian Miller. Because of illness, Ruth Homan was unable to be taken into the sorority with the other women, but a special induction service will be held for her on her return.

A. P. O.'s Induct Nine

The Alpha Pi Omega fraternity conducted an induction program on Monday, April 23, in the A. P. O. house above the chapel. Jack Teger, president, conducted the service and announced that the fraternity would travel to Shartlesville for a banquet on Saturday, May 5. Jack Shafer, Marvin Weaver, William Heckler, William Walb, Lee Kachel, Herbert Hyman, Edward Daniels, Fred Perfect, and William Harting were installed as new members.

Election Names Good As Council Vice Prexy

With the new president, Bohdan Procko, at the helm, the 1945-46 Student Council held its first meeting last Thursday afternoon. Kenneth Good will vice prexy the Council according to the results of an election held at the meeting. Margaret Hendricks will be secretary and Reed Fredericks will be its treasurer.

More definite plans were made for Parents Day, a part of the May Day weekend. Because of government restrictions, the activities will be curtailed but Council decided to hold a tea for the parents in the Alumni Memorial Library after the coronation. A booth will also be set up. Ann deFarges is chairman for the event.

An apology to President Harry V. Masters from several students of Lebanon Valley College will be forthcoming, announced president Procko, as stated in a letter from that college to Dean George Walton. The reason for the apology was the visit of several L. V. students to campus last Friday, who left unsightly decorations.

Reports from Council committees were presented by their chairman: Albrightians-in-Service, Mae Jean Picking; student activities, Irene Fisher; dining hall, Ann deFarges; social, Jeanne Miller; chapel representative, Agnes Snyder; little cultural series, Marylouise Schappell.

Committees Give Reports On Women's Government

The Women's Student Senate of Albright College held a dinner meeting last Wednesday evening at which reports were made by Joy Cutler, chairman of the ethics committee; Janet Luckenbaugh, chairman of the handbook committee, and Marjorie Christ, chairman of the constitution committee. Extensive plans were made in connection with these projects. Anna Wartluft, temporary chairman of the Senate, presided.

Planned for publication next fall, the handbook of the Senate will be a guide of pertinent information for all Albright women, especially new students.

Emily Post Says . . .

Something has set us a-thinking, and we know it has caused many comments among upperclassmen. As long as we can remember, it has been the tradition that, after assembly programs, the senior class leaves, followed by the junior class, then the sophomores, and finally the freshman class. It is a privilege dearly held by the upperclassmen, as each year they move closer to the front of the chapel and earn the right to leave the chapel ahead of the underclasses. However, that order of precedence has not been followed this year, particularly within the last few months. The freshman class has been straggling out of chapel without waiting for the upperclasses to precede them. We are sure that next year they will consider it a privilege to be jealously guarded to precede the class of '49 in leaving chapel. So be patient until we're out of chapel, frosh, your turn will come next year!

Hidden Talent

If we're not careful, Hollywood will be grabbing a lot of our student body! What does Louis B. Mayer have that Albright doesn't have? Seriously, though, there is a great deal of student talent around campus, which was adeptly brought out at the 7th War Loan Drive bond rally last Thursday in chapel. The skits were original and clever and were well put on. It was also fun to have community singing of our favorite military songs. We know personally that the committee put a great deal of time and effort into making the rally a success. We know that everyone enjoyed the program because it was timely, amusing, and, yes, thought-provoking. It seems to be the consensus of opinion that more such programs, enlisting student talent, would be very welcome. In this we heartily agree.

Hit The Books, Kids!

So you've got spring fever, huh? So you want to play softball every afternoon back of the Science Hall? So you like to lie around on the campus and tickle your face with a blade of grass? Well, whatever you do, don't forget that May 27 is coming perilously close. What's May 27? That's the day exams start, three short weeks away. And in between then and now are three weeks packed full of term papers, cramming, last-minute lab work, and infinitum. "The Albrightian" is trying to be "Good Deed Doty" in reminding you to get on the ball, kids; the time is now!

Fun For All

Here's "The Albrightian" again, throwing bouquets. However, such social events as the "Y" circus and the Sadie Hawkins dance held last week on campus rate the tossing of bouquets, at the very least. They were great successes and were very well received. Many thanks are due to the "Y's" and to the Women's Dorm Council for providing a lot of fun.

The Inquiring Reporter

On the serious side for a change, your Inquiring Reporter asks: What do you think Student Council should do next year to improve its status on campus?

Shirley Sperans, science, '48: They should sponsor more activities off and on campus.

Ann deFarges, psychology, '45: They should exercise their governing power.

Lynne Parr, psychology, '47: They should have more to say.

Gloria Salfetty, psychology, '46: More power to them!

Elaine Schwartz, chemistry, '47: Decisions should be made by a greater amount of the student body.

Christine Schweimler, French, '46: The Student Council representing the student body should have more to say in all types of college activities on and off campus.

Ray Pottieger, pre-ministerial, '48: Let us all act like men and women instead of like kids.

Bob Ziegler, pre-ministerial, '48: They should have more power to carry out the requests and decisions of the student body.

Humbert Manzozilla, pre-med, '46: Sponsor more dances.

Now comes the time for most students to look ahead to the fall session when the Albright campus will be thrown open to all returning students. Of course, some will never return to class rooms to dissect cats, rats, or dogfish sharks, hunt for an amoeba, or promote goodwill among all fellow students.

Into this category fall the seven seniors to whom a proud salute is rendered as they step forth to put their bit into the field of medicine, so that future generations will have a better world in which to live.

The petite Aileen Schearer—especially noted for accomplishing so much with her small stature, goes forth as the only female pre-medical student. Miss Schearer will tread the path to her desired goal as she enters Women's Medical College, Phila., this fall.

Then, too, the patient, unruffled personality so displayed by the only male pre-medical student (even while performing rat experiments), Allen Snyder, will be gone but not forgotten as he pursues his ambition in Jefferson Medical College, Phila.

Likewise, the quietest of medical technologists will leave their Alma Mater only to begin all over again to finish their five year course at a chosen hospital where they will help in laying a foundation for a healthier nation.

Bertina Blaguch—the tiny morsel who has that energy unlimited, combined with a carefree "gee, what may" personality—will be found at Lankenau Hospital, Phila.

Jeanne Miller—whose red hair just adds to her personality and who will always be remembered for her wit (even in difficult situations)—will be claimed by Jefferson Medical School Hospital, Phila. Mae Jean Picking—the girl whose neat work and sincerity can be seen in any Science Hall lab—will also make Philadelphia her home when she moves in at Bryn Mawr Hospital. Ruth Plowfield—the one with the "million-dollar" smile who has continually proven that "stick-to-it-iveness" is essential in any scientific work—prefers to remain in Reading; therefore, the Reading Hospital will claim this senior. June Ruth—the dark-haired, congenial lass who is willing to snatch at any opportunity to help a fellow biologist in lab—will remain a "Readingite" as she enters the portals of St. Joseph's Hospital.

Thus, all underclassmen—especially juniors—bid a sincere farewell with their hearty wish of good luck to those who have shown them the way to work, fight, and give; so that others might live!

Lions In The Ranks

Those Frosh and Sophomores are certainly to be congratulated upon their fine dance. A fine time was had by all—and we aren't just kidding.

We could have had a tiny reunion this weekend with the kids that were back. Ethel Mae Yeakei and Tony Cagiano (Tony Carl is his stage name) were here, besides the service people. PVT. AARON TAUB was here "fixing up his personal effects" this week. He soon leaves to join some of you fellows in the field artillery. GENE WEEBER of the Merchant Marines was at the dance. Gene was just here a semester this year. RALPH COCKING S1/c visited us from his Sampson home. He is losing some of his English accent that he cultivated in Jamaica. BOB WORK PhM created quite a sensation this weekend by showing up with a gold earring—a circle with a star in the middle—hanging from his left ear. He vowed on shipboard in the Pacific that he was going to have that earring if he lost his ear in the attempt to put the hole in his ear. Prof. no. Dr., no I mean radioman RICHARD RHODA was here this weekend from pre-radio school in Washington. He is stationed at the largest chemical research base in the world, so he just walks past on the way to the radio room. Have you had an Italian sandwich lately, Dick? TOM STOUTD USNR is a class behind the prof in radio school in Washington. ENSIGN CHARLES MIESSE hopped a train from New York to our lovely campus on Saturday and turned up at the dance. He is waiting for his ship, the USS Bliss to go out. He already has been as far as the Statue of Liberty. Congratulations. Get seasick?

John H. Deam, H.H. 1/c; USN Hospital Staff; N.N.M.C.; Bethesda, Md. sent us a card to tell us of his change of address and to say that he is at a very fine hospital—the finest in the East, according to his report. He sent his regards to the members of the Class of '45. ENSIGN W. W. RIFFLE; MTB; Rou 21; c/o FPO; San Francisco, Calif. writes: "I am now a boat captain. The boat I'm skipper of is a PT 152. It holds the record for barges and luggers sunk in the Pacific. I am now in Squadron 21. There is a fellow from Ursinus here in the squadron. We get together for bull sessions quite often. I have won most of the arguments concerning the two schools because I talk faster and louder. I get to Manila about once every two weeks. It must have been beautiful there before the Japs wrecked it."

LT. JAMES L. HOLTON O-1309368; Base Information-Education Supervisor; Hq. AGF APO 241 c/o PM; San Francisco, Calif. wrote from Kwajalein, Marshall Islands to tell us what he has been doing for the past year or so. He was commissioned at Fort Benning and was assigned to the 424th Infantry at Fort Jackson. Soon he found himself in New Caledonia and then in Guadalcanal where he became a platoon leader in the 288th Infantry. He said, "My machine gun and mortar section ran the racial gamut from American Indians to Filipinos, and made whistle stops along the way for Chinese, Hawaiians, Koreans, Samoans, Jap-Americans, Eskimos and a Pennsylvania Dutchman from Anville." Then he rambled around the Solomons and then to Hilo, Hawaii. During the time his ship was in Oahu, T. H., the ship on which LT. JOE BRAND served was tied up at one of the piers. Jim was on board the ship several times, but didn't find out until later that Joe was on board. Jim got a job as editor of a GI newspaper, but somehow, the deal was sidetracked and Jim found himself at the above address. His new job is a combination of "Dean Walton, Lowell Thomas, Mr. Anthony, Horace Greeley, and Mr. Gallup." BOB GANSEL was stationed only a few hundred yards down the beach from Jim on Guadalcanal.

CPL. THOMAS ROBERT SNYDER 33 618 402; Hq. Btry. 997; F.A. Bn. APO 339; c/o PM. New York writes to us from Germany. "Just a few words to say 'Hello' and how are you all back there at good old Albright? I received the list of addresses of Albrightians in Service and was very glad to receive it. Thanks very much. I've also been receiving my paper regularly and thanks for that, too." Bob said that he has never met anyone from Albright since he has been away.

Home Ec Omelet

The nutrition class is concentrating on planning meals to meet exact individual energy requirements; consequently ordinary meals are not the result. You should see some of the strange combinations they invent!

Speaking of balancing meals, when Jan was asked why we have meat, potatoes, and corn in the same meal, he answered, "Oh, you don't balance by the meal; you balance by the month!" Sounds like the debit and credit system in book-keeping.

Food reminds us of Shartlesville. We heard that one of the Zetas gained nine pounds after eating a meal there last week.

Mary Alice Lippert, Ann deFarges, and Professor Elder are experts on making Susies—dress forms made to fit the individual figure. Disillusioning as they may be (the forms), they're a great help in fitting clothing.

Congratulations to Janet Luckenbaugh on completing her student teaching.

The Junior home ec'ers spent Thursday in Philadelphia visiting the Murrell Dobbins Vocational School. The school contained all sorts of wonderful things in Fine Arts from painting an automobile to managing a store—very educational. P. S. The trip was fun, too!

Intramural softball seems to be taking quite a kicking around as far as scheduling games is concerned. It seems apparent that men's intramurals has always been and always will be, unless drastic action is taken, something which can be pushed aside when seemingly important or more influential matters necessitate attention. This condition must be corrected if a good men's intramural program is to be part of college life at Albright.

As an initial step in the direction of improvement, we suggest to Bob Deach, Interfrat Council president, that he hold a meeting with Coaches Mosser and Harris, and fraternity representatives. At this meeting, which should be held as soon as conveniently possible, a definite boys' and girls' playing schedule should be decided upon and all groups concerned should then be forced to adhere to this schedule for the remaining part of the season.

Perhaps also at this proposed meeting, officials could be selected for the remaining softball games since the problem of officiating has given the council trouble on several occasions this year. We realize that the intramural situation in a small college in war time is a difficult and perplexing problem; but we feel that with a bit of effort on the part of all people involved a successful system can be set up.

High School Staff

Having witnessed the 22nd Annual Albright College Interscholastic Track Meet on April 21 and 23, there were several feats which we would like to bring to the attention of those people who did not have the pleasure of witnessing the classic. These feats were performed by two lads whom we think were exceptionally good in their specialties. If any of you happened to be present we are sure you will agree that both Bill Kline and Tony Dadamio were very impressive.

Bill Kline, Oley Hi school sprinter, was the first athlete to display outstanding talent at the meet on Saturday. The Oley trackster along with capturing the 100-yard dash and the 220-yard dash, set a new record in the broad jump by attaining a distance of 20 feet, 3 1/2 inches.

The second cinderman who was very good in our opinion was Tony Dadamio, Birdsboro P. I. A. A. champion. This 5 foot 6 inch inexhaustible powerhouse easily captured the one-mile run in his initial race of the afternoon, and one hour later he went ahead to win the 880-yard run, posting a new meet record in that event. The climax of his afternoon, however, came

when he ran the quarter-mile anchor leg on the Birdsboro relay team in 51 seconds.

Both Kline and Dadamio are slated for induction into the armed forces after which they will run in a bigger race for the greatest team in the world, the United States of America.

Chalking up their second straight win of the season, the powerhouse Zetas downed the Pi Tau softball team, 11-7, in a five-inning duel. Outscoring the Pi Taus, 6-2. In the first inning, the Zetas were never in trouble.

Behind Forrest Saylor's steady pitching and timely hitting, the Zetas now have taken the lead in the intramural softball league. One home run for the day was hit by Bill Landis with no men aboard.

Ursinus Gals Win Mules Win Meet; Over Lion Team 2 Schools Tied In Softball Fray

Behind the excellent pitching of Irma Keyes, a smooth working Ursinus woman's softball combination trounced the Albright maids, 14-0, in their initial game of the season on Saturday morning, April 23, 1945.

The Albright girls never were in the contest, going down one-two-three in the first inning, while the Collegetown lassies slammed Virginia Woerle, Albright pitcher, for 3 hits and capitalized on 4 errors to collect 6 runs. In the second frame, the Lion women again went hitless and runless, with Ursinus garnering 2 runs on 2 hits. In the third stanza, the Albrightians threatened to score, loading the bases on walks and errors; however, their rally was nipped in the bud and again the hometowners went runless. In the other half of the inning, the visitors were held to one run. In the fourth, Ginny Woerle got the only Albright hit of the contest, a 2-bagger. However, her efforts were in vain with Mrs. Mosser's proteges going runless. It was the same old story for Ursinus in their chapter when they collected two runs on Albright errors. In inning No. 5, the Lion 10 again went down one-two-three, with the visitors collecting one run in their half. The next frame found the Mosser maids victims of Miss Keyes' pitching with all three batters striking out. Ursinus again came through in their period by collecting 2 runs and 2 hits. The final inning found both teams going scoreless and the final score read, 14-0, Ursinus. Miss Keyes, Ursinus sophomore, collected 12 strikeouts and allowed 1 hit. Miss Woerle, Albright's tosser, collected 2 strikeouts and allowed 10 hits. Ursinus, incidentally, has not lost a women's softball game in the last 4 years.

Two more records were shattered at the finish of the Albright scholastic track meet last Monday, April 23, from which Muhlenberg emerged as winner for the second straight year, garnering 28 points. Birdsboro and Shillington tied for second place with 26 points each, while Wyomissing finished fourth with 23 tallies.

A new record for the discus was set by Mt. Penn's Bill Gillis. His toss of 123 feet, 3 inches bettered that of 121 feet, 3 inches established in 1940 by George Manderbach of Wyomissing.

Bill Kline, a triple winner for Oley for the second straight year entered his name on the records by making a sensation broad jump of 21 feet, 3 1/2 inches. The old record of 21 feet, 1/2-inch was set in 1937 and 1938 by Dave Roth and Warren Auchenbach of Muhlenberg.

In the pole vault, Al Hainley of Wyomissing; Jerry Grofe and Bob Fisher, held a three-way tie for first place, each vaulting to ten feet, 2 inches. Nick Deeter of Mohnton, last year's record holder with 10 feet, 10 inches, finished fourth.

Final tabulations:
Muhlenberg, 28 points; Shillington and Birdsboro, 26; Wyomissing, 25; Mt. Penn, 21; Oley, 15; Wilson, 13; Boyertown, 12; Robesonia, 12; Mohnton, 5; West Reading, 2.

Summaries:
Discus: Won by Gillis, Mt. Penn; second, Kohl, Shillington; third, Miller, Robesonia; fourth, Bare, Wyomissing; fifth, Lippincott, Wilson. Distance: 123 feet 3 inches (new record).

Broad Jump: Won by Kline, Oley; second, Batistini, Mt. Penn; third, Deeter, Mohnton; fourth, Bradley, Muhlenberg; fifth, Conrad, Mt. Penn. Distance: 21 feet 3 1/2 inches (new record).

Pole Vault: Tie for first, Hainley, Wyomissing; Grofe and Fisher, Boyertown; fourth, Deeter, Mohnton; fifth, Ward, Shillington. Height—10 feet 2 inches.

Bartges Writes Two More Gold Stars Added to Honor List

The following are excerpts from a letter received by the editor of "The Alumni News" from "Woody" Bartges, '35, who, with his wife, the former Sara Schilling of Lewiston, Pa., have been released recently after three years and one month as prisoners of the Japanese Government in the Philippines:

"... There is much excitement in these prison walls this morning, February 22. The first 20 people to leave for the states are listed and will leave by plane this noon. The rest of us will go sooner or later. The army is recommending that all of us return to the States. While we are now being well cared for by the Army and the Red Cross, we will nevertheless, be glad to get out of here. We are now housed behind 15 foot stone walls in the old hospital building of the Sing Sing of the Philippines, namely, Bilibid Prison. The Japanese brought us here on December 29, 1944. Since the war in Manila is on and our Army has taken us over, they have left us here because of the protection afforded by the walls and the concrete building. Since experiencing 37 months behind barbed wire and stone walls I can have a unique kinship of sympathy with men and women behind wire and bars.

"We have lost practically everything we brought to the Orient plus 70 pounds of our own very personal weight, 30 pounds for Sara and 40 pounds for yours truly..."

"We have seen the war here from sufficiently close range to be deeply impressed with its cost in life and money. While I am more deeply convinced than ever that 'war is hell' and that our arm of a world above war is worth striving for, I cannot help but be deeply grateful for the efficiency and self-abandonment with which the 'GI's' are at work here among us..."

Two more gold stars must be added to the list of Albrightians who have given their lives as members of the armed forces in World War II. Technician Fifth Grade Paul L. Fleisher, '42, was killed in action in Germany on March 19 while on duty with an armored reconnaissance unit, according to an announcement received from the War Department April 23 by his mother, Mrs. Maude C. Fleisher, 165 Hudson Street, Reading, Pennsylvania.

Paul majored in chemistry at Albright and received his bachelor of science degree in 1942. During his college days Paul was active in the Alchemist Club, Skull and Bones, Daymen's Organization and inter-tribe athletics.

He was graduated from the Reading High School in 1938. After entering the service on November 21, 1942, he trained at Fort Benning and Camp Gordon, Ga., and went overseas last September.

First Lieutenant Donald W. Spatz has been listed as killed in action April 14, 1944, according to notification received last week by his father, Irvin P. Spatz, 112 South Sixth Avenue, West Reading, Pa. Donald had been listed as missing in action in the Southwest Pacific since that date.

Don enlisted in the Marine Corps Reserve, June 17, 1943 after completing his junior year at Albright. He received his wings at the Naval Reserve Aviation Base, New Orleans, La., and was then transferred to the Marines. Having been stationed at Camp Shelby, La., and Pensacola, Fla., he was sent overseas December 28, 1943.

This brings the total number of gold stars to 15.
