## Student Council Accepts Affairs Committee Report

Cynthia Clark

At the last Student Council Meeting, held on January 19th, the council members heard and approved a report from the President's Committee on Student Affairs. This committee consists of six faculty members (A. Shirk, C. Harding, F. Gingrich, W. Marlow, E. Gilbert, J. Reppert) and eight students (N. Thompson, S. Margargee, M. Shorr, J. Gable, J. Wilkins, E. Venett, M. Scarcella, and J. McMullen).

The committee recommended the following for consideration by the President and the Board of Trustees.

1. That the position of Dean of Students be made a full time office filled by a man with no other teaching or administrative duties.
2. That the Dean of Students be instructed to proceed in developing the fullest possible use of expanded points of reference, including local agencies and clinics, that he be encouraged to regard the rules and regulations of the college not in a punitive way or as part of a penal code, but as matters which might require interpretation, guidance, advice, counselling, and occasionally modification.
3. That the Dean of Students be empowered to call into session at his discretion an Advisory Committee to make recommendations on difficult cases.
4. That this Advisory Committee

in addition function as an appeals board to which parents and students may have access.

5. That this advisory committee contain at least two permanent memberships drawn from the student body, to be joined by those persons whose authority or interest is relevant to a specific case.
6. The President's Committee wishes to state further:
  - a) that the MAC Evaluation Team report has been consulted.
  - b) that several magazine articles, reports and evaluations of procedures at other institutions have been consulted
  - c) that any recommendations forthcoming from this committee are in no way to be construed as a personal criticism of officers or students now in the college
  - d) that the Committee is prepared to continue working into other areas of student concern and will make a second report in the second semester if so directed.

As a final comment, the committee would like it to be understood that the above are only suggestions and that no definite or immediate action can be promised at this time.

The time and effort of the members of this committee is greatly appreciated.

## Lion Grapplers 'Pinned' By Lycoming, Juniata

In its drive for a winning season the Albright wrestling squad suffered two setbacks last week. Lycoming and Juniata scored 55 points on the Lions while they scored only nine points on the opposition. Only John Ericson who won two decisions was victorious in both meets. The Lions now hold a 3-5-1 record.

At Williamsport the Lions suffered a 29-3 defeat. Lycoming scored 3 pins and 3 decisions. The lone winner for Albright was John Ericson who decided Tom Ovobay 11-8. In this meet Dick Horst lost his first match of the season.

To add to Dick's troubles he was pinned by the Juniata captain Duane Ruble, a former Gov. Mifflin star. Juniata defeated the Lions 26-6 in the Albright Field House. In this meet John Kutzer and John Ericson accounted for the six points with decisions.

Albright will oppose the University of Delaware tomorrow at 2:00 P.M. at Delaware.

## Musical Groups To Entertain In Krause Hall

On Friday evening, February 26th, at 8:00 Krause Hall will be the setting for the presentation of an evening of instrumental and vocal music. Some of the student musicians of the college at this time will have an opportunity to perform their musical specialties and give vent to their desires to create something worthwhile musically in spite of the non-musical curriculum pursuits that they are following as their major field of study while at Albright College.

Two large instrumental groups will be performing on this program—the college concert band and the stage band. Selections to be presented range from marches by John Philip Sousa, the classic overture "Light Cavalry Overture" by von Suppe to several modern concert band compositions such as "Selections from Mr. Lucky" by Henry Mancini, "Jamaican Rhumba" by Arthur Benjamin and several recent arrangements for stage band presentation by Richard Malby, Art Dedrick, Johnny Warrington and others.

### Folk Talent

Other featured presentations will be by the girl's choral group of the college Glee Club, Hootenany selections by the talented vocalist-guitarist Karen Cuper and a special improvised jazz session by three of the stage band instrumentalists.

The girl's choral group of the college will be making their pre-concert appearance at this time before taking part in a joint concert presentation at Pittsburgh University with the Men's Glee Club of that university on the Saturday evening of the first week-end in March.

For a musical evening of relaxation and music, plan on attending this program. In an effort to help finance the trip by the Albright College girl's choral group to present their concert appearance at Pittsburgh University, a free-will donation will be accepted on the night of this music. There will be no fixed admission fee.

## President Reviews Work On New Campus Buildings

The work on the addition to the Science Building and on the new dormitory is progressing well. It is much more difficult, obviously, to build during the winter months than during the months when the weather is more compatible. Both projects, however, are moving along according to schedule. The addition

to the Science Building should be practically completed by the first of June. During the summer the present Science Building will be markedly renovated and improved. The new dormitory must be finished so that it can be occupied when college opens next September.

As the student body grows and as its composition varies, particularly as it involves boarding versus day students and men versus women, adjustments must be made. It is with this objective and logical fact in mind that our newer living accommodations have been constructed so that they are flexible. They can house either men or women with very small and relatively inexpensive changes. Some change in dormitory use will take place in 1965-66. In the years immediately ahead, if there are significant changes in the student body which involve housing problems, it is very probable that other adjustments and changes will be made.

## SORORITIES HOLD RUSH ACTIVITIES

The climax to the rush parties and rush dances sponsored by the campus sororities during the fall semester was reached this past weekend when both sororities held their annual rush teas. The teas, which terminate a semester of "rushing" and getting acquainted with the sisters, are designed to help the prospective pledges decide which sorority they would like to join. Pledge induction will take place on Sunday, February 14th.

### PAT Tea

The Pi Alpha Tau Rush Tea was held on Saturday, February 6 from two to four p.m. at the PAT House. The tea was informal and it was planned as a Hawaiian Luau. Fruit punch and other refreshments were served, and the house was decorated. The chairman in charge of the tea was Miriam Fost. Alice Mattox was in charge of refreshments and Karen Kline was in charge of favors.

The guests were introduced to the sisters, including the newly elected officers of the sorority. Joan Devellin is now president, Linda Feeg is vice president, Karen Kline is the recording secretary, Pat Caruso is corresponding secretary, Barbara Clopp is the treasurer, Ginny Gerken is the Historian and Stacey Menhold is Chaplain.

### Mu Tea

The Phi Beta Mu Rush Tea was held on Sunday, February seventh from three to five p.m. It was a formal affair and refreshments were served.

## RABBI WEITZMAN, MR. ALAN LOMAX CHAPEL SPEAKERS

On Tuesday, Feb. 16, Rabbi Alan Gordon Weitzman will speak to the students of Albright College. Rabbi Weitzman received his B.A. from the University of Cincinnati and was ordained rabbi at the Hebrew Union College in 1960, receiving his M.H.L. degree. He is currently the spiritual leader of congregation Oheb Shalom in Reading, Pa.

A special treat for the students of Albright will be the appearance on Thursday, Feb. 18 of Mr. Alan Lomax, the world's foremost collector of folk songs. From 1933-1942 Mr. Lomax and his father were engaged in building the Library of Congress Archive of American Folk Song. He has also set up the national archives for England, Scotland, Italy, and Spain. He has produced over 100 record albums and written 12 books in his field. Mr. Lomax is now working on a project for the Rockefeller Foundation, mapping the folk song families of the world.

## THE NOBODY'S

By Nancy Trainor

There is but one door  
To people's minds.  
To slam it shut,  
Is but an easy thing.  
It opens to the glory of mankind,  
It opens to the cool and gentle breeze  
Of vast and wholesome countryside;  
But slams from sight  
The smog of cities tight.  
Fight for breath and cast aside  
The greasy, long-haired hood.  
Or so he is  
Because it's said  
That one can tell one  
By his clicking feet.  
It's tight and one must close the door  
To all who don't appeal  
Through the keyhole of the mind,  
To be satisfied with one's own kind,

Because it's said that one's own kind is best.  
That those who don't belong  
Are there because they want.  
Are there because . . .  
It sickens me,  
To see this frightful sight.  
Oh thank God  
That I am not  
What man has made of them.  
They don't belong  
In the puzzle  
Of my mind that must stay closed.  
So cast them out  
Into the smog  
So I can breathe of being best,  
So I can sneeze  
And say my germs  
Are but the dew drops of the countryside.  
I close the door  
To those I'll never really know.

# Cagers Trounce Moravian 99-70; Lose To Army 70-63

By Phil Eppley

Last Saturday night when the Moravian Greyhounds invaded the Albright fieldhouse, they didn't expect the Lions to roar quite so loudly. The Lions showed the Greyhounds a run and shoot game, and set such a pace that the Hounds were left standing still. When the smoke cleared from the floor, Albright owned a brilliant 99-70 victory. Not only did the Lions outrun the Greyhounds, but they also ripped the chords for an amazing 63% from the field.

### Lions Take Lead

The Lions jumped off to a quick 5-1 lead on five points by Klahr but the Greyhounds stuck close, although they never tied or led in the first half. Freshman Mike Eckenroth began to find the range as he pumped in six jumpers and two fouls and hit on a beautiful layup from a deft feed from Klahr as the half ended. Overall, Eckenroth led the big first half surge with a perfect seven-for-seven from the field and two-for-two from the charity stripe. As a result, the Lions went into the locker room with a 45-31 margin.

### Lions Open the Gap

In the second half, the Lions really poured it on as they scored 54 points as compared to a scanty 39 for the Greyhounds as both teams shot over 35 shots. Eight

minutes into the second half, Coach Renkin began to substitute freely and thus allowed the whole team to hit the scoring column in their vain attempt to reach the century mark. The Greyhounds spoiled the Lions' aim to hit 100 by deliberately freezing the hall for the final three minutes of the game. Andy Mytinger played a brilliant second half as he came off the bench to score 12 points and Ken Eiseman tipped in the cliff-hanging 99th point.

### Klahr Leads Scorers

Mike Klahr led all scorers with 20 points, Mike Eckenroth scored 18 points as he shot 100%. Andy Mytinger had 12 points and Dick Kaufman had 11 to round out the double figures for Albright as all 12 players scored. Fry led Moravian with 28 points. Zeffass and Riccardi each had 13.

### Lions Face Army

During semester break, the Lions traveled to West Point to tangle with the Cadets of Army. The Lions came home with their eighth consecutive setback at the Point, 70-63.

West Point quickly jumped to a 9-1 lead but Loboehusky scored two goals to narrow the score to 11-5 as the Lions began to find the range. With Billy Kudrick scoring 11 and Kaufman with 6, Albright closed the gap, 24-21. Army's Silliman then scored 11 straight and

after trading several baskets Albright trailed at the half, 41-32.

### Lions Make Comeback

The Lions opened the second half with a full court press and Mike Klahr pumped in 6 straight. Army retaliated on goals by Silliman and Ritch to pull away 51-41. Klahr again closed the gap to 51-47 with 6 more points. The Lions managed to come as close as 63-60 until Still-

man found a hot hand to lead Army to the 70-63 victory.

Silliman led the Cadet scorers with 26 points; Ritch and Murray chipped in with 19 and 15 points respectively for the winners. Klahr and Kudrick, each with 20, and Kaufman with 12 topped the Lion scoring.

**J.V.'s Trounce Moravian**  
The Albright J.V.'s trounced Mo-

ravian 91-65 as they found a strong second half scoring act. After leading only 36-28 at halftime, the Lion J.V.'s stormed out the second half and easily defeated the Greyhounds. The Lions had 6 men in double figures led by Dick Wertley's 16 points. Bob Sakalovski followed with 15, DeHaven had 14, Farrell 12, and Randazzo and Anzelmo 10 apiece.

## INTERVIEWS for:

### Sales and Sales Management Training Program

This Program is designed to develop young men for careers in life insurance sales and sales management. It provides an initial training period of 3 months (including 2 weeks at a Home Office School) before the men move into full sales work.

Those trainees who are interested in and who are found qualified for management responsibility are assured of ample opportunity to move on to such work in either our field offices or in the Home Office after an initial period in sales.

The Connecticut Mutual is a 118-year-old company with 560,000 policyholder-members and over six billion dollars of life insurance in force. Aggressive expansion plans provide unusual opportunities for the men accepted.
