Cornerstone To Be Laid

Important Documents Placed In Symbolic Box

The cornerstone-laying ceremony for the physical education building will be held immediately after tomorrow's game.

Opening the program will be a selection by the college band. Fred-erick H. Klein, president of Orr and Sembower, representing the community, is scheduled to deliver an address. Klein headed the first drive for building funds in 1943.

A box containing symbols of the college will be presented and placed by Hobson C. Wagner, '22, presi-dent of the Alumni Association; Russell F. Weigley, '52, president of student council; and a represen-tative of Muhlenberg Brothers, ar-chitects. chitects.

For Homecoming Day

Plans Completed

Plans were completed this week for Albright's 92nd an-nual homecoming day. The day-long program will open to-morrow morning at 10:30 with a meeting of the alumnae members of the Pi Alpha Tau Scorrity, and close tomorrow Sorority, and close tomorrow evening at 8:30 with an all-campus, all-alumni dance in Union Hall.

Among the day's highlights will be the alumni citations dinner and a football game with Franklin and Marshall.

Oplinger Elected Frosh President

Gordon W. J. Oplinger Jr., preministerial student from Wilkes-Barre, was elected president of the class of 1955 last Tuesday. His 48 votes gave him a 19-vote plurality over Dale W. Gaul, pre-dental stu-dent from Reading, who became vice-president.

The secretaryship of the fresh-man class went to Thelma E. Ar-nold, a sociology major from Say-lorsburg, Pa., who polled 49 votes. W. Fred Hess, biology major from Lemoyne, Pa., was elected treas-urer with 44 votes.

One hundred freshmen, slightly less than two-thirds of the class of 162, cast ballots. The election was conducted by the student activities committee of student council.

When informed of his election, Oplinger said that he would strive to do his best to serve the class. He expressed his appreciation to the freshmen for giving him this honor. Following is the complete tabu-being of ustra. lation of votes:

Apathy Alone Kills Orchestra, Student **Council Learns**

"Through apathy alone, we can't get enough strings together to form an orchestra," Jack Green-span, '52, said Tuesday, informing student council that although 48 freshmen play musical instruments, so few candidates have appeared that the college orchestra cannot be organized. Unless interest picks up, there will be no orchestra, even to play at graduation exercises. Greenspan urged that council seek some means of arousing student interest in the musical organiza-tions. tions

Mogel also reported that weather conditions make impractical the erection of a bulletin board outside the library, a project which he had suggested last week.

Vincent Gentile, '52, social com-mittee chairman, reported that be-cause he had been given insuffi-cient advance notice, he had not yet been able to secure an orchestra for tomorrow night's homecoming dance.

Open Letter to the Alumni

Dear Albright Alumni:

TWO

Tomorrow many of you will return to campus for our 92nd annual homecoming. For some of you, it will be your first visit since graduation; for others, it will be a repetition of a customary fall habit.

As you stroll across the campus, you will feel mingled emotions. You will recall the fun you had here, the friends you knew, the profs who guided you in your search for truth, and perhaps even some of the academic things you learned. You will remember your fervent quest for a meaningful philosophy of life, and you will remember the idealism with which you set out in your life's work.

We wonder whether the dreams you dreamt then have come true. We wonder whether you have found the happiness you felt you deserved, and whether your lives have been as useful as you wished they would be.

More than the buildings and classes, more than the professors, more than the intangibles of school spirit and school loyalty, you represent Albright College to the undergraduates. You are the real products of this institution-the real results of the Christian education which Albright offers. You are, in a sense, a challenge for us. As you have succeeded in incorporating Albright's ideals into your lives following graduation, we salute you and promise to do likewise. And as you have fallen short of the goal because of the harsh necessities of life, we hope that your day here may inspire you anew to the achievements you once dreamed of.

Albright College is yours tomorrow, alumni. We hope that the day may be meaningful both to you and to us. Sincerely.

AN ALBRIGHT UNDERGRADUATE.

I winnstearly assed her what that tians were really like. "Green, with yellow eyes, tentacles, and books they play like instruments. Don't you ever read Ray Bradbury or Flash Gordon?" she answered so-berly, but her eyes soon lit up as she got out a Willy Ley book with "photos" of Jupiter to show me. These pictures began my strange hunger for science fiction. I read everything I could lay my hands on: H. G. Wells, Alduous Huxley, A. E. van Vogt, Robert Heinlein. I read of inter-galactic empires, almost-human robots, planned-eu-genics societies, odd planets and their odder inhabitants, high I. Q. atomic babies and Venusian babes. **Christianity Makes But One Demand**

The Christian faith makes only one demand-that we acknowledge our need for forgiveness and quit trying to save ourselves. In these words, Lew Briner brought a refreshing approach at the Y retreat to the age-old problem of morality and religion.

The demand is a simple one. Christianity is neither a legal code nor a set of religious laws; it is a positive way of life. Yet the demand, in its very simplicity, is a difficult one. To admit that we have sinned, if not in deed at least in intent, and to admit that we have failed in our efforts to save ourselves, is perhaps the hardest thing we can do ..

It is only by meeting in our lives this simple yet difficult challenge of Christianity that we can make it the positive, dynamic force we need so badly in our world today.

Harrier Prospects

Harrier Prospects The cross-country squad got off to a losing but not completely dis-appointing start last Monday when it dropped its first meet to Muh-lenberg, 21-39. The team, like the football squad, has a number of freshmen on it and they all showed to advantage against the Mules'. If they come along and adjust them-selves to the course, they can give the team a winning season. The Mules were a strong squad, their first man, Fred Shupp, com-ing within six seconds of the course record, so it was no dis-grace at all to lose to the visitors. Many of the freshmen finished strong and showed good kieks. They should improve even more as the season progresses.

The big difficulty in the fall tournament these days is getting the matches played. Paul Kissinger, who is in charge of most of the arrangements for the tournament, hopes that all entrants will play their first round matches.

More Matches Played In Tennis Tournament

In Tennis Tournament Further progress has been made in play in the fall tennis tourna-ment. Two more matches were played on Tuesday with Dale Moyer defeating Howard Platzker, 6-1, 6-1, and first-seeded Plaul Kissinger taking the measure of William sailer, also 6-1, 6-1. The only matches which have not been completed as yet are those scheduled between Don Grigsby and Bo Bergstresser, and between Ron Stauffer and George Rhoads. It is hoped by the committee in these matches will be completed as soon as possible so that drawings for quarterfinals competition can be made. The committee points out that there is very little good tennis weather left, and all haste is nec-essary for the tournament to be completed. Win Number 4 In F&M Tussle Victory number four will be the

prime objective of Coach Eddie Gulian's gridders tomorrow. The obstacle to that end will be the Diplomats of Franklin and Mar-shall. The result should be a real contest, as is usually the case with F and M-Albright battles. Last year's installment in the series re-sulted in a Dip victory by a 14-0 tally. It was the fourth leg on the Dips' road to an undefeated season.

Tomorrow the Lancasterites will bring a veteran club to Reading for Albright's Homecoming Day celebration. Among the returning lettermen from last year's excellent squad are, in the backfield, Steve Mischissin, Bob Buck, Wally Wit-mer, Irvin Jiras, Jerry Faber, Henry Rutter, and Bobby Werst. In the line, only Charlie Cope was lost through graduation, but this was a grievious loss since Charlie

Among the host of veteran line-men returning, however, are Charles Schlager, Russ Schelling, Jack Grimner, Jack Windish, Bob Zima, Joseph Mussell, and Wendell Hower, all guards and tackles. Frank Beauchner and Ted Rabuck handle the center post while Bob Hannum, Bernard Ebersole, Bruce Westerdahl and Joe Brooks are at the terminals.

Few Bright Spots For Albright, Coach Gulian will stand pat on both his offensive and defensive aggregations. There were a few bright spots in last Fri-day's beating, one being the fine work which Jerry Cocchiarella and Bob Krize exhibited in combining for Albright's touchdown. Eddie hopes to have the boys ready for this one and expects to show the rugged Dips a difficult time. There have been some fine games

Cocchiarella's Pass to Krize Lions' Only Tally

It was like running into a stone wall last Friday night at Temple Stadium as the Albright Lions had their roar reduced to something less than a purr by a bone-crushing Temple machine, 47-6. This was the Lion's first defeat in four starts for the 1951 season.

Lions Shaky

Lions Shaky Showing some shakiness in meeting a squad of Temple's cali-bre, the young Lions found that nothing worked for them, while everything seemed to click for the high-flying Owls. Except for spurts in the first and final quarters, the Lion offense was completely inef-fective. The only Albright score came in the final quarter with five minutes left in the game. It was a twenty-five yard pass, Jerry Coc-chiarella to Bok Krize, which ate up the final yardage for the six-pointer. At that point, however, the game was in the bag for the Owls, since they had alrendy crossed the goal line five times. Wuzzardo Scores

Wuzzardo Scores

Wuzzardo Scores The Temple touchdown parade started after six minutes of the first quarter when Temple inter-cepted a Krout pass at midfield and drove the distance with Duke Wuzzardo carrying over from the one-yard line. A few minutes later Paul Maguire galloped twenty-four yards for the second tally. Both conversions were made by Stolte, and the Owls led, 14-0, at the quarter. Playday Contests Under the guidance of Coach Fva Mosser the Albright girls played their first game of hockey against Millersville State Teachers College last Wednesday. The Lion-esses have been practicing hard for the last two weeks and the team is in good condition for the coming season. Captains Helen Hasselgren and Eleanor Williams have been showing the team the new techniques, which they learned at hockey camp this summer. Defense Braces The second quarter saw the Red and White defense brace to hold the Owls until the last minute when Paul McKernan, clever quarter-back, tossed sixteen yards to Bob Daniels, who stepped into the end zone for the TD. Mules Take Five

Mules Take Five Muhlenberg took five of the first seven places. Dick Acker and Ralph Jones finished third and fourth re-spectively. Mahlon Frankhouser was Albright's second finisher with a time of 21:05. Tom Haney, 21:20, and Tom Kelsall, 22:00 were the Mules' fourth and fifth fin-ishers. The Lions took ninth, elev-enth and twelfth places as letter-man Jim Rocktashel, 22:41, was nosed out by Muhlenberg's Dick Bover for eighth place. Gordon Opman Jim Rocktashel, 22:41, was nosed out by Muhlenberg's Dick Boyer for eighth place. Gordon Op-linger, 23:26, finished ahead of Harold Kretzing, 24:30. Seltzer's time was 20:19. Except for Rock-tashel and Frankhouser, the other lettermen from last year, all the other finishers were freshmen.

Shupp Runs Hard

Shupp Runs Hard Shupp's time was only six sec-onds off the record for Albright's course. Though he was puffing very hard at the finish he might have broken the record had he been aware of the time. Oplinger was the freshest at the finish but Rock-tashel had the strongest kick as he came within a second of beating Boyer after trailing by about 100 yards. There were 17 starters, eight from Albright. The last two finishers were from Muhlenberg. The day was ideal for running but only about fifteen people, including officials, turned out to witness it. officials, turned out to witness it. Lions Meet F and M Albright's next meet will be run tomorrow at half time of the F and M game with the Franklin and Marshall harriers. The Lions will meet West Chester on the Rams' course on Tuesday, October 23, and the Lafayette thinclads at Easton on Saturday, October 27.

Lions, Dutchmen **Battle October 26**

Next Friday night's Albright football opponent will be Lebanon Valley, the Lions' oldest rival. This contest should be a dilly, as Lebanon Valley is undefeated in college ranks.

The Dutchmen have a sound club featuring a group of large and hard-charging linemen. They also have a very capable T-quarterback in sophomore Lou Sorrentino, who as a freshman last year, was a thorn in the Lions' side as the Red and White scored a 27-13 victory. This year's game figures to be another high-scoring and hard-fought battle, with aerial warfare playing a large part in the final accounting. Coach Gulian's team, however, will be pointing for this contest and hope to narrow down the margin. Last year's game was an afternoon affair, but this year's will be a night contest.

Rev. Briner Cites Christian Demands At Fall Y Retreat

At Fair 1 Actreat Christianity makes only one de-mand, that man acknowledge his need for forgiveness and rest from the struggle to save himself, the Rev. Lewis A. Briner, pastor of Calvary Presbyterian Church, Wyncote, Pa., told a group of 50 students and faculty members at the fall Y retreat last weekend. Rev. Mr. Briner spoke four times at the two-day retreat on the theme, "The Christian Imperative in a Disordered World." The re-treat was held at the Blue Moun-tain Y.W.C.A. camp. Man is made in the image of God, the speaker declared, and needs to get rid of his illusions of egocentricity. It is essential to rec-

needs to get rid of his illusions of egocentricity. It is essential to rec-ognize the distinction between sin and sickness, Rev. Mr. Briner said. Symptoms of Escape Evident In general, men show symptoms of flight and escape. A typical as-pect of human existence is to find the self in flight from God, ac-cording to Rev. Mr. Briner. For-giveness is a gift of grace, the speaker said.
