Religion-In-Life Week To Feature Rev. Washburn

Rev. Paul Washburn, pastor of the First Evangelical-United Brethren Church, Naperville, Illinois will be the Religion-In-Life-Week speaker during the week of March 23-26.

Daily chapel services will be held for the students and smaller groups, including the faculty, will meet Mr. Washburn for informal discussions. Also a part of the four days' religious emphasis program is a stress on personal meditation and evening devotions.

Following his graduation from North Central College in 1935 and from the Evangelical Theological Seminary in 1938, both in Naperville,

REV. PAUL WASHBURN

Mr. Washburn became pastor of St. John's E.U.B. church in Rockford, Illinois, where he served from 1939 to 1952. From 1945 to 1952 he was professor of religion at Rockford College, on a part-time basis.

Assuming his duties as pastor of the Naperville church in June, 1952, Rev. Washburn has had an opportunity to serve many North Central College students. He has also been active on the University Christian Mission team at Bowling Green State University, Ohio, at Indiana Central College, and at Aurora College.

5 Pledges Inducted Into Alumnae Sorority

Five senior women were inducted as pledges into Phi Delta Sigma, honorary alumnae sorority of Albright College, at the annual mid-year meeting of the group held last Saturday, February 21, at the Holiday House, Center Avenue and Douglas Streets, Reading. Mrs. Irvin Batdorf, president, conducted the pledge service for these women: Annetta Deussen, Evelyn Kressler, Nancy Loose, Elizabeth Martin and Patricia Miller.

During the meeting held prior to the induction, members of the alumnae sorority made plans for the celebration of the Fortieth Anniversary of the organization to be held on Alumni Day, Saturday, June 6, 1953.

The new pledges were guests at dinner following the pledge service. Alumnae members attending were: Mrs. Batdorf, Mrs. Eugene Barth, Mrs. Robert Rentz, Mrs.

Glee Club Begins Tri-State Tour

Pictured above are the forty-two members of the Albright College glee club and their director Dr. John Duddy (second row right). Next week the group will leave for a four-day tour at which time they will present concerts to various high schools and churches in three states.

Secular And Sacred Programs To Be Given

Four-day tour of the Albright College Glee Club, under the direction of Dr. John H. Duddy, will begin next Friday, March 6. Three secular concerts for high school audiences and four sacred concerts for church congregations, have been scheduled.

After leaving by bus from Krause Hall at 1 p. m., the Glee Club will first entertain Fleetwood High School students in the Fleetwood Fire Hall Auditorium at 2:30. That evening in the Christ EUB church in Easton, another concert will be given. Reverend Mr. Robert E. Ziegler, a graduate of Albright class of '48, is pastor of the church.

Group To See Opera

Saturday afternoon, March 7, the choral group will see the opera, "Rigoletto," at the Metropolitan Opera House in New York City. The scheduled concert for the evening will be presented in St. John's EUB church in Ridgewood, Queens, where Reverend Mr. Henry W. Zehner, '30 Albright graduate, is minister. James W. Rogers, a member of the Glee Club, made arrangements for this engagement.

Sacred selections will be rendered at the Sunday morning service of the Bethany EUB church in Richmond Hill, Queens. Reverend Mr. V. G. Megill, Jr. will officiate. Congregation members will serve as hosts and hostesses to Glee Club members Saturday night. The last church program will be given at Reverend Mr. F. R. Riedel's Emanuel EUB church in Union City, New Jersey on Sunday evening.

Tour To End At Kearny High

The last day of the tour, Monday, March 9, Kearny High School will be host to the group. Concert arrangements were made by Miss Thelma Maginnis, '21 Albright graduate, who is a teacher and physician at the high school. Another high school concert will probably be given that afternoon. Permanent arrangements have not as yet been made.

Glee Club members will be back on campus for the evening meal on Monday.

18 Students Make Dean's A List

Eighteen students were given academic honors by being named to the Dean's A list while thirty-eight students earned places in the B-plus group, Dean George W. Walton announced this week.

The freshmen led the classes in students represented on the A list with eight members while the senior class placed fourteen on the B-plus list. The A group also includes six seniors, three juniors and one sophomore. Nine juniors, seven sophomores and eight freshmen are on the B-plus list.

Those named to the A list who have maintained averages above 1.80 during the first semester are Owen Davis, Annetta Deussen, Mary Ellen Greth, Ann Lanz, Patricia Schearer and Virginia Seems, '53; Kenneth Bright, Ann Weik and Marilyn Yatron, '54; Hiram Neilson, '55; and Rodney Bentz, David Blecker, Robert Erb, Nelda

Council Considers 4 New Plans of Representation

Four separate plans for revising Student Council representation were brought before the council and discussed on Tuesday, February 24. Two of the plans were voted upon but were defeated. No action was taken on the other two programs.

Plan I would keep representation at its present status, with the exception that daymen, daywomen and boarding representatives would be selected from non-fraternal members. No vote was taken on this plan.

Max Nuscher introduced the second plan which would read as follows: two daymen, two daywomen, two boarding men and two boarding women, all non-fraternity representatives, one member from each fraternity and sorority, and one member from each class, making a total of eighteen representatives. The fraternities, sororities, and classes would be allowed to elect alternates to replace the regular members in case of absence. This plan was voted upon but failed to pass.

Suggests Revisions

The third plan was essentially the same as the second, with four representatives elected at large replacing the four class representatives in the original plan. No action was taken on this program.

James Barrett moved that plan four be adopted which would allow representation to remain the same as it is at present, with the following exceptions: three out of the five daymen and daywomen representatives would be non-fraternal and all dorm men and dorm women representatives would be non-fraternity members. This motion failed to pass the floor.

Move To Change Dates

Council passed a motion to permit the Kappa fraternity to change the date of their spring dance from Saturday, May 16 to Friday, May 15. A similar motion to move the date of the A.P.O. spring dance from April 25 to April 24 was also passed. The change was made because of the difficulty of both fraternities to secure a place to hold their dances on Saturday night.

Pres. James Buch urged the cooperation of the students in refraining from walking on the lawns between the women's dormitory and the gym.

Test Program To Be Renewed

By recent action of the faculty, Dean George W. Walton announced that a testing program for sophomores and seniors, which was discontinued twelve years ago, will be renewed next week. The first feature of this program will consist of a series of tests covering the fields of English, Contemporary Affairs, and General Culture to be given to all sophomores on Wednesday and Thursday, March 4th and 5th. The Graduate Record Examination, consisting of a general education achievement test and a specialized test in the field of major concentration, will be given to all seniors on Thursday and Friday, April 23rd and 24th.

In recognition of the growing need for some objective means of evaluating the "outcomes" of our educational program and of measuring the academic growth of our students, a special committee was appointed by President Masters to study the problem and make recommendations to the faculty. The program of tests as finally recommended and approved, is in agreement with established educational policies and proven academic procedures of many of the colleges of good repute throughout the country.

In its freshman testing program through the years and in its previous senior-sophomore program, Albright College has maintained satisfactory standing in comparison with other participating colleges. For this reason, we are again seeking full co-operation of the students in our new venture because we believe that such a program will be of real value not only to the college as a measure of results, but also to those taking the tests as an indication of achievement.

In this program, all the tests will be administered by the Psychological Service Center under the direction of Dr. Geil and, of necessity, will be established as academic requirements of the sophomore and senior years and as prerequisites for the college degree. No "passing grade" will be declared for the tests, but the results will be of value in subsequent personnel and advisory work with the student and in measuring the effectiveness of instruction and in evaluating academic growth.

20 Students Begin Practice Teaching In Area Schools

Twenty student teachers have begun their internship in high schools in the vicinity, Dean LeVan P. Smith, head of the department of education announced recently. Eight of the student teachers have been placed at Reading senior high, four are at Northeast junior high, two are at Southern junior high and the remaining six are located in the various Berks County schools.

The following began work at Reading High School on February 2: William Cohrs in American History under master teacher Mr. Lloyd Enoch, Owen J. Davis in Problems of Democracy and History under Mr. Norman Brillhart, Mary Ellen Greth under Mr. Joseph Plank in English, Dolores High with Mrs. Mildred Enterline in English, Thelma Koutroulelis in Spanish under Miss Martha Morrette, John Lapos in English under Mr. Charles Hawman, Cynthia Reinart with Mr. Joseph Haage in Plane Geometry and Consumer's Math, and Mrs. Eleanor Whitbeck under Mrs. Lillian Kramer in French.

Fisher, Neatock at Southern

At Southern Junior High School are Katherine Fisher and Nancy Neatock, the former teaching Home Economics under Mrs. Donald Rittenhouse and the latter teaching English under Mr. Walter Brumbach.

Northeast Places Four

Evelyn Hinkle and Carolyn Moyer are both student teaching at Northeast Junior High in the Home Economics department. Miss Hinkle has Miss Mary Rumford as a master teacher and Miss Moyer is teaching under Mrs. Irene Dietrich. Also at Northeast are Patricia Miller teaching Social Studies under Mr. Franklin Ellis and Robert Waldner teaching Mathematics under Mr. Robert Freidman.

Six in County Schools

George Wertz is practice teaching at Womelsdorf High under Mr. T. R. Jenkins in Social Studies and Patricia Schearer is teaching Spanish, English, History and Problems of Democracy under Mrs. Jean Rollman and Mr. Lloyd Miller at Wilson high. Also at the West Lawn school is Phoebe Hunter teaching English and Problems of

Good Fun Well Done

Congratulations to all organizations who participated in Sports Night! We feel that each group deserves a special note of praise for the excellent sportsmanship which was displayed this year. We are sorry to report, that formerly many of the participants did not remember the basic rules of good sportsmanship. In fact, things had arrived at such a low ebb the "Y's" were considering not sponsoring the event. However, we are thankful and proud that all Albrightians active in this year's sport carnival showed the true spirit of cooperation and friendly rivalry.

Patricia Upczak, John Fetterman and James Croke are to be congratulated for the way they handled the planning, organization, etc. All of this added to make one of the best Sports Night witnessed in a long time.

Lastly, we would like to urge once more the students of Albright to contribute to W.S.S.F. drive, and also the Holland Flood Relief fund now being sponsored by the International Relations Club. We weren't let down on the generous contributions at Sports Night, so let us continue to support these drives with the same enthusiasm.

Shoot Them Down Like Dogs

Students are overwhelmingly against members' of the Communist party teaching in the nation's colleges, but they're somewhat in favor of teaching jobs for former Communists. This was learned in a recent ACP National Poll of Student Opinion.

Results of the first question—DO YOU THINK AVOWED COMMUNIST PARTY MEMBERS SHOULD BE ALLOWED ON COLLEGE FACULTIES?—are as follows:

Yes	9 per cent
No	85 per cent
No opinion	4 per cent
Other	2 per cent

The few students who say "yes" usually qualify it. "Communist teachers should be advertised as such," says a junior at the University of Nebraska. But a sophomore in Law at Phoenix College, Ariz., says, "No, they should be shot down like dogs."

"It would be," declares a coed at Trinity College, D. C., "like permitting gangsters to teach high school boys; corrupt ideals would be instilled in their minds . . ."

The second question was: DO YOU THINK THAT FORMER MEMBERS OF THE COMMUNIST PARTY SHOULD BE ALLOWED ON COLLEGE FACULTIES? Here are the results:

Yes	45 per cent
No	39 per cent
No opinion	9 per cent
Other	7 per cent

"College students are supposedly old enough to judge for themselves," says a senior in Education at the University of Idaho.

A freshman at California State Teachers College, Pa., states, "I would like to hear lectures from a Communist, just for interest." She adds, "I am not a Communist."

Many students think former Communists would be good teachers because, as one student puts it, "They would know both sides."

An ACP survey last winter indicated that the majority of students were against loyalty oaths for college professors. The figures were: Approve, 39 per cent; disapprove, 47 per cent. Seventy-three per cent of the graduate students disapproved.

In the present survey, 60 per cent of the graduate students are in favor of college teaching jobs for former Communists.

CURRENT TIDES—The Web of Thought Control Tightens

By L. RAY WEITZEL

The web of thought control is being drawn ever tighter around our culture. The loyalty oaths, guilt by accusation or association, and senatorial investigations are apparently just the beginning in an attempt by the reactionaries of the country to make everyone think exactly like them or run the risk of being called a Communist.

The latest attempt to silence all dissent started with an investigation right into the heart of the intellect of our culture, the American colleges and universities. If the American professors can be clubbed into submission, then the battle is almost completely lost and American freedom will have gone out with a whimper and not a bang.

Under the guise of protecting our security against the Communist threat McCarthy, Jenner, Velde and others have used every means possible, without any regards whatsoever, to basic civil liberties, to scare the people of the nation into conformity with the status quo. The latest attempt, as was mentioned before, to bring all dissent into line is the recently begun congressional investigation into "Communism in the colleges" led by Senator William Jenner of the Senate Judiciary Committee and Representative Harold Velde of the House Un-American Activities Committee.

There have been the almost casual statements by these reactionaries that the investigations will seek out the "Communists and COMMUNIST-TYPE thinkers" in our schools, colleges and universities. It is not enough that the methods being used (guilt by accusation, guilt by standing on a constitutional right, etc.) are anything but shining examples of procedural civil liberties. The investigators now are going to fetter out all Communist-type thinkers.

Just what is a Communist-type thinker is of course up to the investigators to decide. It isn't hard to see how any critic of the investigations or the procedures used can very easily be called a Communist-type thinker; in fact, anyone who disagrees at all with the inquisitors can be labeled subversive. According to them, anyone who proposes any type of liberalism such as TVA or federal ownership of tidelands oil or even possibly the post office is a Socialist and, of course, the Socialists are the same as the Communists, so they say. Consequently, anyone to the left of the right side of Taft is suspect of subversion.

brought us to the brink of World War 3." It is not necessary to go far afield to realize the effects of a search for "crypto-Communists" or "Communist-type thinkers" on dissent points of view, on free discussion and expression of opinions, especially when it is conducted by a man who beforehand announces his lack of concern for innocently accused individuals.

But this is not all. On March 9, 1950, he said on the floor of the House of Representatives: "I am opposed to the public library demonstration bill. Educating the American people through the means of this library service could bring about a change in their political attitudes quicker than any other method. The basis of all Communism and Socialistic influence is education of the people . . ." Furthermore, defending the McCarran police state act, he said March 15, 1950: "It is right and proper in many cases that these freedoms (guaranteed by the constitution) should be taken away." Thus a man who fears education and thinks nothing of taking away constitutional freedoms is leading the investigation into our institutions of higher learning.

As was said before, this is being

Banish Toleration

Last Sunday ended another brotherhood week. You have heard all the variations on the general theme—all "positive" contributions to the ideas and efforts which are inherent in brotherhood. Yet, I would like to speak of the small points of brotherhood, not too often mentioned. In a sense, brotherhood is not a definite enough term for what I mean. I speak of the process of recognition of worth in every man, and of identification with the basic human quality which we all share. Reference to a person as—oh, hundreds of specialty words, from nationalities to vague classification of the whole person from only one facet of his being—serves to vitiate the quality of brotherhood every time.

Then too, there is the narrowness, or refusal to see, in the attitude, (too natural) that "our group," our identification, is best—the only one by which all others are to be judged. This is a quite common phenomenon of our personalities. We are happiest with and in that which we know best. However, it is wrong to carry over to the statement that others should follow our bent also.

The recognition of the individual as a purposeful, self-contained unit, forgetting to the large, the pseudo-ties of race, nationality, religion, color, and all the rest—and accepting the fact that our world, if it is to meet the challenge of the past, must be re-born into the concept of individuals.

I think the word "toleration" should be banished. Brotherhood may stay. Toleration implies that "the other guy is wrong, but let's be nice to him anyway—". You know, he might be right?—L.S.

done under the guise of patriotism or national security. But who is or is not patriotic? A liberal educator, who believes that education should not teach loyalty to existing institutions but rather loyalty to democratic ideals and that the main emphasis should be on how to teach the student to think critically, is certainly good bait for being called a subversive. And if the educator also believes and teaches that a democratic education serves as a way of institutionalizing "revolution through peaceful change" to a better society, then such an educator is more than suspect in their eyes. Some might go even so far as to call him a Communist-type thinker.

The effect of this witch-hunting in all phases of life can be readily seen in the little city of Harrison, New York. There the school board became the first to require the officers of all organizations from the League of Women Voters down to the Girl Scouts to take a loyalty oath if they want to meet in a Harrison school building. This brought protests from many local citizens who labeled the oath the absurdity that it is. But this only causes suspicion on the part of the other residents who wanted to know what they had to hide. As a result neighbor has been divided from neighbor and suspicion is so rampant that many are considering moving from the town. This suspicion smacks strikingly of Nazi Germany and of our present "enemy" Russia.

Now imagine what the feelings will be like when the investigations get rolling in the schools of the country. Any person who refuses to answer a question on constitution

(Continued on Page 4)

"Have you ever taught or openly advocated freedom of thought in your classroom?"

And what manner of man is this Congressman Velde who is to lead the investigating committee? Mr. Velde has this to say concerning the investigations: "It is better to wrongly accuse one person of being a Communist than to allow so many to get away with such Communist acts as those that have

Scranton Invades Gymnasium Tomorrow Night

by Pete La Rocco

Inability to fare better in road games has kept our young G-Men on the wrong side of the ledger this season. The past week's schedule proved no exception. Albright lost to Scranton and Franklin and Marshall and squeaked by low-rated Moravian. The current record stands at 8 wins and 11 losses as we go to press. Prospects look much brighter for the future but for this season Coach Gulian will have to be content with building character.

Sports Night has come and gone and no scars are evident. The participating organizations deserve a pat on the back for their fine sportsmanship. Every fraternity and the frosh-daymen gave all-out performances with the Zeta's outscoring the Kappa's. The Mu's nosed out their three closest rivals to take the women's trophy.

Winter Running

Opening the track season on March 21 with an indoor meet at Delaware, many track aspirants are warming up. Albright has already participated in the IC4A track and field championships. Against such stellar competition as Bob Richards and Mal Whitfield, however, Harold Kretzing, Mahlon Frankhauser and Elwood Albert failed to qualify.

Cheers and Jeers

Cheers to Jim Croke, Jack Fetterman and the entire W.S.S.F. committee who were responsible for the orderly presentation of Sports Night.

Special Message

Note to Mr. Eugene Shirk! The football lettermen wish to express their gratitude upon the receipt of their awards. The trophy the Zeta's won, after one day of standing on the mantel is in a state of acute disrepair. It has been suggested that the previous custom of awarding a gold-loving cup was much more practical.

Hot Rumor!!!

The grape vine has spread the news that wrestling will be included on the sports program next fall. The arguments against this are quite numerous, but who knows?

Nice Start Girls

Coach Eva Mosser's basketball team has displayed a fine showing thus far in their challenging season. The score book reports one win over Lebanon Valley, one tie to Cedar Crest and one loss to Temple.

With top scoring record, Patricia Miller and Julia Leinbach, co-captains, have certainly led their team in fine style. Scoring 24 points in the first game with L.V., Patricia Upezak, '55, is the perfect player to complete the threesome who make-up the starting forward line.

It will be interesting to watch the Albright Lassies complete their season. This editor feels that they are off to a nice start and that if it continues, the season will prove to be successful. Today the girls will continue their games when they meet Drexel at four o'clock in the gymnasium.

Royals Game To Conclude MASCA Card

Gulian's Lions To Meet Muhlenberg Wednesday

The MASCA portion of the basketball season will wind up tomorrow evening when Coach Eddie Gulian's Lions meet Scranton University on the home floor. Next Wednesday evening the annual contest with Muhlenberg will take place in Allentown.

The Royals already have one decision over the Lions, 59-54, at Scranton. In this engagement the hosts got away to an early 13-1 lead as Coach Gulian started his second-stringers. The rest of the battle saw the visitors attempting to overcome this deficit, but they were never able to do so. The closest they approached was 55-52, with two minutes remaining in the game.

Bob Bessor canned 20 points in the Royals' win, and will bear watching again tomorrow night by the Red and White forces. He was backed up with 16 markers by forward Joie Fitts. Connie Dettling's 15 counters was high for the visitors.

Wednesday night will see the Lions gunning for revenge for a 70-68 defeat last year by the Mules at Northwest. It was Dick Rudolph's lay-up in the last six seconds of an overtime period which brought Coach Bennie Borgman's team the victory.

This season the Mules have a better than .500 percentage. Some of their best showings have been in defeat as they extended the powerful Seton Hall team before losing, 88-75.

Girls Tie For Top In Playday Action

The Albright Lionesses were defeated for the first time this season, 59-43, on Tuesday when they were downed by the girls from Temple. The Temple players had the advantage of height; however, the Lionesses kept up the pace until the last quarter. Patricia Miller was high scorer with twenty points, while Julia Leinbach and Patricia Upezak each contributed with eight and thirteen tallies respectively. Kline and McKay were high scorers for Temple.

The J. V. team lost 44-18. High scorer for the Albright lassies was Ann Kocher with 8.

Last Saturday the Albright girls tied Cedar Crest for first place in a playday at Kutztown. The scores were Albright 18, Kutztown 14; Albright 24, Moravian 9; and Cedar Crest 16, Albright 14.

Today the Albright girls meet Drexel at four o'clock on their own floor.

Out In Front

Mike DePaul, freshman guard, is the current leader of the Albright scoring race. Mike, who hails from Stony Creek, won all-star recognition for two years while at Reading Central Catholic High School. He also starred at Eastern Military Academy on Long Island. Mike's sport year is a busy one. He quarter-backs the football team and also plays baseball.

Varsity Defeats Moravian, 73-72; Bow to Dips, 92-70

Connie Dettling's last second field goal enabled Albright College to post its eighth victory of the season. The thrilling 73-72 win over Moravian also put Albright on the right side of the ledger in the M.A.S.C. league.

DePaul Paces Winners

Freshman, Mike DePaul tallied 20 points to pace the G-Men. George Conrad and Dettling followed with 15 markers each.

The Lions got off to a slow start but then rallied to take a substantial lead. The Greyhounds narrowed the gap but were unable to provide anymore than the story-book finish.

"Dips" Top Lions

At Lancaster the high-scoring Diplomats poured in 30 points and pulled away from the lagging Lions in the second half. The final tabulation was 92-70. Albright opened strong with a 17-17 tie but the Dips had a 39-32 lead at half time and from there they went on to the final romp.

Lovett was the big-gun for F. & M. with 24 points which 4 of his mates notched double figures. DePaul and Conrad were the bright lights in Albright's picture with 20 point performances.

Zetas and Mus Victorious; Sports Night A Big Success

Dettling, Dey, and LaRocco Win for Zetas; Miller, Leinbach, and Kuettel Triumph for Girls

The Zeta fraternity and Phi Beta Mu sorority captured the trophies awarded at the annual Sports Night contest held last Friday night, February 20, in the gymnasium. In a close race for top honors in the men's events, the Zeta's earned 60 points to top the next highest scoring Kappa team. The Mu's rolled up forty points to win in the female competition.

The highlight of the evening's activities came when Leonard Zahurak of the Kappa's performed a record breaking high jump of five feet, ten inches to win over Zeta Jim Croke. Also closely contested was the tug-of-war between the Pi Tau's and the Kappa's. The Kappa team emerged victorious. Freshman William Davies displayed fine wrestling techniques to defeat the Kappa entry, William Britton.

A rundown of the points scored show the Zeta's with 60 points, Kappa's with 50, Pi Taus with 40, Freshmen and APO's with 30 each, and the K.T.X. with 0. In the women's events, the Mu's scored 40 points while the Dorm women, Daywomen and Pat's received 20 points each.

The following groups won in each event: ping pong—Dorm over Pat's, Mu's over Day; badminton—Mu's over Pat's, Day over Dorm; steal the bacon—Pat's over Day, Mu's over Dorm; hop-skip-jump—Pat's over Day, Mu's over Dorm; volley ball—Dorm over Pat's, Day over Mu's.

Winners in the men's events include: ping pong—Pi Tau's over A.P.O.'s, Kappa's over K.T.X., Zeta's over Freshmen; tug-of-war—Freshmen over K.T.X., Zeta's over A.P.O.'s, Kappa's over Pi Tau's; Indian leg wrestle—A.P.O. over Freshmen, Zeta's over Kappa's, Pi Tau's over K.T.X.; high jump—Pi Tau's over K.T.X., Freshmen over A.P.O., Kappa's over Zeta's.

Baby Lions Win 13; Townley, Dey Shine

The Baby Lions came from behind in Monday night's tussle to score a repeat victory over the Moravian Greyhounds with a 53-45 tally. Playing in the Hounds' new physical education building, Albright's scoring was evenly divided with three men hitting the double figures. Bernie Seaman, Robert Townley and Robert Dey hit the hoops for 16, 14 and 12 respectively. March and Detweiler tallied 14 and 10 for the Blue and Grey.

Playing on the Lancaster court, the Cubs were handed set-back number four by the Franklin and Marshall frosh. The 57-54 victory for F.&M. marked their second over Albright this season. Seaman and Townley paced the Hicksmen with 17 and 10 markers respectively. Scoring 7 points each were Dick Jockman, Mickey Harbach and Dey. The hosts were leading Jim Bean, with 16, and Carl Blair, with 10.

Coach Bobby Hick's baby varsity defeated the visiting Moravian College JVs last Wednesday to make their slate 12 and 3. The 60-57 victory came only in the last minute of the game. Bob Detweiler, Moravian sophomore, was high-

Keglers, Kappa B's Tied For First in 'B' Loop

The high flying Zetas insured themselves of a perfect slate with a 7-0 record by defeating the Kappas 37-29, 20 points by Bob Krize and Peiffer helped the victory along. The Pi Taus took sole possession of second place by sneaking by the APO's 32-30 on the strength of Gaul's twelve points. The defeat dropped the APO's into a third place tie with the Rebels who acquired their fourth win over the Frosh 40-34 with John Weiss and Bill Hillyer each pocketing 13 markers. Roy Dragon netted 15 points for the losers.

The defeated Frosh and Kappas finished in a fourth place tie. Ken Mango hit the baskets for eighteen points for the Aces and enabled them to defeat KTX 48-33 despite 18 points by George Rankin. The win was the second one for the Aces and left KTX winless.

The Keglers and Kappas turned in wins over their co-hosters in first place last week, and as a result they ended the season in a first place tie with a log of six and one. The Keglers held a half-time lead of 14-10 over the FBI until they put on a late spurt to knot the score 22-22; then, the Keglers scored two points to the FBI's foul shot resulting in a 24-23 victory. Ted Kujawski and John Misko led the way to victory with 10 and eight points respectively.

Len Zahurak and Rudy Becker led the Kappas "B" squad to a 31-17 over the Zetas. Bob Reller was high scorer for the second place Zetas. The APO's "B" team held down third place by defeating the Pi Taus 54-28 on the sharpshooting of Ted Tietge and Bruce Tenley who collected 24 markers. The Pi Tau B squad failed to collect a win during the campaign. Glenn Lambert's nine digits and Ery Knight's eight markers paved the way for the Rocket's second win and fourth place.

L. M. Youngerman To Address Chapel 'Y's', Classes

Rabbi Louis M. Youngerman of Allentown will address the Albright College student body in convocation on Tuesday, March 3. He will speak later the same day to a YM and YWCA group.

Wednesday, Rabbi Youngerman will visit Comparative Religion and Old Testament study classes and be available for individual consultations.

Rabbi Youngerman is a graduate of the Hebrew Union College in Cincinnati, Ohio. Since his ordination, the rabbi has served the following congregations: Mick Mickve Israel, Savannah, Ga., and Rodeph Shalom in Philadelphia, Pa. as assistant leader. He has also been B'nai B'rith Hillel Foundation Director at the University of Florida in Gainesville, and later Hillel Director at the University of Maryland and at George Washington University in Washington, D. C.

The rabbi, now leader of the Keneseth Israel Congregation of Allentown, comes to Albright under the auspices of the Jewish Chautauqua Society of New York City.

Kaiser To Review Book

Raymond Kaiser, '55, will review the ninth chapter of the book "Rediscovering Christ," in Bible Class on Sunday morning, March 1, at 8:45 in Selwyn Parlor. The chapter entitled, "The Power of His Resurrection" will include in discussion the answer to the question "Why is the Resurrection so central in the Christian faith?"

Raymond Horan, '56, will be the speaker at Vespers on March 1 in Sylvan Chapel at 7:00 p. m. The theme of his talk will be possessions.

Sigma Tau Delta Holds Annual Banquet

Sigma Tau Delta, honorary English fraternity, held its annual banquet on Thursday, February 19, in the Thomas Jefferson Tea Room in Reading. During the banquet meeting, papers written by the newly inducted pledges were presented. Plans were made for the reading of a play at the March meeting. The play will be selected by Dr. John Doude.

Those present at the banquet were: Doctor John Doude, Prof. Clyde Harding, Eleanor Dick, Anne Girvin, Dolores High, Margaret Israel, Dolores Luhovy and Irene Saylor.

tional grounds is automatically guilty. The tension of fear has been raised to such a level by these investigations and other mechanics of hysteria that everyone must be afraid of expressing a divergent point of view. The end result can be nothing other than virtually complete thought control.

If we the students and educators of the country just sit tight in the hopes that the committee will not touch us at any one particular institution rather than militantly fighting for our basic freedoms, then this writer for one will feel that we have betrayed our basic heritage—freedom of thought and expression. For if this investigation succeeds as the proponents of it want it to, then the American way of life, freedom of thought and dissention will have been more effectively extinguished than any Communist attack could ever hope to do.

The moral is simple—wave the flag loudly but don't say a word.

Library Buys Several Books Of Significance

Miss Josephine Raeppl, librarian, said that several books of outstanding note have been recently purchased by the library.

"Leonardo da Vinci on the Human Body" reveals the great man as an anatomist. His experimentations on the human body, which were far in advance of his times, are explained in the volume. Numerous illustrations are included. This book is in the words of Miss Raeppl "something that every pre-medical student will definitely want to see." Dr. Clarence A. Horn requested the book, which cost \$25, and he will get a first look at it before the volume is placed in the library.

"Major Problems of U. S. Foreign Policy 1952-1953" gives a resume of the present world situation, outlining international relations since the end of World War II, and mentioning attempts of the large nations to coordinate these relations in the U.N. Miss Raeppl has placed a box of pamphlets on the vertical file in the main reading room. The pamphlets concern study and travel abroad and in the U. S.

Democracy under Mr. Carl Constein and Mr. Lloyd Miller.

Nancy Loose, Arlene Yeager and Joanne Hassler are teaching Home Economics in county high schools. Miss Loose is at Muhlenberg Township High under Miss Ida Ebling, Miss Yeager is with Mrs. Betty Berger at Sinking Spring and Miss Hassler is with Miss Miriam Parker at West Reading High School.

The twenty teachers must complete a total of 180 hours in the high school where they are placed, 100 hours of which must be accounted for as responsible classroom teaching. Many of the student teachers began the internship during the mid-semester holidays either in the schools in the area or in "home town" high schools. Many of them will terminate the student teaching program in May.

Meyer To Discuss France In Chapel

Mr. George Meyers from the Reading Tube Incorporation of Reading will be presented to the Albright student body in chapel, Thursday, March 5. His discussion will be based on experiences in France. On Tuesday, March 3, a representative of the Jewish Chautauqua Society, Rabbi Louis M. Youngerman from Allentown, will be the principal speaker.

Yesterday's chapel program consisted of a talk on Samoa by Mr. Paul Dieffenderfer of the Metropolitan Life Insurance Company. The Tuesday chapel period was under the direction of Dr. Samuel B. Shirk, head of the Public Relations Department.

Minor Sports Wing To Be Completed By End of March

The minor sports wing in the gymnasium will be completed by the end of March, Gene Pierce, maintenance director, said recently. The new addition is to be used for small physical education classes and as a cloak room during games.

Mr. Pierce's men have also completed painting the trainer's room, the team room and the faculty men's locker room. They have installed all the equipment cabinets and clothes racks in the gymnasium.

Two loudspeakers, which were donated by the Berks County Alumni Club, have already been installed. After its annual card party, the same organization is to donate a public address amplifier and microphone. These additions will give Albright a complete public address system.

Mr. Pierce and Charles Gordon, treasurer, attended a three day conference of the Eastern Assoc. of College and University Business Officers which was held in New York. Both Mr. Pierce and Mr. Gordon have commented that they learned many new business techniques at the conference. Mr. Pierce is going to put into operation some of the new procedures in cost analysis as concerned with repair and maintenance work.

Estimates on repairing the stone wall on Thirteenth Street have ranged up to \$5,000. Other suggestions for fixing the wall are being sought. There is a possibility that the area will be landscaped in such a way as to make unnecessary the expensive repairs.

Mr. Pierce also announced that Sylvan Chapel has had its inside wall repainted, that the grounds crew under Jim Spatz is doing the annual spring trimming of trees and shrubs, and that the Albright Courts have had an automatic washer and dryer installed for the boarding men's convenience.

Evie Nantz Completes First Period Training

Evelyn Nantz, a graduate of Albright's 1952 class, passed her probation period at the Lincoln, Nebraska hospital where she is in nurses' training, and received her cap during a special capping ceremony on Sunday, February 15. Miss Nantz graduated from Albright with a sociology major and a psychology minor. She is from Helton, Kentucky.
