Dance Committees Announce Plans

Both Affairs Feature 'Manhatters'

Two dance committees this week have announced detailed plans for their rapidly approaching dates. The daystudents and the juniors and seniors state that everything is progressing in very fine order.

The second annual daystudent affair, which will be held for the second straight year at the Green Valley Country Club, will once again feature Albright's favorite band, the Royal Manhatters.

The affair will be held on April 18. There will be dancing from 8:30 to 12 midnight.

The committee in charge of the preparations is as follows: Jean Bongardner, Katharine Geib, Ellen Witmoyer, Janet Kitzmiller, Herbert Derr, Haldane Seller, Donald Spang, and Harold Werner.

The junior-senior dance committee announces that the admission fees for their affair will be collected in the form of class dues—the price is \$1.50 per couple. Dancing begins at 9 p. m.

This dance will be held at the Abraham Lincoln Hotel on Friday evening, May 1, and will also have as its musical attraction, the Royal Manhatters.

The members of this committee are Kenneth Hopkins, Charles Miesse, James Pomeroy, Nicholas Schneider, Jane Spotts, Ray Swett, Sally Weaver, Ellen Witmoyer, and Harold Werner.

String Ensemble Plays At Norristown

Accompany Choirs Of Methodist Church

On Sunday, March 29, a string ensemble from our music department consisting of Zieber Stetler, Cilia Konezewski, Irma Peoples, Ruth Ritzman, and June Strawbridge, violins; John Hertz, viola; and Gretchen Bieber, double bass; accompanied the Haws Avenue Methodist Church Choirs of Norristown, Pa., in a presentation of "The Passion of Our Lord According to St. Matthew," by Bach.

The soloists were Velma Godshall Bleggen, Anne Simon, and Leonard Treash, of Philadelphia, and Steel Jamison, of New York. The director was Catharine Morgan, organist of the church.

Mothers To Be Feted At May 2 Festivities

It has been announced recently that the Mother's Weekend has been scheduled for May 2. The activities will be similar to those of last year, with the exception of the banquet, which will be eliminated.

Staff To Meet Today; New Editor April 17th

Because of the fact that there will be no school tomorrow, the staff will meet today at 1 p. m. in room 103. This will be the last meeting of the present staff. Next week the new editor will take over.

Zieber Stetler To Give Recital

Jane Redcay, Piano Accompanist

Music, maestro, please! Is it the music of Rubinioff, of Fritz Kreisler, or is it music played with the maestro's touch by Zieber Stetler? Many thoughts of great violinists will be aroused when the Albright College Department of Music presents Zieber Stetler and his violin in a recital on Thursday, April 9, at 8:30 p. m. in the college chapel. Mr. Stetler will be accompanied at the piano by Jane Redcay.

The program is divided into three parts. The first is Suite in Alter Form by Zimbalist and is composed of the Prelude, Sicilienne, Mennet, Largo, and Finale. Hans Nix will be at the piano during this part of the recital.

The second part is the Symphonie Espagnole by Lalo and is divided into the Allegro non troppo, the Andante, and the Rondo.

The third and last part of the program is devoted to three pieces by Kreisler, namely, Chanson Louis XIII et Parane, Liebeslied, and Schoen Rosmarin.

Fathers Entertained At "Dad's Night"

Program Sponsored By College Auxiliary

The fathers of Albright College students were entertained at "Dad's Night" in the college dining hall at 8 o'clock last Thursday night.

The program, sponsored by the day student patron division of the Albright College auxiliary, included a panel discussion on "What Do You Know About Albright?"

The panel included: Dr. John B. Douds, head of the English department; Miss Florence Innis, home economics instructor; Professor Oliver M. George, physics instructor; Dr. Graham Cook, head of the chemistry department; Dr. Clarence A. Horn, head of the biology department, and Professor Lewis E. Smith, professor of political science.

Ray Hain, president of student council, outlined the college defense program, and Marjorie Frundt talked on the subject, "Extra-Curricular Activities." An octet provided some musical entertainment.

Van Passen, Roving Journalist To Speak On "Shadow of Tomorrow"

Born In Holland, Is Canadian Citizen; Wrote 3 Books

PIERRE VAN PASSEN

These critical times of war and desperate politics have brought before the eyes of the people of the world many new names—names of politicians, soldiers, statesmen, labor leaders, financiers, manufacturers, and many other people connected in many ways with our all-out war effort.

One group of people, who may not be quite as well-known as the others, is the group of authors and lecturers who are touring the country today and passing on to the masses their valuable knowledge of international affairs. This year's commencement speaker—Pierre van Passen—is one of this last group.

Mr. van Passen, who was born at Gorcum, Holland, in 1895, of a family that included a long line of clergymen on both sides, has lectured on the European situation in every major city in the Union and has contributed many articles to leading national magazines. His subject for the commencement address will be, "In The Shadow of Tomorrow."

The speaker was educated at the Erasmus Gymnasium at Rotterdam, Holland, and as a youth emigrated to Canada with his family. As a volunteer with the Canadian Expeditionary Force, he participated in the campaign in France in the first world war.

Scoped Roman Question

Among Mr. van Passen's journalistic scoops in Europe was the announcement of the termination of the Roman question six months before the reconciliation between the Italian State and the Vatican became an accomplished fact.

He was the personal guest of Signor Mussolini for three weeks, and toured the country of Fascism with the Duce's brother, Arnaldo. In addition to crossing and re-crossing Germany since the Hitler regime came into power, Pierre van Passen visited the Soviet Union several times.

Mr. van Passen has written three books which give historic accounts of world events and also some of his own eye-witness accounts. They are, DAYS OF OUR YEARS, THE TIME IS NOW, and THAT DAY ALONE.

The speaker has had quite a bit of experience in the writing field. He started as a reporter on the Toronto Globe, then became a feature writer. From there he went to Atlanta, Georgia, where he was an editorial writer and reporter for the Constitution. Then he was called to New York by the New York World, and after a short stay in the metropolitan area, he was sent to Europe as a feature writer and roving correspondent for the Evening World.

'Cue' To Be Issued April 27, Definitely

Will Have Picture From 'Life' Magazine

Barring sabotage, accidents, and invasion, the 1942 issue of the "Cue" will be distributed to all students on Monday, April 27, beginning at 10:30 a. m. In the chapel period for Seniors on that day, Seymour Mendelsohn, the editor-in-chief of the biennial publication, will present the first copy to President Masters on behalf of the staff and the Senior and Junior classes.

During the next two weeks, students may obtain the "glossies" from their portrait pictures by calling at the "Cue" office, directly across from the bookstore. The best time to find the editor or business manager is between 1 and 3:30 p. m.

Order Your Cue Now, Says Editor To Faculty

Faculty members who have not yet ordered their year book and students who wish to purchase additional ones may do so by giving their order to Bob Mattson or the editor.

So, don't forget to buy a "Cue" before April 27. Students needn't worry because they will receive their copies automatically. Here's to the "Cue" of 1942.

The outstanding features of this year's "Cue" are compactness and realism. In the 152 pages that make up the yearbook, there is a reference to every activity on campus. Starting out with a picture of the Pacific area of war obtained from the December 1941 issue of "Life" Magazine, the book goes on to show how students

Congratulations

Mr. Ralph H. Johnson made this comment relative to the first test blackout at Albright College:

The cooperation of the students shows conclusively that they realize the seriousness of the situation and the possibilities of air attack in this area. I only wish that we could instill into the general population of the city and county the same interest in the defense efforts that are being made. The enthusiasm to carry out orders, while typical of college students, showed the careful preparation and determination to do a good job. The results were all that could be expected. I hope that in the near future we can show the entire Defense Council what Albright has accomplished in the way of teamwork and completion of their plans. As Chief Air Warden, I would like sometime in the near future to call on Albright College to complete a blackout alarm without knowing at what time or when it would be called for and have the defense council of the city and county on the campus to see how effective it actually is.

After the second blackout, a surprise blackout, Dr. Masters received a letter from Mr. J. C. Eyler, chairman of the city blackout committee. Here it is:

Dear President Masters:

I wish to congratulate your student body and those members of your faculty who participated in the surprise air-raid alarm and blackout conducted last evening in the college.

It was very gratifying to witness so splendid a showing of able leadership and fine cooperation, characterizing the essential qualities needed for preparing us and carrying us through the many difficult problems that may confront us in the future.

Very truly yours,
J. C. EYLER.

This is a fine reflection upon the Albright student body.

Dr. J. Warren Klein, president emeritus, celebrated his 70th birthday on Saturday, March 28.

Dr. Milton W. Hamilton is the author of an article, "A Veteran Printing Press," in the April issue of the *Historical Review of Berks County*. It describes an old press, made over one hundred years ago, now owned in Kutztown. This issue of the magazine, which is edited by Dr. Hamilton, is devoted to early literary and artistic developments in local history.

spend their time on campus. The college section contains the faculty and history of Albright.

One reason why the book is being published so late is that the staff waited until the basketball season was over in hope that a championship team could be featured. Also special care was taken to see that the form and theme were consistent throughout the yearbook.

When the "Cue" will be distributed, students will understand the work and time which the members of the staff put forth in order that the graduating class of 1942 would have the best yearbook that was ever written in all the history of the college. Robert Mattson and the business department, which had the tough job of raising the funds, also worked hard.

Frat Track Plans Announced

More honors were heaped on Albright's basketballers within the past week when dapper Dick Shollenberger was named to the fifth team of the Associated Press' 1942 all Pennsylvania collegiate basketball selections. Kenny Hopkins, Bill Spangler, and sophomore Dewey Boltz received honorable mention.

The annual selections which are made from a poll of coaches and sportswriters found Pete Pasko, East Stroudsburg State Teachers star, receiving an unanimous first team berth. Bucknell's sensational George Haines placed second in the balloting to nab a forward berth. Penn State, St. Joseph's and Swarthmore shared the other first team positions.

Here's some basketball information that might interest you. Albright's cage fans may have the pleasure of watching Drake University and West Virginia play the Lions next season at Northwest. There is also a strong possibility of Cornell's Ivy League entry facing the Red and White dribblers on the Front and Spring streets court. The Cornell clash, if the Big Red five is scheduled, should have an added attraction with the presence of Dick Giles, former Reading High star, in the Cornell lineup.

It's Corporal Paul DiBlasi now. The June 1940 graduate and varsity track performer received his chevrons last week. P. D. is in the signal corp at Camp Crowder, Missouri. Another alumni note—Mike Bonner, fiery captain of the 1939 grid team, is a member of Gene Tunney's outfit at Norfolk, Virginia.

Kappas Take Lead In Softball League

The Kappas showed their intentions to make it a clean sweep in all sports by leaping into first place in the intramural softball loop during the past week. Their victories over the strong Frosh and A. P. O. teams show that they are a real power to be reckoned with.

Chuck Klein kept the Frosh's seven hits sufficiently scattered to allow his team to come from behind to win, 3-2, on March 25 and costly A. P. O. errors helped him beat that club, 11-1, last Monday.

The Zetas also stayed in the race by beating a surprisingly strong Daymen team, 10-5, on Friday. A big first inning and a rally to break the 5-all tie in the seventh frame gave "Jug" Manderbach his first win of the year.

In the other game, the A. P. O.'s knocked off the Theologs, 12-7. The chapel dorm boys nicked tired Ralph Frymoyer for 13 base blows before quitting. Willy Heisey's "4 for 4" and "Bishop" Witmer's homer with two on helped the cause immensely.

Longer Runs Should Be Cut, Dietz Suggests

It has been announced by the Intra-Mural Athletic Council that the intra-mural track season officially opens Tuesday, April 7. The schedule has been arranged as to allow for fourteen triangular meets. The contests are slated to be run in the stadium.

Although nothing definite has been revealed as to what events will be included, it has been suggested that all the field events, low and high hurdles, and the short dashes be run. Coach Dietz, who is supervising track under the direction of the Intra-mural Athletic Council, suggested that the longer runs be cut down into distances of 330 and 660 yards, and a three quarter mile.

The first meet will see the Zetas, Theologs, and Daymen tangling over the cinder paths. The Zetas boast of Clem Boland, Charles Werley, and Jimmy Breen, erstwhile varsity stars, to lead their squad to the championship. The Daymen have two Harrys, Bitting and Hantzes, as sure bets in the broad jump and half mile. Mike Dutzer and John Durko loom as big figures in the Theologs' plans.

The Kappas, defending champs, are counting on Paul Michaels, Vic Gigli, Sam Sehl, and Bob Baum to retain the victory cup. Figuring in the Pi Tau set-up are Carleton Quinby, Leon Steckley, and Shorty Miller.

Steve Plaskonas, Carl Osenbach and Stan Kuklis are the hopes of the chapel lads, while the uncertain Frosh are placing their bets on Ridolfi, Stark, and a host of other tracksters.

Kappas Elect New Officers

Kane, Praxy; Horn, V. P.

The Kappa Upsilon Phi Fraternity elected officers for the coming year at the last regular business meeting.

Those elected were the following: James Kane, president; George Horn, vice-president; Anthony Stish, secretary; Nicholas Schneider, treasurer; Carl Boltz, chaplain; James Harpster, steward; and Anthony Cagliano, junior student council representative.

Alex Smoot, Kappa president of '39, was introduced formally to the new pledges after the election.

Combined Glee Clubs Present Musicale

'The Crucifixion', Easter Theme

The combined glee clubs of Albright College under the direction of Professor John H. Duddy presented a musical program in the college chapel on Wednesday, April 1, at 8:30 p. m. The program which had an Easter theme entitled, 'The Crucifixion', featured Jane Redcay as organist, and the following soloists: Arthur McKay, tenor; Paul Kimmel, baritone; and John Wefel, bass.

The Crucifixion, which was written by Sir John Stainer, was composed of nineteen selections.

JOURNAL OF SCIENCE

BY DENNIS STRAWBRIDGE

Men of Science

From time to time as we scan the newspapers we read articles about learned scientific meetings and new discoveries being made in the field of science. To most of us these meetings seem quite aloof and beyond the comprehension of the average John Doe. However, it is from such gatherings that science gleans new information that leads you and I to enjoy life more fully.

There is in Pennsylvania a scientific group which will hold its annual meeting tomorrow and Saturday at a teachers college near Erie. It is the Pennsylvania Academy of Science.

Two members of our faculty, Dr. Clarence Horn and Professor Marcus Green, will present papers at this learned meeting. Dr. Horn will present a paper on the results of tuberculin tests he has given to college freshmen and seniors during the past ten years. Professor Green's paper will deal with experimentally-induced dental malformations in rats.

Birdmen Take to the Air

The new college C. P. T. program is underway. Three college students are enrolled in this class of ten. They are Donald Buxton, John Killiany, and Galen Royer. This group has started flying only this past week.

The non-college flight course has recently completed the ground school training. Professor George announced that there are 28 members of this class eligible for flight training.

Among the Honored

Willis Heisey, a senior chemistry student, has received \$600 assistantship to Lehigh University next fall. This column sincerely hopes that Willie's draft board will see fit to let him continue his training next fall.

Harry Arnold, a senior mathematics major, has been offered a position with DuPont.

Charles Klein will join several other Albrightians upon graduation when he enters the services of the Atlas Powder Company.
