

Parents Attend May Day Festivities

Frat Weekends Begin Tonight

The Zeta Omega Epsilon social fraternity will inaugurate this year's annual spring weekends, for social fraternities, when they gather at Galen Hall Country Club this evening for their spring dinner dance. The dinner dance will be the start of the weekend's festivities. Music for the program will be provided by Jack Heath and his orchestra. A Sunday picnic will close the weekend.

Other Weekends

Next weekend the three remaining fraternities will have their spring weekends. The weekends are held each year soon after pledging as the highlight of the fraternities' spring programs.

The Alpha Pi Omega fraternity will also hold their dinner dance at Galen Hall Country Club with the music by Tillman Fisher and his orchestra. A picnic at Maier's Grove will close the program.

Kappa Dance

The Kappa Upsilon Phi fraternity weekend will have just a dinner dance on Friday evening, May 15, at the Reading Country Club. Music for this affair will be supplied by the Cadillacs.

The Pi Tau Beta fraternity will also have a dinner dance and picnic as the highlights of their weekend. The dance will be held at Stokesay with music by the Four Moods. The picnic at the Shoemaker'sville Playground.

Behney To Offer Baccalaureate At Graduation Service

Dr. J. Bruce Behney, dean of United Theological Seminary, Dayton, Ohio, will preach the baccalaureate sermon in connection with the 100th Albright College commencement exercises June 7.

The baccalaureate service is scheduled for 11 a.m. in Krause Hall, according to President Harry V. Masters. Dr. Roy F. Nichols, vice-provost of the University of Pennsylvania, will deliver the address at the graduation exercises in the afternoon.

Dean

Dean of the seminary since 1951, Dr. Behney was formerly on the faculty, holding professorships in church history, systematic theology, and the philosophy of religion.

He is a graduate of Lebanon Valley College, 1928, and received the B.D. degree from Bonebrake (now United) Theological Seminary in 1932, the Ph.D. from Yale and the D.D. from Lebanon Valley in 1941.

During the 1957-58 year he was visiting professor of historical theology in Union Theological Seminary, Manila, Philippines.

Dr. Behney graduated from Freeport, Pa., High School in 1923 and was ordained in the East Pennsylvania Conference of the Evangelical United Brethren Church in 1933.

May 1 was the 200th anniversary of the birth of Jacob Albright, after whom the college was named.

Willard Stitzell Wins Student Council Race

SC Elects New Officers

Tuesday's meeting was the first conducted by the newly elected Student Council. At this meeting Alexander Stewart, '60, was elected vice-president; Carole Rischmann, '61, recording secretary; Marian Hutchins, '60, corresponding secretary; and Lester Kauffman, '61, treasurer.

The representatives of the administration present at the meeting, Leroy M. Burkholder, Leroy W. Withers, and Samuel B. Shirk, answered Council's questions on the building program of the college. They explained the new chapel will be used for religious and cultural programs; however, there will be no facilities for Stunt Night nor productions requiring scenery. To answer the students' question why chapel was being built, the administration replied that the money was solely contributed for a chapel. The erection of the chapel should be completed by second semester year. No plans have been made to change chapel attendance next year.

Other plans for the college when pledged money is received are an addition to the Science Hall and new residence halls when needed.

The request for more classrooms was answered by the administration's stand to meet educational needs first and residential needs second. The three classrooms in the basement of the new chapel will alleviate the present need.

Plans for Krause Hall have not been thoroughly discussed by the administration. They reminded Council that Krause Hall is a temporary building that can be condemned by the state at any time.

After this discussion Council unanimously approved the appointments of the new editor-in-chief of the *Cue*, Edward Traves, '60, and editor-in-chief of the *Albrightian*, Michael Teitelman.

Michael Teitelman proposed Council's giving \$50 to *The Agon* with the provision that at least \$100 would remain in the treasury after this grant. This motion was approved.

One Vote Margin Is Sufficient To Award New Prexy Victory

Willard Stitzell

The run-off election for Student Council president was won last week by Willard Stitzell, '60. Stitzell, by virtue of his election victory over Michael Teitelman, '60, assumed his new position Tuesday at the Mantle Ceremony. The margin of victory was one vote, 265-264.

A run-off election became necessary when neither of the two candidates received the ten per cent plurality required by the Student Council constitution. The constitution requires a candidate to receive either a majority or the ten per cent plurality of the votes cast.

Stitzell is a member of the Alpha Pi Omega social fraternity. He served as this organization's representative while heading this year's Homecoming committee. Stitzell is a chemistry and biology major, and plans to enter medical school upon graduation.

Acceptance

The context of the president's acceptance is as follows:

"It is with a great deal of pride and humility that I ascend to the coveted office of president of the Student Council. This statement, perhaps, seems to be a paradox; however, closer examination should reveal my meaning. I am both proud and gratified at the honor accorded me by my peers. At the same time, in order to be worthy of this distinction, I fear that any effort on my part will seem insignificant by comparison to the warmth of friendship and responsibility entrusted to me within the past few days. If not by virtue of the office, itself, will I dedicate my efforts, I will do so in partial recognition of those who have placed their faith in my trust. I say partial recognition because I could never fully repay the sum of gratitude for which I am in debt.

"I wish at this time to appeal to the student body as a whole for its undivided support. If we are as one in accord, there is scarcely any

Hutchins Appointed To Head Newspaper

Editorial Board To Remain Unchanged Under New Editor

Marian Hutchins, '60, has been appointed editor-in-chief of the *Albrightian* for the first semester next year. This year she was general office manager and editorial assistant. She is a mathematics major from Collingdale, and intends to follow a career in physics research.

Miss Hutchins is vice-president of the Phi Beta Mu social sorority, of which she has been a member for three years. She is the Mu representative to ISC and class representative to Student Council.

Recommendation

The recommendation for Rachel Hinman, '60, as business manager, has been sent to the faculty committee on publications for approval. The *Albrightian* editorial board will also include Sandra Strickler as feature editor, who will serve her second year in this capacity. Miss Strickler and Miss Hinman are psychology majors.

Stephen Lipkins, a sophomore business major (from Newark, N.J.), and Nancy Heilman, junior English major (from Reading) will continue on the staff as editorial assistant. Returning for his second year as sports editor will be Craig Leffler, '61, a resident of Mohnton.

Marian Hutchins

The faculty committee approved the proposal of the graduating editor, Steven Nicolo, to grant a partial scholarship of \$100 to each succeeding editor-in-chief of *The Albrightian*. His request for an annual publication of *The Agon* must be finally approved by Student Council.

The proposed nine issues of the *Albrightian* for first semester has been approved, with Wednesday set as publication day rather than Friday. The new day was decided upon to give the students a better opportunity to receive their copy of the newspaper.

Seniors Take Graduate Exam

Albright College seniors will participate Monday and Tuesday in the Graduate Record Examination administered by the Educational Testing Service of Princeton. The Psychological Service Center headed by Dr. Milton C. Geil will have charge of this senior testing program which has been used at Albright since 1952.

May 11 the students will take a four hour area test including the social sciences, the humanities, and the natural sciences. May 12 each senior will be given a three hour test covering his major field.

Dr. Geil stated that this test is of major importance since many universities require the scores made on

Three Classes Elect 1959-60 Officers

Bauer, Miller, Vogt Selected To Head Classes Next Year

The new class officers for the 1959-60 school year were installed Tuesday in Chapel.

Gerald Bauer was re-elected president of the 1960 graduating class for the third consecutive year. Bauer, a chemistry major whose home is in Reading, joined the Pi Tau Beta Fraternity as a Freshman and has been active as the Student Council representative from that body. He has recently been elected president of his fraternity. Acting as vice-president will be Richard Greene, Bradley Beach, N. J., who is studying Business Administration here at Albright.

Herbert Miller, of Havertown, Penna., has been re-elected president of the class of 1961. This has been a third consecutive successful candidacy for Miller, also. He is an active member of the Alpha Pi Omega Social Fraternity and is entered in the Pre-Ministerial course of study. Miller serves as a dorm proctor and belongs to KTX.

Assisting Miller will be Vice-president Kenneth Van Dine, a member of the Pi Tau Beta Fraternity, and Judith Miller, a PAT, as Junior class secretary. Frank Papalia and James Garofalo have been elected class treasurer and Student Council representative respectively. Both are members of the Alpha Pi Omega Social Fraternity.

Vogt

Carol Ann Morris, recently inducted as a Pi Alpha Tau sister, will assume the duties of class secretary. George Sughman, an APO, has been named as treasurer while William Ruoff, varsity basketball player and newly pledged member of the Zeta Omega Epsilon Fraternity will act as Student Council Representative.

All newly appointed class officers will execute their offices throughout the 1959-60 school term. Officers for the sophomore, junior, and senior classes will be elected again next Spring.

Fred Dietzel will serve as president. Dietzel will be aided by Merrill Eckhart, vice president, Suzanne Schick as class secretary-treasurer, and Herbert Zakrisson as reunion chairman.

The class of '59 will meet every fifth year. The reunions will be held on the campus and at each reunion new officers will be elected to serve for the following five years.

'Y' Picnic At Egelman's

The annual spring picnic of the combined Y's has been set for May 12. Egelman's Park will be the site of the picnic, this year taking the form of a "doggy roast," according to Carol Matz and William Vogt, both members of the class of '62 and co-chairmen of the affair.

Highlighting the program for the evening, will be the installation of the new Y officers and cabinet for the coming year. The newly elected officers being installed are Dorothy Seigel, '60, and Eleanor Schmickly, '60, president and vice president of the campus YWCA; John Price, '60, and Ernest Geise, '60, president and vice-president of the campus YMCA; Beverly Barthold, '60, and Robert McCloy, '62, the combined Y's secretary and treasurer, respectively.

limit to the goals that we may pursue. The results that will be attendant upon these pursuits depend mainly on you the student body. I cannot stress the idea of unity too much, for you must keep in mind that a chain is only as strong as its weakest link. If our Student Council is attended by just one or two individuals whose concern is no more than getting another extra-curricular activity on their records, then we, the Student Body will be hurt. It will be my endeavor to "weed out" that member, if such should exist. Reflecting back upon the first Student Council meeting that I have been privileged to preside as your new president, I see that there is much to be done. Of far more significance is the caliber of individuals with whom I see I shall be privileged to work. If their earnest inquiring minds continue in the same vein as they have shown themselves in our first meeting, then I say to you, the Student Body, the Faculty and Administration, the Board of Trustees, and to the Alumni and other interested friends, be at peace of mind and look forward to the coming year. We are determined to make this forthcoming year go down in the annals of the history of Albright College as one of the most successful."

The results at the first election were Teitelman, 227; Stitzel, 210; and Alexander Stewart, '60, 140.

Looking Back

As I look back over the past year I feel as though Student Council has taken a big step toward improving the relationships between students, faculty, and administration. I hope these same relationships we have fostered this year will be furthered in the future.

I wish to thank the members of the outgoing student council for their support and cooperation in making my task easier by assuming more than their share of the responsibilities that go along with council membership. With one or two exceptions, every committee functioned well and due to the efforts of certain individuals who contributed more than the minimum amount of work, we were able to provide the students with social events and activities that proved to be better than average. The feeling of having done something well is the only reward of these time consuming jobs.

Even though the committee members expended much energy, the events would not have been successful without the patronage of the student body. The support of these events, I feel, has been evidence of growing school spirit which I hope will continue to improve as it has during the past year.

The cooperation given the student council by the Albrightian has been most gratifying to me. The staff has done an excellent job of reporting the council's activities and publicizing campus events. The continued support of the Albrightian is necessary to provide the student body with information as to the activities of the council and what they are trying to accomplish. Many thanks to this year's staff for a job well done.

As for myself, my term as president was a rewarding experience which enabled me to become more acquainted with the intricacies of administration. There were things that I would have liked to have accomplished, but for one reason or another wasn't able to do so.

To my successor, Will Stitzell, I leave a job that has great possibilities, knowing that he has the potential to develop them and at the same time wish him a successful term as president complete with your cooperation.

Letters To The Editor

To the Editor:

Last year as a result of Dr. Philip E. Jacob's study, *Changing Values in College*, which found little value change in American colleges, a further representative study was initiated by the American Council on Education to determine what caused students' values to change in the few colleges where they did change. Dr. Eddy, director of the study, reported in *The New York Times*, March 15, 1959, that colleges could affect students' senses of value "by doing the best possible job of intellectual development . . . While colleges make a great pretense of seeking excellence, very few do."

"The principal determinant . . . is the level of student performance expected . . . On most campuses it is low." Other ingredients include "quality of teaching, the curriculum, the degree of student responsibility and the opportunity for religious understanding and practice." Moreover, "where students were given responsibility for governing themselves and establishing their codes of conduct, cheating was rare, whereas it was common on other campuses."

Albrightians, read over the last paragraph again! Where does Albright stand among "other campuses"? Apparently so. In order to rectify our situation some suggest dismissal of certain members of the faculty. I would suggest, instead, the granting to the student body the responsibility that goes with an honor system. This could be initiated now, on a partial basis, at the discretion of those professors who have the self-discipline to hold themselves to a rigorous standard of performance. They could apply it in certain of their advanced classes in which there is a mutual respect between professor and students and among the students. Such a partial program would begin the establishment of a tradition of honor upon which any honor system is based. This tradition could then spread out and gradually encompass the entire campus.

I strongly urge the initiation of such a program for I feel as a graduating senior that this is primary among factors which must be done to preserve Albright College as an educational institution.

Sincerely,
ROBERT PECKHAM

To the Editor:

Last week a Kappa brother was suspended from school in the aftermath of an incident that took place April 4 in the fraternity house. While attending a "French bucks party" held jointly with the Mus, the student in mention was seen by one of the chaperones who, acting in accord with his conscience, right or wrong, reported the incident and the forementioned action was taken.

The brother was drinking; we cannot contest that. We do contend, however, that his suspension was a contradiction of the Christian ethics we at Albright are asked to embrace. Certainly the reasonable mind might assume that more than one person was drinking that evening. The chaperone, neglecting to mention the extensive circumstances, reported only a half-truth. Despite the school's contention that each individual is responsible for his own actions and must be held liable for them, we believe that the guilt is collective and that any guilt must be borne collectively. On or off campus it was a fraternity function. We do not mean to flaunt any exaggerated fraternal unity, nor to express a willingness to accept the suspension of all our brothers. Regardless of the fraternal bond no human being, no organization of humans, is that selfless. We do not, and this is our point, believe anyone need be asked to bear such extreme consequences.

If a senior student can be sus-

ended following an incident like that described above with no consideration given to his pending graduation nor to his previously unblemished record, someone somewhere is erroneously interpreting Christian principles—abridging them for disciplinary application.

We were told that no amount of complaining could change the administrative decision and that quite possibly we may subject the whole fraternity to disciplinary action. We were advised to forget the incident unless we could propose some positive course, some obtainable goal. No, we cannot get our brother reinstated at this time but perhaps we can alleviate some of the anxiety that is too prevalent among Albrightians today. Any of us on campus today may find ourselves off of it tomorrow with a minimum of explanation and no vote of protest.

The Kappas believe that the students of Albright are entitled to a more clear and concise statement of all school regulations, the possible penalty for infractions, and a thoroughly explanatory interpretation of both those rules and their penalties involved. Further, we believe that should the students question the validity of any regulation their voice must be heard and that regulation justified or disallowed.

If we, as intelligent people, adhere to Christian morality, these requests can not seem unreasonable and should not be ignored.

Sincerely,
R. DAVID SEIP
President
Kappa Upsilon Phi Fraternity

To the Editor:

We, as co-sponsors of the recent Kappa-Mu House Party, wish to take this opportunity to express our feelings concerning the administration's actions in regards to the suspension of Gerald Knapp.

It is not our intention to condon the actions of Mr. Knapp, BUT, we do wish to protest the seemingly unethical manner in which the case was handled by the administration.

We realize that Mr. Knapp broke a rule of the school; however, we are constantly reminded of Christian principles, but the same supporters of these principles think little of suspending a man who has served as a student with an unblemished record for four years. Where is this mighty Christian spirit?

A rule was broken—a rule so clear that it took a week and a half before action was started. Why? Was the accuser so sure of his facts that it took a week and a half before his conscience finally forced a decision. Why wasn't the violation

of the rule called to the defendant's attention on the evening it took place? Why wasn't Mr. Knapp's past record considered? Doesn't four years of a person's life state more for his character and soul than one night's misfortune?

In closing, we wish to restate that we are not protesting Mr. Knapp's suspension. We are merely stating that as women of twenty years, it seems embarrassing, and even shameful, to feel forced to remind our superiors regarding ethical, moral and, most important, Christian actions.

Sincerely,
THE SISTERS OF THE
PHI BETA MU SORORITY

To the Editor:

Wednesday, April 29, our fraternity held its annual party for the orphans of the Reading Children's Home. Our purpose is, perhaps, a selfish one—we derive a deep satisfaction from seeing these parentless waifs enjoy themselves.

As in past years we rented Krause Hall for this occasion—rented is the word. We cannot understand why we have been charged a fee of \$10.00 for the use of this building since all of our members have paid their tuitions. We reasonably assume that the free use of all campus facilities should be incorporated in our contracts.

The school treasurer maintains that the Hall could be provided free of charge only if the affair were open to the entire student body of Albright. Once a particular organization holds an affair that is not open to the whole campus, a \$10.00 fee is charged. A second argument is that should any one organization be allowed the free use of Krause Hall all organizations must be allowed similar privilege. Is that bad? Is this to be considered a privilege?

We believe that, since the time and date for this affair were properly recorded on the social calendar, we have deprived no one of the use of Krause Hall. Had we not used the building to entertain the orphans, Krause Hall would have been vacant that Wednesday—dark, silent, and unused.

If the Kappas, Mus, and Pats can donate their time and energy, the Pepsi Cola Company donate the soda, the people of the community donate the toys and cake, is it asking too much of this Christian college to donate the use of Krause Hall?

Sincerely,
R. DAVID SEIP

Baseball And Tennis Squads Sparkle

Tennis Team Halted Only Once While Winning Nine

Passing the three-quarter mark in their 16-meet card, the Albright College netmen now own an impressive log of nine wins and one loss, convincingly disposing of their last seven opponents.

The Lions have been following the path down victory lane since last April 15, when they suffered their only defeat of the year at the hands of Bucknell in a local contest.

Since then, six squads fell before the rampaging rackets of Coach Will Renken's netters who, after tomorrow's home meet with Moravian, have two matches remaining. Albright will play host to the Middle Atlantic Conference championships on May 14, 15, and 16.

Gettysburg

Gettysburg College threw a scare into the Lions, who were hard-pressed before coming up with two wins in the doubles matches to clinch victory number nine.

Carl Witosky won the number one singles match by virtue of 6-2, 6-3 scores over Charles McDonough, and Dave Wingfield of Gettysburg bested Glenn Ruoss, 8-6, 3-6, and 6-2. Jack Reinhart, Albright, defeated Bob Philson, 6-2, 6-0.

Albright's Norm Bennett beat Roger Miller, 8-6, 6-1, and G-burg's Bud MacIvor worked two 6-1 sets on Bill Ruoff. The singles competition was completed with Mort Mailman's triumph over Al Kutner (A), 3-6, 6-1, 6-4.

Doubles Victors

The Lions took two of the three doubles encounters, as Witosky and Ruoss led off with 6-0, 6-1 sets over McDonough and Wingfield. G-burg's team of Dick Hershey and MacIvor came back to get the next match by a 6-4, 6-3 score on Bennett and Ruoff. Albright's team of Kutner and Reinhart took two sets of 6-3 to down Miller and Mailman and earned victory for the Red and White.

Albright racketeers had to resort to three sets only twice, once in singles and again in doubles play, to shut out Juniata, 9-0, at Huntingdon on April 28. Pete Christi extended Reinhart to three before bowing, 6-0, 4-6, and 6-4. It took three sets for Sam Zehner and Kutner to down Don Burnich and Jim Lear, 5-7, 6-3, and 6-4.

Muhlenberg College was sixth on the Albright casualty list as the

Muhls managed to take a third of the matches, but lost, 6-3. Singles victories were chalked up by Witosky, Reinhart, Ruoff, and Kutner. The teams of Witosky and Ruoss and Reinhart and Kutner achieved positive results in doubles play, the latter winning by 6-0 sets.

Lafayette and Lebanon Valley both were conquered by the Lions, by 6-3 and 5-4 scores, respectively, on successive outings on the Albright courts. The Lehigh countians dropped four singles matches to Witosky, Bennett, Ruoff, and Kutner, and two doubles contests. Albright succeeded in gaining a 4-2 edge going into doubles play, where they won only one match.

Frats Resume Softball Play

First-half play in the intramural softball competition has long been completed, and the Pi Tau Beta social fraternity clinched the mid-mark crown without dropping a single game.

The Pi Taus won four out of their five initial outings, the fifth game ending in a tie with the Daymen, whose record of three wins, one defeat, and one stalemate earned them second place in the race for the five-game toga.

APOs

The Alpha Pi Omega fraternity registered a win in second half play, as the Pi Taus strove to extend their unbeaten status into the second half. However, due to technical difficulties the Pi Taus forfeited their game with the Daymen.

Last Monday, May 4, the Pi Taus encountered their first defeat at the hands of the Zetas. The Zetas rallied to beat them, 4-3. Dick Moylan was the winning pitcher as his mates came back from a 3-0 deficit. Most likely there will be a hot finish in the softball intramurals as there was in the football and basketball seasons.

Graduate Exams

Red And White Trackmen Cop Triangular Tilt

The cindermen of Albright College notched the first triangular meet in which they participated this season against Ursinus and Bucknell on the home grounds to post their record at two victories and four setbacks. The Lions gained 58½ points in trimming the Bucknell Bisons with 56 markers and the Ursinus Bears with 39½ points.

However, they also encountered Dickinson in a losing battle, Wednesday, April 29, as the Red Devils piled up 76 1/3 points compared to 49 2/3 for Albright.

Blue Ribbons

In the triangular meet the Lions copped five blue ribbons as once again the fabulous trio of "Leaping Lions", Charlie Smith, Walt Diehm, and Brad Breneman won their specialties. Smith sailed to victory in the high jump at 5 feet, 10 inches and in the broad jump at 21 feet, 5½ inches. Diehm legged his way to first place in the 120-yard high hurdles in 16.1 seconds and in the 220-yard low hurdles in 26.4 seconds. Breneman vaulted 12 feet skyward to continue his dominance in the pole vault.

points in the century run and the 220-yard dash as he placed second in both events. Albright's Bob McCloy followed Ursinus' Vern Morgan to the tape in both the mile and two mile runs. Gary Sheeler took third in the shotput.

A few days earlier Albright was trounced by Dickinson on the home grounds. The Red Devils swept the 880-yard run, the mile run, the discus, and the javelin throw.

Dick Kelly

Kelly returned to his superb racing form of last year in the 100-yard dash which he garnered in 10.1 seconds. He also notched the 220 in 22.8 seconds to contribute 10 points to the cause. Double victories were again recorded by Smith in the broad jump and high jump and by Diehm in both hurdles events.

Gary Sheeler and Bill Vogt added six points in the shotput with a first and third, respectively. Sheeler threw it 39 feet, 9½ inches. Breneman soared to victory at 12 feet in the pole vault once again.

Penn Relays

At the annual Penn Relays in Philadelphia two weeks ago the quartet of Bruce Birkholz, Diehm, Bob Melnick, and Kelly placed eighth in the Middle Atlantic States one mile relay. The day before Birkholz, Melnick, Smith, and Kelly earned fifth place in the Pop Had-dleton mile relay.

Linksmen Club Lycoming Six

Albright earned its second golf win at the expense of Lycoming College in an 11½-6½ win at Williamsport, Friday, May 1. However, in the interim the Lion golfers have dropped two matches—a 12-6 loss to Seranton University and an 11-7 defeat at the hands of Moravian College.

In the victory against Lycoming Bob Goodman blanked the Warriors' Tony Donaldson, 3-0, and Bill Prothro reversed Stan Otokewicz, 22-1. Jim Smallwood cavorted in the number three slot as he laced Clem Palmi, 3-0. Dick Daddona, however, was limited to a 2½-½ loss by Lycoming's Grant Jones.

Carlson Wins Shutout

Bob Carlson continued his winning ways with a 3-0 decision over Dick Lee. Steve Shindle lost a 3-0 match to Bill Engler to complete the links action in this match over the Williamsport Country Club.

Smallwood and Carlson handed in successful reports in the Seranton match at the Fox Hill Country Club near Seranton. Smallwood beat William O'Malley, 2-1, in the number one encounter of the team match, while Carlson laced Ray Davis, 2½-½. Goodman dropped a 2-1 verdict to Jim Brown and Prothro was defeated by Ed Manley, 2½-½. Dick Daddona and Steve Shindle failed to register a point in the last foursome, however, as they yielded 3-0 matches to John McDermott and Joe Stulgis, respectively.

Greyhounds On Prowl

In a home match at the Berkshire Country Club Albright bowed to the Moravian Greyhounds. Although Prothro was the only victorious Lion, Smallwood split his match evenly and every other Albrightian registered points except in one encounter. Prothro blasted Gene Saley of Moravian, 3-0, in the number four match on the agenda.

Smallwood's 1½-1½ draw was incurred against Tom Volka. Lynn Sarig was blanked, 3-0, by Moravian's Ducky Potter. Bob Carlson was edged by Buddy Sollos in a 2-1 duel and Dick Daddona dropped a 2½-½ encounter to Greyhound Frank Sofka.

6-1 Record

Albright's golf record stood at two wins and six losses as of one week ago. The next engagement for the linksmen will be the Bucknell match to be played away today.

Lebanon Valley, Bucknell, and Gettysburg have been added to the list of victims crushed by the Albright baseball express. Engineer John Patskian guided the Albright freight through five games up to last Saturday, while firemen Fred Dietzel and Joe Wertz have been fanning the flames of victory. Only Dickinson has been able to halt the Lion express.

Albright smothered Lebanon Valley, 10-1, Thursday, April 23, as Dietzel, Wertz, and Dick Greene took turns heaping on the coals. While the Flying Dutchmen were unable to even get off the ground, the Lions went to work with five big runs in the bottom of the first to open the slugfest and weren't satisfied until the last run was scored in the eighth to seal the verdict.

First base conductor Claude Lynch puffed out four hits for himself and brought two mates home on one way tickets. Bruce Young and Gary Chapman along with fireman Wertz each brought in two of their teammates, also.

What Happened?

The Bisons of Bucknell stampeded to a 7-2 lead, only to be mowed under by the Albright express in a 12-7 show of power. Joe Wertz, the winning pitcher, and Captain Bob Shoup were issued round trip tickets by Bucknell's moundsmen.

The Lions took advantage of eight Bucknell errors and rolled into high gear with five runs in the seventh inning to outdistance the opposition.

Even "Bullets" couldn't stop the Albright steamroller as Gettysburg discovered. Dietzel must have stolen all of G-burg's ammunition as he fired twelve strikeouts and saw only four hits ricochet off Gettysburg's bats for hits. He probably shared the ammo with his mates, however, as the Lions blasted their opponents with seven clean hits, in winning, 6-1.

Fireman Fred yielded a singleton to Ken Fruchter and a double to Larry Leidel in the sixth frame for Gettysburg's only score. Dick Smith accounted for the other two Bullet hits. Dietzel got in trouble in the fourth with men on second and third and none out. However, he poured on the steam to strikeout the next two men and get the third one on a flyout.

John Diehm sent the Bullets scampering with two singles, accounting for four runs batted in. Young, Shoup, and Lynch hit consecutive singles in the seventh inning to bring across the final two tallies.
