Student Life Issue

Jason Soskin
Art Photo winner

"For as long as I can remember I have wanted to be a photographer. I would just like to thank the Albrightian for giving the students an opportunity to show our work. As far as my photography goes, I try to produce images that capture people. Most of these works are bizarre and many of my ideas come from horror movies from the 80's. I believe that everyone is unique or different and that is exactly how I wish my work to be seen as. I hope everyone enjoys the Student Life Issue!" -Jason Soskin

Erin Kelly
Non-Photo Media
Winner

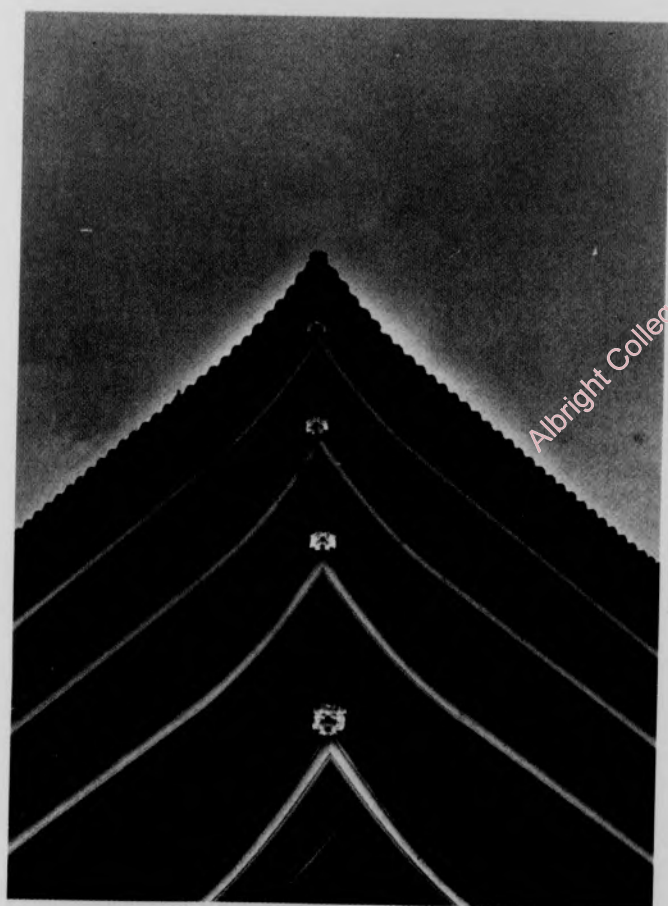

Erin Kelly is a sophomore Art/Elementary Education concentrator, who does not focus on any media in her work. This was an "appropriation" assignment where something famous is changed. The motivation came from a love of the Simpsons and something that everyone at Albright can relate to.
